The President and the Faculty of the University of Maine hereby grant to the Women's Student Government Association, subject to revocation at any time should a necessity therefor in the judgment of the President and the Faculty arise, the following powers, namely:

The maintenance of quiet and order in the dormitories of the women; the maintenance of decorum on the campus, in the vicinity of the University, in all matters pertaining to the student life of the women. The Women's Student Government Association of the University of Maine.
NEW REGULATIONS

The following shall be the method of procedure when new regulations are to be formulated or changes are to be made in the existing rules governing non-academic student activities:

The Chairman of the Faculty Advisory Committee for Women Students initiating the change, as soon as she has reached a definite idea of the views of her committee, shall confer with the President of the Women's Student Government Association, who shall in turn present the proposed changes to the Council; and when the President has obtained from this body a clear idea of its views in regard to the proposed change or changes shall again confer with the Chairman of the Women's Student Advisory Committee, which has proposed the said changes, and the final agreement on the line of action to be adopted is to be reached by these two chairmen in conference. When the two Chairmen have agreed upon some definite line of action, the Chairman of the Faculty Committee shall report this action to the Faculty for consideration.

In event of disagreement, after conference, the matter shall be laid before the Administration Board of the University.

When a student committee initiates action on any of the above topics, the same method of procedure shall be followed. (See Constitution, Article V).

POWERS VESTED IN THE STUDENT GOVERNMENT COUNCIL

The Council of the Women's Student Government Association shall have full power to act for the Association in dealing with the Faculty, after having duly ascertained the sentiments of the Association concerning the matter to be acted upon.

This Council shall have full power to act for the Association in all matters of student conduct of women students and to recommend to the Dean of Women the punishment for serious misdemeanors.

House Superintendents, members of the Faculty, and members of the Association shall report any observance of indecorum to a member of the Council.
TO ALL WOMEN STUDENTS OF THE UNIVERSITY OF MAINE:

The Women's Student Government Association extends a hearty welcome to all women who are returning to the University and to those of the new class. When you have enrolled at the University of Maine, you become an active member of the Women's Student Government Association.

The rules and regulations are liberal in comparison with those of most colleges. They are made and enforced by student government and their administration is under the Executive Council.

This is your government, and we expect your support and honor in maintaining standards worthy of the best type of college woman. To be successful—this organization needs your cooperation.

Martha L. Smith
Pres. of W.S.G.A.

In order to become a member of any fraternity, the student must be taking the required number of hours, and fulfill the scholastic requirements of the fraternity as stated above.
