## Auditors Report

I have examined the books of the Selectmen and Treasurer and find them to agree and to agree with the vouchers. And the statements therein to be correct.

E. L. Tarbell, Auditor

## Selectmens Report of Roads as Petitioned them during year.

March 19, 1913 E. W. Crawford and ten others of Mapleton asked to have 650 feet of the Pulsifer road, so called, in swamp near Teakettle brook as discontinued at a special town meeting June 7, 1910. After due notice, examined the same, finding difference in length of proposed and old road of 18 ft. Land being of a swampy nature and deep black muck. After considering the expense of building new or repairing old we believe it better to raise money to repair old road.

June 18, 1913 M. E. Hartford of Chapman and Andrew Condon and 10 others of Mapleton petitioned to have a road laid out from Northwest corner of lot 119 across land of W. H. McDonough and Andrew Condon to town line of Chapman and Mapleton 42 rods east from the southwest corner of lot 119. After due notice, examined proposed road and duly laid out said road beginning at north west corner of Lot 119 near Chapman road, so called, South East 09 de. East 584 ft. thence south 584 ft. to line between McDonough and Condon Andrew (this distance being road built by town in 1907 on land of Wm. McDonough) Thence South 10 de. 45 in. West 404 ft 6 in. thence South 11 de. 15 in. West 719 feet intersecting the line of said town 42 rds. 5 ft. or there about East of the South West corner of Lot 119 the above described line or survey to be center of road to be 4 rds wide and we award Andrew Condon one dollar.

Sept. 1, 1913 Hanford Ritchie and 12 others of Mapleton petitioned to lay out a road around Cogswell hill after due notice

examined, proposed and duly laid out said road as follows, beginning at base of Cogswill hill.

on center of road 100 ft. from Southeast corner of Hanford Ritchie house. North 11 de. West 322 feet 4 in. North 30 de. West 306 feet 6 in. North 66 de. West 246 feet to line between Ritchie and Foster Thence South 20 de. 670 ft. intersecting old road, the above described line or survey to be center of road the road to be 4 rds. wide and we award said Foster one dollar and said Ritchie one dollar.

W. H. Cook and five others petitioned to have West Chapman road straightened, after due notice, examined proposed change, starting at a point on west Chapman road so called South of spring on lot 98 running in a North Easterly direction to the North East corner of lot 98; we decided it not necessary for convenience of town as same object could be accomplished on old road by changing road bed at the curvers on road a very little and at much less expence to town.

# WARRANT

## *State of Maine*

*Aroostock ss.*

To H. M. Hughes a constable in the town of Mapleton in the County of Aroostook.

Greeting

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the town of Mapleton qualified by Law to vote in town affairs, to assemble at Grange Hall in said Mapleton on Monday the 23rd day of March, A. D. 1914, at 10 o'clock in the forenoon to act on the following articles to wit:

- 1 To choose a moderator to Preside at said meeting.
- 2 To choose a town clerk for the ensuing year.
- 3 To see if the town will accept report as printed.
- 4 To choose all necessary town officers for ensuing year.
- 5 To see what percent the town will vote to pay for collecting taxes.
- 6 To see if the town will vote to have one, two or three road commissioners.
- 7 To vote compensation of treasurer.
- 8 To see on what dates the taxes shall be due and what dates any part thereof shall be collected. Also to see if town will charge interest after certain dates, and what dates, and how much on taxes unpaid.
- 9 To see if the town will vote to allow discount on taxes paid before certain dates, and if so how much, and on what dates.
- 10 To see what sum of money the town will vote to raise for common schools for the ensuing year.
- 11 To see what sum of money the town will vote to raise for high school tuition.
- 12 To see what sum of money the town will vote to raise for repairs of highways and bridges.
- 13 To see what sum of money the town will vote to raise of repairs of school houses and appliances for the ensuing year.

- 14 To see what sum of money the town will, vote to raise to buy text books.
- 15 To see what sum of money the town will vote to raise to pay town officers for ensuing year.
- 16 To see what sum of money the town will vote to raise to pay interest.
- 17 To see what sum of money the town will vote to raise for incidentals for ensuing year.
- 18 To see if the town will vote yes or no on the question of appropriating and raising money necessary to entitle the town to State Aid as provided in section 20 of chapter 130 of the public Laws of 1913.
- 19 To see if the town will appropriate and raise the sum of \$533,00 for the improvement of the section of State Aid road as outlined in the report of the State Highway commission in addition to the amount regularly raised for the care of ways highways and bridges. The above amount being the maximum amount which the law allows to raise under the provisions of section 19 of chapter 130 of the public laws of 1913.
- 20 To see whether the town will vote to raise money and what sum for the maintenance of State Aid highways during the ensuing year, within the limits of the town under the provisions of section 18 of chapter 130 of the public of 1913.
- 21 To see if the town will vote to raise \$500.00 to pay town order No. 76 Given 1909 and due Jan. 1st 1915.
- 22 To see if the town will vote to raise a sum of money to buy a snow roller for the north side of the town and if so how much.
- 23 To see if the town will vote to raise a sum of money to build a school house on Creasy Ridge and if so how much and choose a building committee.
- 24 To see if the town will vote to accept road as laid out by selectmen around Cogswell hill, and record deposited with the town clerk March 7th 1914, also to see if town will raise sum of money, and if so, how much, to build said road.
- 25 To see if the town will accept road as laid out by selectmen it being a continuation of Condon road so called and record deposited with town clerk March 7th 1914 also to see if the

- town will raise a sum of money to build the same and if so how much.
- 26 To see if the town will vote to raise a sum of money to be expended on Pulcifer road so called near Teakettle brook.
  - 27 To see if the town will vote to accept 650 ft. of Pulcifer road so called near Teakettle brook as discontinued by special town meeting June 7th 1910 and relocated by selectmen June 7th 1913 and records thereof deposited with town clerk March 7th 1914.
  - 28 To see if the town will vote to buy a piece of land as Bargained for by Selectmen on the North East corner of Lot 96 containing 95 rods more or less to be used for school grounds and road to E. Judkins and M. Archer and raise a sum of money to pay for same and how much.
  - 29 To see if the town will vote to raise a sum of money for memorial expenses and if so how much.
  - 30 To see if the town will vote to raise a sum of money to build and repair gravel side walk and if so how much.
  - 31 To see if the town will vote to raise a sum of money to be expended on the West Chapman road so called and if so how much.
  - 32 To see if the town will vote to instruct the selectmen to grant license to any person or persons to run a bowling alley or billiard room.
  - 33 To see if the town will vote to have a high school.
  - 34 To see if the town will vote to build a high school building.
  - 35 To see if the town will vote to raise a sum of money to build a high school building and if so how much and how shall it be raised.
  - 36 To see if town will vote to continue school on Griffin ridge.

---

The selectmen give notice that they will be in session at Grange Hall Mapleton, Maine March 23rd at 9 o'clock in the forenoon for the purpose of correcting the list of voters given under our

hand at Mapleton this fifth day of March A. D. 1913.

P. M. Porter

W. C. Doyne

H. M. Hughes

Selectmen of Mapleton

---

## Report of Superintendent of Schools

To the citizens of Mapleton:

During the past year our schools have been very satisfactory, but one complaint having been brought to the school committee and one to the superintendent both of them being the result of a misunderstanding.

The teachers have been honest and conscientious in their work and merit high praise for the service they have given. Following our custom of the past we have kept the same teachers in one school so long as it has seemed the best for all concerned, and a higher standard of work has thereby been made possible. While this has sometimes meant the expenditure of more money, the results have justified this additional expenditure. All of our teachers attended the county teachers' convention at Presque Isle, and many the state convention at Bangor, and these meetings, with our two district meetings have kept them thoroughly enthused in their work. After Sept. 1, 1914, no one can teach in our schools unless they hold a state certificate or its equivalent. While all but two of our present teaching force possess them, other towns are not so fortunate in that respect, and the number of teachers will be decreased thereby.

This will mean that we will have to pay our teachers a larger salary to hold them, and we should also increase our school year to 33 weeks, which is the average school year of the State. With these changes in mind the S. S. Committee have recommended the sum of \$1500.00 for common schools.

It is encouraging to note that while our school population fell off six in number, the school enrollment is 26 more than last

year and our average is slightly higher. On the other hand fewer parents visited the schools during the last year than in either of the two preceding years. Our schools could be much more efficient if the parents knew just what their pupils were doing, and this can only be ascertained by visiting the schools and observing the work done there.

Some of my teachers have had "Parent's Day" with such good results that I have urged all my teachers to try this excellent plan to bring community life into the schools.

At the present time the town is in need of two new school houses, one at the Lovley school and another at the Creasy Ridge school.

After a careful examination the committee decided that the Creasy Ridge schoolhouse was beyond repair and that it would be a waste of money to attempt to repair it. They recommend that a new school house be erected there during the coming year, and that the sum of \$1800.00 be raised for that purpose. Another year they hope the town will see fit to erect a new schoolhouse in the Lovely school district, as the accommodations are quite inadequate for the size of the school.

At the new mill school there is no play ground, as their school lot extends but a few feet in front of the building, and that is partially taken up by a highway. The committee recommend that a part of the available land in front of the available land in front of the building be bought for a play ground for the children.

As the attendance of the Griffin Ridge has fallen below eight the school is discontinued by law, but in the opinion of the school committee the school should be continued, and trust that the town will so vote at the annual meeting. At this place I wish to express my appreciation for the uniform courtest shown me by the citizens of Mapleton in discharge of my duties as supt. of your schools. It has been my highest aim to co-operate with you, to the best of my ability, for the success of your schools.

### REPAIRS

During the past year, besides many minor repairs, new out-

buildings were erected at the Old Mill and Dennett schools, the Old Mill school house was painted, and a steel ceiling placed on the walls of the Griffin Ridge school.

Many minor repairs are necessary during the coming year, and at least six schoolhouses are in need of paint. The school committee have recommended \$500.00 for this work.

The wall under the Park schoolhouse has settled so that the building does not rest on it on the rear side. It would seem that a new wall resting on a firmer foundation than the old one should be erected and the committee have suggested a special appropriation of \$300.00 for that purpose.

#### TEXT BOOK

A uniform system of reading has been introduced into the schools with excellent results. This is the system used in all of our cities and larger towns. A uniform text book in arithmetic should now be adopted along with a uniform text book in grammar and our schools will then be in a position to do uniform work. We would recommend the sum of \$300.00 for text books.

Respectfully submitted.
