**Report of the Public Health Nurse—1942 ....**

**OWLS HEAD**

A generalized health program has been carried on during the past year. Eighty-nine home visits have been made including school, preschool, infant, antipartums visits. Tuberculin tests, a simple skin test, were given by the District Health Officer in the seventh and eighth grades, and the children showing a positive reaction were X-rayed at the Rockland X-ray Clinic.

A vaccination clinic was held at the Library and thirty-five children received the preventative measure against smallpox.

The nurse wishes to thank the school committee, teachers and Local Health Officer for their cooperation and help.

## Superintendent of Schools Report

To the Superintending School Committee and  
to the Citizens of Owls Head:

Please accept this my twenty-first annual report  
on your schools.

As Mr. Dennett declined a reelection as teacher  
of the Junior High School, Mrs. Ella Gatcombe was  
employed and has filled the position satisfactorily.  
Mrs. Gatcomb is a citizen of this town, and a grad-  
uate of the University of Maine.

In the other schools the same efficient teachers as  
taught last year have taught **this year.**

Substitutes have been employed, at the Ingraham  
Hill School when Miss Grover has been called away  
by illness and death in the family, and at the Junior  
High School when Mrs. Gatcombe was hospitalized  
in November. It was possible to secure unusually  
fine teachers as substitutes. In some cases this has  
been due to efforts of Mrs. Knowlton who especially  
in the forced absences of teachers has been very  
active and efficient.

The progress of the schools has been gratifying.  
Pupils have been cooperative and well disciplined.

Methods employed are sound and approved by educational authorities.

Because of restrictions on all building which have been caused by scarcity of labor and materials the town is permitted to continue the use of the Town Hall building by the Junior High School.

It has seemed necessary to raise the pay of the teachers and janitors.

If the recommendations for school appropriations seem high, it must be understood that with all salaries higher and the prices of fuel and supplies ever on the rise, more money must be forthcoming.

In the case of repairs, it is almost impossible to attend to any but most necessary work.

Some confusion and much difficulty has been experienced in the case of children being excluded for exposure to contagious diseases and returning without the necessary certificate from the Health Officer.

Sometimes children are kept out of school with contagious children's diseases and the fact that the sickness is contagious is not reported at all to the health officer or even to the teachers.

All such cases should be so reported and before a child may lawfully return, permission of the Health Officer must be given.

At the present time there is legislation pending which would help our schools by increased money from the State. We hope that this bill may pass, but can have no assurance at the present time.

At several different times our schools have been

closed for a time and teachers students and loyal citizens have done rationing work for the Government. This has been done well. It is likely that it may have to be repeated. As long as our country is at war, all must serve to the limit and school teachers and the public must be willing to make sacrifices.

In closing I thank all who have assisted and supported our school work.

Respectfully submitted,

F. L. S. MORSE.

STATE OF MAINE  
STATE DEPARTMENT OF AUDIT  
AUGUSTA

Februrary 12, 1943

**To the Inhabitants of the Town of  
Owl's Head**

In accordance with the request of your municipal officers, this department, represented by C.G. Hawes has completed an examination of the accounts of your town officials for the municipal year ended December 31, 1942.

In our opinion, based upon such examination, the accompanying exhibits and schedules fairly present the financial condition of your municipality as of February 1, 1943 and the results of its operations for the period then ended; subject however to a possible shrinkage in the final settlement of tax liens and deeds.

The data obtained by us is summarized in the following:

Comments

Exhibit A—Balance Sheet

Exhibit B—Cash Receipts and Disbursements

Exhibit C—1942 Valuation and Commitment

Exhibit D—Statement of Departmental Operations

Exhibit E—Analysis of Change in Net Surplus

Schedule 1—Reconciliation of Treasurer's Cash  
Balance

Schedule 2—Uncollected Taxes

Schedule 3—Tax Liens

Schedule 4—Tax Deeds

Schedule 5—Cemetery Trust Funds

Respectfully submitted,

STATE DEPT. OF AUDIT  
Harold E. Crawford,  
Municipal Auditor.

## COMMENTS

### CASH

All receipts as recorded were found to have been properly accounted for and deposited in the bank frequently as per summary on Exhibit B.

Expenditures were made by check from warrants drawn by the Selectmen as summarized on Exhibits B and D.

The cash balance reconciled with the bank statements at the close of the municipal year as per detail on Schedule 1. Cash amounting to \$1,998 has been invested in United States Defense Bonds and these investments are shown on Schedule 1-A.

### TAX ACCOUNTS

The 1942 tax commitment was added and found to agree with the Assessors' records. The total commitment was accounted for by cash, tax liens and authorized abatements, or was still unpaid as shown by Schedule 2

According to the records, payments received on prior years' taxes have been credited against the proper items and those still remaining unpaid are also shown on Schedule 2.

All payments received on tax liens and deeds were found to have been applied against the proper items. Those remaining unpaid were checked and are listed on Schedules 3 and 4.

The excise taxes were checked from the triplicate copies of the receipts and the amounts specified had been deposited with the Treasurer as shown on Exhibit B. The receipts and disposition of same are as follows:

1942—Receipts 47 to 227	\$526.04
1943—Receipts 1—3 and 1—7	38.36

---

CARRIED TO NET SURPLUS (Ex. E)	\$564 40
-----------------------------------	----------

#### TRUST FUNDS

The trust fund investments were examined and the detail of same is shown on Schedule 5. All income appeared to have been properly accounted for.

#### DEPARTMENTAL OPERATIONS

Exhibit D presents in detail the result of operations from the amounts as appropriated by the town:

Unexpended Balances	\$1,548.91
Overdraft Balances	1,110.59

---

NET UNEXPENDED BALANCE	\$ 438.32
------------------------	-----------

This gain together with other additions as shown on Exhibit E, has increased the Net Surplus account from \$7,090.73 to \$8,918.82.

#### GENERAL

The records of dog licenses issued by your Town Clerk indicate collection in the sum of \$59.30 which amount has been paid to the State Treasurer.

A test check was made of paid bills and payrolls and as far as our examination went, all appeared to be proper charges and correctly recorded.

With the exception of cash, cash invested and trust funds, no external verification was made of your asset and liability accounts.
