REPORT OF HIGH SCHOOL PRINCIPAL

To the Superintendent of Schools, the Superintending School Committee and the Citizens of Islesboro:

It is my privilege to submit my annual report as principal of the high school.

The fall term opened September 11, 1944. There was an enrollment of twenty six scholars, 6 boys and twenty girls. Two boys have moved away with their families, temporarily, but will return in the spring. Other boys, who should have registered, did not, because of the uncertainty of their status in the draft, therefore the registration was smaller than usual.

I am sure that we make up in quality what we lack in quantity, for there never was a more cooperative group of boys and girls attending any school then we have here. They are capable and enthusiastic in anything pertaining to school or social life.

The high school still maintains its rating as a grade A high school and its scholastic record is high as witnessed by the recent arrival of the Certification Certificate from the State Department of Education.

The value of this certificate is little understood by the people, for it is of inestimable importance to the student. It is granted to high schools of grade A rating to students who have a certifying rank of eighty five. It gives the student the right to enter a great number of different colleges of his own choosing without examination. It is a privilege obtained only by the scholastic record of those who have finished the high school course and have taken up higher education in colleges and business schools. The quality of their work is the standard upon which the certificate is given.

The record of our graduates, in higher education, has been exceptionally good, and there is reason to be proud of those who are now attending college and Normal School.

We have one student at the University of Maine, three other former students are at the Normal School, at Gorham. Their records are a fitting tribute to the work done in our high school and will be a continuing reason for the granting of this certificate.

There are good students in the school, at present, many taking the college course. They, too, when the time comes to take up higher education, will be prepared to uphold the high standard of the school.

Our basketball team this year was, necessarily, discontinued, because of the lack of material. It was a great disappointment for Islesboro has always been at the forefront in this line of sport. We hope another year will be different, and we shall again be represented by a team.

We have a small registration, yet we are not unlike every other school which have felt the effects of the war. One day, soon, I hope, the war will be over, and normal conditions will prevail and the dread of war will be passed, and again our registration will increase.

The school and town may well be proud of the record of our sons and daughters who are giving so much in this terrible war.

I think that I may say without fear of contradiction that there are few communities of this size which have given so many to the Service. Very many of these young people are graduates or were former students.

The school is extremely proud of them, and of the two gallant heroes who gave their lives for their country.

Richard McLeod died on the battlefield in France, last November, after being once wounded, and returning to the lines. Russel Fitzgerald has been reported missing after a bombing expedition. Their passing was a terrible shock to those who knew and loved them.

The senior play was extremely successful. The caste worked hard, and did exceptionally well under the coaching and guidance of Mrs. Nichols.

The school lost a good friend when Mr. Fowlie accepted the superintendency at Freeport. We wish him luck in his new position.

Although we lost one, we gained another, when Mr. Richard Savage was elected to the vacancy. After this year of getting settled and acquainted in this new position, I feel sure that everyone will be pleased with his knowledge of school affairs, as well as his straight forward and pleasing personality.

It has been a pleasure and privilege to have been associated with a school committee so cooperative. I should like to express my sincere thanks to them.

The teachers, Mrs. Nichols and Miss Andrews, have been of the greatest help in carrying out the school program as well as the different activities.

Mr. Nichols has been of great help as a co-worker. Many times, although greatly inconvenienced, he has gone out of his way to make things pleasant for scholars and teachers.

Mr. Emery, the music teacher, during his visits, has done much to keep up the morale of the school.

I wish to thank George and Velma Rolerson for a good job well done, in keeping the school clean and warm.

I should like to thank everyone,—scholars, teachers, parents, and friends for their help and many kind words.

Respectfully submitted

REPORT OF ISLESBORO FREE LIBRARY

To the Chairman of the Selectmen:

The friends of the Library have been very generous this year. We have had many books given us, especially books pertaining to the Sea and to the War. Owing to these gifts we have spent but little on adult reading matter.

We have bought for our Juvenile Department and quite recently we were the recipients of eight books for our girls and boys to add to these.

Our magazines are kept up-to-date and are read with interest by old and young.

We have bound our town reports—ten years in one volume—1930-1940, as we have done heretofore.

The School Argonaut has been bound also—three or four numbers in one volume.

One afternoon I enjoyed especially at the Library last summer. Among those present were Mrs. Amasa Williams, who gave us one of our large reading tables. Her daughter, who married Colonel Langdon Jackson in the army, was present also. Then our one-time caretaker of the Library, Mrs. Bertha Pendleton, who has been ill but is regaining her strength and health fast, was there. Mrs. Crie Pendleton and her daughter, now living in Connecticut, were present and many others who visit the library often.

So many of our readers are away! Over across in the service, in the vast spaces of the Pacific, in the Atlantic, in Europe, in far-off Burma, in Alaska, the Stars and Stripes stand with face to the front and without flinching face the enemy. One of our

finest boys went out and did not come back. I refer to young Richard McLeod. He gave all and was beloved by all. Another boy who read with us summers went out and did not come back. I refer to young Fields Pendleton. All honor to the memory of those two brave boys!

In the quiet of the day thoughts of home come to these boy^s and perhaps across the water the little Library stands out, with its good books, easy chairs and cheerful open fire, as part of that home atmosphere they all love. Let us hope that we can soon welcome home our soldier boys!

Before closing we would add a word of appreciation for our devoted Librarian, Marion Kimball; also our Janitor, Mr. Kimball, who keeps us warm through the cold winter afternoons; and to Mr. James Pendleton, who cares for the lawn during the summer months.

Respectfully submitted

REPORT OF LIBRARIAN

To the Selectmen of Islesboro:

Once more the library extends greetings to the citizens of Islesboro and issues its annual invitation, "Come yourself when possible or send someone but do not go without reading matter."

We have had a busy year and the circulation has been exceptionally good. When the weather permits many hours are spent by the young people perusing the old magazines in the basement room.

Wednesday is a popular day for the school children and we ask the cooperation of the parents in helping them to form a love for reading, fairy-tales, poetry and the classics from Mother Goose to Dickens. We have them in pleasant reading. Recall your childhood while reading with them the Wizard of Oz, Moby Dick, Captain January or Baldy of Nome.

Much interest is shown in Miss Alice's scrapbooks, ask to see them. We also have the Town Reports and Argonauts bound almost up to date.

At present we are awaiting a selection of books requested,—farming, fruit culture, animal care, etc. They should be in circulation soon.

We wish to thank Mrs. Bertolet for her check of \$10.00 with which we purchased about fifteen books from a lending library. Frederick Bertolet, altho in England, remembers us several times during the year. Mrs. Stevens and Miss Alice Pendleton have given us many of the latest books. Mrs. Blanche Pendleton, altho unable to call on us sends us books and magazines.

Mrs. Ames, Mrs. Hazel Pendleton, Mrs. Nash, Mrs. Idella Wentworth, Mabelle Randlett, Florence Pendleton, Mrs. Fannie Trim and Lydia Pendleton please accept our thanks for magazines.

The children bring us their "Funnies" and Nancy Gray, Marilyn Dodge, Judith, Donald and Harris Pendleton, Charles Quimby and Penny Stevens have given us books for the children.

Our gifts for the year are: Mrs. Bertolet 15, Frederick Bertolet 401, Carl Crosby 1, W. L. Cross 1, Mary Forbes 1, Jackie Leach 1, (Rev.) Mr. and Mrs. Magee 1, Mrs. Nash 1, Alice Pendleton 16, Blanche Pendleton 16, Carrie Pendleton 5, State 3, Mr. and Mrs. R. P. Stevens 14, Penny Stevens 9, Mrs. Tehan 1, Mrs. Fannie Trim 5, Helen Wyman 2, Laura M. Whitman 2. We thank you.

REPORT OF THE PUBLIC HEALTH NURSE-1944

The following is a report of the Public Health Nursing Service carried in your town for the year 1944.

The nurse has made 4 visits to the town. During these visits the following nursing visits were made: 5 to infants, 6 to pre-school children, 4 to adults.

In school work 27 tuberculin tests were made with Patch test method.

As usual the crippled children have been kept under supervision with home nursing visits and attendance at Crippled Children's Clinics.

There is much work yet to be done in immunization.

It has been found that public health nursing is carried on much more efficiently in the communities where an active health committee has been organized.

Such a committee has not yet been organized in your community. If you are interested and would like to help in the organization of such a committee for your community, would you contact your Selectmen or your Public Health Nurse and plans for better co-operation among the official boards, the community citizens and the public health nursing service will be put into effect.

January 26th has been designated as National Public Health Day. There will be recognition of the day by a meeting in Augusta. All interested community leaders and committee members are invited to attend.

Let us improve the service to the community during 1945.

Respectfully submitted
JESSIE B. SUTHERLAND
