## REPORT OF HIGH SCHOOL PRINCIPAL

---

To the Superintendent of Schools, the Superintending School Committee and the Citizens of Islesboro:

It is my privilege to submit the annual report of the activities and condition of our high school.

The fall term opened September 10, 1945. There was an enrollment of thirty scholars, ten boys, twenty girls.

Three students have left school since its opening date, one has gone away for the winter but will return in the Spring.

Our registration was slightly higher than last year.

A good sign is the number of students who have enrolled in the college course. The enrollment is divided as follows:

College Course, Boys 1, Girls 6; General Course, Boys 3, Girls, none; Commercial Course, Boys 6, Girls 14.

This increase in the college course and general course is a good sign for it heightens the possibility of maintaining the class A standard of the school.

As I have explained in the past, the standard of the high school is based upon the proper certification of the teachers as well as the rank maintained by graduates who continue higher education, in colleges. We have those qualifications, and our former students are getting the necessary rank which enable us to get our class rating each year.

All of our graduates are doing well. Those at Normal School are giving a fine account of themselves.

We have two former students at preparatory schools, one at the University of Maine. They are doing very well.

We have some exceptionally good students in school, also. I know that their ranks will average with any high school student of the same year. They will make good citizens, as well as uphold

the standards in competition with those in higher institutions of learning.

Our basket ball hopes were high at the start of the year, but were found to be of no use because of the inability to get enough boys for a team.

The teachers of the schools met with the teachers of the other towns of the Union, and formed an association of teachers. The purpose of this group is to talk over the different problems arising in the class room, further the growth of all school activities, for the betterment of the teacher, and the training of the student.

It is a forward step in education.

The organization will meet here in Islesboro in May.

After a decidedly hectic first term insofar as an English teacher was concerned, Mr. Savage finally hired Mr. Macolm Blodgett, a veteran of the war in Europe. Mr. Blodgett, a classmate and friend of Richard McLeod has his B. S. degree from the University of Maine. He plans to return this next fall for his B. A. degree. He has done an exceptionally good job. We were very fortunate to get one so capable and conscientious.

Miss Andrews has taken care of the Commercial subjects in her efficient manner. There has been no let down in the requirements for this course.

The senior play was a success, as always, under the coaching of Mr. Blodgett and after many hours of hard work by the caste, it was presented at Community Hall.

The Junior Prize Speaking Contest is in the immediate future.

Each Friday, we use the activity period for the conducting of public speaking. All classes from seniors to freshmen take part in this contest.

Through the help of Mr. Savage and a cooperative school committee we have a good reading table of the better magazines.

Our chemistry and physics laboratory is plentifully supplied with the necessary equipment and supplies.

The only bad feature of the educational situation in this town, is the need for a new school building. A building located somewhere away from traffic, large enough to house all the grades. This building should contain good reading rooms, a gymnasium, one heating unit, instead of the seven now in use, and adequate toilet facilities, etc.

It would save the town money in the long run, and give our young people some place to go, other than walking the streets.

I wish to thank all the teachers, the janitors and others who have made this past year a happy one.

Respectfully submitted,

G. LESTER HALE

Principal.

**REPORT OF ISLESBORO FREE LIBRARY**

---

**To the Chairman of Selectmen,  
Islesboro, Maine**

February 12, 1946

The boys are home—Victory is ours. There is cause for rejoicing and there is cause for deep thought as to how our country will settle our forthcoming problems.

We have had some good books given us and we have bought others. Many books are concerned with the great war we have passed through. New things come to our attention like the Atomic bomb, and now we are interested as to where the U. N. O. or the United Nations Organization will have its home. Our magazines keep us informed as to these things.

Our Bulletin Board shows interesting notes on local events and otherwise.

Much work is done in the repair of books. Town reports and school papers go to the bindery. We are still harping on the old subject "Save old papers and old books for the Library; look for things pertaining to the history of our town." In buying books our calls are noted—we also use A. L. A. lists.

We need better sanitary arrangements in the basement. The workroom which we had installed there has not been altogether satisfactory, especially during the winter months, owing to no heat and much dampness. This could be remedied by installing heat.

The ceiling of the Building requires some repairs, also the Main Room.

We have a lot of material at hand from sea, air and land. Flying boys, and submarine boys, Army boys, Navy boys. Let's get our young men to bring back to us some of their thrilling experiences and thus we will be able to better appreciate their part in the great victory won.

Our Librarian's son, Hollis Kimball is in the far off Philip-pines. Three boys right here in our neighborhood are home now for keeps—I refer to the Robinson boys. One member of our Library Com. was in the Army. He was discharged from the service this Fall. He attained the rank of Major.

Marion Kimball, our ever-faithful Librarian, keeps her interest unabated in all branches of the work. Mr. Kimball keeps us warm and cheerful in the Winter months and James Pendleton still cares for the lawns.

To these our co-workers, our grateful appreciation.

**REPORT OF LIBRARIAN**

---

**To the Selectmen of Islesboro:**

Again the Islesboro Free Library greets the citizens of Islesboro and our summer visitors.

We are pleased to welcome back our readers from the ranks of the servicemen.

Our sincere thanks to all who remembered us with gifts this year. Mrs. Stevens and Miss Alice Pendleton sent us the latest books all through the year, Mrs. Blanche Pendleton brings us several each spring, Frederick Bertolet has had a box of books sent to us several times each year. He has been in the service and Mrs. Bertolet presents us with a check each summer. It is nice to have such friends, and how pleasing this "I am presenting this book to the library as I have enjoyed reading it and wish others to have it."

Our best wishes go to Arthur Decker, one of our soldier boys, and for many years one of our greatest readers. He presented us with a copy of "The Reader's Digest" in Braille.

Visitors are always interested in the boat models presented us by Harry Babbidge and the "Convert" belonging to "Miss Alice". Also of great interest are the "Scrap-books" kept by Miss Alice during each winter.

We thank Isadora, Charles, Judith, Donald and Harris for books and "Funnies" and Paul Tucker who gave us several books much enjoyed by the Primary children. When the children come home with a book for "Daddy to read to them," praise them and blame the librarian.

We are hoping to have much needed repairs done on the building in the spring.

Our gifts for the year: The Allens 6, Frederick Bertolet 20, Mrs. W. Bertolet 1, Mrs. Crosby 1, Dodge girls 4, Mrs. Hunt 30, Elizabeth Ladd 4, Gladys Leach 5, Mrs. Nash 1, Alice Pendleton 8, Blanche Pendleton 5, Harry Pierce 1, Mrs. Stevens 12, The Misses Wales 1, a Friend 2.

We have welcomed our readers Wednesday, Saturday and Sunday during this year. Please visit us.

Respectfully submitted,

MARION KIMBALL

Librarian
