Citizens of Poland:

I hereby submit to you the report of your Board of Health, for the year ending Feb. 24, 1912. Two cases of tuberculosis, two cases of scarlet fever, and one case of diphtheria have been reported and all have been fumigated according to law. But two nuisances have been reported and disposed of. We have been appraised of a certain nuisance, that of spitting on the floors of our public buildings, especially Grange halls. We would suggest that the parties doing this had better read Chapter 72, Sec. 1, of the Revised Statutes and then refrain from so doing.

Respectfully submitted,

M. C. Davis, Secretary.

To the Citizens of Poland:

It has been stated by the school officers in our town reports of all the past that co-operative action is necessary to attain a high efficiency in school work. It would be monotonous reading for me to discuss this self-evident fact at length. In submitting this report, I wish to express my sincere thanks for the kindly support and assistance from the parents, teachers and school board.

Respectfully,

W. W. McCann, Supt. of Schools.

RECOMMENDATIONS

To the Citizens of Poland:

We, the superintending School Committee, recommend the following appropriations for the year 1912:

For repairs, $500 00
For text books, $250 00

Respectfully submitted,

ISAAC P. DAVIS,
J. G. DAVIS,
GEORGE P. PULSLFER,
Members of School Board.
