	<hr/>	\$124 56
Bal. unexpended,		<hr/> \$ 25 44

It will be seen by the above statement that we have kept within the appropriations, the balance overdrawn in the text book account being caused by bills unpaid from 1899.

I would recommend an appropriation of not less than \$150 for text books, so as to supply this deficiency and have enough to buy new books needed.

The following new books have been introduced into the schools during the past year:

- Montgomery's American History.
- Montgomery's Beginner's History.
- Ellis' American History.
- Baldwin Readers.
- Cyr's Fourth and Fifth Readers.
- The Complete Spelling Book.
- Metcalf & Bright's Language Lessons, Parts I and II.
