# INSTRUCTIONS FOR ORAL PRESENTATIONS

Please plan your time according to the following guidelines as these will be strictly followed:

- The time slot for each oral presentation is **10-12 minutes** and 3-5 minutes for discussion. *Total 15 minutes time slot.*
- You will be required to upload your presentation via the conference website.
- Each presenter is required to upload the presentation at least **2 hours** before the session starts. The confidentiality of your material will be maintained, with all files deleted from the computer at the conclusion of each session.
- **Personal laptops** cannot be used for the presentations as this causes important delays.
- Session moderators are instructed to **rigorously enforce the schedule**, i.e. to strictly obey the length of a presentation. We kindly ask you for your understanding and for your cooperation in keeping the schedule, as there will always be two parallel sessions.
