Announcement: The Hudson Museum will be closed to the public beginning at noon on March 13, 2020.

While our doors are closed to the public, we are open in new ways. We have virtual tours and online exhibits to explore, and educational resources for K-12 teachers for remote learning. Explore the collections through our online database or visit our YouTube channel for short documentary videos that complement the Museum's holdings. Links to these resources are below.

To schedule virtual field trips for classes, please email gretchen.faulkner@maine.edu.
