GIVE NOW

4.13.20 UPDATE

The total raised for the Student Crisis Fund is over \$146,000. Again, we thank everyone who has supported UMaine students at this time. We are also happy to report that distribution of the funds is ongoing. As of last week, over \$120,000 has been allocated directly to students.

3.31.20 MATCH MADE!

Today the second \$25,000 match, along with a few gifts made by check, were applied to the Student Crisis Fund total. Thank you to everyone who has provided this critical support to UMaine students. Funds are being dispersed as quickly as possible. We will update the total as gifts continue to come in.

3.27.20 IMPORTANT NEWS!

An anonymous donor has offered a **\$25,000 match**, in addition to the one previously funded by the Foundation, to benefit the Student Crisis Fund. As of March 27, we have raised over \$75,000 and applications for help are coming in at a rapid pace. As a result, we have **increased our goal to \$125,000**. Thank you all for your support to help UMaine students.

3.23.20 UPDATE

The University of Maine Foundation has matched the first \$25,000 of gifts received to bring the total to over \$50,000!

The **Student Crisis Fund** is used to provide emergency assistance for undergraduate and graduate students at the University of Maine or any of its outreach centers or its regional campus for which the student has no other source of funds.

On Wednesday, March 11, Chancellor Malloy and President Ferrini-Mundy announced a shift to remote instruction for the remainder of the spring 2020 semester due to the global COVID-19 pandemic. This decision immediately impacted thousands of UMaine students and their transition to remote learning on March 25.

Due to this upheaval at UMaine and requests from people who would like to help, we will observe our traditional Maine Day of Giving from now until Maine Day, April 29, with a focus on the Student Crisis Fund in order to provide time-sensitive financial relief to our students.

We understand that this is a difficult situation for everyone. If you can and would like to help, UMaine students would appreciate your assistance. The funds raised will be distributed as soon as possible.

We appreciate your support for our students during this unprecedented time. The UMaine community has taken these necessary emergency actions to protect our greater community. We share your concerns regarding the current global health crisis and we will get through this together.
