University of Maine

Graduate School of Biomedical Science and Engineering (GSBSE)

The GSBSE is the Graduate School of Biomedical Science and Engineering and is centered at the University of Maine. It is a unique collaboration between six research sites across the state of Maine connecting 150+ affiliated faculty and over 50 graduate students.

GSBSE Podcast, Episode 1 : Interview with Jon Bomar

Run Time: 00:39:33

<https://soundcloud.com/gsbse/podcast1>

In an effort to capture the breadth and depth of the work done by those in the GSBSE, I sat down with Jon Bomar, 5th year Biomedical Engineering Ph.D. student. We talked about his project, the serendipitous nature of research, and the importance of the process and creativity.
