This site is a volunteer driven, grassroots effort designed in community for community as a resource to support parents and teachers while school is not in session due to COVID-19. Rural Aspirations is working with various community organizations and businesses, as well as school leaders to identify areas of need, and develop a comprehensive resource to support learning from home. Our intention is to provide parents and teachers with resources, supports and networking opportunities to support students in this difficult time.

## TEACHERS

- Find ways to engage students with community-based resources.
- Connect students with real people who support education across Maine.
- Find ways to connect this learning to classroom outcomes.
- Share strategies and resources with other Maine teachers!

## FAMILIES

- Connect with Child Development Experts
- Connect with other parents to share strategies and resources
- Connect your children to educational experts to supplement teacher plans
- Learn about Maine's amazing educational organizations!

## ORGANIZATIONS

- Share your expertise through student and teacher sessions
- Help teachers pull together dynamic experiences for students while they are home
- Share resources with parents and teacher
