We understand that the seriousness of the coronavirus pandemic is necessitating constant decisions and revisions of plans as we seek to ensure that our community is safe, and that we do our important part in averting the spread of this virus. I appreciate the flexibility, creativity and efforts at communication in which all of us are engaged. We will update the following pages regularly as information becomes available. Please follow all guidance for health and well-being.

An information line — 207.581.2681 — is staffed around the clock for general guidance questions and will route campus-specific requests to staff at the individual universities.

Questions also can be emailed to umaine.alerts@maine.edu.

We are doing our best to answer all questions in as timely a manner as possible, wherever information becomes available.

Take care of yourselves.
