University of Maine

Graduate School of Biomedical Science and Engineering (GSBSE)

The GSBSE is the Graduate School of Biomedical Science and Engineering and is centered at the University of Maine. It is a unique collaboration between six research sites across the state of Maine connecting 150+ affiliated faculty and over 50 graduate students.

GSBSE Podcast, Episode 2 : Interview with Erin Carter

Run Time: 00:39:33

<https://soundcloud.com/gsbse/podcast2>

In an effort to capture the breadth and depth of the work done by those in the GSBSE, I sat down with Erin Carter, 6th year Biomedical Science Ph.D. student. We talked about her project, the complexity of establishing a new disease model, and the importance of resilience in your PhD.
