## March 11: COVID-19 Update

March 11, 2020 | [Rec Center Updates](#)

To our Customers:

We are aware of the questions you may have regarding Campus Rec facilities and programs in light of recent announcements that UMaine will move to online/distance instruction and other measures as of 3/23/2020 to help curtail the spread of COVID-19 through our state and campuses.

At this time, we expect our facilities and programs to remain operating, although some schedules may necessarily change due to staff availability.

The Administrative Staff of Campus Recreation will be meeting Thursday, 3/12/2020 to determine our plan for continuity of operations. We will communicate with our customers through social media, our website and signage in facilities as soon as possible, so please stay tuned.

As noted above, we do plan to remain open, most likely with amended scheduling, unless and until we are told to suspend operations.

Thank you for your patience.
