When will we get refunds?

The University of Maine System has announced room and board adjustments and rebates for residential students:

In an effort to minimize financial impact on students and families, room and board adjustments for those students who have checked out with their Residence/Student Life Office were posted to students' accounts based on an effective date of March 13, 2020.

Adjustments were posted to the students' existing account and reduced the amount owed. If the adjustment resulted in a credit balance, refunds were processed and disbursed to students.

The room and board adjustment process was completed by March 31, 2020.

The University of Maine System recommends that students enroll in direct deposit to expedite receipt of refund dollars. In the event you are unable to participate in direct deposit, the University of Maine System recommends reviewing and updating your refund address on MaineStreet.

Will there be refunds for student parking permits?

No.

What do you mean by family contributions?

Family contributions are what was paid above scholarships and financial aid. Students will be refunded a prorated amount for room and board.

Will we potentially be getting a refund back for the half of the semester we're not at UMaine? Or could that money be used for next year's tuition?

There is no refund for tuition. Classes continue this semester with varying modalities.
