The New Balance Student Recreation Center and Maine Bound Adventure Center will be closed through June 30, 2020 in compliance with guidance and directives from the State of Maine and the Chancellor. It is expected that the New Balance Student Recreation Center and the Maine Bound Adventure Center will open later this summer with appropriate protocols in place in accordance with UMS, state and federal health and safety guidance. The opening date will be published as soon as it is known. The Bridge Tennis Courts, the Disc Golf Course and the many trails on campus are currently open.

Be well,

Kristie Deschesne
