Room and Board Adjustments and Rebates

17
MAR 2020

In an effort to minimize financial impact on students and families, room and board adjustments for those students who have checked out with their Residence/Student Life Office will be posted to students' accounts based on an effective date of March 13, 2020. To ensure room and board adjustments are processed timely, students are encouraged to contact their Residence/Student Life Office to complete proper check out. No other action is required to receive a room and board adjustment.

Adjustments will be posted to the students' existing account and will reduce the amount owed. If the adjustment results in a credit balance, refunds will be processed and disbursed to students.

The room and board adjustment process is expected to be completed by March 31, 2020.

The University of Maine System recommends that [students enroll in direct deposit](#) to expedite receipt of refund dollars. In the event you are unable to participate in direct deposit, the University of Maine System recommends reviewing and updating your refund address on MaineStreet.
