Some recent thoughts sparked by Cov-ID 19

- Dual paths to social change-immediate help and forensic analysis for future change
- Example-poverty-is it OK to live with hunger and only provide free meals?
- Similarly, is it OK to understand diversity of bodies and abilities in higher ed (and elsewhere) and respond with a band-aid?
- Our vision of an educated populace- skepticism and creative response-doing things differently
- **Instructor guided question: comments please**
