Your UM COVID-19 Directory

Where can I find...

In challenging times, knowing where to find information when you need it most is so important and that's why we've sought to capture all of the current resources, both on campus and around the University System in one handy reference.

Below, you will find links to helpful announcements, messages, guides, flowcharts, training, and much more. We hope that by having a directory of these available support materials it will be that much easier to remain informed, prepared, and better able to navigate the challenges of the COVID-19 pandemic.
