### **WELCOME TO SULLIVAN!**

Over the past few years, Sullivan and other area towns have worked with the State of Maine and the Schoodic Scenic Byway Committee to beautify the Byway while encouraging more tourism and activities this side of the Hancock-Sullivan Bridge. Your Sullivan Selectmen decided to invest in a new sign welcoming everyone who crosses the bridge into Sullivan. Working with the Schoodic Scenic Byway Committee, Sullivan decided to invest in a granite sign to acknowledge the history of granite quarrying in our town.

We reached out to local residents, Gibran and Alyssa Buell, owners of Creative Stone to design a sign that would be beautiful, durable and welcoming to Sullivan. To Gib and Alyssa, this wasn't just a sign. It is the proud welcome into the town they truly love and we think it shows in the result. We hope you feel a little Sullivan pride every time you cross the bridge.

## **Sullivan Dedicates this 2018 Annual Report to Lynn Dunbar**

Forty years ago, Lynn Dunbar was working at Dunbar's Store when Selectman Wayne Milne walked in with nomination papers for the position of Town Clerk. He told Lynn she should run for the clerk position, to which she responded that she "had no experience". He told her all she needed to know was how to type. Roy Whalen was in the store and realized that Lynn would run so he took the papers all over town to get the required signatures on her behalf. Although, she had been told that many others were taking out papers, oddly, she was the only name on the ballot on election day. Sullivan will forever be grateful for Selectman Milne's foresight and his little white lie to convince Lynn to run!

Lynn was the first Sullivan Town Clerk to take up residence at the Recreation Center. She walked into the office for the first time and met with Selectman Milne who set two boxes of documents on her desk and said "Here you go!" This was the beginning of a love story between a town and its clerk. For forty years this wonderful woman has dedicated herself to doing anything and everything she could possibly do to make Sullivan shine.

To say Lynn is kind, compassionate and caring is an understatement. Most people who know Lynn Dunbar would say she is actually the kindest, most caring and most compassionate person they have ever met!

Being in the spotlight is not high on Lynn's list. Lynn would rather do wonderful things for the people and town she loves. She does it every single day and she would NEVER seek recognition. Lynn Dunbar, we are thankful for your forty years of love and dedication to our small town. This is our small town way to say.....

**SULLIVAN LOVES LYNN DUNBAR!**

STATE OF MAINE  
OFFICE OF THE GOVERNOR  
1 STATE HOUSE STATION  
AUGUSTA, MAINE  
04333-0001

Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next four years, I will do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

That is why on my first day in office I directed the Maine Department of Health and Human Services to implement Medicaid expansion as quickly and efficiently as possible. My Administration will ensure that it is paid for sustainably; that the cost of health insurance is controlled; and that the cost of prescription drugs is reined in. In addition to creating a Director of Opiate Response to marshal the collective power and resources of state government to stem the tide of the opioid epidemic, we will make Narcan widely available, increase access to medication assisted treatment and recovery coaches, and expand drug courts.

We also need a healthy environment. My Administration will embrace clean energy; change our modes of transportation; weatherize homes and businesses; and reach a goal of 50 percent of our energy coming from Maine renewable resources. By reducing the impacts of climate change, we will create good-paying jobs, preserve our environment, and protect our state's farming, fishing, and forestry industries.

We will also develop a world-class workforce starting with Pre-K for every 4-year-old in Maine and more post-high school options that result in a valued credential. Attracting talented young people to move here and make Maine their home will be top priorities of my Administration.

Maine communities, especially rural communities, are confronting a severe workforce shortage and an aging and declining population. It is time for bold, dynamic ideas that will change Maine for the better. That is why I, along with people ranging from small business owners, innovators and entrepreneurs, to economists and every day, hard-working Mainers, developed an economic plan designed to make it easier for small businesses to grow, for people to come and stay, and for Maine to thrive.

I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, happy people, and prosperous communities

Thank you,

Janet T. Mills

January 2019

Dear Friends and Neighbors,

I would like to thank the people of District 136 for electing me as your State Representative. It is an incredible honor and privilege to represent you in The House of Representatives during the 129<sup>th</sup> Maine Legislature.

For the next two years I will be serving on the Joint Standing Committee on Marine Resources as the House Republican Lead. On this panel, we will discuss many issues in regards to marine fisheries management. These matters are crucial to our community and I hope to hear from the fishermen in our community to discuss ways to improve the industry.

In order for me to represent you in the best ways possible, I need to hear your thoughts on all the issues that are important to you. Please, don't hesitate to call me anytime you feel you need my assistance. I may not know all the answers, but I will do my best to help you discover a solution to the problem. Moreover, I encourage you to monitor all legislative proposals being worked on at the State House by visiting the Legislature's website at [www.legislature.maine.gov](http://www.legislature.maine.gov). From here you can browse bill summaries and roll call votes, view session and public hearing schedules, listen to committee hearings or watch live streaming video of the House and Senate.

Once again, thank you for the opportunity to represent you, the people of District 136. Please call me anytime at phone at 460-6967 or email at [William.Faulkingham@legislature.maine.gov](mailto:William.Faulkingham@legislature.maine.gov) to keep me updated on those concerns. If you would like to be added to my email update list, you can do so by emailing me directly with your request.

Sincerely,

Billy Bob Faulkingham

Dear Friends and Neighbors:

First, let me thank you for electing me to represent you in Augusta. I am honored to serve you in the Maine Senate. I have been working hard this legislative session so that Maine becomes an even better place to live, work and raise a family.

The 129<sup>th</sup> Legislature had many issues before it including funding our schools, providing property tax relief, and ensuring affordable access to prescription medications.

Ensuring that our schools are funded adequately was a top priority of mine. Many schools in Washington and Hancock Counties are struggling to provide the supplies necessary for our students to succeed. Countless hardworking and dedicated teachers are using their own money to make sure their students have basic school supplies. The lack of adequate funding also puts a burden on property tax payers, many who can't afford an increase. The budget passed by the Legislature properly funded schools, and raised revenue sharing to 3% in fiscal year 2019-20 and 3.75% in fiscal year 2020-21.

Also included in the budget was an increase to the homestead property exemption, from \$20,000 to \$25,000. Homeowners across the state will see savings on their property tax bill if they have applied for this exemption. I encourage everyone to go to their town office and fill out the very simple form in order to qualify if they have not already done so.

Finally, addressing the cost of prescription drugs has been a focus this Legislative session. We passed a number of bills aimed at lowering the cost of prescriptions. I am hopeful that once those laws go into effect, the people of Downeast Maine will see a reduction in the cost of their medication. No person should have to decide between paying for food and paying for their medication.

Thank you again for trusting me to represent you in Augusta. Please feel free to contact me at 287-1505 or [Marianne.Moore@legislature.maine.gov](mailto:Marianne.Moore@legislature.maine.gov) if you have comments, questions or would like assistance in navigating our state's bureaucracy.

Sincerely,

Dear Friends,

I hope this letter finds you well. As I am settling into my new role as your representative, I wanted to give you an update on what we are doing in D.C. and in Maine this year.

My first priority is to be accessible to you and to our communities, which is why I have opened offices throughout the Second District at the following locations:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou ME 04736. Phone: (207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Bangor ME 04401. Phone: (207) 249-7400

My team and I are here to serve you, so please come meet my staff, voice an opinion, inform us of local events, or seek assistance with federal benefits. I come home to Maine every weekend to hear from you and see what's happening in our communities. I appreciate you keeping us informed.

This year, I was proud to be appointed to the House Armed Services and Small Business Committees. On Armed Services, I'm using my experience serving in Iraq and Afghanistan to make sure our servicemembers have the resources and training they need to succeed and keep us safe. Within Armed Services, I was assigned to the Seapower Subcommittee, where I am fighting for our shipyard jobs and making sure our military can count on Bath-built ships for generations to come. Beyond Bath, I will advocate for the entire network of good Maine jobs that support our troops, equipping them to carry out their duties reliably and safely.

Maine would just not be the same without our small, family-owned businesses. On the Small Business Committee, I am working to ensure our small businesses have the tools to grow, look out for their workers, and provide more good jobs to people all over Maine. Within the Small Business Committee, I was honored to be appointed Chairman of the Subcommittee on Contracting and Infrastructure. With this position, I am highlighting the need for infrastructure investment and fighting to level the playing field when small businesses compete for federal contracts.

One thing I love about Maine is that we help each other out. Whether it's ensuring a job well done or lending a hand to a neighbor, I know you are strengthening our communities every day. I am proud to serve alongside you and look forward to all that we will accomplish together.

My wife Isobel and I wish you and your family happiness, health, and success in the year to come.

Sincerely,

SELECT COMMITTEE

Dear Friends,

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *SeniorSafe Act* I authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy "gag clauses" that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer's research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act* I authored will create public health infrastructure to combat Alzheimer's by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer's. The *RAISE Family Caregivers Act* I authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation's crumbling infrastructure and ensure that Maine's needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834<sup>th</sup> consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov). May 2019 be a good year for you, your family, your community, and our state.

Dear Friends,

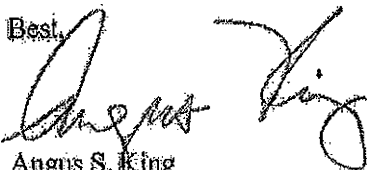

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities -- I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that's my job: to listen to you, act where I can to build on what's good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we're doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I've met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way -- In October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I've pushed hard for this type of legislation and was proud to have provisions I've advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we'll keep working to confront this tragic problem.

I've also worked to strengthen the future of our forest economy. Maine's forests have powered our state's economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That's why, together with the other members of the state's Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine's forest economy, and we're already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR) Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you -- for your dedication to our state, and to one another. It's often said that Maine is like a big small town (with very long streets) -- that's because at our heart, we're one big community. It's not only a pleasure to serve you -- it's a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Best,

## **A Report from the Sullivan Town Manager**

Dear Residents of Sullivan,

Your town office has been busy upgrading our technology over the past year. As a result, Sullivan residents can now utilize debit/credit cards to pay taxes, fees and/or services provided by Sullivan and the State of Maine. In addition, you may renew a dog license or renew boat/trailer/vehicle registrations through Maine.gov. All of these things can be done from your kitchen table!

We have added a Tax Club to help you defer interest charges for up to eight months after the Tax Commitment. If you struggle to pay your taxes in the first 120 days before interest begins, this program can save you a few dollars by adding four interest free months when you join the Tax Club. 36 Sullivan property owners took advantage of the Tax Club in the first year. If saving a few dollars is important to you, please ask us about the Tax Club.

The Sullivan Harbor Foundation Board kindly gifted a three (3) acre field parcel which includes the Jewell-Russell Memorial Tennis Court and the Paul D. Sargent Monument to our town. They also provided Trust funds managed by the Maine Community Foundation to care for the property. The court has been very busy. We recently scheduled free tennis lessons and we intend to do that again later this summer.

This past winter was another tough year on roads. We have been working closely with Maine DOT to solve several problem areas on the Tunk Lake Rd. The State has agreed to address culverts, ditching and water diversion on Tunk Lake Rd. during the summer/fall of 2019. In the past year Sullivan has repaired culverts, shoulders and ditching on Grange Hall Rd, Ashville Rd. and Perry Rd. We also paved the Flanders Pond Rd. This year we will complete the Ashville Rd paving and pave the entrance of Taunton Drive from US Highway 1 as well as ditching and culvert replacement in several places.

Sullivan has begun work on a Comprehensive Plan. The Plan will take about 3 years to complete. We have agreed to have the Hancock County Planning Commission provide a facilitator. Our project is currently on-hold as Hancock County Planning Commission is restructuring.

If you are interested in participating in Sullivan activities or committees, please contact us anytime to find the best fit for you.

Thank you for the opportunity to serve as your town manager.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Rob Eaton".

### Sullivan Sorrento Historical Society

The past year has been busy as well as productive. The Society:

- Presented the following programs: In August at the Sorrento Community Building Willie Granston presented "Marketing a Modern Bohemia; the development of Sorrento, Sullivan Harbor, and other Down East summer colonies". A lively discussion of local land development in the late 19<sup>th</sup> century. In September at the Sorrento-Sullivan Recreation Center Dr. Robert Springer spoke about the differences in sleep patterns, disorders and habits from the past to the present and how continual modernization has changed the way we sleep.
- Had the archive at the Rec. Center open on most Tuesdays throughout the summer.
- Continued making progress on the Urann Historic Home restoration project ( see related story)
- Answered inquiries from all over about area history and genealogy.
- Hosted an intern to continue work on organizing our archival collection.
- Continued to work with the By-way committee and other local groups to engage local schools and introduce students to S-SHS. In July we hosted a summer class of elementary students at Gordon's wharf with The Friends of Taunton Bay to learn about the granite industry, shipping in the days of sailing ships and the animal life in the river. In September six student from Sumner HS worked on clean-up projects at the Urann house on the school's volunteer day.

### Urann Project Update

After receiving a grant from the Davis Family Foundation in the amount of \$8,500 work continued on the project. Acadia Post and Beam, owned by Paul Maynell, and Kenneth D. Jordan, Inc., Movers & Riggers were contracted to replace the sills on the front and back of the house and work at leveling the structure.

In August Les Fossel of "Les Fossel's Restoration Resources" did an inspection of the Urann house in order to help clear up mysteries as to when and how the house was constructed. Les also does "Old House and Barn Schools" where he works with building owners to explore the history of their historic home.

### Collection Project

An Nguyen, a doctoral candidate in history at the University of Maine worked at the archive on our collection project. An concentrated on the house files, a project begun several years ago. We have files on nearly every home in Sullivan which will include current photos, historic photos and other information. Homes will be cross referenced with our family files when appropriate and possible.

### Donations

Donations of items, time and cash are a necessary part of the operation of SSHS. Without them we would not exist. Please think about participating in one or more of the following opportunities:

- Monetary donations for:
  - The Urann House project
  - The Collection project
  - General operational costs
- Items of historic interest of the area (For the museum or Urann Project)
- Family history, genealogy, photos, etc
- Your time and talents for small projects or larger work days.

/s/ Gary Edwards, President

### Gordon's Wharf

Gordon's Wharf continues to be well used and appreciated by those who use the facilities there. Some work was planned for last year that has not been completed. There is money in the proposed to budget to complete that work and make needed repairs to the road and the stream crossing.

The interactive exhibit/play area themed to tell the history of the local granite industry is very popular for both local folks and visitors alike.

The Friends of Taunton Bay Education Center hosts a youth nature camp in August and numerous educational programs throughout the year on the environment and history of the bay. They also make the facility available for local meetings. A local aquaculture business leases the basement.

/s/ Gary Edwards, volunteer project manager

### Sullivan Sorrento Playground

The play area continues to be used constantly and is a real benefit to area citizens and visitors.

The Playground Committee is basically nonexistent, leaving no volunteers to help with maintenance. Hopefully in the next year a few interested citizens can be recruited for a committee to look at all of the Town's leisure facilities and work on improvements and possible programming.

The safety surface is will be replaced this summer along with some minor equipment repairs. Also, there is some thought about adding some new equipment.

Please remember as users to carry out your refuse and report any problems to the town office in Sullivan. Also, there are items for sale at the office that generate operating revenue for the facility. Bottles may be taken to TT's redemption and donated to the playground to help with upkeep.

/s/ Gary Edwards

### Frenchman Bay Regional Shellfish Ordinance

The seven community collaboration to work under State guidelines to improve the local shellfishing industry continues it's work to provide more and better habitat in which to fish, which leads to more opportunity for local harvesters to earn a living. Conservation work continues, including a system of closing areas to assure a good harvest both summer and winter.

/s/ Gary Edwards, Representative to the Municipal Joint Board

## Welcome to Age-Friendly Sullivan

Thank you to the many volunteers in Sullivan who are working together to create a more livable community for residents and visitors of all ages. All AFS funding is from private grants and donations. Your 2018 survey answers informed the Town of Sullivan about your needs and vision for our community. At our "Sullivan Listens" community event in June 2018, we adopted the following vision statement: *"A compassionate community of neighbors supporting / and welcoming young and aging residents to thrive in a diverse and sustainable Sullivan."*

Using the framework of AARP's Network of Age-Friendly Communities, we bring programs and services to our community that address improvements in the following 8 Domains of Livability:

- **Transportation:** Our partnership with Friends in Action provides volunteer drivers for homebound residents to access medical appointments, food shopping and other social activities. Training is available monthly through Frenchman Bay Library.
- **Housing:** Our Sullivan Volunteer Fire Department provided 39 smoke / carbon monoxide detectors to Age-Friendly Sullivan, which were distributed to local residents.
- **Social Participation:** Our monthly meetings (held on the first Wednesday of each month) frequently have a guest speaker and offer a potluck luncheon. In partnership with the Frenchman Bay Library, AFS/FBL received a challenge grant from AARP Maine to renovate the Community Room for socialization & activities.
- **Communication & Information:** Our webpage provides a wealth of resources for all residents to thrive in our community. In December, we published a Resource Guide for Sullivan Residents. All minutes & publications are available on the town's website.
- **Community Health & Support Services:** We held our first Health & Wellness Resource Fair on September 19th with 24 vendors providing health screenings, flu shots, and wellness advice. *Save the date* for this year's Expo on October 10th, 2019. We partner with Eastern Area Agency on Aging to provide delivery of supplement food to eligible seniors on the first Monday of each month. If you live in Sullivan & participate in the senior Commodity Supplemental Food Program through Ellsworth or Gouldsboro sites, please select Sullivan as your delivery site if you desire home delivery.
- **Outdoor Spaces & Buildings:** Our NEW 50x100 Sullivan Community Garden will be in the field behind the Town Office. Watch your Town Crier and Facebook pages for updates. We are so excited for the grant support provided by the Maine Community Foundation and the New England Grass Roots Fund! Residents may rent a private plot to grow their own flowers & vegetables; additional space will be organically cultivated for vegetables to be distributed to seniors experiencing food insecurity.
- **Civic Engagement:** AFS has provided the Comprehensive Planning Committee with copies of all AARP publications for creating a Livable Community using best practices
- **Respect & Social Inclusion:** The challenge is to inform all residents in a timely manner about activities, events and opportunities to participate. In addition to the Town Crier, sign and Facebook pages, residents may participate in our Neighbor-2-Neighbor weekly call with information about community activities, events & services.

Please join us to make Sullivan a Livable Community for ALL.

Warmest Wishes, Candy Eaton, Coordinator

March 2019

Dear Sullivan Residents,

We thank the residents of Sullivan for the continued support to the Frenchman's Bay Library. Because of this support, we are able to provide patrons the following services.

- Pajama Story Time is held the first Monday of each month at 6:00 PM. Children may also read to our visiting canine Dolly.
- The Book Club meets the 3<sup>rd</sup> Monday of each month at 2 PM.
- Knitters group and Writing Group meet every other Saturdays 10 to 12.
- Indoor Walking was added Monday evenings at 5 PM. Walkers exercise in the hall for one hour and during better weather they move outside.
- After school reading enhancement program on Thursdays.

We have partnered with Adult Ed to offer indoor walking sessions on Tuesday and Thursday at 1:00pm.

We partnered with Age Friendly and received a grant from AARP to rehab the Community room for programs.

We received \$500 grant money from Rudman to add to our Young Reader collection and our Audio book library.

Five computers are available for public use and one is a Mac.

Our fundraisers were: Souper-Chili Lunch, Cabin Fever Book Sale, Pie Sale and Silent Auction and our annual Book and Bake Sale.

Some of the programs we have offered this year include, CPR Training, Winter preparedness, Hospice programs, Frogtown Puppets, Owls and Bats. We also had a tea party to honor Volunteers. We collected and donated school supplies to our local schools.

We provide fiction and non-fiction, audio books and DVD's and participate in the Inter-library Loan Program and have been added to the Maine State Library Van delivery program which expedites borrowing books from other libraries. We no longer collect fines for overdue books and instead collect food for the local food pantry in lieu of fines. As a member of the Maine State Library we have access to the Digital Maine Library which has thousands of magazines, newspapers and reference books. This also includes a new genealogy site called Heritage quest and the complete collection of Chiltons Manuals and can be accessed from your home computer.

The support of the residents of Sullivan allow us to offer these programs free to the public. Over half of our 350 Patrons are from the Town of Sullivan. We know times are difficult for everyone. We hope the residents of Sullivan will again approve an allocation of \$4,000 so we can offer newer services in the coming year. Thank you.

Sincerely,

Cynthia Stanley, Library Administrator  
Christina McGowan, Librarian

## **Town of Sullivan Annual Report for the Planning Board**

Planning Board Members: Chairman - Clyde Lewis, Vice Chairman - Elliott Daley,  
Secretary - Marie Zwicker

Members: Robert Johnson, Robert Scott, Jack Hornberger and Mike Witz.

The Planning Board met only as needed in 2018, mostly to handle building permits within Shore Land Zoning areas primarily around Flanders Pond.

All other permits issued were handled by our Code Enforcement Officer, Rebecca Albright. Rebecca contacts the Board if she is not comfortable with any issues.

Respectfully,  
Clyde Lewis

## **Harbor Master Report**

2018 has come and gone, the Harbor area was very busy again this year. The Gonk was open for clamming again this year, so the Town Landing was very busy with diggers launching to dig the area.

The Sullivan Harbor ramp was busy as well. We sold 25 ramp permits this year; we have 28 moorings in Town, some of which are riparian land owners which are not accessed a fee.

This coming year, the Harbor Committee is talking about trying to make improvements to the Harbor are – stay tuned. I am still receiving inquires about available mooring space in Town.

## Sullivan Fire/Rescue 2018 Annual Report

On behalf of the men and women of Sullivan Fire/Rescue, it is my pleasure to present the 2018 Annual Report. I wish to express my thanks and gratitude to the extremely dedicated personnel of Sullivan Fire/Rescue. These devoted individuals continue to meet the demands of delivering the highest quality services possible in a competent and professional manner. It is gratifying to watch our staff work through these challenges and continue to excel in the performance of their duties and responsibilities. Personnel at all levels within the agency perform with flexibility, proficiency and excellence.

Sullivan Fire/Rescue is a volunteer department working out of two stations. In the true interest of public safety, we continually provide a wide range of services including fire suppression, rescue, emergency medical services, public education, as well as the protection of life, property and the environment. Sullivan Fire/Rescue responded to 194 calls for the calendar year of 2018. Which is an increase of 28% over the previous year.

In April we accepted delivery of our newest apparatus, a 2019 Pierce Responder pumper. This truck is housed at the West Sullivan station. It replaces a 1995 First Out pumper, which is now for sale. The new truck has provided us with greater fire suppression capabilities by having a larger pump and by having a class "A" foam system.

In October Sullivan Fire/Rescue purchased a lightly used 2008 PL Custom Ambulance from another EMS service in Hancock County. This ambulance was purchased entirely with money from donations from our fundraising efforts over the years. This rescue will be used primarily as

# S.F.R.

Sullivan Fire/Rescue  
1888 U.S Highway 1  
Sullivan, ME 04664  
(207) 422-3220

our emergency medical service response vehicle. As you can see from the chart above, the majority of the emergency calls Sullivan Fire/Rescue responds to are medical in nature. This rescue will allow us to respond to the scene with all of the necessary equipment needed to perform basic life support care. With recent changes to the ambulance system in Hancock County, Sullivan Fire Rescue is looking to better serve the citizens and visitors of the Town. To achieve this, our department is in the process of transitioning from a non-transporting first responder type EMS system to a full transporting service. This transition will be a methodical process and will take some time to achieve to ensure the best service is provided to the Town. The end goal of this operational model will allow the department to transport patients to the hospital when needed. We are looking forward to this exciting and important change to the EMS side of the department!

Currently Sullivan Fire/Rescue has 12 members. Members attended 1,118 hours of training and education in 2018. Special recognition should be given to Kaden Quinn for completing the Penobscot County Fire Academy. Congratulations Kayden!

Is volunteer firefighting becoming an endangered species? It's a tradition that has been around for a long time, but you may be witnessing its extinction as time goes on. Volunteer firefighting is based on residents of a community banding together to serve and potentially save the lives, homes, and possessions of their neighbors. By now, it should be no secret that we are in desperate need of volunteers. As a majority of our staff starts to age and retire, we have struggled in attracting younger recruits willing to step up to take their place. Every year, we have more of our members retire or resign than we are able to enlist. We cannot sustain this loss rate for too much longer. Unless we can reverse the trend, staffing may reach the critical point within a few short years. This will mean that alternative staffing measures will need to be explored to avoid a public safety crisis. If you or anyone you know may be interested in providing an extraordinary service to the community while helping their fellow citizens in times of need, we should talk. We offer year end incentives to those who qualify. We need your help in preserving the tradition.

In closing, I would like to thank the members of Sullivan Fire/Rescue and their families for their dedication to our organization. We feel very fortunate to have a community, a Board of Selectmen and a Town staff, which support our mission to deliver the highest quality emergency services possible. As we look toward 2019, Sullivan Fire/Rescue will continue to adapt to ever-changing times and will remain dedicated to serving the residents, businesses, and visitors to promote the health, safety, and well-being of our community.

Respectfully submitted,

Benjamin W. Gilley, Fire Chief

### 2018-2019 ANNUAL REPORT

The Board of Directors wish to again thank the voters and taxpayers of the Towns of Sullivan & Sorrento, for their generous support for the past fiscal year.

The extra two bathrooms on the main floor are up and running with a little cosmetic work, such as mudding and painting to be finished this year. Any volunteers??

The Board has restarted the Bingo on Tuesday nights and it appears to be doing very well.

We thank everyone who have donated time to improve the recreation center.

Thanks again to Greg Ring for bush hogging the field.

The "Thrift Store" is still a huge success. Donations gladly accepted. No TV's or Electronics. If you have anything to donate, please call us at 422-6282. Gail Brown has taken the reins and is doing a terrific job. Thank you to all the volunteers who help out. A great big thanks to Gail Brown, Sandra Preble, Sally, Marie as well as anyone else whose has volunteered at the thrift store. If we missed you please let us know. If you would like to volunteer please contact, Gail Brown or Kristine Guyton or Helen D. Gordon. Come check us out. Prices are really great. Money earned is split between the Recreation Center and the Sullivan Pet Project.

The Frenchmans Bay Library is sponsoring several indoor walking session in Greeley Hall. Everyone is welcome to come to get some exercise.

We are still trying to address the issue on the Eastern side of the building in regards to rotten siding and stringers of the sill area. When the new T-111 was put up there was nothing solid to nail it to on the bottom. As soon as better weather is here, we will need to remove some of the boards and proceed with what needs to be fixed.

Again the board wishes to thank each and all who have donated time, money and support to the well being of the Sorrento-Sullivan Recreation Center.

Board members are Kristine & John Guyton, Mary Ellen Jones, Greg Turner, Helen D. Gordon, Myra & Jack Hornberger of Sullivan and Judy High, Linda Andrews, and Timothy Guyette of Sorrento.

Helen D. Gordon  
President, Board of Directors

PS: if anyone is interested in serving on the Board of Directors, please contact us at 422-3134 ask for Helen.

## Regional School Unit 24

Greetings from Regional School Unit #24. It is my privilege to submit this school system update for your annual report. We have been extremely busy in our RSU schools and continue to work very hard to meet the needs of our students.

RSU 24 serves children in nine Hancock County and Washington County communities. The district provides the educational services for five schools and 979 students including general administration, centralized business services, food service, transportation, technology support and integration, and Special Education programming. RSU 24 employs 229 local citizens in a full range of professional and support positions. Funding for the district comes from several sources. State funding, determined by the Essential Programs and Services formula, bases state aid on local property valuations and the number of resident students. RSU 24 received \$2,486,779 in state funding for the present fiscal year accounting for 15.0% of our \$16,586,096 budget. Based on the number of students from Sullivan and your property valuations, your town contributed 16.9% toward the local cost of education. In addition to these sources, the district receives federal funding for several categories of services and also takes every opportunity to apply for grant funding to supplement educational programming.

RSU 24 provides for the education of 167 students who reside in Sullivan. Fifty-one secondary students attend Sumner Memorial High School. Six of these secondary students also attend Hancock County Technical Center for part of each day. Mountain View School enrolls 109 Sullivan students in grades pre-kindergarten through eight. Five students attend other RSU #24 elementary schools. An additional two Sullivan students attend school outside of the district.

Sumner Memorial High School is as busy as ever this time of year! Students and staff are working very hard toward graduation on June 13th. We are constantly looking for ways to improve our system of education. Specifically, we have been focusing on the way we assess and test our students in the skills they are learning. Staff members have been meeting throughout the year to discuss skills our students must have to be successful in the future. Sumner student-athletes enjoyed successful fall and winter athletic seasons, and current student-athletes are practicing hard — despite the wet and rainy weather we seem to be having each day. Our show choir group also had a successful competition season, making it to the state competition once again this year. As a staff we are committed to exploring new and improved ways to increase student learning. We feel strongly that strong student learning will prepare our students for the workforce, college, military service and service to our community. We appreciate your continued support of Sumner.

Mountain View School continues to make progress and grow as a school community. Positive shifts in the school's culture and learning environment have occurred in recent years, thanks to a focus on creating and maintaining strong relationships among staff and students. We continue to celebrate student success, especially recognizing those students who are positive members of our school community. Mountain View School is also engaged in meaningful work related to classroom instruction, specifically in our proficiency-based model of education. Teachers and staff meet frequently to reflect on best practices, consider student assessment scores and plan ways to support our students as they work to acquire important knowledge and skills. We are proud of what we have accomplished and excited to chart our continued growth.

I feel blessed that RSU 24 has the continued support of our towns. Your town's understanding of how important education is to our students is very much appreciated. Please know that we work hard to provide a quality education that respects the hard-earned money of our community members. If you have any questions or comments regarding RSU 24, please don't hesitate to contact my office at 422-2017.

Michael Eastman, Superintendent RSU 24

## ANNUAL REPORT of the SCHOODIC NATIONAL SCENIC BYWAY

The Corridor Management Committee of the Schoodic National Scenic Byway is happy to report on our progress in 2018 and plans for 2019.

### VISITOR FACILITIES & INFORMATION

The Town of Winter Harbor has a new Bike-Ped Hub. Beautifully designed with a shelter, bike rack and interpretive panel of the Byway information. The granite was donated by Maine DOT. The Maine Bike Coalition gave a grant for a bike repair station to be used at this site. Anyone can use if they need to tune up their bike this summer.

The Town of Gouldsboro with Byway committee help completed work at the Gouldsboro Town Park. Stone benches and granite blocks and pavers donated by Maine DOT were set around the recently completed shelter. Some landscape plantings, the park sign and a town history interpretive panel were also installed by MaineDOT.

The committee completed a full new update of the SchoodicByway.org website.

The committee conducted the first ever annual Kid Quest open house which attracted over 250 youth and their families from the region, state and across the nation. With much success, we plan to do it again this summer June 22, 2019. 10-2pm All are welcome to come and participate.

### PLANNING FOR FUTURE IMPROVEMENTS AND PROJECTS

The committee continues to reach out to the region's schools in providing field trips

to byway sites to learn about history, natural resources, granite mining and fisheries.

Bus Trips were paid by a grant from Maine Community Funds and sponsored by Friends Of Taunton Bay. We hope to use the new Kid Quest Booklet in conjunction with these field trips.

The committee has completed a rough design of the educational kid quest booklet. Now awaiting funding for the project.

## FUNDING OF PROJECTS

The grant for technical assistance from the National Park Services, Rivers, Trails and Conservation program has come to an end. Thanks to Julie Isbill for her contributions to the Schoodic Outdoors brochure, new website and kid quest booklet.

A grant has been submitted to Maine Community Foundation for the design and printing for the educational Kid Quest booklet.

The Onion Foundation just awarded a \$2250 grant for partial Kid quest design, sponsored by Frenchman Bay Conservancy.

Further Reductions in National and State funds for Byway programs place greater importance on municipal and other contributions to continue improvements along the Byway.

---

We thank those municipalities who have contributed to the Byway and hope that you will again support us to enhance school outreach, match start and federal grants.

We thank the select boards, planning boards, state, federal and foundation grants, historic societies, chamber of commerces, Maine Coast Heritage Trust, Friends of Taunton Bay, Frenchman Bay Conservancy and other organizations for their support. We thank the Hancock County Planning Commission, Downeast Washington County Council of Government, Maine Department Of Transportation and Acadia National Park for their technical and financial support.

The Schoodic National Scenic Byway Corridor Committee is a collaboration of Hancock, Sullivan, Sorrento, Gouldsboro, Winter Harbor and Acadia National Park to protect and promote this scenic corridor. Area residents are always welcome to attend byway meetings.

Respectfully submitted,

Barbara Shanahan Chairperson

## *INDEPENDENT AUDITOR'S REPORT*

Members of the Board of Selectmen  
Town of Sullivan  
Sullivan, ME 04664

### *Report on the Financial Statements*

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Sullivan, Maine (the Town) as of and for the fiscal year ended June 30, 2018, including the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### *Opinions*

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Sullivan, Maine as of June 30, 2018, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information on pages 3 through 6, and 20 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Supplementary Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Sullivan, Maine's basic financial statements. The supplementary information is presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplementary information is the responsibility of management and was derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the basic financial statements as a whole.

Respectfully Submitted,

*James W. Wadman, C.P.A.*

HANCOCK, S.S

STATE OF MAINE

To Lynn Dunbar, a resident of the Town of Sullivan, in the County of Hancock.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Sullivan in said county, qualified by law to vote in town affairs, to meet at the **Sullivan Town Office in said town on Tuesday, June 12, 2018 at 8:00 in the morning**, then and there to act on Articles 1 and 2, and then warn and notify voters that **Town Meeting is at 7 pm at the Sorrento/Sullivan Rec. Center on Monday, June 25, 2018** then and there to act on articles 3 through 47, all of said articles being set out below, to wit:

**Article**

1. To elect a moderator to preside at said meeting.  
**Helen Gordon elected. Helen swore in Peter Drinkwater at town meeting**
2. To elect by secret ballot the following officers for the ensuing year:
  - A. One selectman/assessor/overseer of the poor for 3 years.  
**Raymond Daley--216, write in Becky Sutherland--9**

**TOWN MEETING AT 7:00 PM ON JUNE 25, 2018**

3. To choose a budget committee. **Appoint the same budget committee**
4. To instruct the Selectmen to appoint all other Town Officials. **So voted**
5. To elect a Trustee for the York Hill Cemetery for 3 years. (Jeanne Edwards term is up)  
**Voted to keep Jeanne Edwards**
6. To see if the Inhabitants of the Town of Sullivan will vote to authorize the Selectmen on behalf of the town to dispose of any real estate acquired by the Town for nonpayment of taxes thereon, except shorefront property for which a public hearing would be held prior to being sold, on such terms as they may deem advisable and to execute municipal quitclaim deeds for such property. The Selectmen have the power to authorize redemption and reserve the right to accept or reject any or all bids. **So voted**
7. To see if the town will vote to authorize the Selectmen to accept on behalf of the town, unconditional gifts of property and/or donations that they feel are in the towns best interest to accept. **So voted**
8. To see if the town will vote to authorize the Selectmen to dispose of town owned personal property under such terms and conditions, as they deem advisable. **So voted**
9. To see if the town will vote to authorize the Selectmen and Treasurer to issue interest bearing negotiable promissory notes issued for Capital Improvements of the town and for the purpose of funding or refunding certain notes of the town now due or to become due during the Municipal 2018-2019 year and to fix a time within that said securities are to become due. **So voted**

10. To see if the town will vote that the 2018 taxes will be due on and payable to the Tax Collector as soon as the tax collector receives the warrant, and to extend a **2% discount** on 2018 tax bills if paid in full within **90** days of commitment, and to charge **7% per annum interest** on all unpaid taxes commencing **120** days after the commitment date. **So voted**
11. To see if the citizens of Sullivan will vote to pay for tax abatements and the 2% discount provided for early payment of property taxes. (Explanation: The Selectmen, as Assessors, are authorized to raise Overlay under Title 36 MRSA section 710 but require voter authorization to spend Overlay. Overlay cannot be more than 5% of the Tax Commitment. **So voted**

THE WARRANT  
SECRET BALLOT ELECTION AND  
TOWN MEETING WARRANT  
MONDAY, JUNE 24, 2019

HANCOCK, S.S

STATE OF MAINE

To Rob Eaton, a resident of the Town of Sullivan, in the County of Hancock.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the voters of the Town of Sullivan in said county, qualified by law to vote in town affairs, to meet at the **Sullivan Town Office in said town on Monday, June 24, 2019 at 1:00 in the afternoon**, then and there to act on Articles 1 and 2, and then warn and notify voters that **Town Meeting is at 7 pm at the Sorrento/Sullivan Rec. Center on Monday, June 24, 2019** then and there to act on articles 3 through 51, all of said articles being set out below, to wit:

**Article**

1. To elect a moderator to preside at said meeting.
2. To elect by secret ballot the following officers for the ensuing year:
  - A. One selectman/assessor/overseer of the poor for 3 years.
  - B. One RSU #24 School Committee Member for 3 years.
3. To choose a budget committee.
4. To instruct the Selectmen to appoint all other Town Officials.
5. To elect a Trustee for the York Hill Cemetery for 3 years. (Helen Gordon's term is up)
6. To see if the Inhabitants of the Town of Sullivan will vote to authorize the Selectmen on behalf of the town to dispose of any real estate acquired by the Town for nonpayment of taxes thereon, except shorefront property for which a public hearing would be held prior to being sold, on such terms as they may deem advisable and to execute municipal quitclaim deeds for such property. The Selectmen have the power to authorize redemption and reserve the right to accept or reject any or all bids.
7. To see if the town will vote to authorize the Selectmen to accept on behalf of the town, unconditional gifts of property and/or donations that they feel are in the towns best interest to accept.
8. To see if the town will vote to authorize the Selectmen to dispose of town owned personal property under such terms and conditions, as they deem advisable.
9. To see if the town will vote to authorize the Selectmen and Treasurer to issue interest bearing negotiable promissory notes issued for Capital Improvements of the town and for the purpose of funding or refunding certain notes of the town now due or to become due during the Municipal 2019-2020 year and to fix a time within that said securities are to become due.

10. To see if the citizens of Sullivan will vote to extend the **2% discount** on 2019 Tax Bills if paid in full within 90 days of commitment. The Budget Committee recommends a no vote
11. To see if the citizens of Sullivan will vote to pay for the 2% discount provided for early payment of property taxes. (Explanation: The Selectmen, as Assessors, are authorized to raise Overlay under Title 36 MRSA, Section 710, but require voter authorization to spend Overlay.) Overlay can't be more than 5% of the Tax Commitment. The Budget Committee recommends a no vote.
12. To see if the Town will vote that the 2019 taxes will be due on and payable to the Tax Collector as soon as the Tax Collector received the warrant, and to charge **9% per annum interest** on all unpaid taxes commencing **120 days** after the commitment date.
13. To see if the citizens of Sullivan will vote to pay for Tax Abatements from Overlay. (Explanation: The Selectmen, as Assessors, are authorized to raise Overlay under Title 36 MRSA, Section 710, but require voter authorization to spend Overlay.) Overlay can't be more than 5% of the Tax Commitment.
14. To see if the town will vote to authorize the tax collector to accept prepayment of taxes and to vote to pay **0%** interest on said prepayments.
15. To see if the town will vote to approve undesignated tax payments to be applied to personal property taxes, if applicable, then to the oldest tax bills.
16. To see if the Town will vote to amend the Harbor Management Ordinance. The amendments are shown in the Harbor Management Ordinance handout available at the Town Office and at the Town Meeting. All proposed changes in Red colored ink. The Harbor Committee recommends approval.
17. To see if the Town will vote to amend the Solid Waste Disposal Ordinance handout available at the Town Office and the Town Meeting. All proposed changes are in Red colored ink. The Selectmen recommend approval.
18. To see if the Town will vote to allow the Selectmen to enter into a binding agreement to purchase a 2.6 acre parcel on 1758 US Highway 1 (Map 002-Lot 005) for the purpose of future construction of a Fire Station/Town Office and to authorize an expenditure of \$20,000 from the Capital Improvement/Fire Suppression Fund to secure a low-interest 3 year fixed loan for the \$85,000 balance. If approved, the Selectmen will only enter an agreement for purchase when it has been determined that soil and construction conditions are satisfactory for the Town of Sullivan to proceed. The owners have reduced the price to \$105,000 to the Town of Sullivan.
19. To see if the town will vote to authorize the Municipal Officers to spend any miscellaneous departmental revenues received during 2019/2020 within the same dept.
20. To see if the town will vote to have unexpended balances and overdrafts in all accounts at the end of the fiscal year, except those, which remain by law or are deemed necessary by the Municipal Officers, transferred to unappropriated surplus.
21. To see if the town will vote to raise and appropriate the sum of \$30,000.00, and allocate fees collected to the operation of the transfer station and transportation of refuse. The Budget Committee recommends approval.
