Agrawal speaks with WABI about COVID-19, economics

March 16, 2020

Pankaj Agrawal, a professor of finance at the University of Maine, spoke with WABI (Channel 5) about effects of the COVID-19 pandemic on economics. “This COVID-19 literally and figuratively came out of nowhere. And that is the classic scenario that stops a bull market or a market from moving higher,” Agrawal said. “The supply and disruption that the COVID-19 seems to be bringing about is unprecedented in modern economic history.”
