Abstract: Photograph of six men in a 25- to 30-foot long bateau. Thomas Skofield said, "I always handled stern, see? There's a boom of logs. There's a boom right back here. The wind's passing down. We're pushing for shore as quick as we can. And in case - we got to hitch her onto a tree...We can't hold her if she's being pushed by the wind."
