Subject: Message from Fogler Library

UMaine Students,

Whether you're on campus or studying remotely, Fogler Library wants to help you succeed in your courses and projects, and we want to share some information about library services this semester.

In addition to the information below, we're posting updates about [Fall 2020 resources](#) on our website, but if you have questions about library services, policies, or resources, don't hesitate to contact us!

Visiting Fogler Library

The library is open to all UMaine students for our regular academic year hours. If you're visiting in-person, here are a few things to keep in mind:

- Use the doors facing the Memorial Union to enter Fogler and exit through the doors facing the Mall.
- Your MaineCard will get you into the building (look for a card swipe to the left of the doors).
- Masks are required at all times (except in the Oakes Room, which is the only place eating/drinking is permitted).

Help Finding Information

You have millions of print and online resources available to you, and we can help you find the information you need for your courses. Your [subject librarian is available by chat, email, or Zoom](#). They can help you find information resources for papers, projects, and assignments.

Getting Print Books

Need print books? If you're able to come to Fogler, you can check out books as you normally would using your MaineCard. If you can't make it to Fogler Library, we can mail books to your current

address.
