### Student Fee Adjustment and Rebate Policy by April 15 (04/01/2020)

The University of Maine System has processed \$12.8 million in student room and board adjustments and rebates as of March 31. The University is now working to have a student fee adjustment and rebate policy in place by April 15.

As was the case with the room and board policy, the University is committed to developing a policy on student fee adjustments that is appropriate and fair while also taking into consideration the impact and intent of federal COVID-19 relief legislation.

**Direct Deposit for Refunds:** The University recommends [enrollment in direct deposit](#) to expedite receipt of refund dollars. In the event you are unable to participate in direct deposit the University recommends reviewing and updating your refund address on MaineStreet.
