TO THE HONORABLE BOARD OF SELECTMEN OF THE TOWN OF
NORTH KENNEBUNKPORT:

GENTLEMEN—I hereby submit the First Annual Report of the Superintending School Committee of North Kennebunkport.

Since the spring term of 1916 a few changes in our teaching force have been necessary.

Miss Ham of North Chapel school and Mrs. Farrar of the Burnham school declined re-election.

Miss Mitchell of the Iron Bridge school was transferred to the Burnham school, and Miss Roberts was elected to fill the vacancy at the Iron Bridge school.

Miss Irving, a Gorham Normal School graduate, was elected to fill the vacancy at the North Chapel school.

We were very fortunate in our selections, and through the adaptability of our teachers to modern methods, the work has progressed satisfactorily along all lines.

We are well pleased with the outlook, and trust we shall have the cooperation of all parents who have children in our schools.

We advise salaries sufficient to hold successful teachers, and

by giving them and their pupils comfortable and properly equipped rooms, comparing favorably with our neighboring cities and towns, we believe the desired end, the proper education of our children, will be accomplished.

The school room is the children's home six hours a day and it cannot be made too attractive.

Our schoolhouses are in very good condition, but some changes are needed.

We recommend the construction of a new outbuilding at the North Chapel school, containing wood and toilet rooms, as we deem it necessary for sanitary and other reasons.

We recommend the raising of two hundred dollars for this purpose.

In closing, I wish to thank the teachers for their faithful service and for the respectful treatment accorded me; also for the hearty cooperation of the superintending school committee and for the cordial support of the citizens of North Kennebunkport.

I would recommend the following amounts to be appropriated for the ensuing year at your annual town meeting:

Common Schools	\$600 00
Building at North Chapel Schoo	200 00
High School tuition	50 00
Repairs and insurance	75 00
Text Books	25 00
Salary of Superintendent	<u>75 00</u>
	\$1025 00

Respectfully submitted,

MRS. F. M. IRVING,

Superintendent of Schools.

North Kennebunkport, Maine, February 1, 1917.

Board of Health

The Board of Health of the Town of North Kennebunkport submit the following report for the year ending Feb. 20 1917.
