46% Room and Board Credit Adjustment to Student Accounts (03/25/2020)	—

Room and Board adjustments for students who have checked out of Residence Halls on University of Maine System campuses are now being posted to students' accounts. After careful consideration the University of Maine System decided on a 46% credit adjustment on both room charges and board charges.

The percentage is based on 102 days of the semester the student would have been in Residence Hall; there were 47 days remaining in the term as of March 13. This percentage will be applied at all campuses. Once adjustments are posted campus staff will begin processing refunds for those eligible. The adjustments and issuing of refunds is expected to be complete by March 31, 2020.

Decisions on adjustment to meal plan charges for those who have remained on campus will be determined soon. Once a decision has been reached for your campus, adjustments will be posted and any refunds for those eligible will be processed immediately.

Direct Deposit for Refunds: The University recommends [enrollment in direct deposit](#) to expedite receipt of refund dollars. In the event you are unable to participate in direct deposit the University recommends reviewing and updating your refund address on MaineStreet.
