Two Hundred and Eighth
Annual Report of the **Municipal Officers of the**
Town of Carmel, Maine
For the Year **2019**

Municipal Resolution

The **2020 Carmel Maine Spirit of America Foundation Tribute** honors **John Luce** for commendable community service.

A Resolution

Providing for: Recognition of **John Luce**.

Be it Resolved by the Selectmen of the Town of Carmel as follows:

Whereas, John Luce has made significant contributions to the Town of Carmel through decades of community service.

Whereas, John Luce volunteered to serve on the Carmel Volunteer Fire Department for over 15 years including time served as Assistant Fire Chief; and

Whereas, John Luce served 10 years on the local Boy Scouts Troop 18 Committee; and

Whereas, John has served on the Carmel Board of Selectmen for multiple terms spanning 3 decades; and

Whereas, John Luce has been a member of the Benevolent Lodge No. 87, Carmel, Maine since 2001 through which he has contributed significantly towards The Annual Carmel Days Festival; and

Be it Resolved by the Selectmen of the Town of Carmel that **John Luce** is hereby recognized for his exemplary citizenship, great achievements and honors that he has brought upon this community with the 2020 Carmel Spirit of America Foundation Tribute; and

Be it Further Resolved that a copy of this resolution be appropriately framed and presented to **John Luce** for appropriate display; and

Be it Further Resolved that the Board of Selectmen of the Town of Carmel, formally dedicate the 2019 Annual Report for the Town of Carmel to **John Luce**.

Selectmen: ***Suzan Rudnicki, Douglas Small, Jared Fitts, Isaac Raymond***

Town Manager: ***Kevin Howell***

BOARD OF SELECTMEN REPORT

To the Citizens of Carmel,

The Board of Selectmen would like to take this opportunity to reflect on 2019 as a year of growth. In this report you will read that we experienced several new thresholds across all our municipal departments. Permits for new construction were the most in over a decade and excise tax revenue hit an all-time high. The Fire & Rescue department responded to more calls than ever and saw revenue exceed expectations. We were able to reclaim and repave 3.5 miles of roads and do extensive repairs to the sand shed. Our community events continued to expand through the support of our local businesses, residents, and civic organizations. We are thankful to have such a wonderful rural community who continue to support those events throughout the year and make us proud to serve you all. We are committed to supporting the future success and growth of these events and look forward to seeing you all participate and enjoy for many years to come.

The Town Landing project was completed during the summer. The opening provided an opportunity for residents to enjoy a wonderful natural resource by launching their kayaks, canoes and boats to access Souadabscook Stream and Etna Pond.

In 2019 we established and awarded our first “Spirit of America Award” recognizing an individual for outstanding community service. We are continuing this in 2020 and have chosen John Luce as this year’s recipient. The Annual report will be dedicated to the recipient of the Spirit of America Award and a special presentation will be made at the Town Meeting.

Our Town Manager continues to stay busy steering the ship and leading us into the future. His dedication is unquestioned and efforts over the years have had a clearly positive impact on our community.

The Fire & Rescue department under Chief Shaw has been very busy with calls, training and community involvement. Thank you to all the first responders for what they do.

Thank you to all those who take their time to serve on our boards and committees as well as the entire staff, from the front office to public works, the fire department, recreation department, election workers and contractors who year after year contribute to the success of this Town.

We encourage you to read all the reports that have been submitted for this publication to see what has changed in the last year. Each week the Selectmen’s Meeting agendas are posted around town. The meetings are always open to the public, and we encourage residents to attend. We would ask residents to attend the February 29th election for two Selectmen and one School Director at the Town Fire Station between 10am and 4pm and attend the Annual Town Meeting March 2nd, 2020, 7:00pm at the Carmel Elementary School.

Respectfully submitted,

Suzan Rudnicki – Chairman of the Board, Douglas Small, Jared Fitts, John Luce, Isaac Raymond

Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next four years, I will do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

That is why on my first day in office I directed the Maine Department of Health and Human Services to implement Medicaid expansion as quickly and efficiently as possible. My Administration will ensure that it is paid for sustainably; that the cost of health insurance is controlled; and that the cost of prescription drugs is reined in. In addition to creating a Director of Opiate Response to marshal the collective power and resources of state government to stem the tide of the opioid epidemic, we will make Narcan widely available, increase access to medication assisted treatment and recovery coaches, and expand drug courts.

We also need a healthy environment. My Administration will embrace clean energy; change our modes of transportation; weatherize homes and businesses; and reach a goal of 50 percent of our energy coming from Maine renewable resources. By reducing the impacts of climate change, we will create good-paying jobs, preserve our environment, and protect our state's farming, fishing, and forestry industries.

We will also develop a world-class workforce starting with Pre-K for every 4-year-old in Maine and more post-high school options that result in a valued credential. Attracting talented young people to move here and make Maine their home will be top priorities of my Administration.

Maine communities, especially rural communities, are confronting a severe workforce shortage and an aging and declining population. It is time for bold, dynamic ideas that will change Maine for the better. That is why I, along with people ranging from small business owners, innovators and entrepreneurs, to economists and every day, hard-working Mainers, developed an economic plan designed to make it easier for small businesses to grow, for people to come and stay, and for Maine to thrive.

I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, happy people, and prosperous communities

Thank you,

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the “Military Widow’s Tax,” an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people’s health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine’s Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation’s premiere biomedical research institution, including significant boosts for Alzheimer’s disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation’s crumbling infrastructure and ensure that Maine’s housing needs are addressed. For Maine’s roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee’s Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS’ Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

United States Senator

Dear Friends,

The beginning of a new year provides the opportunity to reflect on the progress of the past 12 months. If you've been watching cable TV, you might think that every waking moment of 2019 in Washington has been consumed by divisive, partisan issues – and while there's no shortage of those debates, there have also been opportunities for bipartisan cooperation. You sent me to the Senate to make the most of those opportunities, so as we enter into the New Year, I wanted to take a moment to update you on my efforts to work with members of both parties to make life better for the people of Maine.

One of my most important priorities this past year has been emphasizing preventive healthcare. Maine's distinction as the oldest state in the nation brings us wisdom, of course – but it also creates unique challenges, particularly relating to healthcare. The key to addressing these obstacles is being proactive, because the cheapest, safest medical procedure is the one that doesn't need to happen. That's why I've introduced legislation to incentivize healthier living, expand mental health screenings, and help more Americans access regular check-ups. We're making progress, but we've got a long way to go – and I'd like your help, because I know that the best ideas are the ones that come from families and communities on the front lines of these challenges. To strengthen this effort, I convened a policy forum on prevention in Bangor in October, which has already given me exciting new ideas that I'll carry with me into 2020. If you have additional thoughts on encouraging preventive healthcare, please share them with my office.

This year has also continued the growth of Maine's forest products industry – a key focus of my work to revitalize Maine's rural economy and communities. We've seen significant investment in mills across the state, creating good jobs to support rural Maine. I'm also pleased that the investments aren't just in our mills – the industry is thriving because of its commitment to innovation. We're fortunate to have the University of Maine's top-notch researchers exploring cutting-edge ways to use our forest resources, including capitalizing on the rise of 3D printing technology with the world's largest 3D printer. Combining this work with ongoing federal support, our vast forests, and Maine's dedicated workforce, I know that the future of this industry is bright, and I'll continue working to support it on all fronts.

I'm proud of all we've accomplished together this year, but even as I reflect on all that we've achieved, it is challenging to not think of the work left undone. It sometimes can be discouraging to watch these important priorities hang in limbo, but fortunately for me, encouragement is never far. After all, I get to live in Maine – which means I get to count Maine people as my neighbors and friends. I'm always struck by the kindness that our citizens show not only to me, but also to each other. This focus on collaboration and compassion is an inspiration, and it powers my efforts bring a little bit of Maine common sense to Washington. Thank you for all you do to for our state – Mary and I are deeply grateful, and we hope that 2020 will be a good year for you, your family, your community, and the State of Maine.

Best Regards,

A handwritten signature in blue ink that reads "Angus S. King, Jr." with a stylized flourish at the end.

Angus S. King Jr.
United States Senator

Jared Golden

Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you well. It is an immense honor to serve as your representative in Congress. I take very seriously the responsibility that has been placed on me, and I would like to take this opportunity to share with you some of what I've been working on in my first year in Congress.

At the beginning of this term, the House passed H.R. 1, a comprehensive package of reforms I co-sponsored to get big money out of politics and fight corruption in Washington. And in December, I helped pass H.R. 3, the *Lower Drug Costs Now Act*, which would limit out-of-pocket prescription drug costs paid by seniors, fund the expansion of Medicare coverage to include dental, vision, and hearing, and lower prescription drug prices for thousands of Mainers. Additionally, as a member of the House Armed Services Committee, I worked to ensure our annual defense authorization bill supports America's national security and Maine's shipyard workers, National Guardsmen, manufacturers, and universities.

On top of working on this legislation, I have also been advocating for our district directly to administrative agencies. I have been fighting for Maine lobstermen to urge the president to intervene in proposed regulations by the National Oceanic and Atmospheric Administration (NOAA) that would hurt our lobster industry. I pressed government agencies to ground their regulations in sound science and data when crafting new regulations on Maine's lobstermen. I also persuaded the Army Corps of Engineers to hold a public hearing in Maine about the proposed Central Maine Power NECEC transmission line, which gave hundreds of people the opportunity to voice their opinions about the project.

Some of the most important work of members of Congress is rooted in on-the-ground constituent services. We have three offices in the district -- in Caribou, Bangor, and Lewiston -- and my staff work tirelessly to help Mainers solve problems they may face with federal government agencies. I urge you to stop by to talk to us in person and let us know how we can better serve you and your communities.

My favorite part of the job is coming home to the district and hearing about what matters to you. This year, I brought a hearing of the House Small Business Subcommittee on Contracting and Infrastructure to Maine to find ways to expand access to rural broadband. I've also held open town halls and coffee hours throughout the district to hear directly from Mainers veterans, as well as roundtables to find more ways to help small businesses in Maine grow and create jobs.

As always, please continue to reach out to me and my staff if you'd like to voice an opinion, let us know about a local event, or seek any assistance with federal agencies.

Respectfully,

A handwritten signature in blue ink that reads "Jared F. Golden".

Jared Golden - Member of Congress

Senator Stacey K. Guerin

3 State House Station Augusta, ME
04333-0003 (207) 287-1505
Stacey.Guerin@legislature.maine.gov

**Innovation, Development, Economic Advancement
and Business Committee**

Dear Friends and Neighbors,

Let me begin by thanking you for allowing me the honor of serving you in the Maine Senate. I am honored that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

Maine is in the midst of the greatest period of prosperity in its history and has led the nation in a number of economic categories over the last several years. Unemployment is at record low levels, wages are up, and state government has had seven straight years of surpluses. The number of children living in poverty is in a steep decline, and Maine now leads the nation in equality for women in the workplace and politics.

Though we have accomplished a great deal in the past year, there is still much more to be done. Maintaining the prosperity that you have built over the last several years tops the list. We can do this by holding the line on government spending, doing our best to stay out of the way of local businesses so that they can thrive as a result of their own hard work, and making sure that government is the most fiscally responsible steward of your tax dollars. These will be a few of my priorities this coming year.

Again, thank you for electing me to serve you in the State Senate. The 129th Legislature certainly has a great deal more work to do; but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at 287-1505 or

[\[Stacey.Guerin@legislature.maine.gov\]](mailto:Stacey.Guerin@legislature.maine.gov) if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Blessings,

A handwritten signature in cursive script that reads "Stacey".

Roger.Reed@legislature.maine.gov

House of Representatives

2 STATE HOUSE STATION

AUGUSTA, MAINE 04333-0002

(207) 287-1440

TTY: (207) 287-4469

January 2020

Dear Friends & Neighbors:

With my stint in the Legislature drawing to a close due to term limits, I wish to express my gratitude for the opportunity to be your voice in Augusta. It has been a sincere privilege getting to better know my constituency, and I have enjoyed working alongside so many of you in resolving difficulties encountered with Maine State Government. Your faith and trust in me has been encouraging, and I will leave the House of Representatives with an optimistic outlook that our best days are ahead.

Along with the 260 carryover bills and papers from the First Regular Session, there are more than 400 new pieces of legislation to be deliberated over the coming months of the Second Regular Session. My colleagues and I will need to be efficient and sensible in order to complete our obligations by the statutory adjournment date of April 15.

The budget passed by lawmakers last year may be supplemented due to revised economic forecasts. An additional \$116.9 million in revenue, with potentially more to come, has left my colleagues and I even more determined to meet pressing needs, including our roads, nursing homes, direct care workers, and people with disabilities on waitlists. With the budget already 11% higher than the previous one, it is imperative that restraint be exercised by not instituting more new programs that could potentially create future financial strain.

In closing, I wish to thank the good residents of Carmel for the honor and pleasure of serving you at the State House. Rest assured, my work is ongoing to make certain you, your children, and even your grandchildren are offered an environment free of an overzealous government, thus enabling the pursuit of the American Dream to continue on!

Sincerely,

Roger E. Reed

State Representative

District 103 - Carmel, Etna (part) and Hermon

TOWN MANAGER REPORT

There is no other way to begin this report than to pay tribute to the overwhelming success of our Annual Carmel Days Festival in 2019. The addition of fireworks sponsored by C.A. Newcomb and the Hartt Transportation fun zone made this year a breakout year which I can only hope to continue for decades to come. All of our community events have truly become something the entire town including businesses, civic organizations and the residents should be very proud of.

After a long planning process, the construction on the Town Landing was completed and the facility opened to the public. This has been a tremendous addition to our community and a valuable asset that will be utilized for generations to come. Later in this report you will see the dedication that was memorialized on a brass plaque that will be installed this spring.

As you read this report, you will see a breakdown of how the approved budget was expended in 2019 and what is proposed for 2020. Continuing the trend of the past few years, this year, the municipal burden on our tax commitment will be lower than it has been since 2012. The Town has a healthy general fund and you will see an article on the Town Meeting Warrant asking to appropriate \$61,000 from surplus to reduce the 2020 tax commitment. This is a result of excessive revenues in 2019 that we feel should be returned to the tax payers.

The changes we made in 2018 as to how the ambulance is staffed have continued to result in a positive impact for the community. As rural towns struggle to adequately provide EMS and fire services, Carmel has shown that it is possible and there is value in providing a staffed ambulance in Town during weekday hours.

Meanwhile, we were busy keeping the town running efficiently with all the departments doing their part to serve you and provide the services you need and expect. I am fortunate to have the dedicated staff you have all grown to know. The public works crew continues to get the job done year after year with the maintenance of the roads, bridges, cemeteries, recreation complex, town office and anything else they are called on to handle.

I would like to thank the Planning Board and Budget Committee for their service. A special thank you to each one of the members of the Fire and Ambulance Service for everything they do to make our town a safer place to live. The Recreation Department under the leadership of Deidra McIntosh continues to provide new and enhanced activities for everyone to enjoy.

Above all, I would like to thank the Board of Selectmen for their support and giving me the opportunity to serve the residents of this fine town. It is a privilege and a pleasure to come to work every day in this capacity and I look forward to serving you all for many years to come.

Respectfully,

Kevin Howell

Town Manager

Kevin with his wife Katie and son Sawyer

"Without change there is no innovation, creativity, or incentive for improvement. Those who initiate change will have a better opportunity to manage the change that is inevitable." - William Pollard

ROAD COMMISSIONER

2019 was another productive year. The winter of 18/19 took its toll on the roads with the rain and freezing and thawing. This weather accelerates deterioration of already failing road surfaces. As a result we made the decision to reclaim over double the amount of roads that we normally do. This process worked out well and we did significant ditching and berm removal as well. Over 3.5 miles of roads were completely ground up, regraded and paved with 2 inches of binder. In 2020 we will put the final surface on those roads and some others if budget allows. We continue to learn new ways to be more efficient in completing annual maintenance tasks.

Although route 69 is a state maintained road, I am happy to report that they completed a significant ditching project in 2019 and will be paving the entire length in Carmel this summer. This will improve driving conditions considerably, but also will allow our winter plowing crew to get better results and lessen the wear and tear on our emergency services vehicles, school buses and personal vehicles.

Although we were not able to complete the renovation to the old fire station in the village, we are now utilizing it for storage for multiple departments. We will be revisiting the options for a new roof and garage doors this spring.

We applied for and were granted a Safety Enhancement Grant in 2019 which provided funding for new safety gear for the public works department. Staying safe and visible is paramount at all times.

I look forward to continuing to work on improving the town roads and facilities for many years to come. We will continue to find ways to do things better and at the most sensible cost while maintaining the ultimate goal of providing safe and comfortable roads for everyone.

Respectfully,

Kevin Howell – Road Commissioner

CARMEL FIRE & RESCUE

1 Safety Lane
Carmel, ME 04419
(207) 848-5051
Cell (207) 951-5938

Residents of Carmel,

This year has been a very busy one for the fire department. It has been the busiest year this department has ever had. Our crews have handled it well. This fire department has a very dedicated crew of men and women who serve the citizens of Carmel. These people attended over 1000 hours of training this year. In addition, they respond to calls at any time day and night. They are responsible for keeping the equipment ready to go and do all the weekly safety checks, as well as keep the fire house clean and neat.

The ambulance is working phenomenally well with us teaming up with Northern Light Medical transport. Most days Monday through Thursday we are at the advanced EMT level of care with their provider. This contract with Northern Light has put Carmel in a very good spot for a small community. This agreement has kept the ambulance staffed Monday through Thursday with a Northern Light provider and a driver from our crew. Fridays are covered by a Carmel fire EMT and driver. This contract has allowed us to cover all the medical calls during the weekdays from the fire station, providing a much faster response to the citizens.

This upcoming year we have 2 members going for their EMT license. We also have a member in paramedic school. This will have a very positive impact for the citizens, especially with the rising call volume. We plan to do more training on ice and cold water, as well as run a fire academy in house for our new members. Our training programs are open to our mutual aid partners, allowing us to work with them in a more productive manner.

We are bringing back what I feel is a very important part of the fire department, our Junior Firefighter Program. This is a great way to keep kids active and learn very useful skills. If any of you are 14 years or older and would like to attend this program, please reach out to us. The only requirements are they need to be at least 14 and maintain good grades in school. The junior fire program lets the kids come and train with us as well as work in their own groups. They will learn the same skills the adult members learn. They are however not allowed to be in a dangerous situation.

I would like to remind all of you to make sure your house number is visible from the road in both directions. This helps us find you faster when you need our services.

Respectfully,

Ralph Shaw
Fire Chief

TIRES ARE NO LONGER COLLECTED CURBSIDE

HOWEVER,

DURING THE WEEKS OF:

MAY 3rd - 9th and OCTOBER 4th - 10th, 2020

You may bring your tires to a designated drop off area at the sand shed / public works garage lot on route 2 just east of the village. *If you are unable to transport your tires to the drop off area, please contact the Town Office and we will arrange to have them picked up for you.**

Any other time, you can always contact your local tire retailer to arrange dropping off your used tires.

PUT IT ON YOUR CALENDAR... YOU DON'T WANT TO MISS IT!

CARMEL DAYS 2020

CES KICK-OFF PARADE - FRIDAY, OCTOBER 2ND

MOVIE IN THE PARK - FRIDAY EVENING - OCTOBER 2ND

CARMEL DAYS PARADE - SATURDAY OCT. 3RD

CARMEL DAYS FESTIVAL AND FIREWORKS

SATURDAY AFTERNOON THRU DUSK

The Town of Carmel contracts Sullivan's Waste Disposal & Recycling Services, Inc. for our weekly household waste pick-up. They also do our spring and fall pick-up for items which do not go in the weekly household pick-up.

Phone: 207-948-2658

Household Pick-up every Tuesday starting at 7AM

Spring Clean-up - Second Saturday of May

Fall Clean-up - Second Saturday in October

TAX ACQUIRED PROPERTY FOR SALE

331 DAMASCUS ROAD, CARMEL, ME 04419

TAX MAP 10 LOT 4 & 4A

1,120 SQUARE FEET FINISHED 2ND FLOOR WITH LARGE KITCHEN - NEWER METAL ROOF

2 BEDROOM - 1.5 BATHS (LAUNDRY ROOM INCLUDED IN FULL BATH)

1 CAR GARAGE - PRIVATE LOT & PAVED HORSESHOE DRIVEWAY - .95 ACRES

The Board of Selectmen of the Town of Carmel are accepting bids for the purchase of the town's interest in this property. Each bid **MUST** be received in writing and in a sealed envelope marked "Tax-Acquired Property Bid". Bids must be submitted on a formal bid form supplied by the town.

All bids must be received in the Town Clerk's office no later than 5:00pm on Monday, March 16, 2020.

Late bids will not be opened or considered.

Bids will be opened and reviewed by the Board of Selectmen on Monday, March 16, 2020 at 7:30 PM.

Tax maps and other public information concerning the properties may be reviewed at the Town Office during its regular business hours. M 8am - 8pm, T 1pm - 5pm, W-F 8am - 5pm. Showings are available by appointment only. Contact the Town Office and ask to speak with the Town Manager

Property will be conveyed by a municipal quitclaim deed without covenants. The Town of Carmel makes no warranties or representation of any kind whatsoever concerning the nature, extent, validity, value or utility of any rights to be conveyed. Bidders are strongly advised to consult an attorney prior to filing a bid.

Any questions can be directed to the Town Manager, Kevin Howell - 848-3361 - ceo@townofcarmel.org

The Board of Selectmen reserve the right to accept or reject any and all offers.

CODE ENFORCEMENT

2019 was a year of growth. The numbers below are the highest amount of permits in over a decade. There was a tremendous amount of activity throughout the year which reflects well for the future of Carmel.

The Office of Code Enforcement handles the issuance of all permits, including building, plumbing (both interior and exterior) as well as junkyard permits and special use permits. I also perform occupancy inspections on all new homes and plumbing inspections on all new interior and exterior installations. Other duties of the office include answering all land use and ordinance questions, working with the Planning Board on all subdivision and special use permit applications, and enforcement of the various town ordinances.

I also look at buildings that could be considered dangerous and a public safety hazard.

It is important to obtain the proper permits before starting any project. If you are planning any type of building, even a small shed or addition, please contact me in advance. I am available at the Town Office during normal business hours, and you can reach me via email anytime at: ceo@townofcarmel.org.

Respectfully,

Kevin Howell – **CEO/LPI**

TOTAL PERMITS ISSUED: 64

NEW HOMES: 23 GARAGES: 15 OTHER: 26

TOTAL PLUMBING INSPECTIONS: 36

PLANNING BOARD

Fellow Residents of Carmel

The Planning Board continues to review the land Use ordinances. The goal is to keep the ordinances up to date with the ever-changing rules and laws set by the State of Maine, and the best interest of the Town.

The Planning Board approved one special use permit, for a tile manufacturing company on the Hampden Road this past year.

Only one application for a sub-division was presented, this will be located on Rt. 2 at the old T & N trailer park. The planning board approved this with a few stipulations.

I would like to give a special thanks to the Planning Board and Town Manager/CEO Kevin Howell for all your time and commitments to the Town of Carmel

Respectfully Submitted;

Paul (Jake) Morgan Chairman

ANIMAL CONTROL OFFICER

2019 Was a busy year with 13 animals taken into the Bangor Humane Society, the town's shelter destination. If you have a lost pet, you are urged to call the ACO or the Town Office first to report the animal missing. Second, call the Bangor Humane Society at **942-8902** to see if your pet has been turned in.

Listed are calls the ACO responded to in 2019:

- | | |
|------------------------------|------------------|
| 2 Dogs on the loose | 1 Dog bite |
| 2 Dogs to the Humane Society | 2 Barking Dogs |
| 7 Cats to the Humane Society | 1 Kennel License |

Important numbers to remember:

Jean Treadwell – Animal Control Officer 299-3251

Game Warden 941-4440 or 287-5252 (Call the warden service on all wild animals and any dog witnessed chasing deer)

Bangor Humane Society 942-8902

Town Office 848-3361

Please make sure your animals are secured properly and have adequate housing, food and water. Always keep your animal's shots up to date and remember to get them spayed or neutered. Thank you for your assistance with these matters.

Respectfully submitted

for Jean Treadwell

RECREATION DEPARTMENT

2019 was another great year for the Carmel Recreation Department. Now going into my 4th year as the Rec Director, it is very clear to me that the heart of a rural community is its residents. The Recreation Department takes great pride in providing community events for all our residents, but more importantly you residents are what make us successful. We cannot thank everyone enough for your continued support and dedication to the Rec Department each year.

We had successful sport seasons this year. The Rec Department offers soccer, basketball/cheering and baseball/softball each year. This year we averaged 110-125 kids participating for each sports' seasons. We continue to strive on developing proper skills and mechanics for our young athletes. We are thankful to have a great relationship with Levant and Hermon as we have established a great tri-town recreation community. Thank you again to all our volunteer coaches for all your time and dedication; we could not do it without you!

We were able to provide a great list of community events for our community in 2019. We provided children's games with prizes and a movie night at Carmel Days. We decorated a trunk at the Trunk or Treat event at the Town Office. We had another very successful Breakfast with Santa and Father/Daughter Dance with our attendance continuing to grow well over 100 for each one of these events. We hosted 2 basketball clinics by Results Basketball and teamed up with Pine Hill Soccer and are now offering professional youth soccer development clinics throughout the year. We had another successful after school ski/snowboard program at Hermon Mountain with 32 kids participating this year. With the support of the Fire Department and Kevin the Town Manager, we were able to create a skating rink at the lower parking lot by the Rec Fields. We hope to continue to grow this list in 2020 and would love your input on any events you would like to see in our community in the future.

A huge thank you to The Village Market, WWFS, Reese Homes Company, Cyr Roofing, Witham's Paving, Randy's Used Cars, Potter's Transmission, Hank's Husqvarna, Clement's Starter & Alternator Repair, Cowboys Cash Fuel, Leonard Automotive and Towing, K & K Storage, McIntosh Forestry Services, Generation Improvements, C.A. Newcomb, Property Solutions, Advanced Electrical Services, Carmel Well Drilling and Jarvis Auto Body & Sales for your sign sponsorship and continued support for the Carmel Recreation Department. Please remember to always support our local businesses!

We have current openings on the Rec Committee if anyone is interested in joining us. We are also always looking for volunteers for our various Rec events. Please remember to follow "Carmel Recreation Department" on Facebook for all current events and information. You can always contact the Rec Department at recreation@townofcarmel.org. Thank you everyone for all your support of Carmel Recreation and making 2019 so successful. Here's to 2020!

Best Wishes,

Deidra McIntosh
Carmel Recreation Director

Troy J. Morton
Sheriff

William R. Birch
Chief Deputy

**85 Hammond Street
Bangor, ME 04401
(207) 947-4585**

Greetings:

It is the mission of the Penobscot County Sheriff's Office to safeguard the lives and property of the citizens we serve, to reduce the incidence and fear of crime, to enhance public safety and to meaningfully improve the lives of the citizens of Penobscot County.

In 2019 the Penobscot County Sheriff's Office responded to 710 calls for service in the Town of Carmel. These statistics do not include the number of calls the Maine State Police responded to in Carmel during this time. Enforcing traffic laws, including speed enforcement on roadways and preventing and investigating crimes, remains a focus for our patrol deputies.

The opioid epidemic continues to significantly impact our county and sadly effects nearly every family in Penobscot County. Working in partnership with many groups and services we hope to positively impact this situation. Together we will continue to make this the best place to live, raise a family and work.

D/S Jon Carson has been assigned to the Town of Carmel since May and has worked closely with the town, school and local businesses. D/S Carson brings more than 30 years of law enforcement experience and a commitment to community policing to the citizens of Carmel.

The following is a list of the most common calls for service for the Town of Carmel in 2019:

Welfare Check	88	Family Fight/Assault	16
Directed Patrol	75	Motorist Assist	10
Property Check	70	Criminal Mischief	8
Information	65	Alarm	8
Public Service	44	Suicide Threat	7
Motor Vehicle Crash	38	Violation of Protection Order	4
Adult Arrest	24	Theft	4
Suspicious	23	Burglary	3
Criminal Traffic Offense	15		

On behalf of Chief Deputy William Birch and myself, I would like to thank the citizens of Carmel for their continued support of our office. We look forward to providing the highest level of service possible.

Respectfully,

Sheriff Troy Morton

SIMPSON MEMORIAL LIBRARY

8 Plymouth Rd.
Carmel, ME 04419

Director-Lee McCartin

This past year brought many changes and challenges to the library. Long term librarian Becky Ames retired in June after a 13 year career and the search for a new librarian began. In October, Lee McCartin was the new recruit and she happily faced the challenge.

The library is open 3 days a week: Tuesday 11am-7:00pm, Thursday 11:00am-7:00pm, and Saturday 9:00am-1:00pm. If the schools close, we are also closed during inclement weather. We are closed on holidays.

The Simpson Memorial Library trustees consist of: Cherie Carroll-chairman, Paula Leavitt-vice-chair, Sue Kircheis-secretary, Bill Senter-Treasurer, Kris Nicola, David Richardson, Debbie Graves, and Evie Smith.

Total attendance at the library was 2,354 visits. Circulation for the year was 2,293 items (which included books, periodicals, Audiobooks, CD's, and DVD's), 178 interlibrary loan books, 6 books requested from other libraries, 116 Meinfonet ebooks/audios, 82 Computer/WIFI usage. We collected \$51.38 in fines and \$60.01 in copies. There were 35 new patrons, and 958 volunteer hours were logged in. Volunteers are always welcome and necessary for us to continue to serve our community. We cannot thank them enough for their dedication and support.

Besides our book lending services, the library hosts a weekly children's story time with craft making at 11:00am every Saturday, a baby story time with songs and finger puppets every Thursday at 11:00am, a "Build with Legos" every Saturday at 10:00am, book delivery service to the elderly or sick who are unable to visit the library, and a summer reading program for children and adults. We also have adult craft hour every Thursday from 12:00 noon on. A homemade bake sale is held the second Saturday of every month at the Ye Ole General Store, and in May, on the second Friday and Saturday of the month, we host a Book and Plant sale at the Masonic Hall. If anyone would like to join an adult book club, please inquire at the library.

The Simpson Memorial Library would like to thank the Board of Trustees for their dedicated service, the town office, the staff at the local schools for their input and collaboration, the Golden Harvest Grange, the Benevolent lodge of Carmel, the Historical Society and the wonderful volunteers who donate all their time and support for the library. We would also like to thank the many people who have contributed to our annual campaign. We appreciate the financial support of the town and the community.

"The only thing you absolutely have to know, is the location of the library." - Albert Einstein

CARMEL SNOWMOBILE CLUB

Dear Residents of Carmel,

Looking back at 2019 has left the Carmel Snowmobile Club with something to be proud of. Seeing all the tasks completed, projects finished, and goals become reality, makes this a top-notch organization to be a part of. The year started strong, as snow fell in January and stayed all the way through March. Our grooming crew whipped the trails into shape and then maintained them continuously throughout the winter season. We had our first club ride in a long time and were able to tie it in, with a fundraiser, for a family who lost their home in a fire.

We continued to make improvements to the clubhouse itself. Derick Pelletier kicked things off by laying brand new tile in the kitchen. Gil Cyr replaced the old front door with a brand new one. Danny Wilson hauled fill and Denny Murphy pushed it off, allowing us to create some additional parking and other possibilities out behind the clubhouse. Justin Wilson did some groundwork and laid down some brand-new tar by the entrance, making it safer to enter and exit the building. With these improvements in mind, if you ever need a bigger space for an event, the clubhouse is open for rentals.

The snowmobile club took part in a few public events this past year. We started in February at the Pine Tree Camp Egg Ride, serving up dough boys and donating all the proceeds. At Carmel Days, we were selling dough boys and our new ribbon chips, as a fundraiser for the snowmobile club. We hosted a basket bingo for the first time. Thank you to Deanna Witham, who took the lead and was truly the reason we were able to have it. The event was a massive success as we had over 100 people attend. We also hosted the MSA Directors meeting this year. Many MSA members were impressed with how far the snowmobile club has come, since the last time they visited.

Our sincerest thank you to everyone, who has been a part of turning our goals into accomplishments. Many people have been so generous with donations and their time, to help push us forward. Our club has improved vastly, but there is always room for more people. We welcome new members and hope you sincerely think about joining us. We meet at 6:30pm on the second and fourth Mondays. A special thank you to all landowners, who allow us to build and maintain trails on their property. It is your generosity that allows us to have snowmobiling and the existence of our club. Have a safe and happy New Year and hopefully we will be seeing you on the trails soon.

Sincerely,

Carmel Snowmobile Club.

SEXTON OF CEMETERIES

There were more burials in 2019 and our sympathies go out to the families. There were the usual services that one would call normal. Some were a true celebration of life with family and friends reuniting, exchanging happy and funny memories and even live music. On a couple of occasions, I found myself standing with just one or two relatives saying their goodbyes. Many of these burials were cremations. The price is still \$125 per lot which is five feet by ten feet, for residents. A question I get a lot is do I have to buy a lot for each cremation. At this time, we do not have a cremation section and a lot of people have existing lots. You may inter multiple cremations in one lot. When people are looking to buy new lots we do try to find an area close to existing family member's lots.

Our Girl Scout cemetery project is on track with authorization, paperwork and fundraising well in hand to get started this summer.

Please follow the Cemetery ordinance, especially Section 6 #5: "Permitted and Prohibited Activities. A copy may be picked up at the Carmel Town Office or online at townofcarmel.org.

It is heart-warming to place memorials at a loved one's grave and I want to thank those of you who understand the issue of arrangements in lightweight and plastic containers. **Any arrangement that inhibits or is damaged during the maintenance of the cemeteries may be removed by the maintenance crew.** We greatly appreciate your attention to these matters and helping us to keep our cemeteries looking attractive and peaceful.

I enjoyed helping nonresidents find family members' last resting place this year.

Please call with questions or to schedule a tour of a cemetery.

Respectfully,

Julia Pike, Sexton
848-2407

AMERICAN LEGION POST 107

Carmel/Etna

Stanley Powell, our oldest member, is still with us residing in the Veteran's Home in Bangor. To mail him a card send it to Stanley Powell Unit C Room 26, Maine Veteran's Home 44 Hogan Road, Bangor, Maine 04401.

Several of our members are attending a 1 PM Thursday get together of veterans (calling themselves Veterans 2 Veterans) at Seasons Restaurant. You may order something to eat if you want, but don't have to. There are no dues or officers, it is a meeting to socialize, and make plans for fun and interesting outings. The wives/partners are not left out, different fun events are planned that appeal to them. For more information: @veterans2Veterans, site is on Facebook.

This year we sponsored an Etna youth to be a member of 2019 Maine Boys State. We did both Etna and Carmel's Memorial Day ceremonies. Thank you to Carmel Fire Department which handled setting up and the refreshments. At Carmel Day's There were over 20 veterans in the parade; some were from Veterans 2 Veterans. Thanks to Varney Ford of Newport for providing the cool rides. As reported in the December town newsletter we didn't have much success at fund raising but we thank all those who supported us in our efforts. Had a lot of fun at the Trunk or Treat. Did something different for our Christmas outing by having it in January and at Anglers, good time. A \$50 food card was given to a veteran to help with their fall expenses.

We send our sympathies to the families of our members who passed, Laurence Morse and David Rogers, which means we have a smaller and older membership than last year. We are involved but it is getting harder all the time to continue. We need active members. Donnie Candage has done an outstanding job of trying to keep things going, carving items and selling raffle tickets plus the Legion paperwork he does for our Post as well as the duties of the District Commander for Penobscot County. We keep going due to the dedication of a few members.

Bob Sibley – Commander – 848-2390, Donald Candage-Adjutant -848-5614

Paul Haskell House

CARMEL HISTORICAL SOCIETY

We didn't come to an agreement about meeting during the day but will have some of our speakers come during the day or even on the weekend. We did have a laid-back year with our potluck suppers, speakers and evenings of socialization.

We started off the summer hosting the Penobscot Genealogy Society's June picnic with a tour of the house and finished off with a nice cookout and good conversations. In July there was a fun night with Holly Grindal owner of School House Antique Mall in Brewer, and her assistant, Sophie. Holly talked about the fickle pricing of antiques then had us identify and write down what we thought the value might be on ten items she had brought. Surprise, surprise! We all learned something.

Mike and Kirk Mellott donated their time and trailers to transport our float with replicas of Carmel's buildings, in the Carmel Days parade, which won 1st place in the Civic Organizations Category. Thanks to Doug Small and his model "A" with passengers decked out in outfits of the era, we were awarded 3rd place in the Judges Choice Category. At the Historical Society's open house, we had Herb Dean's production on the Damascus School playing throughout the day. Ralph Harris was there to answer questions on genealogy and help the public with other inquiries. We hosted an art show of local artists past and present. If you didn't make it over from the Rec field activities, you missed some amazing work.

I don't know how many years we have been hosting the first graders on their tour of Carmel which we did again; every year is different but there are usually one or two items that they remember. The teachers are to be commended. The rain held off and the candy lasted until almost the end of trunk or treat. Paula and Julia were indeed busy passing out their treats. The Simpson Memorial Library invited author Tim Caverly and his wife Susan to join the annual Christmas tree lighting along with local singer. Sarah Holt and Santa made a surprise visit. After the Christmas tree was lighted the festivities continued at the Historical Society with hot chocolate, sandwiches, and many different sweets. We finished off the year with a very pleasant Christmas party.

The tour of Highland Cemetery was a bust with only a couple of attendees.

Ralph has continued to scan, file, organize and work on town families' genealogy. He has also set up a face book page [@Carmel](#) Historical Society which as time allows we are adding to.

If you any have items that you think would help show the history of Carmel or life in the past (tools, kitchen stuff, toys, handiwork, pictures...) and would be willing to loan or donate please call a known member, the Town Office (848-3361) or Julia (848-2407) or Marvin (848-7468).

Thank you to those who support us with purchases and donations. Once again thank to the dedicated members who show up to clean, organize, decorate, and cook. A thank you to Paula Leavitt for the great job she is doing as secretary.

Please come join us to learn more about the history of Carmel and its people.

Julia Pike, President

CARMEL HISTORICAL SOCIETY

2020 TOWN WARRANT

State of Maine

Penobscot, ss

To: Coreen Sylvester, a resident of the Town of Carmel, in the County of Penobscot.

Greetings:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Carmel, in said County and State, qualified by law to vote in Town affairs, to meet at the Town Office Fire Station, in said Town on Saturday, the 29th day of February, A.D. 2020, at ten o'clock in the forenoon, then and there to act upon Article I, and by written ballot on Article 2 as set out below, the polling hours therefore to be from ten o'clock in the forenoon until four o'clock in the afternoon;

And to notify and warn said inhabitants to meet at the Carmel Elementary School Gymnasium in said Town on Monday, the 2nd day of March 2020 A.D., at seven o'clock in the evening, then and there to act on Articles 3 through 29 as set out below, to wit:

ARTICLE 1. To elect a moderator to preside at said meeting and to vote by written ballot.

ARTICLE 2. To elect by ballot all necessary officers for the ensuing year, to wit: two Selectmen for three years and one Director for RSU 87 for three years.

ARTICLE 3. To choose, by ballot, three (3) members of the Budget Committee for three years.

ARTICLE 4. To see if the Town will vote to fix a date when taxes shall be due and payable, and to set a rate of interest to be paid after that date. Recommend 30 days from date of billing and **9.00%** per year.

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 5. To see if the Town will vote to authorize the tax collector or treasurer to accept prepayments of taxes not yet committed, pursuant to M.R.S. § 506.

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 6. To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to sell and dispose of real estate acquired by the Town for nonpayment of taxes thereon, on such terms as they deem advisable and to execute quitclaim deeds for such property, except that the Municipal Officers shall use the special sale process required by 36 M.R.S. § 943-C for qualifying homestead property if they choose to sell it to anyone other than the former owner(s).

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 7. To see if the Town will vote to authorize the municipal officers to spend an amount not to exceed 3/12ths of the budgeted amount in each budget category of the 2020 annual budget during the period from January 1, 2021 to the 2021 annual town meeting.

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 8. To see if the Town will vote to authorize the Selectmen or the Town Manager acting in concurrence with said Selectmen to enter into multi-year contracts of up to three years for such services as winter plowing and sanding, trash and recycling pickup, mowing and cemetery maintenance, law enforcement and office equipment leases.

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 9. To see if the Town will vote to have unexpended balances in the Town accounts at the end of the year lapse to surplus except for those which remain by law or are deemed necessary by the Board of Selectmen to carry forward.

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 10. To see if the Town of Carmel will vote to authorize the Selectmen or the Town Manager, acting in concurrence with said Selectmen, to apply for and/or accept and expend, on behalf of the Town, money from Federal, State and other governmental units or private sources which may be received from time to time in the form of grants or any other source, during the period of March 2nd, 2020 until the next annual Town Meeting.

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 11. To see if the Town of Carmel will vote to appropriate the money received from the State reimbursement for snowmobiles to the Carmel Snowmobile Club for the purpose of maintaining their snowmobile trails.

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 12. To see if the Town of Carmel will vote to raise **\$23,940.00** from taxation to subsidize the annual operational budget of the **Simpson Memorial Library**.

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 13. To see if the Town of Carmel will vote to authorize the use of past and present revenue from ambulance billing to pay for equipment, wages, training and administration of the ambulance service. Those accumulated funds can only be expended by mutual consent of both the Fire and Rescue Service and the Board of Selectmen.

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 14. To see if the Town will vote to raise **\$303,730.00** from taxation and transfer **\$86,000.00** from income for a total appropriation of **\$389,730.00** for the **Administration Account**.

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of **\$7,000.00** from taxation for the **Contingency Account**.

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 16. To see if the Town will vote to raise **\$237,024.00** from taxation and transfer **\$72,000.00** from ambulance income for ambulance staffing, training and administration and **\$5,000.00** from Animal Control Reserve for a total appropriation of **\$314,024.00** for the **Protection Account**.

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 17. To see if the Town will vote to raise the sum of **\$208,200.00** from taxation plus **\$5,000.00** from income for a total appropriation of **\$213,200.00** for **Health and Sanitation**.

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 18. To see if the Town will vote to raise **\$82,700.00** from taxation and transfer **\$590,000.00** from Excise Tax, plus **\$32,000.00** from MDOT LRAP Funds for a total appropriation of **\$704,700.00** for the **Public Works Account**.
(excise tax revenue for 2019 was \$622,807)

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of **\$5,900.00** from taxation plus income from reimbursements for General Assistance.

Selectmen **"Yes"** Bud. Comm. **"Yes"**

ARTICLE 20. To see if the Town of Carmel will vote to authorize the use of revenue from Recreation Committee events to be expended to offset the costs of these and other recreational events and any revenue not expended at year's end be carried in the same account.

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of **\$30,900.00** from taxation for Community Activities.

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of **\$15,000.00** from taxation for the Cemetery Mowing Contract.

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 23. To see if the Town will vote to transfer **\$5,000.00** from the Cable TV Franchise Fees to the Cemetery Enhancement Account for work in Town cemeteries. *(2019 income for Cable Franchise Fee's is \$16,386).*

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 24. To see if the Town will vote to transfer the sum of **\$10,000.00** from surplus for the Bridge Reserve Account.

(current balance in Bridge Reserve Account is \$35,676)

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 25. To see if the Town will vote to transfer the sum of **\$5,000.00** from Surplus for the Equipment Reserve Account.

(current balance in Equipment Reserve Fund is \$70,291)

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 26. To see if the Town will vote to transfer the sum of **\$7,500.00** from surplus to the **newly created Fire Gear Reserve Fund** for which monies can only be appropriated with joint approval of the Board of Selectmen and the Fire Department towards the purchase of gear necessary for firefighting and associated activities.

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 27. To see if the Town will vote to transfer the sum of **\$25,000.00** from surplus to the **SCBA Reserve Account** for which monies can only be appropriated with joint approval of the Board of Selectmen and the Fire Department towards the purchase of SCBA associated equipment. SCBA stands for Self-Contained Breathing Apparatus.

(current balance in SCBA Equipment reserve fund is \$50,000)

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 28. To see if the town will vote to appropriate \$61,000 from undesignated fund balance to reduce the 2020 tax commitment.

(undesignated fund balance as of 12/31/2019 is \$1,252,030)

Selectmen **"Yes"**

Bud. Comm. **"Yes"**

ARTICLE 29. Shall the Ordinance entitled "March 2020 Amendments to the Town of Carmel Land Use Ordinance" be enacted: (proposed addition are reflected in **bold**, proposed subtraction reflected as ~~stricken~~)

"March 2020 Amendments to the Town of Carmel Land Use Ordinance"

ARTICLE VII

Dimensions. In the residential-farming and commercial zones, no single-family dwelling or individual mobile home outside a mobile home park shall occupy a lot measuring less than two (2) acres in area and 200 feet along the front. EXCEPT in an approved subdivision with frontage on a road constructed after the adoption of this ordinance, no lot shall be created or reduced to less than TWO (2) acres in size and 150 feet of frontage on a public way or approved private way. No two-family dwelling (**attached or detached**) shall occupy a lot measuring less than two and one half acres (2 1/2) and 250 feet along the front and for each additional unit above two (2), there shall be provided an additional one-half (1/2) acre of area on the *lot and* an additional 20 feet of frontage, FRONTAGE, shall mean frontage along an accepted public way or ~~an approved private way~~ **a legal private right of way**. ~~This amendment does not apply to individual lots in existence before the acceptance of this amendment. In the residential farming zone, no lot shall be occupied by more than one dwelling unit EXCEPT in the case where a property owner applies for and is granted a permit for an Accessory Dwelling Unit. (see below)~~

Planning Board **"Yes"**

Selectmen **"Yes "**

Secret Ballot Election:

Saturday, February 29th, 2020
Carmel Fire Station 10am - 4pm

TOWN MEETING

Monday, March 2nd, 2020
Carmel Elementary School - 7pm

January 31, 2020

Dear Residents of Carmel,

It has certainly been a busy first half of the school year, but a very successful start for students. I'm writing today to discuss the March 3, 2020 referendum vote. The District is seeking a bond to complete energy upgrades and minor capital improvements throughout our District. These projects total nearly \$7.6 million, with over \$1.7 million in State funding to support some of the projects.

Phase 1: Essential Energy and Operational Projects

\$6.82 million

The Phase 1 scope of work serves to bring our energy systems up to date and more cost effective to operate, and includes the following projects:

- Re-engineering all interior and exterior lighting systems and replacing all fixtures with more efficient LED systems,
- New boiler plant heating and hot water production,
- New heating units and ventilation air systems in all classrooms,
- Emergency generators at Carmel Elementary and Caravel Middle School,
- Building automation control systems,
- Upgrades to building envelope,
- Kitchen enhancements at all three schools

Phase 2: State Revolving Renovation Projects

\$1.86 million (\$1.72 million in State funding)

Phase 2 of our work depends upon eleven applications we have filed with the *State Revolving Renovation Fund*. If approved, projects would be financed at the same subsidy level that the State currently funds our District, and the money is paid back over 10 years at 0% interest. For RSU 87, this means that just over 67% of the financing will be forgiven (\$1.2 million) and we will be required to pay back \$564,595 over 10 years at 0% interest. This is fantastic news! These projects include:

- Fire alarm system upgrades in all schools, including a sprinkler system at Carmel Elementary,
- Security system upgrades in all schools,
- Silo roof repair and siding replacement at Suzanne M. Smith Elementary

If you would like to know more about these exciting projects please join us at our second public hearing on February 25, 2020, at 6:30 PM at Caravel Middle School. I can also be reached by phone or email at any time.

Sincerely,

Mark Turner
RSU 87 Superintendent of Schools

Education is empowering all students to succeed in a changing world.

Notice of Public Hearing

The RSU 87 School Committee hereby gives notice that a
Public Hearing will be held as follows:

Topic of Hearing

Overview of upcoming referendum vote to support energy
conservation and related air quality improvements projects at
Carmel Elementary School, Suzanne M. Smith Elementary
School, Caravel Middle School, the Central Office, and the
Bus Garage.

Hearing Date: Tuesday, February 25, 2020
Time: 6:30 pm
Location: Caravel Middle School
520 Irish Road
Carmel, ME 04419
