When will I be able to return to work at a Campus or Center?

UMA staff will be contacted by their supervisors regarding the specific details for transitioning from remote work back to Campuses or Centers.

What will I need to do to keep myself and others safe while on Campus or at a Center?

Policies concerning physical presence on campus are evolving, but everyone can expect that access to all buildings may be limited. Before coming to campus, everyone should self-monitor for symptoms of COVID-19 and stay home if exhibiting symptoms, feeling ill, or if exposed to someone who is ill or has tested positive for COVID-19.

Most importantly, everyone will be required to wear a face covering. UMA will provide all employees with two washable face coverings for use at UMA locations. Those working alone in their offices may remove face coverings, however, face coverings must be used in public spaces and when interacting with other people. While at UMA locations, physical distancing must be maintained.

Offices will have the safeguards in place, such as plexiglass shields or be reconfigured to ensure physical distancing.

UMA will have in place protocols for testing and tracing anyone who may have been exposed or tested positive for COVID-19.
