As part of UMS's public health commitment to reduce exposure and the threat of virus spread, UMS universities have notified on-campus residential students to make plans to depart campus by Sunday, March 22, with personal and educational belongings necessary to complete their semester requirements remotely. Students who have already departed campus will be given opportunities to return to collect necessary belongings at an appropriate time. Residential and meal plan options will be available for those who must remain in or return to their on-campus residence during or from Spring Break due to extenuating personal circumstances, and those students should be advised to prepare for limited on-campus activity and interaction. In order to return to their on-campus residences, students who leave Maine for Spring Break must register their travel plans and will be subject to quarantine or self-isolation measures on their return. Spring Break in the University of Maine System is March 16 – 22.
