## **2018-2019 Town Report**

## ***DEDICATION***

To show our appreciation for many years of caring for our Town roads with pride and integrity we are dedicating this year's town report to longtime resident Terry D. Grant.

Terry moved to Corinth with his family when he was 7 years old. By the time he was in high school he was already working with his father, who was the owner of B.L. Grant and Son at that time. He also spent a year driving for Eastman's gravel business.

When Terry was 19, and still in high school, his father passed away. It was after this that Terry became a business owner.

Starting out with one truck, he has now built the business up to include four plow trucks, three dump trucks, and assorted excavators and a bulldozer.

Carrying on the family tradition, his son Jason started working with him when he was 15, and between them they now plow a total of 46 miles of road in Corinth.

Terry has been plowing and maintaining these roads for 52 years, with no thought currently of retiring, as he enjoys it too much—now that is dedication!

The Town of Corinth is very fortunate to have such a committed and conscientious man not only to care for our roads, but as a long-time resident of our town.

# Town Manager's Letter

To the Officers and Citizens of Corinth,

It has been a pleasure and an honor to be your Town Manager for what is now going into my ninth year. I would like to take this opportunity to thank the Select Board, office staff, and Fire Chief for all their hard work and support.

The Town's financial position remains in good standing. This is the first year that we will make a \$50,000 payment to start paying back the loan for the new Fire Station garage.

Our accomplishments for 2018:

- Decrease in the mil rate for taxes
- New Fire Station garage was built
- Corinth Products property was sold
- Seven miles of Corinth roads were paved
- The tennis court and basketball courts were resurfaced
- New playground equipment erected
- Two memorial benches installed at the park

I would like to thank all who have worked so hard on all of these projects to make them happen. It truly makes Corinth one of the best places to live, work, and play.

The Town paved 7 miles of road, which is great, starting with a little over 2 miles on the South end of the Ledge Hill Road, over  $\frac{3}{4}$  of a mile in the middle section of the Black Road, a  $\frac{3}{4}$  mile section on the West end of the Mudgett Road, a  $\frac{1}{2}$  mile section on the East end of the White Schoolhouse Road, a 1 mile section on the Ridge Road, and an over 2 mile section of the West Corinth Road, leaving a middle section of the West Corinth Road to reclaim and pave this summer. The rest of 2019 road plans will consist of placing a shim on the North end of the Ledge Hill Road, the McCard Road, the South end of the Grant Road, the Cushman Road, and the Beech Grove Road. Keep in mind; this is a temporary fix for these roads. The Selectpersons and I realize that we are not getting around to these roads quick enough to please many of you, so the shim should help prolong these roads another 3 to 5 years depending on the base and the traffic.

Exciting news! The Town is planning a Circus for this summer. The Zerbini Family Circus will be holding 2 shows at the Central Community Elementary School in the afternoon of July 27<sup>th</sup>. Come join all the fun!

The new Fire Station Garage looks great and is a huge accomplishment for the Town of Corinth. Keith Ewing of Plymouth Engineering and Ralph and Brandon McNaughton and their crew did a superior job both with the building and with time management in meeting time constraints. Many thanks to our Fire Chief Scott Bragdon for all of the juggling he had to do.

Thank you to all of the volunteers who worked in the summer heat to install the playground equipment and place the 2 memorial benches to honor Donnie Strout and Norman Buswell.

I hope to see you all at our annual Town Meeting on March 18<sup>th</sup> and 19<sup>th</sup> where your vote decides how our Town is run and your taxes are spent.

Thank you again for your continued support,

Travis Gould,  
Town Manager

Fees are \$6.00 per dog if they are spayed or neutered and \$11.00 if unaltered. Kennel licenses are \$42.00 for every 10 dogs. Dogs licensed after January 31<sup>st</sup> will be charged a \$25.00 late fee per dog.

## Animal Control Report

Corinth Residents,

My name is Dustin Sirabella, I am from Exeter, and it is my honor to be returning as your Animal Control Officer this year. I am currently studying Business Accounting/Finance at UMO but my passion has always been with animals. At this time, I have 15 horses, 9 dogs, and 2 cats. This is my third year as the ACO, although my father Noel still covers for me while I am away so it is possible you will still be seeing him.

The 2018 year was a good year, but was another busy year. Our biggest complaint category was loose dogs on other people's properties, also considered Animal Trespassing. Title 7: AGRICULTURE AND ANIMALS Part 9: ANIMAL WELFARE Chapter 741: ANIMAL TRESPASS §4041. Animal Trespass. The first ticket received for Animal Trespass could result in a fine of no less than \$50 and not to exceed \$500. The second ticket goes up to \$1000.

A close second to that category was dogs on the loose traveling the roads in danger of being hit by vehicles, also considered a dog at large. For a dog at large ticket, you could be charged between \$50 and \$250 the first time, and between \$100 and \$500 for each time after that.

Remember there is a \$25 late fee when you don't register your dog by Jan 31. Also, you could receive a ticket after this date both for not having proof of rabies, and also for not having the dogs licensed which could each be up to a \$100 fine. It is \$6 to license a spayed/neutered dog, and \$11 dollars for a dog capable of producing young. Also, always remember to put the tags on your dog's collars so if I have to pick them up, we know where the dog belongs.

I hope to have a great year again in 2019, and with all of your help we can make this happen.

Animal Control

## **2018 CEMETERY TRUSTEES REPORT**

We have been very fortunate, over the years, that no damage has occurred to the stones as we have had several large tree limbs come down. It is hard to have the trees in the cemetery removed because of their beauty, but each year we find that it is necessary to have some cut down. This year we had two large trees and stumps removed. It is a continuous job trying to keep up with the pot holes on the roads at Corinthian. We have been very pleased with the pavement on the exit road and up the hill. Several stones were repaired this year.

Our mowing contractors have been doing an excellent job!

**The roads to the Corinthian Cemetery will be closed December 1<sup>st</sup>.**  
**Weather conditions may dictate closing earlier. They will remain closed**  
**until the roads are ready for traffic in the Spring. This is to preserve our**  
**cemetery roads.**

Assemble the family, call the neighbors, text your friends, mark your calendars, preach it from the highest hills, pack up the babies and grab the..... (Neil Diamond fans know the rest), let everyone know. **Here are the days that we are closed this year. Saturday, May 25th, Wednesday, July 3rd, Saturday, August 31st, Wednesday, November 27th, Wednesday, December, 25th and a 2020 preview day.... Wednesday January 1st.**

There seems to be an idea that the days that we are closed is a closely guarded secret, so here are ways you can find out when we're closed. 1. You just read them. 2. There is a sign in the office window at the Facility. 3. The answering machine at the Facility always has the next scheduled day of closure. (By the way, the Facility hours and phone number are on the trash stickers.) 4. We put a sign on the Facility gate 2 weeks prior to the closed day. 5. We write the date of closure on the front door of the Facility office 2 weeks prior to closure. 6. We put a smaller sign in front of the steps to the Facility office 2 weeks prior to closure. 7. It's on Facebook. (Plus, I'll start putting a reminder on Facebook 2 weeks prior to closure, just in case you didn't write it down and missed ways 1 thru 6.) 8. Ask us when you're here.

On to rumors and propaganda. In today's world of people getting on social media and arguing about things that they know nothing about with someone that they have never met, there is always the possibility that someone could get some inaccurate information. If you made a Venn diagram of the people who know what's going on in one circle and people who think they know what's going on in the other, the intersection would be amazingly small. This happens everywhere, but here in our little slice of heaven, you don't even have to go on social media to have something go viral. If the rumor has to do with the Transfer Station, I encourage you to talk to your town's member of the Board of Directors. They try to make sound decisions that are best for the citizens of the three-member towns and if something doesn't sound right to you, there is a good chance it isn't right. Don't get me wrong...I don't always agree with them but that doesn't mean they are wrong. Doesn't matter what you think of them, they have the latest information on what is going on in the world of solid waste and can talk about why they are making the decisions that are being made. Also, I (Facility Manager) can answer the vast majority of questions but in some circles I'm about as popular as an NFL referee in New Orleans, so if you don't want to ask me...ask a director. Usually one of us will get you the right answer and will stomp out any rumor fires before they become raging infernos. We don't know it all but there is a good chance we know at least as much about it as the average person on the street.

We are still separating our recycling and the single stream world is looking for ways to get rid of their inferior product. We have lost the market for mixed paper so we unfortunately have had to quit taking that. The only good news out of that is that it won't go to waste as the new Fiberight plant will use it in the biodigestion process. Hopefully we start shipping to them in early summer.

We secured grant money for a new reuse building. Hopefully coming in 2019.

## Corinth Historical Society and Museum

Highlights of 2018 include the Wax Museum display at Central Community School, Children's History Day, and Memories of Corinth.

The Corinth Historical Society set up a display of Corinth Historical Figures at the grammar school for the 4<sup>th</sup> grade "Wax Museum" event in April. This was a charming and highly successful project done at the request of the 4<sup>th</sup> grade teaching team. Historical figures depicted by the Historical Society included: Governor Daniel Franklin Davis, Town Manager & Legislator Donald Strout, Frank Mason Robinson, creator of Coca Cola Company signature trade mark, Daniel Atkins WWI Veteran, Sally Skinner, Seamstress, Senator Margaret Chase Smith, Senator Gould and Mary Wingate, hymnist and poet. Our next event was the Children's History Day tour in which we give guided tours to the 4<sup>th</sup> grade class. In July we held an event we called Memories of Corinth. We showed videos of Beryl Dow, Maurice Jones, Florence Sodermark, and Bea Lowden.

Our Brides of Corinth exhibit has been taken down and we are excited to announce it will be replaced by an exhibit of Soap Box Derby Cars from the Blackwell family. Although our museum is closed in the winter months because we have no furnace to keep the building warm Historical Society business does not come to a stop. Contact and correspondence with members continues, upkeep on our website and facebook page is performed, preparations are made for new exhibits, the Newsletter is published, research for and the improving of our electronic data files continues – the list of our activities is a long one.

Come in and spend some time with us this summer. And ENJOY!

Respectfully submitted, Elizabeth Laforge, President

It is my privilege to present you with the 67<sup>th</sup> Annual Report of the Corinth Fire Department. Last year the Corinth Fire Department responded to 893 incidents. Of note there were 16 extra alarm incidents in the Town of Corinth the most significant being a 4+ alarm fire on Sept. 19 destroyed a good portion of the mill at Corinth Wood Pellets. The warehouse and office building that was attached to the mill was saved. The total fire loss in Town was \$2,343,250.00 and the value of all properties responded to was \$70,803,550.00. In April of last year we were notified that our ISO (Insurance Service Organization) rating had improved to 5/5 from 9/10, which will result in lower insurance premiums for all occupancies in Town. 4 Firefighters attended the Penobscot County Fire Academy in August and are now Pro-Board Certified as Firefighter I-II, congratulations Matt Nadeau, Katie Bragdon, Chad Crooker and Kacie Bragdon.

## Recreation Committee

Corinth Recreation had another great year in 2018. We continue to have a large number of participants in both our spring and fall sports. We are fortunate to have people who are willing to volunteer their time to work with the children in Corinth and allow them to be active and learn each sport that they participate in. The coaches and volunteers donate many hours working with the kids in their respective sports. This helps provide a fun experience while teaching both skills and love for the game. We appreciate all the time and hard work everyone put in last year volunteering their time. Volunteer coaches this past year for baseball, softball, soccer & field hockey were Ben Martin, Durice Washburn, Casey Crocker, Mark Shaw, Phil Cadiuex, Mike Rowe, Eric Cookson, Adam Pollock, Traci Wasson and Cassidy Mailman and many assistants. These programs are successful due to dedicated volunteers who are willing to take the time to help the kids work on their skills and fundamentals over the course of the season. We are working on bringing basketball under the Rec program to try and give kids a chance to play and keep the fee as low as possible to allow all kids to play if they would like. Due to the fact Corinth does not have a Rec facility of their own it is necessary to charge for basketball to help cover costs when using the school gyms.

We want to thank Michelle Cowperthwaite and her parents for running the concession stand in 2018. We continue to have high sales from the concessions and the revenue helps the Recreation Department to re-invest in our town park and team sports. We appreciate all your time and efforts working with the Recreation Department.

In 2018, we were able to complete a couple of projects around the park area. The basketball and tennis courts were resurfaced, we added a smaller playground at the back of the park area for younger children to use and we installed two benches next to the playground. We added wood chips to both playgrounds to keep the area safe for children to use. We want to thank Norman Patterson, George Chesley, Elwell Hicks, Richard Broad and Ken Mitchell for all the time and effort put into getting the playground installed.

In 2019 we will need to do some work on the softball and baseball fields to keep them safe for the teams to play on. We are planning on adding another bench around the walking path as well.

Lastly, we would like to thank the volunteers who help maintain the pond for ice skating across from Robinson's Convenience Store. This has allowed many people to get out and be active during the winter months with friends and family. This has been a nice addition for the town to use since it first started in early 2018.

If you have any suggestions or concerns please let us know. If you want to be on the mailing list for Rec Department activities please contact the town office. We utilize the facebook page Corinth (Maine) Recreation to keep people updated with current events. Thanks to all the coaches and volunteers for working with our kids in their respective sports. Your involvement allows the kids to become better athletes in the sports they love and to have a good time with friends thru recreation.

Respectfully submitted,

Paul Speed – Rec Director  
John Allen – Committee Member –Secretary  
Ken Mitchell – Alternate Committee Member

Josh Campbell - Committee Member

## ***SUMMER REC***

Summer of 2018 was a quick one! We had many children come and enjoy the summer with us at the town park. We were able to accomplish our goal of keeping the kids active, in a safe environment and away from screens! We welcomed a new Assistant Summer Recreation Coordinator Emily Clement. She fit right into our team, and really worked to keep the kids active this summer. We had many volunteers come out this summer, from parents to high school students. It was great to have the extra involvement. We also took a few new trips this year, among them was a hidden gem that I am so glad we got to try out. We climbed aboard a train at the Belfast and Moosehead Lake Railroad! During that time kids were directed to see many sites and explained some of the back story to the railroad, what a day that was!

I look forward to planning this summer and am always looking for thoughts from other community members. Summer recreation runs for 6 weeks during the summer. We start at 8am and go until 3pm, at no cost to the kids. On Wednesday, we do field trips around our community, which is a pay your way. Children going into second grade in the fall and not turning 12 before the end of the summer are able to come out and enjoy the days with us. If you are interested in joining us this summer, call the town office to be placed on the mailing list. I look forward to warmer days that are more active!

Yours Truly,

Brittany Dorr

Summer Recreation Coordinator
