# Safe Return | Centers

Home / UMA Safe Return Plan / Safe Return | Centers

All of the standard requirements for students, staff, and faculty at the UMA campuses apply to the UMA Centers as well. In addition, please note the following guidelines that apply specifically to the Centers.

1. Access to the buildings in which the Centers are located is determined not only by the UMA's policies but also by the landlords of the building and other partners in the building. It is advisable to check with the Center frequently to see if access is limited, and if so, in what way.
2. Because they vary in size, layout, and traffic, individual Centers may need to develop policies that are specific to that given Center. Please consult the Center website or with Center staff prior to visiting for any requirements.
