TOWN OF DOVER-FOXCROFT

ANNUAL TOWN REPORT

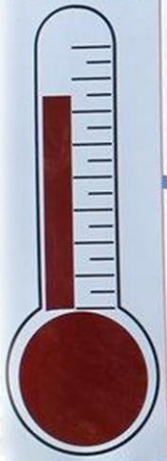

Maine Highlands
THE COMMONS
at CENTRAL HALL

Go for
THE
GOAL!

Our Goal

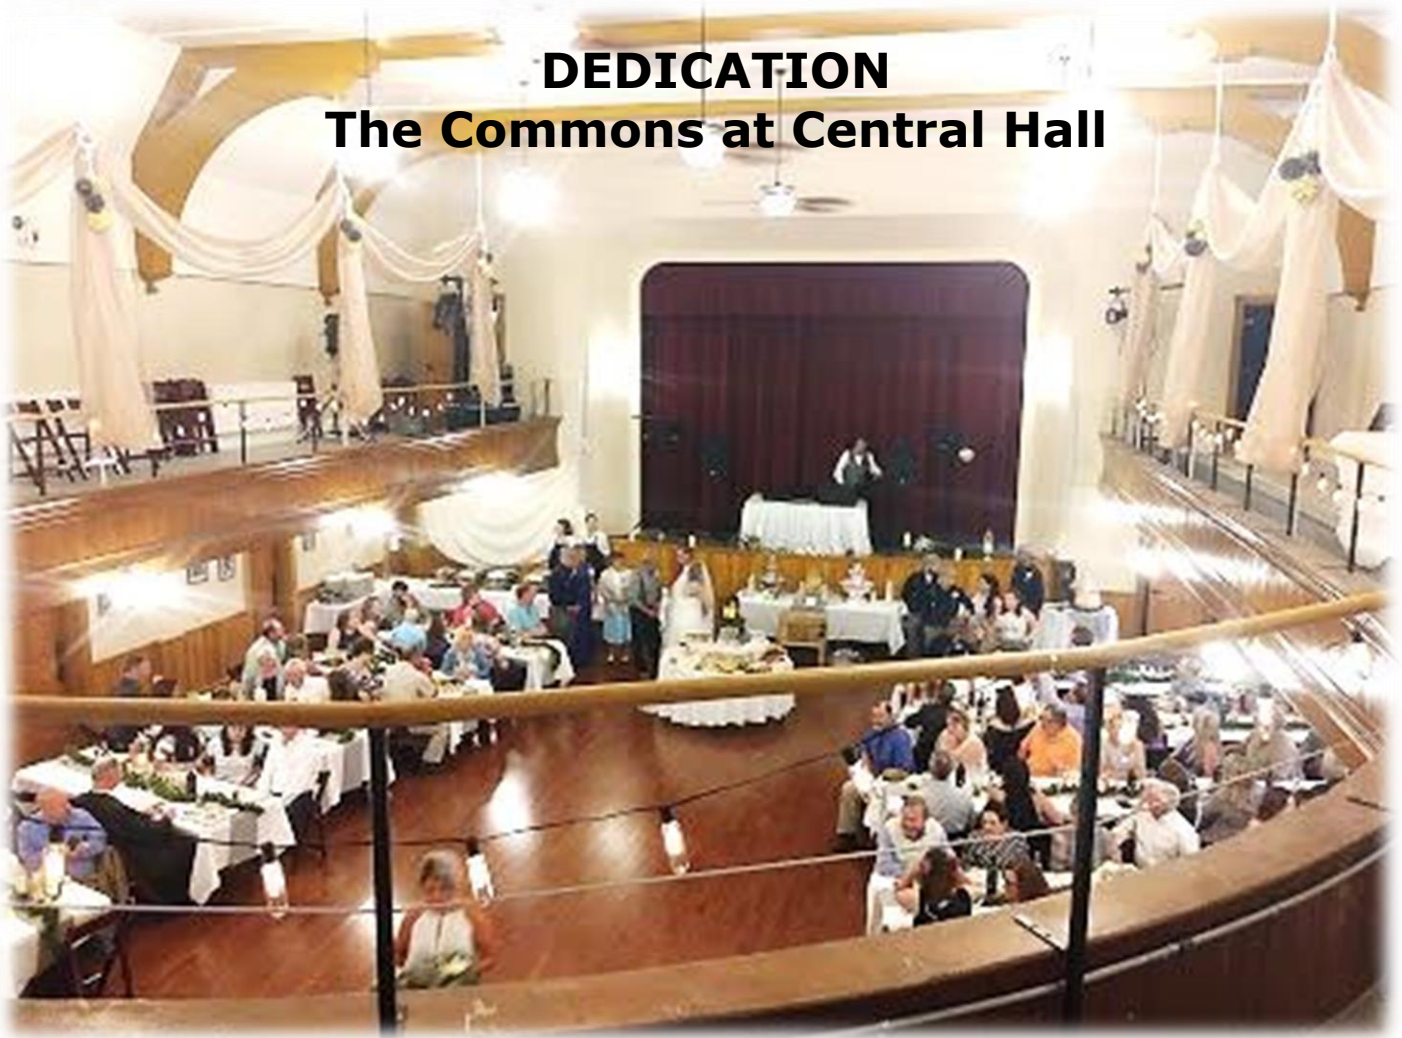

Grand Opening May 12, 2018

Preserving Memories ~ Enriching Lives ~ Building Communities

(photo courtesy of The Piscataquis Observer- L-R – Chris Maas, Sylvia Dean, Lesley Fernow, Denise Buzzelli)

DEDICATION The Commons at Central Hall

As of April 2019 the newly renovated Commons at Central Hall will celebrate its first full year in operation. Though not yet complete, there have already been well over 100 receptions, workshops, dances, meetings, plays, concerts, and other community events. Work will continue in hopes of completing the Adult Day Service Center on the first floor this year. Central Hall was saved again, and not for the first time, in the same way it began – by concerned citizens working together for the benefit of the larger community.

In 1880 the town realized the necessity of a new auditorium. Dover and Foxcroft were growing and outgrowing Mayo's Hall on the second floor of what is now True Value Hardware. A group of local businessmen headed up the efforts and money was raised from subscribers in the community. The foundation for Central Hall was laid on July 21, 1881. By January of 1882 the Piscataquis Observer noted "*We congratulate the citizens of Dover on having such a hall, and may the public enterprise which has of late manifested itself so clearly continue to enlarge and enhance in value the shire town of the county, holding it in name and in fact still*

Queen of the Piscataquis Valley."

Once Central Hall was complete, the town held a grand opening fair for three nights – March 7, 8 and 9 of 1882. Nearly 800 people attended the first evening. In 1902 basketball began to be played at Central Hall. Basketball, in addition to plays, minstrel shows, silent movies, graduations, dances and roller skating made Central Hall the central hub of activities in Dover.

However, in February of 1940, the Town Manager, in his capacity as building inspector, “condemned for public gathering” Central Hall. And why? Since the earliest years the Hall had no basement and the dampness had caused the sills to rot. Additionally, the huge crowds that attended the basketball games strained the balcony to the point that it had begun to pull away from the walls. After months of arguments about whether to renovate or abandon the structure, a town vote was held where 543 people attended – the vote was 310 to keep the majestic old building and 233 for a new building. After the vote, work began to make the building safe for use again.

However, at a town meeting 15 years later in 1955 an article to close Central Hall was once again on the agenda. But by the time the article was read it was already 10:30 at night and the townspeople, thinking only of bedtime, voted to indefinitely postpone the matter.

Unfortunately, the fate of Central Hall could not be truly postponed indefinitely. In June of 1960, a report from the State Insurance Commissioner’s office stated “conditions inconsistent with public safety must be corrected” – namely, the four interior stairways must be made fire resistant, the boiler room needed to be made fire resistant, a sprinkler system needed to be installed and fire escapes must go to the ground level.” Between town appropriations and borrowing the building was brought up to code once again and continued to be used as the town offices until the end of 2008.

(Dedication - continued on page 132)

BOARD OF SELECTMEN

Chairman's Report

As Chair of the Select Board in 2017-2018 I am pleased to provide the following report.

In 2018 the town has continued to make progress on roads. The town has continued to fund its 10-year plan for road paving and also the public works department has continued to work on gravel roads that need ditching, fabric and gravel. The town has over 30 miles of paved roads and 50 miles of gravel roads to maintain and in order to keep our roads in the best possible condition, it is important to continue to do road improvement projects every year.

Changes are happening with the town's waste disposal. As of the end of April 2018 the town's contract with the PERC facility in Orrington ended and waste started shipping to Norridgewock for disposal. The Hampden waste disposal facility will be the long term disposal site for the town once it comes on-line, expected to be in 2019.

There has been a lot of economic activity in our community over the past few years with projects such as Mayo Mill, The Commons at Central Hall, North View Apartments, and the investments by the Libra Foundation in a new ice arena and turf facility and many others. One of the most recent and encouraging projects is the expansion at Pleasant River Lumber in its new planer building and the number of jobs that will be added and made more secure. It's very encouraging to see investments like this being made in our community and new jobs being created.

The town has made significant investments in its infrastructure over the past 15 years particularly in its wastewater treatment and collection system. This is important as it provides the necessary services that are required for private investments to be made within our community. We now have the capacity to add additional residents and businesses to our wastewater system and successfully serve our current and future customers well into the future. The town is also looking at ways it can use its capacity to generate revenues that could be used to keep sewer rates lower over the long term. Making necessary investments in our infrastructure and doing proper maintenance will keep future costs down and give us the ability to encourage and accommodate future growth in our community.

I'd like to take this opportunity to thank my fellow Select Board members for giving me the opportunity to serve as Chair over this past year. I appreciate being able to work with so many dedicated board members who put a tremendous amount of time and effort into serving our community. Also I'd like to recognize town employees and thank our many volunteers for the great work that they do. The town is fortunate to have so many dedicated people working to move our community forward.

Respectfully Submitted,

Elwood Edgerly
Chairman, Dover-Foxcroft Board of Selectmen

TOWN MANAGER

Fiscal Year July 1, 2017 through June 30, 2018

Fiscal Year 2017-2018 was a busy year in Dover-Foxcroft. In 2017 the town finished the second year of road paving proposed in the 10-year pavement management plan, and is ready to begin the third year this July. Pavement prices have been favorable for the past two years, resulting in the town being able to do more miles than the plan originally estimated with some better treatment options. Hopefully stable asphalt prices will allow the town to make significant progress on the plan. One area of focus in the near future will be sidewalks and bridges. Dover-Foxcroft has a significant number of sidewalks and bridges that are in need of improvements. It will be a challenge to maintain our progress on the road plan, and to do what is needed with sidewalks and bridges over the next 10 years without some level of borrowing in order to keep the mil rate stable.

This past year has also been busy in terms of land use work. The land use committee has been drafting an ordinance to be consistent with our comprehensive plan, newly adopted in 2016. State law requires towns to have a comprehensive plan and land use ordinance that are consistent with each other. The committee has worked on making the permitting process on small projects better stream-lined, and the permitting process on large projects will have more consideration and allow public input. Voters weighed in on the ordinance in November of 2018 along with ordinances pertaining to corridors and large scale water extraction. These three ordinances did not pass in November and the land use committee has continued work on the land use ordinance and will be that forward for a vote in June and will revisit the other two ordinances at a later date.

Another exciting event in 2018 was the opening of The Commons at Central Hall. The upstairs hall area of The Commons was put into use in May of 2018 and has been home to wedding receptions, concerts, dances, and several other events. This has been the result of almost nine full years of work to develop a vision for the building and a plan to make that vision possible. There is still more to do as the group continues to seek the ability to offer adult day services using a medical model in the downstairs area of the hall. This will require some additional funds to allow for this work to be completed as well as some help at the State level in terms of these services becoming an expense that can be covered by health plans in a meaningful way.

Construction is getting underway for the new ice arena being built by the Libra Foundation as part of their initiative to facilitate economic and community development in Piscataquis County. The Libra Foundation has also been a major contributor to the indoor turf facility project at Foxcroft Academy expected to break ground in 2020. This will attract many sports teams to the area who travel great distances to play indoor sports especially during off season periods when outdoor facilities are not available.

The Libra Foundation is involved in a tremendous amount of investment in the Monson area in terms of housing and other improvements in order to encourage art students to spend time in the area doing their residency with the hope that this will lead to long term population growth. Strategic investments in recreation facilities in Dover-Foxcroft are supportive in attracting new residents with kids to our community.

In closing, I'd like to recognize all the town employees, elected officials, residents and volunteers who work tirelessly each day and are committed to serving our community. Without so many people working together to better the community we certainly would not be able to achieve the success we have seen.

Respectfully Submitted

Jack J. Clukey
Town Manager

Norman E. Higgins

State Representative

PO Box 594

Dover-Foxcroft, ME 04426

(207) 343-1068

Norman.Higgins@legislature.maine.gov

Citizens of Dover-Foxcroft,

It is an honor and a privilege to serve in the 129th Legislature representing Dover-Foxcroft. The past few years have been contentious with partisan politics dominating the conversation and impacting the ability to address major issues that affect our community, our county and our state.

In the past year Pleasant River Company began a multi-million dollar expansion which creates new employment, the dedication of Central Hall provides new opportunities and the new Ice Arena scheduled to open this summer will spur new investments. The proposed indoor Sports Complex at FA will bring new opportunities and further investments.

Currently, our community is being wired with high speed fiber and a new wireless provider has announced that high speed access will be available including our rural areas. The days of the limited access is passing and our community is at the forefront for a new wave of employment.

I am serving on the new IDEA – Innovation, Development and Economic Advancement Committee charged with the responsibility to lead our state in addressing workforce development, innovation and investment and long term economic planning. As a rural Representative, I will advocate on behalf of Piscataquis County and rural Maine.

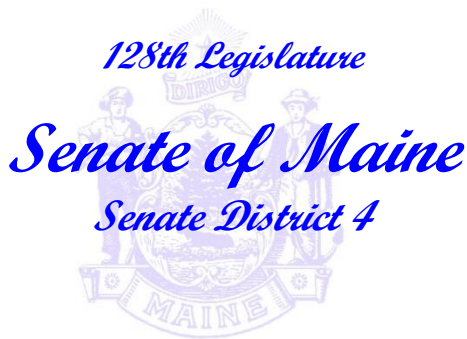

We face significant challenges to preserve our health care services at Mayo Regional Hospital, fund our high quality schools, serve the needs of an increasing senior population and provide local municipal services without breaking the bank. Increasingly, our population is changing as family members return home and new community members choose to live here for the quality of our environment and the quality of the people in our community. Our future is bright!

I am at your service and proud to share our story as a community.

Norman E. Higgins

State Representative

*Proudly serving the residents of House District 120: Atkinson, Brownville, Dover-Foxcroft, Medford,
Milo and Plantation of Lake View, plus the unorganized territory of Orneville Township*

Senator Paul T. Davis, Sr.
3 State House Station
Augusta, ME 04333-0003
(207) 287-1505

Dear Friends and Neighbors:

I would like to thank you for the opportunity to represent you in the Maine Senate. It has been an honor to work on your behalf to make our state an even better place to live, work and conduct business.

On August 2, Maine lawmakers finally adjourned for the year, after what proved to be the longest session in recent memory due to a brief government shut down over budgetary disagreements. While no state budget is ever perfect, the end product was a state budget that makes a record investment in our students, supports our communities and will tremendously benefit small businesses and our economy.

Perhaps the most significant action the Legislature took last year, as part of the biennial budget, was the removal of the burdensome, job-killing surtax that was already hurting small businesses, doctors and other professionals that we so critically need. In November 2016, voters sent a clear message that education funding was to be a priority of the 128th Legislature, and we heard that message loud and clear. However, the funding mechanism which was included in the measure – the surtax – presented a serious threat to the state's economy. This new tax gave Maine the ominous distinction of being the highest-taxed state in the country and primarily impacted small businesses, which are the backbone of our economy, taxing them at a rate that is higher than larger corporations are subject to pay. I am proud to say that after much hard work and negotiating, thanks to our rebounding economy, we were able to support our local schools at a level we have never been able to before – without any additional taxation.

The Homestead Exemption, which provides much-needed property tax relief for homeowners, was also preserved in the budget with an increased exemption of \$20,000.

The Legislature also passed a measure to make Maine compliant with the REAL ID Act. As a result of this important new law, the federal government has granted Maine a waiver, meaning that Maine citizens can continue to use their driver's licenses to board commercial airplanes and access certain federal buildings.

While we accomplished much, there is still a lot of work ahead of us next session. Again, thank you for putting your trust in me to represent you in Augusta. Please feel free to contact me if you need my help in navigating the state bureaucracy. I can be reached at home, 343-0258, in Augusta at 287-1505, or by email at sendavis@myottmail.com.

Sincerely,

Paul T. Davis, Sr.
State Senator, District 4

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE 04333-0001

Paul R. LePage

GOVERNOR

Dear Citizens of Maine:

For the past eight years as your Governor, my priority has been to make Maine prosperous. I am proud to say that my administration has had some success, but there is more that can be done.

Mainers experienced strong, record-setting economic growth in 2018, setting so many new records: a record-high number of employers; a record-high number of private-sector jobs; record-high revenues for the state; record-low unemployment; and the fastest net-earnings growth in New England. Our poverty rate declined to the lowest since 2005 with the fewest number of children in poverty in 17 years. Maine's future is the brightest it has been in decades: there's more new businesses, more money in your paycheck, and better opportunities for our children. And that's what it's all about: the future of our state.

We have brought stability to state finances and implemented pro-business, pro-growth policies across state government. The incoming administration is taking on a state government that is vastly improved—both structurally and financially—from the one I inherited. Therefore, I have suggested to the new administration that now is the time to cut taxes by an additional 20 percent.

My administration lowered taxes by 20 percent for more than half-a-million Mainers. Cutting taxes for our families has proven to be an excellent policy decision. Despite this cut, we are seeing higher revenue in almost every tax category—sales and use tax, individual income tax, and corporate income tax. We must always remember that the revenue we receive in taxes is due to the hard work of Maine's people. Democrats stated they want to use surplus money to fully fund revenue sharing at 5 percent, rather than the 2 percent the towns have received for the past 6 years. However, there is no guarantee your local government will cut your property taxes by one penny—never mind dollar-for-dollar—if revenue sharing is increased.

The people of Maine and the municipal balance sheets would be better off if the state cut income taxes and allowed municipalities to collect property taxes or service fees from non-profits to supplement the local property taxes. Everyone should contribute to the operation of local community governments.

I encourage you to pay attention to what happens in your municipality and in Augusta. So many good people have worked much too hard to achieve our current prosperity. We must avoid letting politicians drive Maine's finances and its economy back into the ground. I promise you that I will be watching.

Sincerely,

Paul R. LePage
Governor

FAX: (207) 287-1034

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next four years, I will do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

That is why on my first day in office I directed the Maine Department of Health and Human Services to implement Medicaid expansion as quickly and efficiently as possible. My Administration will ensure that it is paid for sustainably; that the cost of health insurance is controlled; and that the cost of prescription drugs is reined in. In addition to creating a Director of Opiate Response to marshal the collective power and resources of state government to stem the tide of the opioid epidemic, we will make Narcan widely available, increase access to medication assisted treatment and recovery coaches, and expand drug courts.

We also need a healthy environment. My Administration will embrace clean energy; change our modes of transportation; weatherize homes and businesses; and reach a goal of 50 percent of our energy coming from Maine renewable resources. By reducing the impacts of climate change, we will create good-paying jobs, preserve our environment, and protect our state's farming, fishing, and forestry industries.

We will also develop a world-class workforce starting with Pre-K for every 4-year-old in Maine and more post-high school options that result in a valued credential. Attracting talented young people to move here and make Maine their home will be top priorities of my Administration.

Maine communities, especially rural communities, are confronting a severe workforce shortage and an aging and declining population. It is time for bold, dynamic ideas that will change Maine for the better. That is why I, along with people ranging from small business owners, innovators and entrepreneurs, to economists and every day, hard-working Mainers, developed an economic plan designed to make it easier for small businesses to grow, for people to come and stay, and for Maine to thrive.

I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, happy people, and prosperous communities

Thank you,

Janet T. Mills
Governor

Dear Friends,

I hope this letter finds you well. As I am settling into my new role as your representative, I wanted to give you an update on what we are doing in D.C. and in Maine this year.

My first priority is to be accessible to you and to our communities, which is why I have opened offices throughout the Second District at the following locations:

- **Caribou Office:** 7 Hatch Drive, Suite 230, Caribou ME 04736. Phone: (207) 492-6009
- **Lewiston Office:** 179 Lisbon Street, Lewiston ME 04240. Phone: (207) 241-6767
- **Bangor Office:** 6 State Street, Bangor ME 04401. Phone: (207) 249-7400

My team and I are here to serve you, so please come meet my staff, voice an opinion, inform us of local events, or seek assistance with federal benefits. I come home to Maine every weekend to hear from you and see what's happening in our communities. I appreciate you keeping us informed.

This year, I was proud to be appointed to the House Armed Services and Small Business Committees. On Armed Services, I'm using my experience serving in Iraq and Afghanistan to make sure our servicemembers have the resources and training they need to succeed and keep us safe. Within Armed Services, I was assigned to the Seapower Subcommittee, where I am fighting for our shipyard jobs and making sure our military can count on Bath-built ships for generations to come. Beyond Bath, I will advocate for the entire network of good Maine jobs that support our troops, equipping them to carry out their duties reliably and safely.

Maine would just not be the same without our small, family-owned businesses. On the Small Business Committee, I am working to ensure our small businesses have the tools to grow, look out for their workers, and provide more good jobs to people all over Maine. Within the Small Business Committee, I was honored to be appointed Chairman of the Subcommittee on Contracting and Infrastructure. With this position, I am highlighting the need for infrastructure investment and fighting to level the playing field when small businesses compete for federal contracts.

One thing I love about Maine is that we help each other out. Whether it's ensuring a job well done or lending a hand to a neighbor, I know you are strengthening our communities every day. I am proud to serve alongside you and look forward to all that we will accomplish together.

My wife Isobel and I wish you and your family happiness, health, and success in the year to come.

Sincerely,

Jared Golden

RULES AND ADMINISTRATION

Dear Friends,

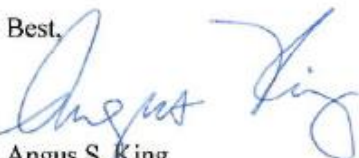

As I travel Maine, I hear from people who live in every corner of our state. I hear about their achievements, their successes, their work to improve their communities – I hear about the hope they have for our state. I also hear about our challenges, and all the work we have left to do. As I see it, that's my job: to listen to you, act where I can to build on what's good, and work on the tough parts. As 2018 comes to a close, I wanted to take a moment to share an update on some of the work we're doing in Washington to lift up the accomplishments of Maine people and make progress on the challenges they face.

From Portland to Presque Isle, from Milo to Camden, I hear about the pain that the opioid epidemic is inflicting on Maine communities. I've met with Maine people in recovery, family members of those struggling with substance use disorders, treatment providers, and law enforcement officials to learn about their experiences with this terrible disease, and everyone agrees that in order to fully respond to these problems, we need a stronger federal effort to end the opioid epidemic. Fortunately, some help is on the way – in October, we overwhelmingly passed a sweeping, bipartisan opioids bill. I've pushed hard for this type of legislation and was proud to have provisions I've advocated for included in the bill. These priorities have been guided by the voices of Maine people, and we'll keep working to confront this tragic problem.

I've also worked to strengthen the future of our forest economy. Maine's forests have powered our state's economy for generations, especially in our rural communities. So, when rapid shifts in the market led to the closure of many pulp and paper mills and biomass power plants, it required a collaborative approach to support future growth in this important industry. That's why, together with the other members of the state's Congressional delegation, I pushed to establish the Economic Development Assessment Team (EDAT). This integrated, multiagency effort aims to foster innovation and commercialization in Maine's forest economy, and we're already seeing the benefits: in recent months, several forest industry businesses have announced significant investments into Maine operations, and in September 2018, the Forest Opportunity Roadmap (FOR)/Maine released an action plan to make sure this industry, and the rural communities it supports, can continue to thrive for generations to come.

As I close this letter, please allow me to express my gratitude to each of you – for your dedication to our state, and to one another. It's often said that Maine is like a big small town (with very long streets)—that's because at our heart, we're one big community. It's not only a pleasure to serve you— it's a pleasure to know you. Thank you for being the reason Maine is so special. Mary and I hope that 2019 will be a good year for you, your family, your community, and our great State.

Best,

Angus S. King
United States Senator

LABOR, AND PENSIONS
SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends,

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our state have placed in me and welcome this opportunity to share some key accomplishments from this past year.

As Chairman of the Senate Aging Committee, I worked to help ensure the well-being of our seniors. The *SeniorSafe Act* I authored became law last year and is empowering banks, credit unions, and other financial institutions to better protect seniors from financial fraud.

Following extensive committee investigations of prescription drug pricing, additional legislation I crafted became law, ending the egregious practice of pharmacy “gag clauses” that prevented pharmacists from informing patients on how to pay the lowest possible price.

This year, I was also successful in securing an extra \$425 million for Alzheimer’s research—the largest funding increase ever—bringing the total to \$2.34 billion. Additionally, the bipartisan *BOLD Act* I authored will create public health infrastructure to combat Alzheimer’s by promoting education, early diagnosis, and improved care management.

More than 40 million Americans—including 178,000 Mainers—are caregivers for parents, spouses, children, and other loved ones with disabilities or illnesses, such as Alzheimer’s. The *RAISE Family Caregivers Act* I authored was signed into law last year, giving caregivers more resources and training to better balance the full-time job of caregiving. Another law I wrote will help grandparents who are raising grandchildren, largely due to the opioid addiction crisis.

In addition to helping seniors, a major accomplishment over the past year is the increased federal investment in biomedical research that is leading to progress in the fight against numerous devastating diseases. Congress has boosted funding for the National Institutes of Health by \$7 billion in just the last three years, bringing total funding to more than \$39 billion.

One of my highest priorities as Chairman of the Transportation Appropriations Subcommittee is to improve our nation’s crumbling infrastructure and ensure that Maine’s needs are addressed. Since the Better Utilizing Investments to Leverage Development (BUILD) Transportation Grants program, formerly known as TIGER, was established in 2009, I have secured \$160 million for vital transportation projects throughout Maine.

Congress also delivered a Farm Bill last year, which includes many important provisions that will help the agriculture industry in Maine and across the country. Specifically, I secured provisions that will strengthen support for young farmers, improve local farm-to-market efforts, and increase funding for organic research.

Congress took decisive action to address the opioid addiction epidemic. In addition to appropriating \$8.5 billion in federal funding last year, Congress enacted the *SUPPORT for Patients and Communities Act*, a comprehensive package that embraces the multipronged approach I have long advocated for this epidemic: prevention, treatment, recovery, and enforcement to stop drug trafficking.

Maine plays a key role in ensuring a strong national defense. In 2018, Congress provided funding for five ships to be built at Bath Iron Works, which will help to keep our nation safe and provide our skilled shipbuilders a steady job. I also secured more than \$162 million for infrastructure projects at Portsmouth Naval Shipyard to support their important work to overhaul Navy submarines.

A Maine value that always guides me is our unsurpassed work ethic. In December 2018, I cast my 6,834th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Maine in the United States Senate. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2019 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

MUNICIPAL OFFICE REPORT

The Annual Town Meeting and Election of Municipal officers will be held on Tuesday, June 11, 2019, at the Municipal Building Gymnasium on Morton Avenue. The meeting will open at 7:45 AM with the election of Moderator. Voting will begin at 8:00 AM and the polls will remain open until 8:00 PM. The following municipal official positions will be on the ballot:

| | |
|---|-------------------------|
| For Selectman, Assessor, Overseer of the Poor | 2 positions/3 year term |
| For Executive Committee Thompson Free Library | 1 position/ 1 year term |
| For HAD #4 Board of Directors | 2 position/ 3 year term |
| For RSU #68 Board of Directors | 2 positions/3 year term |

The public is encouraged to attend Selectboard meetings and participate during open session. Selectboard meetings are held on the second and fourth Mondays of each month (summer schedule varies). Meetings and agendas are posted in the municipal building lobby and on our website, www.dover-foxcroft.org. Special town meetings and elections are posted on our website. Notices are also posted at Webber Ace Hardware, Mountains Market, US Post Office, and on municipal building lobby bulletin board. You may register to vote at the town office and also at the polls on Election Day. The following is a Record of Elections for Fiscal Year July 1, 2017 – June 30, 2018 :

| <u>Election Date</u> | <u>Type of Election</u> | <u>Total Voters (approx.)</u> |
|----------------------|--|-----------------------------------|
| November 7, 2017 | State of Maine Referendum | 896 |
| April 28, 2018 | Annual Town Meeting for Budget Validation in June | 82 |
| June 12, 2018 | Municipal & Referendum Election Piscataquis County Offices RSU #68 Budget Validation Referendum State of Maine Special Referendum | 794 |

In other town office news, we hope you enjoy our new website designed by summer intern, Racquel Bozzelli. The new site has a whole new look, is easier to navigate, and is user friendly. Many thanks to Racquel for the new web design and for all of her contributions to the town office this past summer.

You can now pay your real estate taxes, personal property taxes, and sewer bills online. You are able to access the AndroGov online payment screen at dover-foxcroft.androgo.com or visit our website at dover-foxcroft.org and click on the on-line services tab.

Available payment methods: 1. ACH/Checking Account with a \$1 processing fee, or 2. By credit/debit cards – Visa, MasterCard, American Express, Discover. There is a 2.75% processing fee, minimum charge of \$1.95. Visa consumer debit card discounted flat rate of \$3.95 for tax payments and all other credit cards are processed same as credit cards. Please feel free to call our office for additional information. (207) 564-3318.

We continue to dress down for donations on Fridays and appreciate the support of the community while we strive to help where we can. We are always open to your feedback and suggestions to help us provide you with the best customer service so stop in, give us a call, or send an email to the feedback link on our website: www.dover-foxcroft.org.

We thank you for your encouragement and support over the years.

Sincerely,

The Dover-Foxcroft Municipal Office Staff:

Sheila Bragg, Cheryl Pinkham, Lisa Ronco, Elizabeth Thompson, and Cindy Woodworth

AT YOUR SERVICE.....

The Town of Dover-Foxcroft is pleased to offer its citizens a variety of services and information. Please visit the office, visit our website www.dover-foxcroft.org or call (207) 564-3318 with questions.

Services available at the office and online include tax and assessing information, vital records, genealogy, voter registration, cemetery information, motor vehicle registrations (Rapid Renewal), fish & wildlife registrations, recreational vehicle registrations, dog licensing, code enforcement, building permits, ordinance information, and notary services. Please check our website www.dover-foxcroft.org for online service or for more information.

The Town has a Selectboard/Town Manager/Town Meeting form of Government. The Selectboard holds meetings on the second and fourth Mondays of the month, unless otherwise posted. Board meetings are held at the Municipal Building located at 48 Morton Ave., Dover-Foxcroft at 6:30 p.m. in the meeting room.

With the adoption of the new Municipal Charter in 2017, there have been some changes to the annual town meeting with consideration to the budget and transaction of other town business. An annual town meeting for consideration of the budget and other town business which voters are authorized to vote upon shall be held on the fourth Saturday in April at 9:00 AM. All registered voters of Dover-Foxcroft are eligible to vote at annual or special town meetings. All voting during town meetings will be done by a simple show of hands unless a paper ballot is warranted by a vote of those present at the meeting. Following the annual town meeting, a budget validation referendum shall be held on the municipal Election Day on the second Tuesday in June. Polls are open from 8 am to 8 pm and are located at the municipal building gymnasium. Town reports are available during the week before town meeting.

Real Estate Taxes and Home Owner Information

Tax Billing: Tax bills are sent to the owners of record as of April 1st by State law. If you buy property after that date, the bill will be sent to the recorded owner as of April 1st. Therefore, you may not receive a bill until the following year. However, taxes are still due and it is the responsibility of the new owner to obtain tax information from the town office or the previous owner. Taxes are payable in two installments usually due mid-to-end of September, and mid-to-end of February. Exact due dates will be noted on your bill. **You can now pay your real estate taxes, personal property taxes, and sewer bills online by visiting the town website at www.dover-foxcroft.org and clicking on the "online services" link.**

Sewer Billing

If you live within the sewer district you will be assessed a sewer bill. The sewer bill is based on water usage and is broken into two parts. The base sewer services charge is \$89.65 for 0 to 1,200 cf per quarter and an excess rate of \$9.37 per 100 cf above 1,200 cf per quarter. A flat rate of \$89.65 is charged to customers with unmetered service. These fees are determined by the town budget and are voted on at the June election. Sewer bills are sent quarterly. The 1st and 2nd quarter due date is at the end of January and the 3rd and 4th quarter due date is at the end of June. Exact due dates will be noted on your bill.

If there are any services you would like to see offered or if you have suggestions as to how we can serve you better, please contact us. Address for mailing: Town of Dover-Foxcroft, 48 Morton Ave., Suite A, Dover-Foxcroft, Maine 04426; Phone (207) 564-3318; Fax (207) 564-3621; email: ironco@dover-foxcroft.org.

It is our pleasure to serve you and we are always looking for ways to improve our customer service.

Sincerely,

Town of Dover-Foxcroft Office Staff

MOTOR VEHICLE

We began offering residents **Rapid Renewal Online Vehicle Registration Renewal Service** during the 2001-02 Fiscal Year and 170 re-registrations were done online. The number of residents using this service continues to remain steady each year. There were **456** renewals completed on-line in the Fiscal Year 2017-18 averaging **38** renewals per month. This service is available year round 24 hours a day, 7 days a week, for your convenience. You may access this website at www.dover-foxcroft.org or

www.sosonline.org. To complete your renewal online, you will need your yellow registration form, insurance card and current mileage. Payments for online registrations may be made by either credit card or checking account.

If you are registering a new or different vehicle for the first time, you will still need to come in to our office to complete your transaction. ***Effective November 2, 2017, due to the complexity of new motor vehicle registrations, we may not process them after 3:30 PM (4:30 on Wednesdays).***

Please note that our office staff is limited to phone quotes for *renewals* only. We will give you a quote or estimate for *new registrations* if all the required paperwork is brought into the town office. There is detailed information posted on our website that will assist you in “*what you need to bring*” and “*how to estimate the cost*”.

Totals for Motor Vehicle Registrations are listed for the past five years in the Fiscal Year Comparisons below.

INLAND FISHERIES AND WILDLIFE

We have been using the State of Maine “**MOSES**” (Maine Online Sportsman’s Electronic System) for Hunting and Fishing Licenses since October of 2005 and it has served us well. We have been processing Boat, Snowmobile and ATV Registrations using this same system since January 2, 2008. This online registration system provides our residents with permanent registrations directly from the State and bypasses the need for temporary stickers and registrations. Since May 2009 boat re-registrations have been done online also. Residents are encouraged to go to the State’s website, www.maine.gov and follow the links to “online services” to purchase their registrations and licenses from the convenience of their home. We now register Non-Resident Snowmobiles and ATV’s, sell Non-Resident Hunting & Fishing Licenses and Non-Resident milfoil stickers for boats. If you have questions, please feel free to contact us during regular office hours.

DOG LICENSES

When coming in to license your dog, please bring the current Maine certificate of rabies vaccination and documentation if your dog has been neutered or spayed. The State of Maine rabies Form #51, NAPSHV must be “embossed” and signed by a Maine licensed veterinarian. The annual fee for a dog license is \$11.00 (if not neutered or spayed) and \$6.00 (if neutered or spayed). Dog licenses for 2019 were available by October 15, 2018. Effective February 1st of each year, the State mandated late fee for unlicensed dogs is \$25.00 per dog. If you no longer own your dog(s), please notify us at the town office and we will update our records. Effective January 2011 the State no longer allows online dog licensing from February 1st to October 15th.

VITAL RECORDS

Effective November 2, 2017, due to the complexity of vital records, we may not process them within 30 minutes of closing. Effective January 1st, 2018 due to the new State mandated regulations for applying for a marriage license; we cannot process them within one hour of closing. We strongly encourage anyone who would like to apply for a license to get married to call ahead to ensure you have all the documents needed. Please call ahead and schedule an appointment to ensure someone will be available to process and sign your license. The fee to apply and obtain a marriage license is \$40 and **does not** include a certified copy after the ceremony takes place. When coming in to request a copy of a vital record, please bring in your photo ID and if the record you’re requesting is not your own or you are not listed on it, please call ahead to see what you will need to bring for proof of direct and legitimate interest that will allow you obtain a copy per the State of Maine Department of Health and Human Services. Fees for obtaining certified copies of a vital record remain the same at \$15 for the first copy and \$6 for each additional copy requested at the same time. Forms and instructions for requesting certified copies may be found on our website at www.dover-foxcroft.org or at www.maine.gov.

ASSESSORS AGENT

The goal of the tax assessment office is to maintain fair, equitable, and accurate assessed values that are the basis for allocating the property taxes of the town to each property according to its proportionate value of the town according to state law. This office has worked and continues to work to achieve this goal.

The work undertaken by the assessment office includes reviewing all deeds in the town to update property records for ownership changes, updating parcel maps and assessment records when new lots are created in the town, maintaining and reviewing exemptions that individuals or organizations apply for, viewing and updating values on new or improved properties, maintaining property values in accordance to local trends in the real estate market, and maintaining values on taxable business equipment.

In 2017 (Fiscal Year July 1, 2017 to June 30, 2018) the taxable valuation of the town was \$299,833,900. The tax rate was \$21.20 per thousand. The amount raised from taxation was \$6,504,359.63. Of this amount \$2,785,394.99 was for schools and \$434,662 for Piscataquis County.

Following the overall trends of the economy in recent years, and the local real estate market, it may become necessary to reduce values on several types of property in the future. For now we will stay as close to market values as the annual ratio certification allows.

We remind homeowners that if you have not already applied, you may qualify for a Homestead Exemption. Homeowners who have owned a home in Maine for at least one year and are a resident of Maine can qualify for this exemption. Applications are available at the town office and need to be submitted on or before April 1. At 100% of value, this exemption is \$20,000. If you already receive this exemption it shows up as a \$20,000 exemption on your tax bill. There is no need to re-apply for this exemption every year as long as you reside in the same home. If you move from one residence to another within town, it would be a good idea to contact the Assessor's Office or reapply for the exemption just to make sure that your homestead exemption is transferred to your new home. New homeowners in town need to apply by April 1. There were 924 property owners who received the homestead exemption in 2018. Following this report is a summary of this and other tax exemption or tax relief information that may be helpful to certain property owners.

In 2018 we certified an assessment ratio, the ratio of assessed valuations to sales prices, of 100%. It is our expectation to certify a ratio of 100% in 2019 as well. We will be reviewing recent sales prior to the commitment of taxes in 2019 to continue to monitor how our assessed valuations compare to recent sales prices.

Maine law provides that taxpayers who are of the opinion that their valuation is in excess of its market value or is assessed disproportionately to other similar property in the town have the right to request an abatement, a reduction, in their valuation. A taxpayer has 185 days from the date of commitment of taxes to request an abatement in writing.

This year concludes my thirteenth year of contracting Assessing Agent services to Dover-Foxcroft. I have been assisted by Alan Gove, a key member of my staff, who has worked on a regular basis in town. We have enjoyed working for the town and meeting many property owners.

Connie Sands, in addition to working as Code Enforcement Officer, works on our tax assessment records, and earns our thanks for this. We look forward to continuing our work, with the help of Connie and the Town Office staff. Their hard work and professionalism is appreciated.

Respectfully Submitted,

William VanTuinen
Assessing Agent

TAX RELIEF/CURRENT USE TAX

Exemptions

The exemptions described below all require a one-time application by the taxpayer. The application must be received by April 1 of the first year the taxpayer wishes to be eligible. A new application is needed only if the taxpayer moves into another home.

Homestead Exemption: A Maine resident who has resided in the state for a period of at least 12 months prior to the date of application may qualify for a homestead exemption on his primary residential property.

Veterans Exemption: A Maine resident who is age 62 or older and has served in a recognized war period or a veteran who is receiving 100% disability from the United States government as a veteran. This is a \$6,000.00 exemption. For certain veterans requiring specially adapted housing due to disability this exemption is \$50,000.00.

Blind: A Maine resident who is legally blind may qualify for a \$4,000.00 exemption. Applications are available at the town office or can be downloaded from <http://www.maine.gov/revenue/propertytax>.

Maine Residents Property Tax Fairness Credit

Maine residents who have a high level of residential property taxes compared to their income may qualify for a refund of property taxes under the Maine Residents Property Tax Fairness Credit. To apply for the credit, you are required to file **Form 1040ME** online at: www.maine.gov/revenue/netfile/gateway2.htm or mail a completed Form 1040ME and Schedule PTFC to: Maine Revenue Services, PO Box 1066, Augusta, Maine 04332-1066.

1040ME Booklets may be downloaded from the Maine Revenue Services website at:
www.maine.gov/revenue/forms/homepage.html

Call 207-624-7894 or **Write** to: Maine Revenue Services, PO Box 9107, Augusta, Maine, 04332-9107 to have a Form 1040ME booklet mailed directly to you. For more information, visit www.maine.gov/revenue or call 207-626-8475. Although this is a state, not a local program, we have information available at the town office.

Current Use

The following **Current Use Programs** provide for a reduced valuation on undeveloped land. They also provide for penalties if the use of the land is changed. So, applicants should carefully consider the benefits and disadvantages. Applications for these programs need to be made by April 1st of the first year for which classification is requested. Applications and Bulletins explaining the programs are available at the town office or can be downloaded from <http://www.maine.gov/revenue/propertytax>.

Tree Growth. A parcel of land with at least 10 forested acres which are managed and, at times harvested, for commercial purposes.

Farm Land. Property must have a minimum of 5 acres and produce an income from agricultural use.

Open Space. No minimum acreage but the parcel must be undeveloped and provide a public benefit.

CODE ENFORCEMENT OFFICER

Land Use Permits

There were 143 Land Use permits issued in the past fiscal year. Below is a breakdown of the permits issued for the fiscal year.

| | | | |
|------------------------|----|--------------------------------|----|
| New Homes | 7 | Land Use | 7 |
| Mobile Homes | 3 | Structural Repair | 2 |
| Mobile Homes Relocated | 1 | Sheds | 14 |
| Garages | 11 | Decks/Steps | 2 |
| Porches | 4 | New Camps/Additions | 5 |
| Interior Renovations | 19 | Demolitions | 26 |
| Signs | 14 | Bunkhouse | 3 |
| Swimming Pools | 1 | Home Additions | 17 |
| Renewals | 4 | Driveways/Gravel/Concrete Pads | 3 |

Of the aforementioned Land Use permits issued; 8 were in Shoreland zoning and 2 were within the Floodplain, requiring additional permits to be issued.

| 2017-2018 | |
|-----------------------|----------------------|
| Planning Board | Member Since: |
| Chris Maas – Chairman | 2009 |
| Lisa Laser | 2015 |
| Scott Wellman | 2015 |
| Gary Niles | 2015 |
| Peter Robinson | 2016 |
| Louise Ringle | 2017 |
| Herbert Aumann | 2017 |

The Planning Board meets on the first Thursday of every month if there are any items on the agenda. You need to submit your plans to the office at least 10 days prior to this meeting as it is necessary for the office to notify the media and send letters to the abutters. The office has a list of the submission requirements that need to be submitted to the office, should you have a project that needs to be reviewed by the Planning Board. You can also find the requirements in our Land Use Ordinance at www.dover-foxcroft.org. All members of the Planning Board are volunteers from the community. Their input and expertise is invaluable to the town. They put in countless hours reviewing projects and a lot of times have to make unpopular decisions for the good of the town. The town thanks them for all their help and support throughout the year and taking time out of their busy lives to provide this service to their community. The Planning Board's report follows this one.

| | |
|-----------------------------|----------------------|
| 2017-2018 | |
| Board of Appeals | Member Since: |
| Particia Johnson | 1994 |
| Kurt Baird | 2004 |
| Paul Matulis | 2014 |
| Johanna Danforth Greenfield | 2017 |

The Board of Appeals meets as needed to hear requests for variances or administrative appeals. There were no appeals filed this year. The Board of Appeals members are also volunteers and the town thanks them as well for their time and dedication to the Town of Dover-Foxcroft.

We currently have vacancies on both boards. Please contact the Code Enforcement Office if you are interested in serving, or for more information. No special training is needed. The office will provide you with the necessary materials and resources. Appointments are made by the selectmen. Please consider serving.

Respectfully Submitted,

Brian Gaudet
Code Enforcement Officer

PLUMBING INSPECTOR

| | | |
|----------------------------|---------------------|-----------------------|
| Internal Plumbing Permits: | Permits Issued – 37 | Permits Approved – 35 |
| Subsurface Permits: | Permits Issued – 8 | Permits Approved – 8 |

Respectfully Submitted,

Bret Marshall
Local Plumbing Inspector

PLANNING BOARD

July 2017 through June 2018

The Planning Board met a total of nine times during this period. We considered eleven site plan reviews. We also made three reviews for electronic signs.

During this period a related committee did extensive work on revisions to the Land Use Ordinance. While those changes were not approved by the voters in 2018, further work has been done. We really appreciate the guidance offered by Gwen Hilton and Jack Clukey. The group's efforts have continued into 2019.

It is appropriate to thank the members of the board during this period-Pete Robinson, Louise Ringle, Lisa Laser, Herb Aumann, and Scott Wellman. We extend special thanks to the staff at the town office who were always there to support us with their expertise, wisdom and patience. – Connie Sands and Brian Gaudet.

Respectfully Submitted,

Chris Maas
Chair

(Piscataquis County Ice Arena – under construction)

FIRE DEPARTMENT

The Dover-Foxcroft Fire Department is an on call volunteer fire department. We pay our men and women for all fire calls and training meetings.

We presently have 33 firefighters. Our newest addition to the department is once again a junior department with boys and girls ages 15 to 18. There are 7 on the roster at this time. They train with us and also meet one night a month with Ben Fagan, a senior firefighter. It is a hard job getting new members to join the department. These young members are hopefully the future of our department.

This year the biggest budget item is going to be the increase in the minimum wage. We will try and hold the line on spending as it is this past year with adding some funds to look at replacing the 20 plus year old jaws of life that has served us well.

We can't thank all you good citizens of Dover-Foxcroft enough for your continuous support of our fundraising endeavors including the annual ice fishing derby on Sebec Lake, the annual boot drive, food booth at the Piscataquis Valley Fair, and fire prevention letters. Thank you all for your support.

In closing I would like to thank all the members of the Dover-Foxcroft Fire Department and their families for the endless hours we spend at fires, training and community activities. Without their dedication a lot of the things that are taken for granted in this town would not happen.

Respectfully Submitted,

Joseph R. Guyotte
Fire Chief

TOWN WARDEN

The law of “No burning without a permit in hand” has saved the State and Towns a lot of unnecessary fire calls. Our policy of “No burning before 5 pm” with the exception of rainy days and when there’s snow on the ground, verbal permit is working.

Anyone can now go on line to www.maine.gov to get a fire permit.

Anyone needing a burn permit can call any of the following Town Wardens:

| | | |
|----------------------|--------------------------|-----------------------------|
| Chief Warden | Joseph R. Guyotte | 564-2187 or 343-2267 |
| Deputy Warden | Bonnie Guyotte | 564-2187 |
| Deputy Warden | Rick Pembroke | 564-3475 |
| Deputy Warden | Jerry Rollins | 564-3650 |
| Deputy Warden | Gary Sudsbury | 564-2931 |
| Deputy Warden | Ralph Lewis | 564-3292 |

Respectfully Submitted,

Joseph R. Guyotte
Chief Fire Warden of Dover-Foxcroft

doverpd@doverfoxcroftpolice.com

www.dover-foxcroft.org

Greetings,

Once again, our department saw many changes both in operation and in personnel. Two officers that were hired the previous year were not able to complete their requirements thus resulting in their departure. This led our agency to hire two more officers. One with academy experience and one without. Another officer hired last year was able to complete the Maine Criminal Justice Academy, graduating this past December. Sgt. Lyford departed for another agency. He was replaced by local resident and 28 year law enforcement veteran, Sgt. Matt Grant.

Several building based capital improvement projects were completed this year as well. The roof was in terrible shape for several years, so much so that you could see the wood from the underlying roofing material through the tattered shingles that were in place. With the help of the Mountain View Correctional work crew, we were able to have the majority of the roof replaced at a reduced cost.

Also completed was a much needed window replacement for the main work area. This included the lobby and patrol office area, 9 windows were replaced and insulating materials were placed in the preexisting voids. The contractor noted that the previous windows, decades old, had no insulating material around the openings. As you can imagine, this also saw a reduction in the heating costs for our building.

Our agency also saw the bolstering of our relationship with victim services groups and the establishment of a Child Advocacy Center (CAC) here in our Police Department. We partnered with Penquis and Rape Response Services in order to have the CAC open in November. The CAC has already hosted nearly a dozen interviews of child assault victims saving the families an hour long trip to Bangor. The center hosted a number of area agencies saving the officers travel costs as well.

Lastly, we have partnered with SEDOMOCHA (RSU #68) and Foxcroft Academy to start a School Resource Officer Program. The pilot program has been well received by students, their families, staff members and administrators in the ability to provide law enforcement support in critical and sensitive situations. This relationship will continue to grow as we move forward with an established and comprehensive position seeing more time within each school.

We also have improved our crime clearance rate for the year. This would be the NIBRS and UCR statistics from the State of Maine. We continue to work on improving these statistics in order to exceed the state average.

As always, we are here to serve you.

Respectfully,

Ryan P. Reardon
Chief of Police

American Red Cross - Real Heroes - 2019

First Responder Award

Dover-Foxcroft Police Chief Ryan Reardon and then-Sgt. Todd Lyford (Now Chief Deputy of the Piscataquis County Sheriff's Office) saved a woman who was trapped in a car that was on fire after it had plunged down a 25-foot embankment.

PUBLIC WORKS

The Public Works Department consists of 7 full time employees, including a mechanic. In the winter months we employ 4 additional part timers for snow removal.

The public works crew worked on several different projects this year. Some of those consisted of:

- A. Graveled over section of Klimavicz Road to be plowed
- B. Replaced fabric, added gravel to sections of Essex Street
- C. Resurfaced 2" minus gravel on Norton Hill Road
- D. Regrinded 1500' of pavement, did ditch work and replaced culvert on Steadmans Landing Road and Foxcroft Center Road
- E. Put up winter sand
- F. Screened material at landfill
- G. Screened gravel at the pit
- H. Ditch work and culvert replacement on Dwelley Avenue

As always, I'd like to thank my crew for their work throughout the year. Without them my job would be a lot more difficult. Our work is often thankless, but nevertheless necessary and I appreciate the effort my crew puts in.

Respectfully submitted,

Geoff Chambers
Public Works Supervisor

SOLID WASTE

For the period 1 Jul 2017 through 30 Jun 2018 the Dover-Foxcroft Regional Recycling Center received, processed, shipped, and sold the following materials:

| | |
|---|---|
| 8.09 Tons of Sorted Office Paper | 31.43 Tons of Mixed Paperboard (non corrugated) |
| 42 Tons of Old Newsprint | 14.92 Tons of Aluminum/Steel Cans |
| 229 Tons of Corrugated Cardboard | 181 Tons of Appliances & other Scrap Metals |
| 21.26 Tons of Assorted Food Grade Plastic | |

We also received, processed, and shipped out the following materials:

| | |
|--|----------------------------------|
| 450 Tons of Construction Debris wood | 1.5 Tons of Computer Towers |
| 300 Tons of Brush Chips | .15 Ton of Laptops |
| 138 Tons of Wood Ash | 2.34 Tons of Mixed Electronics |
| 20 Tons of CRT's (Computer monitors and TV's) | 25 Boxes of Fluorescent Lamps |
| 1.65 Tons of Old Printers | 56.45 Tons of Sheetrock Material |

We landfilled at our demolition site over 200 tons of bulky waste (furniture, shingles, bathroom fixtures, and large plastic/fiberglass items). We also shipped out several 100 pounds of Household Hazardous Wastes, and several 100 gallons of Anti-Freeze and Old Gas. Recyclable material market prices fluctuated during this period, but are receiving revenue for all materials except glass which we landfill.

Be aware when our municipal waste is transported to the new Fiberight Facility (Jun 2019) certain materials can't be put in the trash anymore. Here is a preliminary list of non-acceptable items that are not allowed in the trash: tires, carpet, vinyl siding, clothes, glass, cloth, household hazardous wastes, hoses, rope, and the list will get bigger. It will be a learning process for all of us.

Respectfully Submitted

Joseph Sands
Director, Solid Waste and Recycling

WASTEWATER TREATMENT PLANT

To the Citizens of Dover-Foxcroft:

This year this facility received and treated 84.14 million gallons of wastewater, 100 tons of organic waste, 107.4 tons of total suspended solids with overall treatment efficiency of 97%.

Description of Collection System

The Town of Dover-Foxcroft currently maintains a centralized wastewater collection system consisting of approximately 20.7 miles (109,218 linear feet) of gravity sewer mains and force mains, three wastewater pump stations and 537 sewer manholes. To date, all town owned sewer collection system has been upgraded to new PVC pipe. It has taken place over the last 25 years. With proper design and installation, it has been predicted that this sewer collection system should last over 100 years. With this said the town should not need to address any major upgrades of the sewer collection system for at least 75 years.

In addition to the public sewer system, the town oversees 15.1 miles (79,582 linear feet) of sewer service lines. The majority of our emergency services calls are due to this portion of the sewer system. The reason for this is some of the services are still old clay tile, asbestos cement, brick, or other substandard materials. Maintenance problems such as root intrusion, leaky sections, and structural deficiencies are associated with these substandard materials. They cause sewer line blockages and surcharge-induced flooding. If your sewer service consists of these substandard materials, you should have your sewer service line upgraded to prevent costly and inconvenient service calls.

Collection System Performance

The Town of Dover-Foxcroft Wastewater Department works hard to eliminate the overflows in the system. This is accomplished by constant preventive maintenance. Preventive maintenance consists of sewer cleaning and video inspection. The sewer cleaning keeps the wastewater flowing freely to the treatment plant. Video inspection allows us to pin point locations of problem areas, such as root intrusions, grease build up, broken pipe, and sources of infiltration and inflow (I/I).

There are a number of ways that clean water can enter the system.

- 💧 Connections of roof drains, sump pumps, cellar/foundation drains
- 💧 Connected storm drain system & catch basins
- 💧 Remaining sections of substandard sewer system that are leaky

The town has disconnected all storm drains and catch basins from the town's sanitary sewer system. Also, the town has upgraded all of the substandard, leaky sewer lines. The replacement of these lines is very expensive and we are still seeing increased flows during wet weather storm events. For instance, when we have a rain event of 2 inches it will more than double our influent flows. Most, if not all, is a result of private I/I water still entering the sanitary sewer system! This excess water makes the pump stations work 2 to 3 times longer and harder and results in higher electrical consumption and increased cost. You, as a homeowner or business owner, can help by preventing any water on your property that does not need to be treated from entering the sanitary sewer. If you have sumps, cellar, roof or yard drains hooked into public sewer lines, please have them disconnected. These connections, according to "Town of Dover-Foxcroft, 2009 Sewer Ordinance" are ILLEGAL and could lead to enforcement action and added surcharge fee to your sewer bill. And if these illegal connections are not disconnected, the money spent on upgrading the public sewer system is less effective. PLEASE do your part so we can reduce our cost of treatment.

Combined Sewer Overflows (CSO's) were installed in the collection system to minimize damage from surcharge-induced flooding. Since the late 1980's, the town has worked very hard at eliminating CSO's events. I am pleased to announce that no CSO events occurred during this reporting period.

This year, we started a formal, proactive system wide maintenance program. This plan was mandated by State of Maine Department of Environmental Protection and entails having a written collection system maintenance program. Simply put, the written program stipulates what we have for a collections system and how we plan on keeping it maintained.

This year, we cleaned 2037 feet of sewer lines, inspected 68 manholes, responded to 4 sewer service calls and several dig safe requests.

Treatment Plant

The Dover-Foxcroft Wastewater Treatment Facility is looking and operating well for starting our 28th year of operation. The system is running as designed.

The facility consists of pretreatment operation that includes grit removal and screening, followed by three aerated lagoons operated in series, chlorination, and dechlorination. The pretreatment process removed 34 cubic feet of grit and 55.6 cubic feet of screenings this year. Removing these solids from the waste stream positively impacts the aerated lagoon treatment system. The pretreatment process has removed 2,701.3 cubic feet of grit and 869.5 cubic feet of screening to date.

Sludge removal & dewatering system was put on line in 2007. We removed the sludge that accumulated in lagoon #2 in 2008 & 2015, lagoon #3 in 2009 & 2016 and a large portion of lagoon 1 in 2010, 2011 and 2017. All three lagoons are at acceptable conditions. We will continue to keep track of this and remove sludge as needed.

Before sludge removal process and the new lagoon #1 aeration system our treatment efficiency was rarely above 90% but now we are seeing 95% and above, consistently.

The chlorination and dechlorination systems work as designed this year. The chlorination system is a process that significantly reduces the pathogenic (disease causing) organisms that we discharge to the Piscataquis River. The de-chlorination system is a process that reduces the chlorine levels that is acceptable to discharge into the environment.

Respectfully Submitted,

William J. Littlefield

Wastewater Director

MAYO REGIONAL HOSPITAL HIGHLIGHTS

2018 HAD #4 Annual Report to the Communities

Like many years, we can look back on 2018 with a lot of pride in our accomplishments, while being faced with challenges that we must address as we move into 2019. We will look at the accomplishments and the challenges with our focus being that we continue to provide quality healthcare for people in this region.

Integration with Northern Light Health-

For the past five years, the Mayo Regional Hospital Board of Directors has been working on finding an affiliate partner. Through an in-depth strategic planning process with industry experts, the board determined that being a stand-alone rural hospital would not place Mayo in a position of strength for long term sustainability. They completed a thorough request for proposals in 2015-16 and interviewed the two parties that proposed. Northern Light, then EMHS, was chosen due to the size and resources of the organization as well as our existing integrated services.

We have been working over these past years to develop agreements, complete due diligence and assess what is already working well at Mayo. We are currently working under an Interim Agreement and are negotiating the terms for a Plan for Merger. While the negotiations continue, we will be devoting time to making sure everyone is as up-to-date as possible as plans progress. We will hold community forums to share information and answer questions from members of the public.

Innovations in Quality -

Mayo Regional Hospital has added several new programs this year to improve quality of care and patient access. We have added a new 3D Mammography system for better detection of Breast cancers in men and women.

Through our partnership with Northern Light Health-Eastern Maine Medical Center, we have added two new

— Dr John Daggett Jr
Internal Medicine

KEY STATISTICS 2018

- Admissions: 1,223
- Total Patient Days: 4,350
- Births: 121
- Average Daily Census: 11.9
- Surgeries: 1,363
- Radiology: 20,924
- Labs: 124,890
- Oncology: 1,499
- Physician Office Visits: 48,037
- ED Visits: 11,030
- Ambulance: 3,829
- Psychiatry: 3,478

- Gross patient service revenue: \$88,294,240
- Free Care and Bad Debt: \$5,180,495
- Contractual adjustment: \$34,194,247
- Net Revenue: \$50,873,778
- Salaries & Benefits: \$32,884,504
- Total expenses: \$52,080,398
- Operating Inc/(Loss) (\$1,206,620)

Mayo 
Regional Hospital
Together, We're Better.

providers to our Cancer Care program who come to Mayo on a more frequent basis. Dr. Dennis has also started an anemia clinic in the new cancer care space.

In the Emergency Department, we are the first hospital in Maine to provide Tele-ED services through a partnership with Dartmouth Hitchcock. The New Hampshire-based hospital services many other hospitals in Northern NH and VT. With a push of a button our ED staff have access to Board Certified Emergency Medicine Physicians and Nurses to help in critical situations.

Continued financial distress -

Despite average or even slightly improved patient volumes, our organization continued to lose money on operations in 2018. Our unaudited bottom line on operations was (\$1.2Million). This is the third year in a row of losses greater than one million and we have not had a bottom line on operations since 2010. Many factors, of course, drive losses of this magnitude including, hiring of locum(temporary) physicians and temporary nursing staff, implementation of new information technology, and inadequate reimbursement from Medicare and Medicaid to name a few.

Workforce Updates -

As is usually the case, each year we experience some turnover of Providers. Either to retirement, moving closer to family or just re-locating. 2018 is no exception to this. We said good bye to several providers including one very long -term physician in the community, Dr. Susan Lutein. Dr. Lutein took a job closer to her grandchildren. We hope she is doing well!

We are happy to welcome several new providers to our team, including, Andrea Greene, FNP, Sahara Dominguez, FNP, Diane Reynolds, PA-C, Jai Boardway, PA-C, Briana Martell, FNP, Sarah Simerly, NP and Karen Nichols, PA-C. We will also be welcoming Dr. Hosam Abdallah to the Hospitalist service in early 2019.

Nursing Program -

One shining bright spot this year is the beginning of a partnership with Eastern Maine Community College in which Mayo is collaborating with them to offer a nursing program here in Dover Foxcroft! Seven students are just finishing their first semester and will have their degrees by spring 2020. A very special thank you to their instructors, Mayo employees Nikki Chadwick and Beth Weatherbee!

Major EMR upgrade -

Last December, the Mayo Board approved a major investment in a new Electronic Health Record through a partnership with Cerner Community Works. The Cerner system will replace our current legacy E.H.R.'s CPSI, All scripts and Intergrity. It will provide our patients with ONE record, no matter where in the Mayo system you are seen. We believe this will lead to safer, more streamlined and efficient care.

This project is a major investment for Mayo, one that has required more hired resources than anticipated. The project implementation has been ongoing for the past 11 months and we are scheduled to "flip the switch" on January 14.

We have seen growth and opportunity as well as struggles and challenges this year. But we are optimistic about what the future holds with partnerships and the potential to improve local care while we remain focused on providing quality healthcare for the people in the communities we serve.

For questions or further information please contact: Marie Vienneau, President & CEO: 564-4251

PISCATAQUIS COUNTY

ECONOMIC DEVELOPMENT COUNCIL

WHO WE ARE

PCEDC is a collaborative grass roots effort created in 1997 by county residents interested in promoting economic development in Piscataquis County. We celebrated our 20th anniversary in 2018.

OUR MISSION

The Piscataquis County Economic Development Council (PCEDC) seeks to leverage local, county, state and federal resources to promote and encourage private and public investment within Piscataquis County, Maine. The goal is to stimulate long-term sustainable economic development and job growth in the region.

VISION

Piscataquis County will have a strong, diverse, and vibrant economy that offers higher quality jobs to support strong, diverse, and vibrant families and communities.

A strong economy is one that is wealth generating, able to survive national economic downturns, productive, and efficient. It's also diverse, containing a numerous, healthy combination of manufacturing, service, and retail businesses. Such an economy must be a vibrant one that values creativity, supports leadership, and is knowledge based. The resulting higher quality jobs will be able to financially sustain individuals, families, and communities.

PCEDC will continue to build a prosperous future of Piscataquis County for everyone by growing our population, ensuring a viable future for our youth, providing opportunities for lifelong learning and employment, promoting tourism and recreation promotion and advocating for this county at multiple levels in order to ensure a quality of life for all of our residents.

PCEDC Strategic Goals:

1. Develop and promote a creative and diverse economy;
2. Encourage entrepreneurs while strengthening existing businesses;
3. Modernize our infrastructure, both civic and tourism;
4. Increase lifelong educational and cultural opportunities;
5. Engage our communities in economic development by facilitating collaboration and partnerships; and
6. Continue work on Broadband Initiatives

PCEDC Initiatives:

Expand our diverse economy

Support Start-up Entrepreneurs

Retain and strengthen its existing businesses

Attract new businesses

Develop a county-wide plan for economic development

Expand and support the creative economy

Expand access to broadband throughout Piscataquis County

Respectfully submitted,

PCEDC 2018 Executive Committee: Tom Goulette (President), Tom Lizotte (Vice-President), Linda Gilbert (Treasurer), Angela Arno (Secretary), Jim Annis (*ex officio*), Denise Buzzelli, Jack Clukey, James Macomber, Scott Moulton, Theresa Mudgett, Thelma Reagan, Dan Rinard, Paul Stearns, Kathy White

Staff: Christopher Winstead (Executive Director) & Georgia Underwood (Community Development Specialist).

THOMPSON FREE LIBRARY

This year included a celebration of the 120th anniversary of the Thompson Free Library and a farewell to Helen Fogler, who retired on May 31, 2018 after serving as Library Director for over 20 years. I look forward to following her example and working with the dedicated and knowledgeable staff to fulfill the Thompson Free Library's mission: to strengthen and serve our community, inspire learning, advance and create knowledge, and promote the spirit of human experiences and personal relationships.

The library provides a space for community members to connect with and learn from one another. Neighbors come together through programs such as Storytime, Knitting Group, Reading Group, and the new "TFL 101" series. "TFL 101" began in April 2018 and featured interactive demonstrations by presenters from Turning Page Farm, Alchemilla Herbal Apothecary, and Ripley Farm on how to make homemade laundry soap, herbal tinctures, and fermented vegetables. The library is also a wonderful place to connect with local organizations and resources. This year, educators from the Appalachian Mountain Club, Partners for Peace, Penquis, Piscataquis County Soil and Water Conservation District, and Tri-County Career Center visited the library to share information and expertise.

The library offers many free learning activities for children and families. The theme of 2017's summer program was "Build a Better World." Events included "Animal Habitats" with the Appalachian Mountain Club and "Birds and Watercolor Painting" with the L.C. Bates Museum. Families also enjoyed visits by magician Conjuring Carroll, musician and storyteller Jennifer Armstrong, and Maine picture book author/illustrator Chris Van Dusen. Other special events included papermaking with Sarah Robinson of My Wild Fern, a natural history presentation by Chewonki, and a concert by the Juniper Quartet of the Bangor Symphony Orchestra. The

Friends of the Thompson Free Library continue to fund many of our children's programs with their popular Ten Cent Book Sale. We are also fortunate to work with educator Alicia Millette, who leads hands-on STEM and makerspace activities including Vacation Science Camps and 3D printer programs.

Youth Services Librarian Michelle Fagan extends library services into the community through a weekly Storytime at the Piscataquis Regional YMCA and book groups and book talks at SeDoMoCha. Other community partnerships this year included "The Lion, the Witch and the Wardrobe" activities with Center Theatre and the traveling exhibit "Anne Frank: A History for Today" with SeDoMoCha, the Commons at Central Hall, and Dover-Foxcroft Kiwanis. The library's recently renovated Community Meeting Room hosted weekly Art Days and Game Days with the Charlotte White Center and housed the Dover Cove Winter Farmers' Market from November through April.

The library is involved in several initiatives connecting our community to the history, natural resources, and art of our region. In 2018 the library received an \$8,500 grant from the Maine Community Foundation to fund a project to document the oral histories of Piscataquis County. We encourage community members to participate and make this project a success. The library also began a 2-year pilot program with Friends of Maine State Parks to offer a vehicle pass for day-use at the Bureau of Parks and Lands' 48 state parks and historic sites. Local artists Susan Beardsley, Jane Blay, Charlie Boothby, Geneva Chambers, Kathy Farris, Kris Sader, and students from SeDoMoCha and Foxcroft Academy exhibited their work at the library this year.

The library continues to offer desktop and laptop computers for public use, free wireless connectivity, and printing, photocopying, and faxing services. The library's high speed internet and related services are provided by the Maine School and Library Network. Patrons can stay up to date with library activities and access additional services through our website: www.thompson.lib.me.us. Over 11,000 e-books and 5,500 e-audiobooks are available as part of the Maine InfoNet Download Library, and the new Digital Maine Library provides business and legal resources, language learning tools, genealogy databases, and more. Technology Help Time, offered Wednesday afternoons, began in February 2018 for anyone with questions about

navigating the online world or using a digital device.

Each year the library provides detailed statistics to the Maine State Library for use at the local, state, and federal levels. Highlights of this year's data include:

- Registered users: 1,954
- Library visits: 35,340
- Circulation: 43,503
 - *Physical materials: 42,085*
 - *Electronic materials: 1,418*
- Interlibrary loans: 493
- Library programs: 208
- Program attendance: 2,084
- Meeting room uses: 154
- Computer sessions: 2,270

Thank you to all who use and support the library, including our patrons, donors, and community partners. Special thanks to our committed volunteers, including Pat Juska and our teen volunteers. Thank you also to the library staff: Kim Brawn, Michelle Fagan, Tom Lyford, and Valerie Talmadge; and the Executive Committee: Carolyn Clark, Deborah Davis, Amy Fagan-Cannon, Nancy Grant, Tom Lizotte, Phyllis Lyford, and Jefferson Prestridge.

Respectfully submitted,

Greta Schroeder
Director of Library Services

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS TOWN OF DOVER-FOXCROFT - For the Year Ended June 30, 2018

Brantner, Thibodeau & Associates - Certified Public Accountants

Spirit of America Foundation Tribute

The Dover-Foxcroft Select Board will be nominating a person or group from the community to be recognized by receiving the Spirit of America Foundation Tribute Award for community service and volunteerism. If you have any suggestions for a person or group you feel should be considered for this recognition, submit the name or group with a brief description as to why this person or group should be nominated for this tribute in writing to Lisa Bell Ronco, Town Clerk, Town of Dover-Foxcroft, 48 Morton Avenue, Suite A, Dover-Foxcroft, ME 04426 or by email to: Ironco@dover-foxcroft.org. Please include "spirit of America tribute" in the subject line. Deadline for submission is Wednesday, May 1, 2019.

FRIENDS OF CENTRAL HALL – THANK YOU

***Central Hall, completed in 1882, after much debate as to its size and location, was constructed to give the citizens of Dover and Foxcroft a “grand” hall to hold events, “a hall in which we shall be pleased to invite friends and strangers”.
(Commented by Edes and Barrows, editors of the Observer).***

This was the plan 137 years ago. How pleased these original planners would be to see this gracious hall today renovated to its former glory ...once again a “grand” hall holding events – a beautiful structure in which we are so very pleased to invite friends and strangers for so many varied activities.

It has taken 10 years-- from 2008-2018 for the dreams pursued by the Dover-Foxcroft Historical Society and a small committee of dedicated citizens, known as FOCH (Friends of Central Hall) to bring our piece of history back to a “grand hall”. This group was determined that they did not want to see Central Hall go the way of so many other local historical structures – such as the Blethen House or Pleasant Street and North Street Schools. This committee found significant interest from townspeople, former residents and alumni, along with friends of the Dover-Foxcroft area. Nearly \$30,000 was raised in a very short period of time from approximately 300 generous supporters of THE PROJECT. With this - FOCH and the restoration was on its way. Echoes of past hard-fought basketball games, Kiwanis Minstrel Shows, FA graduations, Jr. Prize Speaking, Jr-Sr. Plays/Proms, town meetings, gymnastic classes, Halloween parties, rec center and so much more was the encouragement that this building be saved.

The plan was kicked off with an Open House in March 2010 showcasing tables of memorabilia from years gone by, slideshow presentations, luncheon, music and many memories shared. From there many nostalgic type fundraisers brought throngs of generous Central Hall enthusiasts in to help with the restoration fund. An authentic Ice Cream Social was held complete with Cherry Cokes, Root Beer Floats and Ice Cream Sundaes complemented by hometown favorite—Butterfield’s Ice Cream. The next fundraiser brought a “Whoopie for Junk” Sale during the 2010 Whoopie Pie Celebration. This event featured vendors selling second hand treasures, crafters, and a version of “Antique Road Show” courtesy of hometown antique connoisseur Dr. Chris Clukey. The production of ‘Mary Poppins’ was presented under the premier directorship of Mitchell Chasse Productions who donated all his proceeds back to the Central Hall Project. A ShireTown Homecoming Committee fundraiser “Little Miss ShireTown Contest” was hosted by FOCH committee. The Gala Valentine Charity Ball in 2011, was a cooperative fundraising effort between 4 local organizations; Womancare, PRYMCA, Piscataquis Chamber of Commerce and FOCH with music by FA Alumni Band. The Hard Hat Ball event honored Louis Stevens, featuring original refurbished chairs by the Charleston Correctional Facility. FOCH fundraisers also included silent auctions and brick sales at several events, open houses, the Whoopie Pie Festivals and Homecoming celebrations. The group organized workshop sessions for cleaning, painting, maintenance and preserving an original stage curtain.

The Dover-Foxcroft Kiwanis held events over the past 10 years including their Annual Winter Social, a Penny Roll Fundraiser, hosted a public Central Hall Tour, and most recently their 80th Anniversary Celebration. All were such fun charitable events while giving a chance to showcase gorgeous Central Hall and share ongoing plans and progress.

One of the most heartwarming projects...has been the sale of engraved bricks. This fundraiser will be a far-reaching and a “forever” project. The loving tributes to family members and loved ones, memorial bricks in honor of first responders, military veterans and heroes, town founders, former and current business owners, alumni, and organizations all form the historic fabric of our town. This will provide a lasting tribute to be viewed for decades to come by our ancestors and visitors to Dover-Foxcroft. The Engraved Brick fundraiser has raised over \$30,000 and for those interested in obtaining one...*there will always be time*. It is expected to never run out of space to put these mementos. A list of all brick purchasers is on file with the Dover-Foxcroft Historical Society. The impact of the support of all donors, supporters, and brick purchases and gratitude will live on forever... Contact Barbara Moore(bob@mainemaplesyrup.com) Or Cindy Woodworth(butterwood198@gmail.com) for information and/or an application.

(December 4, 2008 – (left photo) Chris Maas and Barbara Moore had a “vision” to preserve Central Hall and its history.
(May 12, 2018 – (right photo) Chris Maas, Sylvia Dean and Lesley Fernow - Citizens gathered for the ribbon cutting ceremony and to celebrate the Grand Opening of The Commons at Central Hall.

The Commons at Central Hall, now under the Board directorship of The Maine Highlands Senior Center, a 501©3 organization, has become a thriving – “swinging “– Event Center with activities for all ages every day of the week. Thank you to Chris Maas, Dr. Lesley Fernow, Elwood Edgerly and Patrick Myers for their leadership of this continuing project and thank you to the hundreds of sponsors and donors for your support. This would never have been possible without your generosity and faith in its completion.

Lastly –many thanks to the original FOCH committee for their vision, determination to hold on to our nearly last historical building and their dedication to keep going even when it seemed impossible:

Chris Maas, Tim Burleigh, Mary Annis, Sylvia Dean, Barbara Moore, Bob Moore, Cindy Woodworth, Brian Woodworth, Dennis Lyford, Elwood Edgerly, James Annis, Jody Arno, Rod Willey and Tim LePrevost.

Original Mission Statement:

The mission of the Friends of Central Hall is to preserve, restore to its former glory, maintain, and operate Central Hall as an event center that showcases small town America and promotes a vibrant Main Street by joining forces with those seeking to revitalize the community.

BUDGET ADVISORY COMMITTEE

The Budget Review Committee's Work on the FY 2019-2020 Budget

The Budget Committee met during the months of February and March, 2019, to review and comment on the town's fiscal year 2019-2020 budget. We met on February 27, March 6th, and 13th. In those sessions we discussed Library, Welfare, Social Service, General Government, Contingency, Abatement, Debt Service, Recreation, Cemetery, Protection, Hydrants & Fire, Solid Waste, Wastewater, Economic Development and Public Works. In all of these discussions we were joined by the relevant department supervisor. On March 20th we met jointly with the Select Board where we reviewed and approved all of the proposed articles for presentation at the annual Town Meeting.

Other than the normal (but odious) increases due to inflation, insurance increases, etc, the only budget increases of note were some salary increases due to the recent state-wide minimum wage increases, and, after much discussion, changes in the public works department resulting in the net addition of one extra person to help with winter and summer roads.

We are well along on implementing our 10 year paving plan. Each year a state inspector works with our town manager to inspect many of the town roads to make sure that we pave those most in danger of "falling off the cliff" and needing complete rebuilding. While this results in some changes from our ten year plan, it helps to minimize our costs.

We again note that the ten year paving plan is really only about keeping in decent repair those paved roads that are salvageable. We have some roads that are "beyond help" and will need to be completely rebuilt. We have yet to consider funding for these projects.

Overall, the total amount to be raised in taxes increased by approximately \$63,060 (~2.24% increase). Most of this can be explained by an increase in salary due to minimum wage increases. On a steady, year to year basis, the largest expense item that exceeds inflation continues to be health insurance.

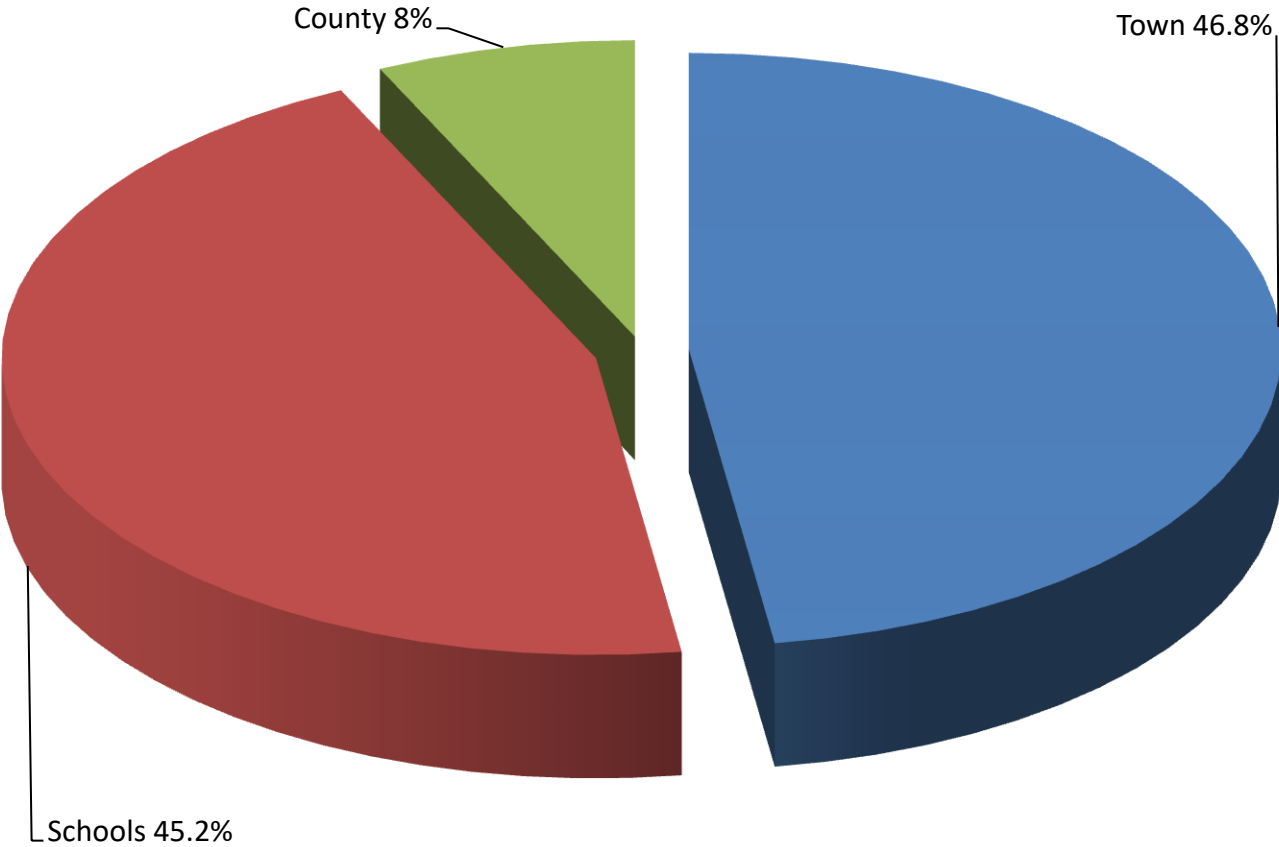

We are very appreciative of the excellent work done by Jack Clukey, Dave Johnson, Lisa Ronco and all of the department managers – for their work on the budget, but more importantly, for the quiet, efficient work they do in keeping the town functioning so smoothly. They are deserving of far more credit (and compensation) than we can give. It was an honor (and fun) to work with my fellow committee members Jim Annis, Jamie Gaudion, Sean Letarte, Mark Poulin, Kathlee Thibault, Kim Cavanaugh and Bill Clark. They remind me of what a great place this is in which to live.

Respectfully Submitted,

Chris Maas
Chair
Budget Advisory Committee

PROJECTED TAX COMMITMENT

**Town of Dover-Foxcroft
Projected Tax Commitment Breakdown
FY 2019-2020**

Town of Dover-Foxcroft
48 Morton Avenue Dover-Foxcroft Maine 04426
Fiscal Year 2019-2020
Annual Town Meeting Warrant
Saturday, April 27, 2019

To Ryan Reardon , a Constable of the Town of Dover-Foxcroft in the County of Piscataquis and State of Maine, or any other Constable of said Town:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Dover-Foxcroft in said County and State qualified by law to vote in town affairs, to meet at the Dover-Foxcroft Municipal Building Gymnasium in said Town on Saturday, the 27th day of April, A.D., 2019 at nine o'clock in the forenoon, then and there to act upon the following articles:

ARTICLE 1

To elect a Moderator to preside at said meeting and to vote by written ballot.

ARTICLE 2

Shall the Town appropriate revenues anticipated in the amount of \$2,137,315 and appropriate additional funds including funds from surplus in the amount of \$422,150, for a total amount of \$2,559,465 to be used to reduce amounts to be raised from the property tax commitment to fund appropriations in subsequent articles, and; authorize the Board of Selectmen to appropriate an additional amount from surplus to reduce the property tax commitment?

Board of Selectmen Recommends.

Budget Advisory Committee Recommends.

ARTICLE 3

Shall the Town raise and appropriate the sum of \$4,760,475, for Town Operations? (Revenue and surplus to be used to reduce the amount to be raised to fund this article is \$2,445,760, net amount to be raised is \$2,314,715.)

| | Previous Year | |
|--------------------|---------------|--------------|
| General Government | \$ 1,546,525 | \$ 1,454,750 |
| Protection | \$ 545,135 | \$ 511,770 |
| Fire Department | \$ 187,215 | \$ 179,865 |
| Fire Hydrants | \$ 215,305 | \$ 214,430 |
| Public Works | \$ 993,130 | \$ 920,325 |
| Solid Waste | \$ 536,980 | \$ 515,315 |
| Welfare | \$ 41,420 | \$ 44,135 |
| Social Service | \$ 11,600 | \$ 10,000 |

| | | Previous Year |
|-------------------------|--------------|---------------|
| Recreation Facilities | \$ 30,750 | \$ 29,425 |
| Recreation Programming | \$ 56,000 | \$ 56,000 |
| Cemetery | \$ 133,750 | \$ 121,855 |
| Contingency/Abatement | \$ 35,000 | \$ 25,000 |
| Promotion & Development | \$ 11,500 | \$ 11,500 |
| Thompson Free Library | \$ 197,275 | \$ 178,525 |
| Debt Service | \$ 56,740 | \$ 58,960 |
| Lease Prepayment | \$ 162,150 | |
| TOTAL | \$ 4,760,475 | \$ 4,331,855 |

Board of Selectmen Recommends.

Budget Advisory Committee Recommends.

ARTICLE 4

Shall the Town raise and appropriate the sum of \$222,500 to capital reserve to fund capital equipment? (Revenue and surplus to be used to reduce the amount to be raised to fund this article is \$18,005, net amount to be raised is \$204,495); and authorize the Board of Selectmen to expend funds as follows:

| | | Previous Year |
|----------------|------------|---------------|
| Administration | \$ 5,000 | \$ 5,000 |
| Assessing | \$ 5,000 | \$ 3,000 |
| Police | \$ 30,000 | \$ 30,000 |
| Public Works | \$ 90,000 | \$ 90,000 |
| Solid Waste | \$ 12,500 | \$ 10,000 |
| Cemeteries | \$ 15,000 | \$ 12,000 |
| Fire | \$ 65,000 | \$ 65,000 |
| TOTAL | \$ 222,500 | \$ 215,000 |

Board of Selectmen Recommends.

Budget Advisory Committee Recommends.

ARTICLE 5

Shall the Town raise and appropriate the sum of \$87,500 to capital reserve to fund capital improvements to Town buildings and facilities? (Revenue to be used to reduce the amount to be raised to fund this article is \$5,700, net amount to be raised is \$81,800); and authorize the Board of Selectmen to expend funds as follows:

| | | Previous Year |
|-----------------------|------------------|------------------|
| Police Station | \$ 5,700 | \$ 5,700 |
| Fire Station | \$ 10,000 | \$ 7,500 |
| Public Works | \$ 12,500 | \$ 7,500 |
| Cemetery/Maintenance | \$ 3,000 | \$ 3,000 |
| Solid Waste/Recycling | \$ 7,500 | \$ 5,000 |
| Recreation | \$ 8,800 | \$ 8,800 |
| Municipal Building | <u>\$ 40,000</u> | <u>\$ 35,000</u> |
| TOTAL | \$ 87,500 | \$ 72,500 |

Board of Selectmen Recommends.

Budget Advisory Committee Recommends.

ARTICLE 6

Shall the Town appropriate all money received from the State of Maine (anticipated in the amount of \$90,000) for capital improvements and maintenance of Town roads and bridges per Urban-Rural Initiative Public Law Title 23 Chapter 19 Subsection 1803-B, and raise and appropriate \$310,000 for capital improvements and maintenance for Town Roads? Total expenditure = \$400,000.

| | | Previous Year |
|-------------------------|-----------|---------------|
| Local Road Improvements | \$400,000 | \$400,000 |

Board of Selectmen Recommends.

Budget Advisory Committee Recommends.

ARTICLE 7

Shall the Town of Dover-Foxcroft appropriate all sewer department revenue anticipated in the amount of \$749,430 and reserve funds anticipated in the amount of \$37,000 to fund sewer operations, debt repayment and capital? Total expenditure = \$786,430 .

(Sewer fees are projected to remain unchanged at a base rate of \$89.65 for usage at 0-1,200 cubic feet and \$9.37 per 100 for usage in excess of 1,200 cubic feet.)

Sewer Department Operations, Debt Repayment and Capital

| | | Previous Year |
|---------------------|------------------|------------------|
| Operations | \$ 440,835 | \$ 433,665 |
| Debt Repayment | \$ 218,745 | \$ 351,445 |
| Capital Equipment | \$ 89,850 | \$ 7,900 |
| Capital Improvement | <u>\$ 37,000</u> | <u>\$ 37,000</u> |
| TOTAL | \$ 786,430 | \$ 830,010 |

Board of Selectmen Recommends.
Budget Advisory Committee Recommends.

ARTICLE 8

Shall the Town of Dover-Foxcroft appropriate net proceeds, if any, from the sale of tax acquired property for the purpose of economic development, and authorize the Board of Selectmen to expend said appropriation to support economic development projects within the Town of Dover-Foxcroft?

ARTICLE 9

To see if the Town of Dover-Foxcroft will vote to approve the Board of Selectmen's Order of Discontinuance of a public easement associated with a portion of the former Dawes Road extending South from the State of Maine Department of Conservation Parks and Lands Trail to Guilford Road (State Route 15), the discontinued portion extending a distance of .25 miles, more or less, between Lots 18, 19, and 28 of Tax Map 10.

***Explanatory Note:** In 1982, the Town voted to discontinue a portion of Dawes Road, but in doing so retained a public easement over the road. This Article is intended to terminate the public easement still held by the Town over that portion of Dawes Road.*

The Selectmen hereby give notice that The Office of the Registrar of Voters in the Dover-Foxcroft Municipal Building will be open from 7:30 o'clock in the forenoon until 6:00 o'clock in the afternoon on the 24th, and from 7:30 o'clock in the forenoon until 4:00 o'clock in the afternoon on the 25th and 26th day of April, A.D., 2019 to receive applications of persons claiming a right to vote.

Given under our hands this 8th day of April, A.D., 2019

(Dedication - continued from page 3)

By then, the grand old Central Hall was again showing its years. This time, however, the town could not pick up the tab to bring it back. Tight budgets meant that someone else would have to shoulder the burden of fundraising and renovations if Central Hall was going to return again. Luckily for the community, members of the Dover-Foxcroft Historical Society formed the "Friends of Central Hall." This group partnered with the town and worked diligently raising interest and money to save the building.

Because of their efforts, The Commons at Central Hall was formed 3 years later. Central Hall would be renovated with the second floor becoming the Commons Event Center which would be available for event rentals to help support upkeep of the building. The first floor would be renovated to house an Adult Day Service Center that would provide key supports for older residents and their care givers. Overall, the Commons at Central Hall would provide multi-generational programming and services to ensure that Central Hall would once again be a hub of activities for the community.

The Commons and Dover-Foxcroft Historical Society raised over 2 million dollars (and counting) to renovate the building. They brought the existing structure back to life and built a major addition on the left side of the building to provide additional fire exits, an elevator, a kitchen and bathrooms for the 2nd floor. However, thanks to the foresight and excellent construction in the 1880's, the basic framework, trusses and foundation of the building were still in excellent condition, solid and square.

Central Hall, built nearly 140 years ago, is once again serving the community. With events on the 2nd floor and multi-generational programming below, it will remain a vibrant asset for our region for many, many more years to come. If you haven't been inside, stop in to see the renovations and the work that still has to be done. If you're interested in volunteering or making a donation to support the good work that goes on within the hall, talk to Tara Smith, the Executive Director of the Commons at Central Hall, or call (207)343-3018, or visit the www.centralhallcommons.org.

Many thanks to the Board of Directors: Catie Bennett, Andrew Bermudez, Kevin Chasse, Gail D'Agostino, Lesley Fernow, Chris Maas, Jim Macomber, Patrick Myers, Lysbeth Ranagan, Joe Ranagan, Dick Swett, Cheryl Stitham White and all the donors, past and present, who have supported Central Hall and kept the building strong over the years.
