TOWN OF DOVER-FOXCROFT

Annual Town Report

PISCATAQUIS COUNTY ICE ARENA

FY 2018-2019

48 Morton Avenue Suite A Dover-Foxcroft ME 04426 www.dover-foxcroft.org

PISCATAQUIS COUNTY ICE ARENA

The Piscataquis County Ice Arena was gifted to the greater Piscataquis County region, located in Dover-Foxcroft, Maine. Created by the Libra Foundation and Partner, operated by Foxcroft Academy, the PCIA is a premier, privately owned ice arena in Maine and one of the finest ice facilities in New England. Opening this past Fall (2019), the PCIA has been host to many on and off-ice participants including students from most area schools including Greenville, Milo/Brownville, Corinth, and Guilford.

Grand Opening / Ribbon Cutting September 30th, 2019

The Libra Foundation, based in Portland, Maine, was created by Elizabeth Noyce in 1989 and has made significant contributions to worthy causes throughout the State of Maine. Embracing the sense of proportion and fairness defined by its name, Libra, the Foundation maintains a balance and diversity of giving throughout Maine and across all populations. As Libra grows, it will continue to strive for innovative ways to enrich Maine, empower communities, and enhance the quality of life of all Maine citizens. Because of the generosity of the Libra Foundation, the people in and around Piscataquis County have the opportunity to benefit from the programming offered by the PCIA.

The High School hockey round robin hockey tournament in November saw teams from Houlton, Presque Isle, Old Town/Orono, Bangor, John Bapst, and Hampden participating on ice and within our community. A rejuvenated Foxcroft Academy HS (Club) Hockey program included not only students from FA, but also three from PCHS (Guilford) and included multiple first time skaters. The Penquis Youth Hockey Association, a USA hockey affiliate program, was also created allowing over 60 girls and boys from the surrounding areas the ability to learn the basics of the game of hockey. Thursday night adult stick & puck pick up hockey games give our local hockey talent the opportunity to rekindle their love of the game and allow many to “strut their stuff” in front of many spectators. Hockey is back in Piscataquis County!

For those just wanting to skate, public skate sessions are held throughout each week. Friday evening public

skate sessions often had over 100 participants skating on the ice at one time. Daytime sessions, although not as heavily attended, are utilized by those seeking new activities to add exercise and social interaction to their lives. From this evident desire for skating, the PCIA skate program was born. Whether novice or expert, young or old, skating for recreation or with a purpose driven goal in mind, the PCIA skate program has instructors and programming available. Almost 2500 participants signed waivers to partake in the on-ice activities at the PCIA. A great majority of these skaters took part in the public skate sessions

and these people also played a major role in the success of the PCIA.

Other on-ice activities at the PCIA include broomball and curling. These recreation sports saw participants of all ages playing games new to most in Dover-Foxcroft and the surrounding communities. The PCIA partnered with the American Cancer Society in the Sweep Away Cancer Broomball Tournament with the hope of creating greater awareness. The curling club at the PCIA was also created and is beginning to gain momentum. Both broomball and curling programs will evolve as participation continues to grow. For those not feeling comfortable being on skates, but who would like to try something new, broomball and curling may be for you.

(PCIA continued on page 126)

BOARD OF SELECTMEN

Chairman's Report

As Chair of the Select Board in 2018-2019 I am pleased to provide the following report.

The town has continued to make progress working on improving gravel and paved roads. Asphalt prices have been favorable over the past 3 years which has allowed the town to do some additional road work ahead of schedule. There is however a large amount of work remaining, especially as we look at the need to make improvements to bridges and sidewalks.

As the town works to keep up with capital projects, we have also been working to make sure that we have the equipment that we need to do these projects. Early in the year the town replaced the grader as we had seen significant down time with this particular machine and had to rely extensively on the warranty. With fifty miles of gravel roads to maintain in both summer and winter, the town cannot be without a reliable grader.

In FY 2019 the town began the process of working with the state MDOT on a traffic study that will allow the MDOT to identify ways it can make traffic improvements within the town as it plans future road projects. While the study won't require the town to take any specific actions, it will identify solutions to traffic and pedestrian issues and make it more likely that the MDOT will participate in making these improvements as part of future projects.

Throughout FY 2018-2019 its been encouraging to see new investment in the community. Through investments at Pleasant River Lumber and the Piscataquis County Ice Arena as well as other business and residential development the towns tax base is in a position to experience some growth. It's certainly encouraging to see this type of investment that can lead to population and job growth over the long term.

Fiscal Year 2019 saw a big transition in terms of solid waste disposal. The new disposal facility in Hampden, Coastal Resources began accepting waste in its testing phase in late 2019. This facility will provide long term and affordable waste disposal and recycling opportunities for the region for many years.

I'd like to thank the members of the Select Board for giving me the opportunity to serve as Chair over this past year. It's a pleasure to serve with dedicated board members who make the position of Chair an easy one. I'd like to recognize the town employees for their hard work and dedication. Finally, I'd like to recognize and thank all the towns volunteers who give of their time and make so many community projects possible.

Respectfully Submitted,

Elwood Edgerly
Chairman, Dover-Foxcroft Board of Selectmen

TOWN MANAGER

Fiscal Year July 1, 2018 through June 30, 2019

In terms of projects coming getting under way or getting completed, exciting things happened in FY 2018-2019. The town's street lighting got a new look in the last fiscal year. In late summer 2018 the town transitioned from leasing street lights from CMP to owning its own lights and upgrading to energy efficient LED lights and installing decorative lighting in the downtown area. A lot of research and public input went into the color selection of the LED's such that the light would be soft enough and properly shrouded so that there would be no issues for vehicles driving at night. Also, the new lighting was designed to direct light down to sidewalks and roadways and minimize light pollution and glare.

In the Fall of 2019, the Piscataquis County Ice Arena opened for business. The Libra Foundation selected Dover-Foxcroft as the location of its new state of the art indoor ice arena. The facility hosts public skating, ice hockey for all ages, as well as curling. The facility provides comfortable seating for over 200 spectators and the state-of-the-art temperature controls provide a very positive experience for those on the ice and those in the seats. Rooms upstairs accommodate group meetings and the facility can be rented for private events such as birthday parties. The facility is owned by the August Corporation, a subsidiary of the Libra Foundation and is operated by Foxcroft Academy. The ice area is a regional facility and not exclusive to the town or to Foxcroft Academy. By the end of 2019, the use of the facility outpaced projections and public skating was often filled to capacity.

The town was ambitious in 2019 in terms of road paving. The town contracted for paving with Hopkins Paving LLC and the work included paving on Forest St. Dwelley Ave., Davis St., Grange St. Harvey St., the North end of Grove St. and Pleasant St. along with new sidewalks on Pleasant St. 2019 work also included reclaiming pavement on a 2,000' section of Parsons Landing Road. The town has been consistent for four years in implementing its pavement management plan adopted in 2016. This consistent approach to maintaining our paved roads is making a big difference in terms of safety. Also, it will allow the town to be cost effective in its road paving and lead to fewer miles of road reconstruction required in the near future.

Lots of work on the land use ordinance was done in fiscal year 2018-2019. The land use committee updated the land use ordinance to address items such as abandoned buildings, medical marijuana, mega projects as well as some housekeeping items with regards to clarifying certain points in the land use ordinance. With the many recent developments in these areas, it's important that the town can be up to date with its ordinances so that we can efficiently consider development applications and move developers through the process in a timely manner.

As 2019 drew to a close, we began hearing for the first time about a virus beginning to appear in certain parts of the world. Having the benefit of completing this report in early 2020, it's safe to say that the changes being brought about by Covid-19 in terms of social distancing are profound and many changes going forward will likely be. Next year's report will certainly be dominated by this topic and its ramifications.

In closing, I'd like to recognize all the town employees, elected officials, residents and volunteers who work hard in so many different ways in service to our community. Its not everywhere that you find so many people so dedicated to being involved in the community and willing to help their neighbors and those in need. Our community like many other tight knit communities are able to pull together when times aren't the best and support each other. Because of this we are very fortunate here in Dover-Foxcroft.

Cell Phone: (207) 343-1068
Norman.Higgins@legislature.maine.gov

Citizens of Dover-Foxcroft,

It is an honor and a privilege to serve in the 129th Legislature representing Dover-Foxcroft. My work serving on the newly created Innovation, Development, and Economic Advancement (IDEA) Committee has been focused on developing a strategic plan to support and develop an economy that is uniquely Maine economy that is derived in agriculture, aquaculture and manufacturing. We are working towards long-term planning that is needed to accelerate Maine's economy.

The legislature came together this year to relatively quickly pass a budget. While I have some concerns about the increase in total spending, I am happy overall because I do believe that this budget practices fiscal responsibility by adding \$20 million to the "rainy day fund", providing funding to provide healthcare for those who otherwise couldn't afford it, and not spending beyond our means. This budget also doesn't increase taxes and will be providing much-needed property tax relief.

Also included in this year's budget are increases in municipal revenue sharing, up from 2 to 3% in 2020 and to 3.75% in 2021. With state revenue projections turning out higher than originally expected, the numbers are better for the towns to pay for local services like schools, public safety and road maintenance- instead of relying on property tax increases. Dover-Foxcroft will be receiving an additional \$135,610 dollars in 2020 and in 2021 a projected \$276,945 more than the last approved budget in 2018. This is great news for taxpayers.

Things haven't been totally ideal in Augusta. Over the summer, the legislature was called back for a special bond session that would provide funding on the roads, land conservation, environmental protection, and broadband internet development. I was a proponent of the broadband bond because it would have benefitted Piscataquis County especially with how only 76% of our homes have access to high-speed internet. ***Only the transportation bond passed.*** I still believe the legislature can do something big on bringing broadband internet to our corner of the state and I will continue to advocate towards this.

At home, I am pleased that the Mayo Regional Hospital merger with Northern Light will proceed. I have been a supporter of this because I believe that we need long-term stability to maintain our seniors in Piscataquis County. By having this merger go through, we will have the same continued care without interruptions as well as all the resources that come from Northern Light to our community hospital. I am also thrilled to see the completion of the new Piscataquis County Ice Arena. The arena will be a great center for young and old to get active as the winter doldrums start to set in. There are programs for everyone – for little ones just learning to skate and for us "old timers" looking to get on the ice.

This next session we have a lot of big issues that we have to figure out. Please get in touch with me to share your opinion on pending legislation or if you need help with any government agency. I am at your service and proud to share our story as a community,

Norman E. Higgins
State Representative

District 120 Atkinson, Brownville, Dover-Foxcroft, Medford, Milo and Plantation of Lake View,
plus the unorganized territory of Orneville Township

Senator Paul T. Davis, Sr.
3 State House Station
Augusta, ME 04333-0003
Office: (207) 287-1505
Cell: (207) 343-0258
Paul.Davis@legislature.maine.gov

A Message from Senator Paul T. Davis, Sr.

Dear Friends and Neighbors:

Let me begin by thanking you for allowing me the privilege of serving you in the Maine Senate. I am honored that you have put your trust in me and can assure you I will continue to work tirelessly on your behalf.

Maine is in the midst of one of the greatest periods of prosperity in its history and has led the nation in a number of economic categories over the last several years. Unemployment is at record low levels, wages are up, and state government has had seven straight years of surpluses. The number of children living in poverty is in a steep decline, and Maine now leads the nation in equality for women in the workplace and politics.

Though we have accomplished a great deal in the past year, there is still much more to be done. Maintaining the prosperity that you have built over the last several years tops the list. We can do this by holding the line on government spending, doing our best to stay out of the way of local businesses so that they can thrive as a result of their own hard work, and making sure that government is the most fiscally responsible steward of your tax dollars. These will be a few of my priorities this coming year.

Again, thank you for electing me to serve you in the State Senate. The 129th Legislature certainly has a great deal more work to do; but I believe that if we come together, there is nothing we can't accomplish. Please feel free to contact me at (207) 343-0258 or Paul.Davis@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

Paul T. Davis, Sr.
State Senator, District 4

STATE OF MAINE
OFFICE OF THE GOVERNOR
1 STATE HOUSE STATION
AUGUSTA, MAINE
04333-0001

Dear Friends:

It was the highest honor of my life to take the oath of office to become Maine's 75th governor. Over the next three years, I will continue to do everything in my power to make Maine the safe, beautiful, prosperous state we all want for our children and grandchildren.

During my first year in office, I directed the implementation of the voter-approved Medicaid expansion, allowing over 40,000 Maine people to gain health care coverage. We added state guaranteed protections for people with pre-existing conditions, passed a prescription drug reform package, and restored the Maine Drugs for the Elderly and Disabled program, covering an additional 1,800 seniors. And we continue to work on strategies to bring down the cost of health care for small businesses and others. I also signed an Executive Order directing my Administration to develop effective opioid prevention efforts in schools, make Narcan more available, increase medication assisted treatment, train recovery coaches, and expand drug courts.

Protecting Maine's environment and tackling climate change are key priorities of my Administration. I am committed to increasing Maine's Renewable Portfolio Standard to 80 percent by 2030; improving our modes of transportation; weatherizing homes and businesses; and reaching 100 percent renewable energy by 2050. By embracing the green technology of the future, we will reduce the impacts of climate change, create good-paying jobs, preserve clean air and water, and protect our state's farming, fishing, and forestry industries.

The biennial budget provided more revenue sharing, more homestead reimbursements, and more disaster assistance for towns – which all together will result in relief for property taxpayers. It invested \$115 million in education and school renovations, and we are working toward Pre-K for every 4-year-old, increasing post-high school options that result in a valued credential, and making sure that every able adult is working. Further, I, along with government agencies, small business owners, entrepreneurs, economists, and hard-working Mainers, developed a statewide economic development plan, the first in nearly 25 years. We will diversify our economy, empower innovators, and attract young, talented people to live, work, and raise their families here in Maine.

It is time for new, dynamic ideas that will change Maine for the better. I welcome your ideas. We are all in this together. We all want Maine to have a beautiful environment, healthy people, and prosperous communities.

Thank you,

Janet T. Mills
Governor

Jared Golden
Congress of the United States
2nd District of Maine

Dear Friends,

I hope this letter finds you well. It is an immense honor to serve as your representative in Congress. I take very seriously the responsibility that has been placed on me, and I would like to take this opportunity to share with you some of what I've been working on in my first year in Congress.

At the beginning of this term, the House passed H.R. 1, a comprehensive package of reforms I cosponsored to get big money out of politics and fight corruption in Washington. And in December, I helped pass H.R. 3, the *Lower Drug Costs Now Act*, which would limit out-of-pocket prescription drug costs paid by seniors, fund the expansion of Medicare coverage to include dental, vision, and hearing, and lower prescription drug prices for thousands of Mainers. Additionally, as a member of the House Armed Services Committee, I worked to ensure our annual defense authorization bill supports America's national security and Maine's shipyard workers, National Guardsmen, manufacturers, and universities.

On top of working on this legislation, I have also been advocating for our district directly to administrative agencies. I have been fighting for Maine lobstermen to urge the president to intervene in proposed regulations by the National Oceanic and Atmospheric Administration (NOAA) that would hurt our lobster industry. I pressed government agencies to ground their regulations in sound science and data when crafting new regulations on Maine's lobstermen. I also persuaded the Army Corps of Engineers to hold a public hearing in Maine about the proposed Central Maine Power NECEC transmission line, which gave hundreds of people the opportunity to voice their opinions about the project.

Some of the most important work of members of Congress is rooted in on-the-ground constituent services. We have three offices in the district -- in Caribou, Bangor, and Lewiston -- and my staff work tirelessly to help Mainers solve problems they may face with federal government agencies. I urge you to stop by to talk to us in person and let us know how we can better serve you and your communities.

My favorite part of the job is coming home to the district and hearing about what matters to you. This year, I brought a hearing of the House Small Business Subcommittee on Contracting and Infrastructure to Maine to find ways to expand access to rural broadband. I've also held open town halls and coffee hours throughout the district to hear directly from Mainers veterans, as well as roundtables to find more ways to help small businesses in Maine grow and create jobs.

As always, please continue to reach out to me and my staff if you'd like to voice an opinion, let us know about a local event, or seek any assistance with federal agencies.

Respectfully,

Jared Golden

January 1, 2020

Dear Friends,

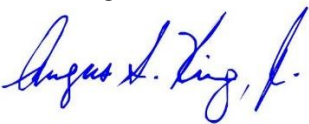

The beginning of a new year provides the opportunity to reflect on the progress of the past 12 months. If you've been watching cable TV, you might think that every waking moment of 2019 in Washington has been consumed by divisive, partisan issues – and while there's no shortage of those debates, there have also been opportunities for bipartisan cooperation. You sent me to the Senate to make the most of those opportunities, so as we enter into the New Year, I wanted to take a moment to update you on my efforts to work with members of both parties to make life better for the people of Maine.

One of my most important priorities this past year has been emphasizing preventive healthcare. Maine's distinction as the oldest state in the nation brings us wisdom, of course – but it also creates unique challenges, particularly relating to healthcare. The key to addressing these obstacles is being proactive, because the cheapest, safest medical procedure is the one that doesn't need to happen. That's why I've introduced legislation to incentivize healthier living, expand mental health screenings, and help more Americans access regular check-ups. We're making progress, but we've got a long way to go – and I'd like your help, because I know that the best ideas are the ones that come from families and communities on the front lines of these challenges. To strengthen this effort, I convened a policy forum on prevention in Bangor in October, which has already given me exciting new ideas that I'll carry with me into 2020. If you have additional thoughts on encouraging preventive healthcare, please share them with my office.

This year has also continued the growth of Maine's forest products industry – a key focus of my work to revitalize Maine's rural economy and communities. We've seen significant investment in mills across the state, creating good jobs to support rural Maine. I'm also pleased that the investments aren't just in our mills – the industry is thriving because of its commitment to innovation. We're fortunate to have the University of Maine's top-notch researchers exploring cutting-edge ways to use our forest resources, including capitalizing on the rise of 3D printing technology with the world's largest 3D printer. Combining this work with ongoing federal support, our vast forests, and Maine's dedicated workforce, I know that the future of this industry is bright, and I'll continue working to support it on all fronts.

I'm proud of all we've accomplished together this year, but even as I reflect on all that we've achieved, it is challenging to not think of the work left undone. It sometimes can be discouraging to watch these important priorities hang in limbo, but fortunately for me, encouragement is never far. After all, I get to live in Maine – which means I get to count Maine people as my neighbors and friends. I'm always struck by the kindness that our citizens show not only to me, but also to each other. This focus on collaboration and compassion is an inspiration, and it powers my efforts bring a little bit of Maine common sense to Washington. Thank you for all you do for our state – Mary and I are deeply grateful, and we hope that 2020 will be a good year for you, your family, your community, and the State of Maine.

Best Regards,

Angus S. King Jr.

CHAIRMAN
APPROPRIATIONS
HEALTH, EDUCATION,
LABOR, AND PENSIONS
SELECT COMMITTEE
ON INTELLIGENCE

Dear Friends,

As 2019 ends and 2020 begins, I am pleased to report that Congress made progress on a number of issues important to Maine families despite the polarization in our country.

In a major win for surviving military and retiree spouses to whom we are deeply indebted, I was proud to co-lead the repeal of what is often referred to as the “Military Widow’s Tax,” an unfair offset of survivor benefits that has prevented as many as 67,000 surviving spouses—including more than 260 from Maine—from receiving the full benefits they deserve.

The high cost of health care and prescription drugs continues to be a top issue for families and seniors. To provide continued relief for more lower- and middle-income individuals, I led the charge to extend for another two years the medical expense tax deduction that I included in the 2017 tax law. Without this extension, nearly 20,000 Mainers and millions of Americans with high medical expenses, including many with preexisting conditions, would have faced an increased tax burden. In other good news, the CREATES Act I cosponsored became law. It will prevent pharmaceutical companies from blocking access to a sufficient supply of brand-name drugs needed for the studies that allow less expensive alternatives to enter the marketplace.

Improving people’s health and wellbeing remains my priority. On a per capita basis, Maine has the highest incidence of Lyme disease in the country. In August, I held a Senate hearing at the University of Maine’s Tick Lab on this growing public health crisis. A comprehensive public health strategy to combat this epidemic is needed, and the new law I authored will do just that.

In addition, I helped champion another \$2.6 billion increase for the National Institutes of Health, our nation’s premiere biomedical research institution, including significant boosts for Alzheimer’s disease and diabetes research. Last year, NIH funded more than \$111 million for research at 14 Maine institutions.

To help prepare the graduates of Maine Maritime Academy, I secured \$300 million for a new training ship, which will ensure rigorous instruction for MMA students for decades to come.

Significant federal funding was approved for work at Bath Iron Works and Portsmouth Naval Shipyard. Funding appropriated by Congress will pay for three new destroyers, make a down payment on an additional ship, and finance infrastructure improvements at PNSY.

As Chairman of the Transportation and Housing Appropriations Subcommittee, I have led efforts to improve our nation’s crumbling infrastructure and ensure that Maine’s housing needs are addressed. For Maine’s roads, bridges, airports, and seaports, tens of millions in federal funding will help make urgently needed upgrades and improve safety. Funding will also support housing assistance to low-income families and seniors and aid communities in reducing homelessness among our youth. The Community Development Block Grant program will assist numerous towns and cities in our State.

The Aging Committee I chair has continued its focus on financial security for our seniors. A new law I authored will make it easier for small businesses to offer retirement plans to their employees. Our Aging Committee’s Fraud Hotline fielded more than 1,200 calls this year. Congress passed a new law to crack down on robocallers who are often the perpetrators of these scams. And a new law I authored will expand the IRS’ Identity Protection PIN program nationwide to prevent identity theft tax refund fraud.

At the end of 2019, I cast my 7,262nd consecutive vote. In the New Year, I will keep working to deliver bipartisan solutions to the challenges facing Maine and the nation. If ever I can be of assistance to you, please contact one of my state offices or visit my website at www.collins.senate.gov. May 2020 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator

MUNICIPAL OFFICE REPORT

The Annual Town Meeting Referendum, Election of Municipal Officers, and RSU No. 68 Referendum will be held on Tuesday, July 14, 2020, at the Municipal Building Gymnasium on Morton Avenue. The meeting will open at 7:45 AM with the election of Moderator. Voting will begin at 8:00 AM and the polls will remain open until 8:00 PM. The following municipal official positions will be on the ballot:

For Selectman, Assessor, Overseer of the Poor	3 positions/3 year term
For Executive Committee Thompson Free Library	1 position/ 1 year term
For RSU #68 Board of Directors	1 positions/3 year term

The public is encouraged to attend Select Board meetings and participate during open session. Select Board meetings are held on the second and fourth Mondays of each month (summer schedule varies). Meetings and agendas are posted in the municipal building lobby and on our website, www.dover-foxcroft.org. Special town meetings and elections are posted on our website. Notices are also posted at Webber Ace Hardware, Mountains Market, US Post Office, and on Municipal Building lobby bulletin board. You may register to vote at the town office and also at the polls on Election Day. The following is a Record of Elections for Fiscal Year July 1, 2018 – June 30, 2019 :

<u>Election Date</u>	<u>Type of Election</u>	<u>Total Voters (approx.)</u>
August 27, 2018	Special Town Meeting, RSU No. 68	12
November 6, 2018	State of Maine Referendum Special Town Meeting Municipal – Land Use Articles	1791
April 27, 2019	Annual Town Meeting for June Budget Validation Referendum/Town Articles	158
June 11, 2019	Annual Town Meeting to Elect Municipal Candidates and Referendum/County RSU No. 68 Budget Validation Referendum	261

Ranked Choice Voting (RCV) in Maine was first used in the June 12, 2018 Primary Election. Ranked Choice Voting allows voters to choose candidates in order of preference, by marking candidates as their first, second, third, and subsequent choices. The votes are tabulated in rounds, with the lowest ranking candidates eliminated in each round until there are only two candidates left. The one who is determined to have the majority of the votes (more than 50%) in the final round is declared the winner. It is different from our previous method of voting, in which voters choose only one candidate for each office and the winner is determined by plurality (whoever gets the most votes). The State of Maine is using ranked-choice voting for all of Maine's state-level primary elections and in general elections for federal offices ONLY. The plurality method of voting is still used in municipal elections.

We continue to dress down for donations on Fridays and appreciate the support of the community while we strive to help where we can. We are always open to your feedback and suggestions to help us provide you with the best customer service so stop in, give us a call, or send an email to the feedback link on our website: www.dover-foxcroft.org.

We thank you for your encouragement and support over the years.

Sincerely,

The Dover-Foxcroft Municipal Office Staff:

Sheila Merrill, Cheryl Pinkham, Lisa Ronco, Elizabeth Thompson, and Cindy Woodworth

AT YOUR SERVICE.....

The Town of Dover-Foxcroft is pleased to offer its citizens a variety of services and information. Please visit the office, visit our website www.dover-foxcroft.org or call (207) 564-3318 with questions.

Services available at the office and online include tax and assessing information, vital records, genealogy, voter registration, cemetery information, motor vehicle registrations (Rapid Renewal), fish & wildlife registrations, recreational vehicle registrations, dog licensing, code enforcement, building permits, ordinance information, notary services. We also offer many online service on our website.

The Town has a Select Board/Town Manager/Town Meeting form of Government. The Select Board holds meetings on the second and fourth Mondays of the month, unless otherwise posted. Board meetings are held at the Municipal Building located at 48 Morton Ave., Dover-Foxcroft at 6:30 p.m. in the meeting room.

An annual town meeting for consideration of the budget and other town business which voters are authorized to vote upon shall be held on the fourth Saturday in April at 9:00 AM. All registered voters of Dover-Foxcroft are eligible to vote at annual or special town meetings. All voting during town meetings will be done by a simple show of hands unless a paper ballot is warranted by a vote of those present at the meeting. Following the annual town meeting, a budget validation referendum shall be held on the municipal Election Day on the second Tuesday in June. Polls are open from 8am to 8 pm and are located at the municipal building gymnasium. Town reports are available during the week before the election.

Real Estate Taxes and Home Owner Information

Tax Billing: Tax bills are sent to the owners of record as of April 1st by State law. If you buy property after that date, the bill will be sent to the recorded owner as of April 1st. Therefore, you may not receive a bill until the following year. However, taxes are still due and it is the responsibility of the new owner to obtain tax information from the town office or the previous owner. Taxes are payable in two installments usually due mid-to-end of September, and mid-to-end of February. Exact due dates will be noted on your bill.

You can now pay your real estate taxes, personal property taxes, and sewer bills online by visiting the town website at www.dover-foxcroft.org and clicking on the "online services" link.

Sewer Billing

If you live within the sewer district you will be assessed a sewer bill. The sewer bill is based on water usage and is broken into two parts. The base sewer services charge is \$89.65 for 0 to 1,200 cf per quarter and an excess rate of \$9.37 per 100 cf above 1,200 cf per quarter. A flat rate of \$89.65 is charged to customers with unmetered service. These fees are determined by the town budget and are voted on at the June election. Sewer bills are sent quarterly. The 1st and 2nd quarter due date is at the end of January and the 3rd and 4th quarter due date is at the end of June. Exact due dates will be noted on your bill.

If there are any services you would like to see offered or if you have suggestions as to how we can serve you better, please contact us. Address for mailing: Town of Dover-Foxcroft, 48 Morton Ave., Suite A, Dover-Foxcroft, Maine 04426; Phone (207) 564.3318; Fax (207) 564.36212.

It is our pleasure to serve you and we are always looking for ways to improve our customer service.

Sincerely,

Town of Dover-Foxcroft Office Staff

MOTOR VEHICLE

We began offering residents **Rapid Renewal Online Vehicle Registration Renewal Service** during the 2001-02 Fiscal Year and 170 re-registrations were done online. The number of residents using this service continues to remain steady each year. There were **456** renewals completed on-line in the Fiscal Year 2018-19 averaging **over 34** renewals per month. This service is available year round 24 hours a day, 7 days a week, for your convenience. You may access this website at www.dover-foxcroft.org or

www.sosonline.org. To complete your renewal online, you will need your yellow registration form, insurance card and current mileage. Payments for online registrations may be made by either credit card or checking account.

If you are registering a new or different vehicle for the first time, you will still need to come in to our office to complete your transaction. ***Effective November 2, 2017, due to the complexity of new motor vehicle registrations, we may not process them after 3:30 PM (4:30 on Wednesdays).***

Please note that our office staff is limited to phone quotes for *renewals* only. We will give you a quote or estimate for *new registrations* if all the required paperwork is brought into the town office. There is detailed information posted on our website that will assist you in “*what you need to bring*” and “*how to estimate the cost*”.

Totals for motor vehicle registrations are listed for the past five years in the fiscal year comparisons below.

INLAND FISHERIES AND WILDLIFE

We have been using the State of Maine “**MOSES**” (Maine Online Sportsman’s Electronic System) for Hunting and Fishing Licenses since October of 2005 and it has served us well. We have been processing boat, snowmobile and ATV Registrations using this system since January 2, 2008. This online registration system provides our residents with permanent registrations directly from the State and bypasses the need for temporary stickers and registrations. Since May 2009 boat re-registrations have been done online

also. Residents are encouraged to go to the State’s website, www.maine.gov and follow the links to “online services” to purchase their registrations and licenses from the convenience of their home. We now register non-resident snowmobiles and ATV’s, sell non-resident hunting & fishing licenses and non-resident milfoil stickers for boats. If you have questions, please feel free to contact us during regular office hours.

DOG LICENSES

When coming in to license your dog, please bring the current Maine certificate of rabies vaccination and documentation if your dog has been neutered or spayed. The State of Maine rabies Form #51, NAPSHV must be “embossed” and signed by a Maine licensed veterinarian. The annual fee for a dog license is \$11.00 (if not neutered or spayed) and \$6.00 (if neutered or spayed). Dog licenses for 2020 were available by October 15, 2019. Effective February 1st of each year, the State mandated late fee for unlicensed dogs is \$25.00 per dog. If you no longer own your dog(s), please notify us at the town office and we will update our records. Effective January 2011 the State no longer allows online dog licensing from February 1st to October 15th.

VITAL RECORDS

Vital Records remains one of the busiest, ever changing areas due to new laws constantly going into effect. We encourage everyone to call ahead so we may advise you on what you will need to prevent multiple trips to the office to obtain your record. Due to the amount of time that is needed, please plan to arrive at least 30 minutes before the office closes in order to receive your record on the same day. When applying for a marriage license, please come in ahead of time to pick up the required paperwork to take home and complete prior to getting your license. At that time we can set up an appointment for you both to come back to obtain your license and make sure you will have all the required paperwork. Please visit our website at www.dover-foxcroft.org for more information regarding vital records and genealogy requests.

ASSESSORS AGENT

The goal of the tax assessment office is to maintain fair, equitable, and accurate assessed values that are the basis for allocating the property taxes of the town to each property according to its proportionate value of the town according to state law. This office has worked and continues to work to achieve this goal.

The work undertaken by the assessment office includes reviewing all deeds in the town to update property records for ownership changes, updating parcel maps and assessment records when new lots are created in the town, maintaining and reviewing exemptions that individuals or organizations apply for, viewing and updating values on new or improved properties, maintaining property values in accordance to local trends in the real estate market, and maintaining values on taxable business equipment.

In 2018 (Fiscal Year July 1, 2018 to June 30, 2019) the taxable valuation of the town was \$299,833,900. The tax rate was \$21.20 per thousand. The amount raised from taxation was \$6,504,359.63. Of this amount \$2,785,394.99 was for schools and \$434,662 for Piscataquis County.

Following the overall trends of the economy in recent years, and the local real estate market, it may become necessary to reduce values on several types of property in the future. For now we will stay as close to market values as the annual ratio certification allows.

We remind homeowners that if you have not already applied, you may qualify for a Homestead Exemption. Homeowners who have owned a home in Maine for at least one year and are a resident of Maine can qualify for this exemption. Applications are available at the town office and need to be submitted on or before April 1. At 100% of value, this exemption is \$20,000. If you already receive this exemption it shows up as a \$20,000 exemption on your tax bill. There is no need to re-apply for this exemption every year as long as you reside in the same home. If you move from one residence to another within town, it would be a good idea to contact the Assessor's Office or reapply for the exemption just to make sure that your homestead exemption is transferred to your new home. New homeowners in town need to apply by April 1. There were 924 property owners who received the homestead exemption in 2018. Following this report is a summary of this and other tax exemption or tax relief information that may be helpful to certain property owners.

In 2019 we certified an assessment ratio, the ratio of assessed valuations to sales prices of 100%. It is our expectation to certify a ratio of 100% in 2020 as well. We will be reviewing recent sales prior to the commitment of taxes in 2020 to continue to monitor how our assessed valuations compare to recent sales prices.

Maine law provides that taxpayers who are of the opinion that their valuation is in excess of its market value or is assessed disproportionately to other similar property in the town have the right to request an abatement, a reduction in their valuation. A taxpayer has 185 days from the date of commitment of taxes to request an abatement in writing.

This year concludes my fourteenth year of contracting Assessing Agent services to Dover-Foxcroft. I have been assisted by Alan Gove, a key member of my staff, who has worked on a regular basis in town. We have enjoyed working for the town and meeting many property owners.

Connie Sands, in addition to working as Code Enforcement Officer, works on our tax assessment records and earns our thanks for this. We look forward to continuing our work with the help of Connie, Brian Gaudet and the town office staff. Their hard work and professionalism is appreciated.

Respectfully Submitted,

William VanTuinen
Assessing Agent

TAX RELIEF/CURRENT USE TAX

Exemptions

The exemptions described below all require a one-time application by the taxpayer. The application must be received by April 1 of the first year the taxpayer wishes to be eligible. A new application is needed only if the taxpayer moves into another home.

Homestead Exemption: A Maine resident who has resided in the state for a period of at least 12 months prior to the date of application may qualify for a homestead exemption on his primary residential property.

Veterans Exemption: A Maine resident who is age 62 or older and has served in a recognized war period or a veteran who is receiving 100% disability from the United States government as a veteran. This is a \$6,000.00 exemption. For certain veterans requiring specially adapted housing due to disability, this exemption is \$50,000.00.

Blind: A Maine resident who is legally blind may qualify for a \$4,000.00 exemption. Applications are available at the town office or can be downloaded from <http://www.maine.gov/revenue/propertytax>.

Maine Residents Property Tax Fairness Credit

Maine residents who have a high level of residential property taxes compared to their income may qualify for a refund of property taxes under the Maine Residents Property Tax Fairness Credit. To apply for the credit, you are required to file **Form 1040ME** online at: www.maine.gov/revenue/netfile/gateway2.htm or mail a completed Form 1040ME and Schedule PTFC to: Maine Revenue Services, PO Box 1066, Augusta, Maine 04332-1066.

1040ME Booklets may be downloaded from the Maine Revenue Services website at:
www.maine.gov/revenue/forms/homepage.html

Call 207-624-7894 or **Write** to: Maine Revenue Services, PO Box 9107, Augusta, Maine, 04332-9107 to have a Form 1040ME booklet mailed directly to you. For more information, visit www.maine.gov/revenue or call 207-626-8475. Although this is a State, not a local program, we have information available at the town office.

Current Use

The following **Current Use Programs** provide for a reduced valuation on undeveloped land. They also provide for penalties if the use of the land is changed. Applicants should carefully consider the benefits and disadvantages. Applications for these programs need to be made by April 1st of the first year for which classification is requested. Applications and bulletins explaining the programs are available at the town office or can be downloaded from <http://www.maine.gov/revenue/propertytax>.

Tree Growth. A parcel of land with at least 10 forested acres which are managed and, at times harvested, for commercial purposes.

Farm Land. Property must have a minimum of five acres and produce an income from agricultural use.

Open Space. No minimum acreage, but the parcel must be undeveloped and provide a public benefit.

CODE ENFORCEMENT OFFICER'S REPORT

Land Use Permits

There were 117 Land Use permits issued in the past fiscal year. Below is a breakdown of the permits issued for the fiscal year.

New Homes	8	Land Use	4
Mobile Homes	4	Structural Repair	1
Mobile Homes Relocated	1	Sheds	15
Garages/Bakers	7	Decks/Steps	7
Porches	4	New Camps/Additions	3
Interior Renovations	6	Demolitions	23
Signs	7	Bunkhouse	1
Swimming Pools	1	Home Additions	4
Renewals	3	Driveways/Gravel/Concrete Pads	4
Barns	5	Home Occupation	2
Chicken	1	Fences	1
New Commercial Structures	4	Cell Phone Tower/Antennas	1

Of the aforementioned Land Use permits issued; 12 were in Shoreland zoning and 2 were within the floodplain, requiring additional permits to be issued.

2018-2019	
Planning Board	Member Since:
Chris Maas – Chairman	2009
Lisa Laser	2015
Scott Wellman	2015
Denise Jackson	2019
Peter Robinson	2016
Louise Ringle	2017
Herbert Aumann	2017

The Planning Board meets the first Thursday of every month if there are any items on the agenda. You need to submit your plans to the office at least 14 days prior to this meeting as it is necessary for the office to notify the media and send letters to the abutters. The office has a list of the submission requirements that need to be submitted to the office, should you have a project that needs to be reviewed by the Planning Board. You can also find the requirements in our Land Use Ordinance at www.dover-foxcroft.org. All members of the Planning Board are volunteers from the community. Their input and expertise are invaluable to the town. They put in countless hours reviewing projects and a lot of times have to make unpopular decisions for the good of the town. The town thanks them for all their help and support throughout the year and taking time out of their busy lives to provide this service to their community. The Planning Board's report follows this one.

2018-2019	
Board of Appeals	Member Since:
Kurt Baird	2004
Paul Matulis	2014
Johanna Danforth Greenfield	2017

The board of appeals meets as needed to hear requests for variances or administrative appeals. There were no appeals filed this year. The board of appeals members are all volunteers too and the town thanks them as well for their time and dedication to the Town of Dover-Foxcroft.

PLANNING BOARD

The planning board had an eventful year. We had nine regular meetings. During that time we:

•	Made revisions to the Shoreland Zoning Ordinance
•	Approved a thrift store on Summer Street
•	Approved a large addition to the Pleasant River Lumber Company
•	Approved construction of two self storage facilities
•	Approved expansion of Spruce Mill Farm and Kitchen on West Main Street
•	Approved addition of second screen at Center Theatre
•	Approved office relocations on East Main Street

In addition, most of the members participated in meetings of the land use ordinance committee. In those meetings, moderated by the very capable Gwen Hilton, we worked on:

Streamlined permitting for uses that could be handled by the Code Enforcement Officer.

Solar Farms

Abandoned buildings, unfit houses, property maintenance

Structure for ordinances for Mega Projects (e.g. large projects for water extraction, wind farms, transportation corridors, etc.). This structure does NOT include ordinances for specific mega-projects.

The chair would like to thank Brian Gaudet, our Code Enforcement Officer for all of his good work (and patience). We also extend thanks to the planning board members Barry Hutchins, Lisa Laser, Pete Robinson, Herb Aumann, and Denise Jackson. Finally, we appreciate all the time and effort expended by the members of the land use ordinance committee; Paul Matulis, Louise Ringle, Stephen Grammont, George McKay, Barry Hutchins, Ryan Edgerly, Herb Aumann, Denise Jackson and Pete Robinson. These groups worked harmoniously together to keep this a warm, beautiful and business friendly community.

Chris Maas

Chair of the Planning Board

FIRE DEPARTMENT

The Dover-Foxcroft Fire Department has had a busy year with 172 calls, everything from house fires to wires down during major wind and rain storms.

The department is very lucky to have several men and women willing to serve on the department and protect the citizens of our town. State training is mandated for members to keep abreast of all fire department equipment.

We have been blessed with a major donation to purchase new jaws equipment (battery powered) so our indigent auto extraction will be faster and be able to go anywhere without hoses and motor being dragged along.

We received a grant for an exhaust removal system for all trucks. This helps remove diesel exhaust particles and toxic gases that causes cancer in our firefighters.

The County EMA office placed a gas (LP) meter in Engine 922 to detect LP in our homes and businesses.

We had some bad luck with our ladder tower with a motor that was worn out. We still have it in the repair shop hoping to have it back soon with a new motor which is much cheaper than a new truck.

Our fund raising endeavors included the boot drive, fire prevention letters and food booth at the Piscataquis Valley Fair. The fishing derby that started nine years ago has really become a fun event at Sebec Lake.

Teaching fire prevention in our schools is always a top priority with Lt. Ryan Taylor, Ralph Lewis, Capt. Eric Berce and Gary Sudsbury leading the way.

Together the budget committee and protection board reviews the fire department budget line by line. It has worked well and I expect it will continue in the upcoming years.

We continue to write grants to various programs to secure funding for the fire department needs.. A small town like ours with limited funds cannot fund all our needs without these grant programs.

In closing, I can't say enough good things about the men and women of the department and their families for the endless hours we all spend at fires, training and community activities. Without your dedication, a lot of things that are taken for granted would not get done.

Respectfully Submitted,

Joseph R. Guyotte
Fire Chief

TOWN WARDEN

The law of “No burning without a permit in hand” has saved the State and Towns a lot of unnecessary fire calls. Our policy of “No burning before 5 pm” with the exception of rainy days and when there’s snow on the ground, verbal permit is working.

Anyone can now go on line to www.maine.gov to get a fire permit.

Anyone needing a burn permit can call any of the following Town Wardens:

Chief Warden	Joseph R. Guyotte	564-2187 or 343-2267
Deputy Warden	Bonnie Guyotte	564-2187
Deputy Warden	Rick Pembroke	564-3475
Deputy Warden	Jerry Rollins	564-3650
Deputy Warden	Gary Sudsbury	564-2931

dooverpd@dooverfoxcroftpolice.com

www.doover-foxcroft.org

Greetings,

To say that we have been busy this year would be an understatement. Our department saw a significant increase in criminal filings in 2019. The year-end statistics, while not complete at the time of inquiry, showed nearly 130 criminal filings. That is nearly a 33% increase over recent years. These crimes were of various natures, including serious class A, B and C felonies such as sexual assault, domestic violence assault and gun related charges to name a few.

Our agency also saw the continuation of our relationship with victim services groups and the use of our regional Child Advocacy Center (CAC) here in our police department. The CAC saw a dramatic increase in the number of interviews that were conducted. Nearly 40 forensic interviews were conducted by area agencies. This represents a significant increase over the estimated projected number we initially had at the inception (15 yearly). This saved investigators, child advocacy personnel and support services workers hours of travel to the next nearest CAC in Bangor.

The partnership that we have established with SeDoMoCha (RSU #68) and Foxcroft Academy to start a School Resource Officer (SRO) program has paid off. This has led to the defusing of several delicate situations regarding students and/or the general public at the campuses. The program has been well received by students, their families, staff members and administrators in the ability to provide law enforcement support of critical and sensitive situations. The position saw the departure of the original employee and the replacement with a highly professional and well trained person.

Our aptitude continues to grow as does our service to the community. We look forward to addressing the needs of the community at large and improve services going forward into the new year.

As always, we are here to serve you.

Respectfully,

Ryan P. Reardon
Chief of Police

PUBLIC WORKS

The Public Works Department now consists of eight full time employees after hiring Jason Durgin, one of which is a mechanic. In the winter months we employ four additional part timers for snow removal.

The public works crew worked on several different projects this year. Some of which consisted of:

Added gravel on Klimavicz Road
Replaced fabric and added gravel to the west end of Bolton Road
Reclaimed and paved Dwelley Avenue, Grange Street, Grove Street, Harvey Street, Pleasant Street
Made drainage improvements, reground and paved Davis Street
Reclaimed section of Parsons Landing Road
Added crack seal to 500 ft. of Dawes Road
Shim/overlay: Autumn Avenue, Danforth Street, Davis Street, Forest Street, Hancock Street, ½ Pleasant Street
Put up winter sand
Screened Gravel at Pit

As always I'd like to thank my crew for their hard work and dedication throughout the year. I appreciate their efforts daily.

Respectfully Submitted,

Geoff Chambers
Public Works Supervisor

SOLID WASTE

For the period 1 Jul 2018 through 30 Jun 2019 the Dover-Foxcroft Regional Recycling Center received, processed, shipped, and sold the following materials.

2.04 Tons of Sorted Office Paper
59.72 Tons of Old Newsprint
226 Tons of Corrugated Cardboard
17.91 Tons of Assorted Food Grade Plastics
16.62 Tons of Mixed Paperboard (non corrugated)
10.76 Tons of Aluminum/Steel Cans
208 Tons of Appliances & other Scrap Metals

We also received, processed, and shipped out the following materials.

300 Tons of Brush Chips
56.40 Tons of Wood Ash
19.28 Tons of CRT's (Computer monitors and TV's)
2 Tons of Old Printers
2.9 Tons of Computer Towers
1.70 Tons of Mixed Electronics
26 Boxes of Fluorescent Lamps
49.19 Tons of Sheetrock Material

At our demolition site we landfilled over 300 tons of bulky waste (furniture, shingles, bathroom fixtures, and large plastic/fiberglass items). We also shipped out several hundred pounds of household hazardous waste, and several hundred gallons of anti-freeze and old gas. We are receiving revenue for all materials except glass which we landfill.

Be aware that our municipal waste is now transported to the new Coastal Facility in Hampden. Certain materials can't be put in the trash anymore. For a list of these items please pick-up a flyer at the recycling center or transfer station. Most of these items will go into the demolition container.

Respectfully Submitted,

Joseph Sands
Director, Solid Waste and Recycling

WASTEWATER TREATMENT PLANT

To the Citizens of Dover-Foxcroft:

This year this facility received and treated 78.123 million gallons of wastewater, 92.2 tons of organic waste, 103.1 tons of total suspended solids with overall treatment efficiency of 97 to 98%.

Description of Collection System

The Town of Dover-Foxcroft currently maintains a centralized wastewater collection system consisting of approximately 20.7 miles (109,218 linear feet) of gravity sewer mains and force mains, three wastewater pump stations and 537 sewer manholes. To date, all town owned sewer collection system has been upgraded to new PVC pipe. It has taken place over the last 25 years. With proper design and installation, it has been predicted that this sewer collection system should last over 100 years. With this said the town should not need to address any major upgrades of the sewer collection system for at least 75 years.

In addition to the public sewer system, the town oversees 15.1 miles (79,582 linear feet) of sewer service lines. The majority of our emergency services calls are due to this portion of the sewer system. The reason for this is some of the services are still old clay tile, asbestos cement, brick, or other substandard materials. Maintenance problems such as root intrusion, leaky sections, and structural deficiencies are associated with these substandard materials. They cause sewer line blockages and surcharge-induced flooding. If your sewer service consists of these substandard materials, you should have your sewer service line upgraded to prevent costly and inconvenient service calls.

Collection System Performance

The Town of Dover-Foxcroft Wastewater Department works hard to eliminate the overflows in the system. This is accomplished by constant preventive maintenance. Preventive maintenance consists of sewer cleaning and video inspection. The sewer cleaning keeps the wastewater flowing freely to the treatment plant. Video inspection allows us to pin point locations of problem areas, such as root intrusions, grease build up, broken pipe, and sources of infiltration and inflow (I/I).

There are a number of ways that clean water can enter the system.

- 💧 Connections of roof drains, sump pumps, cellar/foundation drains
- 💧 Connected storm drain system & catch basins
- 💧 Remaining sections of substandard sewer system that are leaky

The town has disconnected all storm drains and catch basins from the town's sanitary sewer system. Also, the town has upgraded all of the substandard, leaky sewer lines. The replacement of these lines is very expensive and we are still seeing increased flows during wet weather storm events. For instance, when we have a rain event of 2 inches it will more than double our influent flows. Most, if not all, is a result of private I/I water still entering the sanitary sewer system! This excess water makes the pump stations work 2 to 3 times longer and harder and results in higher electrical consumption and increased cost. You, as a homeowner or business owner, can help by preventing any water on your property that does not need to be treated from entering the sanitary sewer. If you have sumps, cellar, roof or yard drains hooked into public sewer lines, please have them disconnected. These connections, according to "town of Dover-Foxcroft, 2009 Sewer Ordinance" are ILLEGAL and could lead to enforcement action and added surcharge fee to your sewer bill. And if these illegal connections are not disconnected, the money spent on upgrading the public sewer system is less effective. PLEASE do your part so we can reduce our cost of treatment.

Combined Sewer Overflows (CSO's) were installed in the collection system to minimize damage from surcharge-induced flooding. Since the late 1980's, the Town has work very hard at eliminating CSO's events. I am pleased to announce that no CSO events occurred during this reporting period.

This year, we started a formal, proactive system-wide maintenance program. This plan was mandated by State of Maine Department of Environmental Protection and entails having a written collection system maintenance program. Simply put, the written program stipulates what we have for a collections system and how we plan on keeping it maintained.

This year, the department cleaned 1270 feet of sewer lines, inspected 61 manholes, responded to eight sewer service calls, several dig safe requests, four sewer disconnects, rebuilt 10 manhole chimneys, and addressed several manhole cover elevations.

Treatment Plant

The Dover-Foxcroft Wastewater Treatment Facility is looking and operating well for starting our 29th year of operation. The system is running as designed.

The facility consists of pretreatment operation that includes grit removal and screening, followed by three aerated lagoons operated in series, chlorination, and dechlorination. The pretreatment process removed 22 cubic feet of grit and 51.5 cubic feet of screenings this year. Removing these solids from the waste stream positively impacts the aerated lagoon treatment system. The pretreatment process has removed 2,723.3 cubic feet of grit and 921 cubic feet of screening to date.

Sludge removal & dewatering system was put on line in 2007. We removed the sludge that accumulated in lagoon #2 in 2008 & 2015, lagoon #3 in 2009 & 2016 and a large portion of lagoon 1 in 2010, 2011 and 2017. All three lagoons are at acceptable conditions. We will continue to keep track of and remove sludge as needed.

Before the sludge removal process and the new lagoon #1 aeration system, our treatment efficiency was rarely above 90% but now we are seeing 95% and above, consistently.

The chlorination and dechlorination systems work as designed this year. The chlorination system is a process that significantly reduces the pathogenic (disease causing) organisms that we discharge to the Piscataquis River. The de-chlorination system is a process that reduces the chlorine levels that is acceptable to discharge into the environment.

MAYO REGIONAL HOSPITAL HIGHLIGHTS

2019 HAD #4 Annual Report to the Communities

As we wrap up another year and decade at Mayo Regional Hospital, we have seen many changes that will be critical to our success.

Mayo/Northern Light Health Merger -

In 2019, Mayo continued its multi-year effort to successfully merge into Northern Light Healthcare. 2019 proved to be the busiest year yet! In February, the Mayo Board voted to enter into the Definitive Agreement and Plan for Merger. In April, four community education forums were held and subsequently 13 town meetings and votes. 12 of the 13 communities in the HAD affirmatively supported the merger.

In June, LD 1708, sponsored by Representative Norm Higgins and co-sponsored by Senator Davis, Representatives Stearns and Foster, successfully passed the State legislature. The bill was signed into law by Governor Mills on June 28.

We are currently awaiting the results of the Certificate of Need review, which has not been received as of this writing. If that is affirmative, the Boards would vote again and the merger could be complete by the end of January 2020.

-Amanda Young
Physician's Assistant

Mayo 
Regional Hospital
Together, We're Better.

Guilford -

In April 2019, due to a lack of available providers, Mayo made the difficult decision to close its long-time clinic in Guilford. The patients were transitioned to other clinics within and outside of the Mayo system. This was not something we wished to do, but rather a stark reminder of the difficulty recruiting to rural healthcare.

ENT -

In July, Mayo said goodbye to one of its beloved providers, Dr. Brian Miller. Dr. Miller retired after almost a decade of service to the communities that he practiced in; Dover Foxcroft, Millinocket and Lincoln. He is greatly missed and we certainly wish him well!

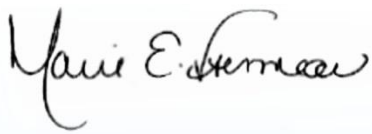

Orthopedics -

In further collaboration with our partners at Down East Orthopedics, we added the services of Dr. Jake Brooks in 2019. He joined the practice with Dr. Bill Rice and Dr. Ken Morse, his colleague at DEO who has been coming to Mayo for several years. We appreciate the willingness of our providers to have creative practices where they come to Dover Foxcroft to see patients several times per month to augment the practice of our own surgeon, Dr. Rice. It is a highly qualified team!

Workforce updates -

Mayo Regional Hospital continues to recruit skilled providers that best meet specific community needs. The following providers have been added to our team in 2019 to further enhance access to healthcare in our region.

Amanda Young, PA-C
Nancy Honeychuck, FNP
Hosam Abdallah, MD
Robin Willoughby, CRNA
Jacob Brooks, DO
Melissa Woody, PA-C
Mike Pike, FNP

Marie Vienneau, BSN, FACHE

THOMPSON FREE LIBRARY

The Thompson Free Library continues to develop programs and services in support of its mission to strengthen and serve our community, inspire learning, advance and create knowledge, and promote the spirit of human experiences and personal relationships.

The library provides an up-to-date collection of materials for all ages. In addition to books and media in many formats including audiobooks, movies, large print books, and graphic novels, library users can borrow equipment like a telescope and microscope, check out a vehicle pass to Maine State Parks, and get free admission to the Maine Discovery Museum in Bangor. Users can search for and request library materials through our online catalog. The new Kids Catalog allows simplified searching by image, topic, and age group. Users can also check out ebooks and digital audiobooks through the Maine InfoNet Download Library, and access free resources for career, genealogy, language learning, test prep and more through the Maine Digital Library. Find these on our website: www.thompson.lib.me.us.

The library encourages a love of reading through our early literacy programs. Every Thursday morning, families can join youth services librarian Michelle Fagan for stories, songs, and play. This year Ms. Michelle also offered bedtime stories on Tuesday evenings. New to TFL, Reading with Erma began in the summer of 2018. Young readers practiced their literacy skills with Erma, a Reading Education Assistance Dog, every Wednesday throughout the summer vacation months. Many thanks to April Taylor for bringing Erma to TFL. During the school year, Ms. Michelle continued to bring library services, including story times and book talks, to SeDoMoCha and the YMCA. To better support local schools, the library now offers all students and educators at SeDoMoCha and Foxcroft Academy a free library card, regardless of residency.

The library hosts many activities for children, teens, and adults. Special children's events included a visit by parrots from Siesta Sanctuary, which drew record attendance, and a vacation science camp led by Alicia Millette, who also offered STEM (Science, Technology, Engineering, and Mathematics) programs for teens. Youth services expanded to include an afterschool arts program and a teen advisory board, which helped provide feedback about library services. For adults interested in learning new skills, TFL's 101 Series hosted local experts on how to make homemade veggie soup, construct journals out of recycled materials, practice mindfulness, and more. New adult programs included a philosophy discussion group and monthly free movie night. The Maine Humanities Council sponsored a book discussion series and a community poetry reading, and the James Brown Lecture Series brought bestselling Maine mystery writer Paul Doiron. Other speakers included Anne Gass, Roger Guay, Wesley McNair, Jeffrey Merrill Sr., and Aislinn Sarnacki.

The library supports the educational goals of community members of all ages. Visit the library for research help, technology assistance, and access to public computers and Wi-Fi. High-speed internet service is provided by the Maine School and Library Network. Those interested in connecting with the past can find local history materials in the Maine Room, and browse our collection of digitized *Piscataquis Observers* online.

The Voices from HOME Oral History Project continues to collect and preserve stories about our region's history. Community members can borrow a digital audio recorder to record the memories of a friend or family member. The library welcomes use of its community room by local groups and organizations for meetings, workshops, and events. The library also displays the work of local artists. This year, our featured artists were: Mystie Belanger, Jo Eaton, Michelle Fagan, Wayne Finkle, Eric Leif Johnsen, Lisa Laser, Steve Maines, Pamela Pultz, Teresa Kennedy Sprague, Rogan Taylor, the Milo Art Guild, and local students.

Each year the library provides detailed statistics to the Maine State Library.

Highlights of Fiscal Year 2018-2019 data include:

<ul style="list-style-type: none"> Library visits: 34,092
<ul style="list-style-type: none"> Registered library users: 1,992
<ul style="list-style-type: none"> Circulation of physical materials: 36,019
<ul style="list-style-type: none"> Circulation of ebooks and digital audiobooks: 1,878
<ul style="list-style-type: none"> Community room uses: 105
<ul style="list-style-type: none"> Public computer sessions: 1,998
<ul style="list-style-type: none"> Library programs: 295
<ul style="list-style-type: none"> Program attendance: 3,228

The library benefits from collaboration with many other organizations in our community. The Center Theatre, the Commons at Central Hall, Pine Tree Hospice, Piscataquis County Soil and Water Conservation District, and the Piscataquis Regional Food Center participated in joint projects with the library this year. Thank you to all who use and support the library, including the Thompson Free Library Association, volunteers Pat Juska, Alex Shaffer, and Charlotte Turner, and our committed library staff Kim Brawn, Michelle Fagan, Tom Lyford and Valerie Talmadge.

PISCATAQUIS COUNTY ECONOMIC DEVELOPMENT COUNCIL

2020 Report

WHO WE ARE

PCEDC is a collaborative grass roots effort created in 1997 by county residents interested in promoting economic development in Piscataquis County. We celebrated our 20th anniversary in 2018.

OUR MISSION

The Piscataquis County Economic Development Council (PCEDC) seeks to leverage local, county, state and federal resources to promote and encourage private and public investment within Piscataquis County, Maine. The goal is to stimulate long-term sustainable economic development and job growth in the region.

VISION

Piscataquis County will have a strong, diverse, and vibrant economy that offers higher quality jobs to support strong, diverse, and vibrant families and communities. A strong economy is one that is wealth generating, able to survive national economic downturns, productive, and efficient. It's also diverse, containing a numerous, healthy combination of manufacturing, service, and retail businesses. Such an economy must be a vibrant one that values creativity, supports leadership, and is knowledge based. The resulting higher quality jobs will be able to financially sustain individuals, families, and communities.

PCEDC will continue to build a prosperous future of Piscataquis County for everyone by growing our population, ensuring a viable future for our youth, providing opportunities for lifelong learning and employment, promoting tourism and recreation promotion and advocating for this county at multiple levels in order to ensure a quality of life for all of our residents. Most importantly, we will partner with all County stakeholders to revive our economy and protect our citizens as we recover from the COVID-19 pandemic.

PCEDC Strategic Goals for 2020 and Beyond:

1. Develop and promote a creative and diverse economy;
2. Encourage entrepreneurs while strengthening existing businesses;
3. Modernize our infrastructure, both civic and tourism;
4. Increase lifelong educational and cultural opportunities;
5. Engage our communities in economic development by facilitating collaboration and partnerships; and
6. Continue work on Broadband Initiatives.

PCEDC Initiatives & Programs for 2020 (partial list):

- Work with the County Commission, businesses and communities of Piscataquis County to recover from the impacts of the COVID-19 pandemic
- Continue to implement Brownfields projects to benefit County communities
- Support businesses and municipalities in obtaining Community Development Block Grants
- Expand resources for economic and community development in the County
- Develop a new Strategic Plan for the PCEDC to guide its operations for the next five years
- Engage the County Commission and all stakeholders to draft a PC Economic Development Strategy
- Provide ongoing community support through the Helping Hands with Hearts initiative

Respectfully submitted,

PCEDC 2020 Executive Committee: Denise Buzzelli (President), Tom Goulette (Vice-President), Lucas Butler (Treasurer), Angela Arno (Secretary), Jim Annis (*ex officio*), Jack Clukey, James Macomber, Scott Moulton, Michelle McMahon, Thelma Reagan, Jenny Ward, Paul Stearns, Kathy White

Staff: John Shea (Executive Director) & Georgia Underwood (Community Development Specialist).

50 Mayo Street, Dover-Foxcroft, ME 04426 www.pcedc.org 207.564.3638

KIWANIS PARK - DOVER-FOXCROFT, MAINE

(Established 1989)

The Kiwanis Gazebo and Park area is maintained by the Kiwanis Club of Dover-Foxcroft.
The park is open to the public daily and closes at sunset.
The gazebo may be reserved for weddings, receptions, reunions, and other community events
and includes electricity, water and restroom facilities.
To reserve a date for your event call:
Town of Dover-Foxcroft, Municipal Offices, 564-3318 x 1023

Visit the Gazebo, Gardens, Playground, Picnic Area and Fishing Pond

For more information about Kiwanis Park call: Chair, Bob Moore at -717-3337

Read History of Kiwanis Park - www.doverfoxcroftkiwanis.org

All proceeds received will be used for the maintenance, upkeep and improvements to the Gazebo and Kiwanis Park area

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time

FRIENDS OF CENTRAL HALL

The Friends of Central Hall have been pursuing the dream of Central Hall Restoration since 2008 when a small group of citizens highly devoted to preserving nearly our last historic building met with this one goal in mind. We are all so very excited to see this dream come to fulfillment and to see our beautiful second floor restored to its late 1800's beauty. It has become a thriving and vibrant center for groups throughout our area to use for hundreds of community events and activities.

The landscaping is a “thing of beauty” and our thanks go out to Karen Maas for her hundreds of hours devoted to making us all catch our breath at the magnificence of it all.

Entwined amidst this beauty are your bricks – “**your**” engraved bricks dedicated to memories of beloved family members, individuals, former and current businesses and organizations all making up the *historical fabric* of our town. Over the past 11 years as we worked on this project, we knew we would always get a bit emotional as we finally got to see and walk amongst these memorial bricks and gardens. This part of the project has not failed us. It is so very rewarding to view this part of our history and to watch visitors and community members walking throughout pointing out bricks of those who will always have a place in our memories and hearts.

The best part of this project is that it is a **FOREVER** project with no deadlines or time limits. We have over 200 bricks at this time and will be eternally grateful to each and every one of you for your donations through this Memorial Brick Program. There will always be room for more

engraved bricks of your loved ones – anyone or anything you cherish and would like to have become a part of our historical map. Contact Barb Moore at 717-3338, Cindy Woodworth at 217-0963, or Mary Annis at 564-0820 for an application or information.

FOCH or Friends of Central Hall was honored on November 15th at the Valley Grange Hall in Guilford Center with a Spirit of America Award for contributions made to our community through this restoration program.

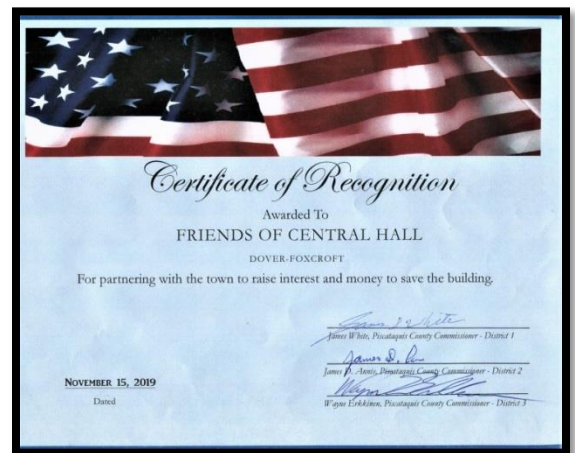

We extend a special thank you to Jack Clukey, Town Manager and the Town of Dover-Foxcroft for their ongoing support in our mission. We feel this Award belongs to every one of you in our community for your continuous and heartfelt support. **Thank you** from the bottom of our hearts for helping to save this building – for not letting it go the way of so many other historical buildings in this town and area. **You are the Spirit of America –the Spirit of Dover-Foxcroft History!**

Sincerely,

**Barbara and Bob Moore, Cindy & Brian Woodworth, Dennis Lyford, Mary & Jim Annis, Sylvia Dean
and our leaders: Chris Maas and Elwood Edgerly**

Original Mission Statement:

The mission of the Friends of Central Hall is to preserve, restore to its former glory, maintain, and operate Central Hall as an event center that showcases small town America and promotes a vibrant Main Street by joining forces with those seeking to revitalize the community.

Shiretown Homecoming Celebration 2020

ANNUAL MAPLE BREAKFAST, HOMECOMING PARADE, MUNICIPAL BEACH PARTY & FIREWORKS

The Dover-Foxcroft Shiretown Homecoming Committee has cancelled the 2020 celebration due to the COVID-19 pandemic. The health risk and uncertainty from the pandemic has led the committee to cancel the annual maple breakfast and the homecoming parade, beach party and fireworks scheduled for Saturday, August 1, 2020.

The committee will focus its efforts on planning a bigger and better 2021 celebration.

Our decision certainly was not an easy one but one that was necessary in light of the present COVID-19 health risks. The committee would like to take this opportunity to thank its numerous sponsors and volunteers who make this celebration possible and support it throughout the year.

STAY SAFE!

Fiscal Year

BUDGET ADVISORY COMMITTEE

The Budget Review Committee Work on the FY 2020-2021 Town Budget

The Budget Committee met to review and comment on the town's fiscal year 2020-21 budget. We met in person twice, on March 4th and March 11th. At those meetings, we discussed budget proposals for these departments: Protection, Hydrants/Fire, General, Government, Contingency and Abatement, Debt Service, Welfare, Library, Solid Waste, Recreation, Cemetery, Economic Development and the Airport.

Due to the COVID-19 shut downs, we did not meet again until a zoom meeting on May 13th. At that time, we reviewed changes to the budget in anticipation of the anticipated revenue shortfalls locally and from the state. We also covered the budget for Public Works and Road Maintenance.

We estimate potential revenue losses due to the COVID-19 of approximately \$210,000 (about \$63,000 from Excise Tax reductions and approximately \$149,000 from State Revenue Sharing). These are only our best guesses as of May 13th.

Given those anticipated revenue reductions and the uncertainties thereof, we recommended significant cuts to the original budget proposal. These cuts included: a reduction of wage increases to 2% (cost of living only), cuts in fuel costs, copier usage, consultant fees, library, other administration expenses and significant capital improvement deferrals (\$150,000 for a replacement plow truck, and \$150,000 for a bridge replacement). Both of the capital expenses were proposed to be funded by the use of fund balance and these deferrals will need to be made good in subsequent budgets. Total budget expense reductions from the original FY 2020/21 plan came to \$481,705.

As a result, the budget expenses that were recommended by the Budget Advisory Committee totaled \$5,329,635 (down from the prior year's expense budget of \$5,470,475). Given that the town expects to have an increase of assessed value of approximately \$4,000,000 (due to new construction), and given that both the County and School budgets are expected to be flat, we anticipate that, even with the COVID-19 cuts to revenue, *the net tax rate will likely remain unchanged from last year. Neither do we anticipate a change in Wastewater fees from this year.*

We understand that there remains a great deal of uncertainty and risk in this budget. Not only are we uncertain as to the amount of revenue reductions possibly beyond the \$210,000 in our budget, but we have deferred \$300,000 in capital expenses (bridge and plow truck) ***that must be made good in the future.*** We spent considerable time in the May 13th meeting discussing contingency plans to manage those risks. We are comfortable that the town administrators have sufficient resources to manage those risks, including, as a last resort when more information on the State's finances is known, calling a special town meeting.

Altogether, we are comfortable that this budget maintains essential services while trimming expenses wherever possible and yet, with the exception of the two above mentioned capital expenses, not exposing us to significant future liabilities.

The committee continues to recognize the excellent work that Jack Clukey, Lisa Ronco, David Johnson, and the town's department managers have done not only to prepare and revise the budget but to operate the town's departments so well on such modest funds. I would also like to express my appreciation for the work done by the review committee – Jim Annis, Lucas Butler, Kim Cavanagh, Bill Clark, Jamie Gaudion, Sean Letarte, Kathleen Thibault and Marc Poulin. It was truly an honor and a pleasure working with such a good group.

Respectfully Submitted,

Chris Maas
Chair
Budget Advisory Committee

PROJECTED TAX COMMITMENT

Town of Dover-Foxcroft Projected Tax Commitment Breakdown FY 2020-2021

Town of Dover-Foxcroft
48 Morton Avenue Dover-Foxcroft Maine 04426
Fiscal Year 2020-2021
Annual Town Meeting Warrant
Tuesday, July 14, 2020

To Ryan Reardon, a Constable of the Town of Dover-Foxcroft in the County of Piscataquis and State of Maine, or any other Constable of said Town:

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of said Town of Dover-Foxcroft in said County and State qualified by law to vote in town affairs, to meet at the Dover-Foxcroft Municipal Building Gymnasium in said Town on Tuesday, the 14th day of July, A.D., 2020 at Seven Forty Five O'clock in the forenoon, then and there to act upon the following articles:

ARTICLE 1

To elect a Moderator to preside at said meeting and to vote by written ballot.

ARTICLE 2

Shall the Town appropriate revenues anticipated in the amount of \$2,133,808 and appropriate additional funds including funds from surplus in the amount of \$260,000, for a total amount of \$2,393,808 to be used to reduce amounts to be raised from the property tax commitment to fund appropriations in subsequent articles, and; authorize the Board of Selectmen to appropriate an additional amount from surplus to reduce the property tax commitment?

Board of Selectmen Recommends.

Budget Advisory Committee Recommends.

ARTICLE 3

Shall the Town raise and appropriate the sum of \$4,651,635, for Town Operations? (Revenue and surplus to be used to reduce the amount to be raised to fund this article is \$2,279,508, net amount to be raised is \$2,372,127.)

	Previous Year	
General Government	\$ 1,570,260	\$ 1,546,525
Protection	\$ 547,900	\$ 545,135
Fire Department	\$ 197,830	\$ 187,215
Fire Hydrants	\$ 215,305	\$ 215,305
Public Works	\$ 998,095	\$ 992,380

TOTAL	\$ 72,500	\$ 87,500

Board of Selectmen Recommends.

Budget Advisory Committee Recommends.

ARTICLE 6

Shall the Town appropriate all money received from the State of Maine (anticipated in the amount of \$90,000) for capital improvements and maintenance of Town roads and bridges per Urban-Rural Initiative Public Law Title 23 Chapter 19 Subsection 1803-B, and raise and appropriate \$310,000 for capital improvements and maintenance for Town Roads? Total expenditure = \$400,000.

		Previous Year
Local Road Improvements	\$400,000	\$400,000

Board of Selectmen Recommends.

Budget Advisory Committee Recommends.

ARTICLE 7

Shall the Town of Dover-Foxcroft appropriate all sewer department revenue anticipated in the amount of \$728,510 to fund sewer operations, debt repayment and capital? Total expenditure = \$728,510 .

(Sewer fees are projected to remain unchanged at a base rate of \$89.65 for usage at 0-1,200 cubic feet and \$9.37 for usage in excess of 1,200 cubic feet.)

Sewer Department Operations, Debt Repayment and Capital

		Previous Year
Operations	\$ 446,415	\$ 440,835
Debt Repayment	\$ 218,695	\$ 218,745
Capital Equipment	\$ 63,400	\$ 89,850
Capital Improvement	<u>\$ 0</u>	<u>\$ 37,000</u>
TOTAL	\$ 728,510	\$ 786,430

Board of Selectmen Recommends.

Budget Advisory Committee Recommends.

ARTICLE 8

Shall an ordinance entitled “Amendments to the Town of Dover-Foxcroft Land Use Ordinance” be enacted?

Note: An attested copy of the proposed Ordinance is available at the Office of the Town Clerk and will be available at Town Meeting.

ARTICLE 9

Shall an ordinance entitled “Amendments to the Town of Dover-Foxcroft Land Use Ordinance pertaining to the regulation of Solar Energy Systems” be enacted?

Note: An attested copy of the proposed Ordinance is available at the Office of the Town Clerk and will be available at Town Meeting.

ARTICLE 10

Shall an ordinance entitled “Town of Dover-Foxcroft Vacant and Abandoned Building Ordinance” be enacted?

Note: An attested copy of the proposed Ordinance is available at the Office of the Town Clerk and will be available at Town Meeting.

ARTICLE 11

Shall an ordinance entitled “Amendments to the Town of Dover-Foxcroft Land Use Ordinance pertaining to the regulation of Mega Land Uses” be enacted?

Note: An attested copy of the proposed Ordinance is available at the Office of the Town Clerk and will be available at Town Meeting.

The Selectmen hereby give notice that The Office of the Registrar of Voters in the Dover-Foxcroft Municipal Building will be available from 7:30 o’clock in the forenoon until 4:30 o’clock in the afternoon on the 9th, 10th and 13th day of July AD, 2020 to receive applications of persons claiming a right to vote.

PISCATAQUIS COUNTY ICE ARENA

Seeking an Event Space alternative? The NxtLvl of the PCIA offers a conference and dining room for events including corporate and birthday parties. Used by many in Piscataquis County, the PCIA “Skate and Dine” events allow for a different kind of party experience. Individuals, Schools, Churches, and Businesses alike have enjoyed skating and socializing at the PCIA.

LEARN TO SKATE, YOUTH HOCKEY, STICK & PUCK, PUBLIC SKATE ICE HOCKEY/ FIGURE SKATING / CURLING / BROOMBALL

Your Skill-Level will not determine Your Ability to Have Fun!
The PCIA will ensure Skating Programs are available to all
from Beginner to Seasoned Veterans!

Build Relationships - Experience Fun - Grow Personally

PCIA Current Happenings

Curling – Broomball

Penquis Youth Hockey Association & other youth hockey programs

PCIA Skate Programs - Adult League Hockey

Public Skates - FA Club Hockey including members from other area HS's

Participants from Greenville, Milo/Brownville, Guilford, and Corinth schools.

Private Rentals including Birthday Parties and Corporate Functions

Possible Future Events

The PCIA is also looking for alternative usage options for the facility. Future events may include concerts, trash & treasure sales, conventions, trade shows, themed dinners, roller hockey, roller derby, indoor soccer, themed public skates (Laser Lights, holiday), summer hockey camps (daytime & overnight), summer figure skating camps and Family Fun Days where people can gather to play Volleyball, Cornhole, Badminton, and more. We are looking to increase our programming allowing all to participate. People with disabilities and/or who are wheelchair dependent, will also have the opportunity to participate in multiple activities at the PCIA. Homeschoolers will have the opportunity to enhance their education activities by utilizing the facility during the day when others are in class. Daily, we are discovering new opportunities for our participants. We welcome your thoughts and thank you for your support!

The PCIA - 1049 W Main St – Dover-Foxcroft, ME 04426
