An on-campus COVID-19 vaccination clinic will be held from 1:30–3 p.m., June 21–24 in the Coe Room, Memorial Union. Members of the UMaine community who received the Moderna, Pfizer or J&J vaccines are encouraged to participate. You need to be 5 months out from your last Pfizer or Moderna vaccinations, and 2 months from your last J&J vaccinations to receive the booster. Interchanging the type of vaccine with the booster shot is an approved practice.

This is a walk-in clinic; no appointments required.

Bring to your appointment:

- a copy or the original insurance card used for prescriptions, or have a picture of it readily available on your phone
- COVID vaccination card or a picture of it on your phone
