Exhibition Contest

Won by Colby

The annual exhibition game with Colby, Patriot’s Day at Waterville, ushered in the 1923 baseball season. Maine was forced to take the losing count 5 to 3. The game was replete with everything expected in the first game of the year, hits, errors and sensational fielding mingling with strikeouts, dumb baseball and a cool wind. Altho the condition of Alumni Field at Orono had given the Maine team no opportunity even for a practice game before the contest, but two errors were credited to our team.

Coach Wilkie Clark sent Thompson, Perry and Repscha to the mound, reserving Jack Jowett, his pitching ace, for the latter games.

Leadoff men figured in the scoring on both teams. Colby romped into a two-run lead in the first inning. Lanpher walked and Peabody sent his captain to second with a pretty single.

McGowan whiffed the breezes but successive one shots by Shanahan and Fransen brought in two runs. Cutler walked, as did Ratcliffe. Callaghan of right field dropped a bunt.

McGowan walked, and Stearns doubled and King was placed on second. Osgood fanned but Lunge doubled to right, Shannon slightly misjudging the drive. Ratcliffe threw Dunham’s smash to the stands and Lunge tallied.

 McGowan whiffed the breezes but successive one shots by Shanahan and Fransen brought in two runs. Cutler walked, as did Ratcliffe. Callaghan struck out with the bases loaded.

Maine annexed two runs in the eighth. Stearns singled but was forced at second by King. Osgood walked and Lunge drew a life when Peabody fumbled his hopper. Dunham struck out. Foster singled, scoring King and Osgood. Fransen threw out Cooney.

The team left Orono Monday morning, April 23, for Winooski Park, Vt., where they were to cross bats Tuesday with the Rutgers University. They arrived there Monday night and played the intercollegiate game Tuesday at 2 p.m.

At the time of going to press no report of the results had been received.

History of the Alumni Association

Synopsis

The alumni movement was inaugurated August 5, 1875, with a meeting at Orono. George R. Hamlin '73 was elected the first president. The meeting of 1876 adopted a constitution; those of 1877 and 1890 were concerned with legislative enactment shall have the college. At the 1881 meeting the Association recommended that additional copies of the annual report of the college be printed and distributed to the people of the State in order to advertise more extensively the value of the institution.

At the same meeting the following resolution was adopted: “Resolved, that whereas Hon. Caleb A. Chaplin has never attended but one meeting of the Board of Trustees of the Maine State College since his appointment as a member of that body and has in no way manifested any particular interest in the affairs of the College, we deem it proper and expedient that said Hon. Caleb A. Chaplin resign his said oath of office at once and that we recommend the appointment of some member of the alumni of the College in his place,” and W. T. Haines was appointed to present this resolution to the Governor.

The June 28, 1882, meeting was held in the hall of the Eagle Engine Company and a resolution was passed to petition the State Legislature to amend the laws of the State so as to have alumni representation on the Board of Trustees.

At the June 27, 1883, meeting it was reported that a law had been passed at the last session of the Legislature providing for the appointment of one trustee from the graduates.

Public Laws 1883, Chapter 196.

AN ACT to provide for the addition of one member to the Board of Trustees of the State College of Agriculture and the Mechanic Arts, and to make such member from the alumni of said college.

Sec. 1. That one additional member shall be added to the present board of trustees of the State College of Agriculture and the Mechanic Arts, who shall be a graduate of said college, and not less than twenty-five years of age; and a resident of this State, and shall hold his office for a term of three years, so that said board of trustees shall consist of nine members, including the secretary of the State board of agriculture.

Sec. 2. That the Governor, with the advice and consent of the Council, shall appoint such member of said board of trustees to fill such vacancy upon nomination of the alumni association of said college, made at any regular meeting of said association, held for the purpose of nominating said member known to the Governor and Council by the secretary of said association, and such member shall hold his office for a term of three years, so that said board of trustees shall consist of nine members, including the secretary of the State board of agriculture.

Sec. 3. Said alumni association shall make such appointment, and the secretary shall make the appointment known to the Governor and Council within six months after any vacancy may occur in such position, or after the approval of this bill by the Governor, and the said appointment shall not be made by said association within said six months, or said appointment shall be made known to the Governor and Council within said six months, as hereinbefore provided; and the Governor and Council shall appoint some person who is a graduate of said college, and who is not a member of said association, and such appointment shall be made known to the Governor and Council by the provisions of section one, to fill said vacancy.

(Amended March 10, 1883.)

The late Hon. William T. Haines '76 of Waterville was the first alumni trustee recommended by the Association and appointed by the Governor. At this meeting E. M. Blanding '73 was elected as the first secretary of the Association.

Annual meetings were held in Orono, June 25, 1884, June 25, 1885, June 30, 1886 and routine business conducted.

June 8, 1887, a five year reunion was held in addition to the regular annual meeting. On this date application was made to A. E. Rogers, Justice of the Peace for Penobscot Co., to incorporate the alumni into a society for educational purposes, and on June 9, 1887, said A. E. Rogers issued the following warrant authorizing the applicants to meet at the town hall in Orono on the 29th of June, 1887, for the purpose of organizing the society. Mr. G. H. Hamlin '73 was elected President of the corporation and Walter Flint, '82 was elected Secretary.

To A. E. Rogers, a justice of the peace in and for the county of Penobscot.

The undersigned, being desirous of becoming an incorporated Society for educational purposes under the name of "The Alumni Association of the Maine State College," do request you to issue your warrant authorizing them to meet at some proper place to be expressed in said warrant, on the twenty-ninth day of June, Eighteen Hundred and Eighty-seven, for the purpose of organizing such society by choosing a president, secretary, and other needful officers.

STATE OF MAINE

Penobscot Co., 89.

GENTLEMEN:

Pursuant to the foregoing application, you are hereby notified to meet at the town hall in Orono, Penobscot County, on the twenty-ninth day of June, A. D. 1887, at three o'clock in the afternoon, for the purpose mentioned in said application.

Given under my hand and seal at Orono in said county this 8th day of June, A. D. 1887.

A. E. ROGERS, Justice of the Peace.

As the dollars roll in from now until June 9, Bananas VI, the University of Maine bear mascot, will be busily engaged in laying the bricks for the Gymnasium-Armory Memorial building. When you make your contribution you, too, will become a Bricklayer.

Bequests to the University

The Levi M. Stewart Fund
This is a fund received in 1914 from Hon. David D. Stewart, executor and residuary legatee of Levi M. Stewart, late of Minneapolis, Minnesota, amounting to $20,000. By special permission of the donor, this fund, at the time it was given, was temporarily invested as a part of the purchase price of the College of Law building in Bangor, known as Stewart Hall. Owing to the strained financial condition of the University the Trustees have not as yet been able to follow out their desire to reimburse the Fund and thus establish it as an endowment for the College of Law.

The David D. Stewart Gift
This is the gift in 1914 of Hon. David D. Stewart of St. Albans, Maine. In 1913, by reason of the Bangor fire, the Trustees were forced to find quarters for the College of Law. The Merrill property on Union street was purchased for $37,500 under arrangements for payments to be made in the future as funds became available. Four years later through the efforts of Hon. David D. Stewart, $20,000 of this debt was paid by means of the establishment of the above mentioned Levi M. Stewart Fund, while the unpaid balance $13,750 was covered by a gift from Hon. David D. Stewart.

The Nehemiah Kittredge Loan Fund
This fund was established by Nehemiah Kittredge of Bangor in 1886, and was originally $600. It is under the control of the President and Treasurer, and from it loans are made to needy students in the three upper classes. It now amounts to $1846.74.

The Eugene Hale Scholarship Fund
The gift of Mrs. Eugene Hale of Ellsworth, providing for scholarships of $25.00 each. The principal of this fund now amounts to $575.40.

The Maine Canner's Association Scholarship Fund
A gift from the Maine Canner's Association, of Portland, Maine, providing for scholarships of $25.00 each. The principal of this fund now amounts to $393.35.

The Kidder Scholarship Fund
The gift ($750) of Frank E. Kidder, late of Denver, Colorado, class of 1879 providing for the award of a scholarship to a member of the junior class selected by the President and Faculty.

The Bricklayer

Erected by THE ALUMNI 1923

The Memorial Fund Campaign has brought to mind the bequests which have come to the University since its inception in 1863. That the bequests are relatively few in number and not of large sums the following resume will indicate.

The Abner C. Coburn Trust Fund
Upon the death of Ex-Governor Coburn of Skowhegan it was found that he had bequeathed to the University the sum of $100,000 to be used as an endowment. The benefaction is without restrictions so that the interest can be used at the discretion of the Trustees. At present this sum is invested in Registered Bonds of the State of Maine bearing interest at 4% per annum.

Some persons have thought that Coburn Hall was the gift of Ex-Governor Coburn whose interest and labor was an important factor in founding the institution.

United States Land Script Trust Fund
Under provisions of an Act of Congress, approved April 2, 1862, the State of Maine received two hundred and ten thousand acres of land from the sale of which the University received an endowment fund amounting to $118,300 which is at present invested in Registered 5% Bonds of the State of Maine. The income fund may be used at the discretion of the Trustees.

American Institute of Electrical Engineers Loan Fund
The gift of the University of Maine section of the A. I. E. E. for the benefit of students in the three upper classes who are taking the electrical course, amounting to $111.62.

Joseph Rider Farrington Scholarship Fund

The gift ($1,000) of Arthur M., Edward H., Oliver C., Horace P., and Wallace R. Farrington, all graduates of the University of Maine, and sons of the late Joseph Rider Farrington, who, from 1871 to 1879, occupied respectively the positions of Farm Superintendent and Instructor and Professor of Agriculture. The gift is a memorial to their parents and provides for a scholarship under conditions named by the donors.

Stanley Plummer Scholarship Fund

The gift of the late Col. Stanley Plummer of Dexter, providing for scholarships, now amounts to $1,035.87.

The Class of 1873 Prize Fund

The gift of Russell W. Eaton, a graduate of the University in the class of 1873. This gift provides for scholarships and amounts to $1,000.

Dr. T. U. Coe Bequest

The will of the late Dr. T. U. Coe of Bangor, a Bowdoin alumnus, created certain trusts upon the termination of which the University will receive sizable sums of money. Under this plan, two years after the death of his wife, Sadie L. Coe, $100,000 will become available to the University, while under certain conditions which might terminate another of the trusts created under the will, $50,000 more would pass into the control of the University. The will further specifies that the bequest shall become a permanent fund and that only the income therefrom shall be used for the legitimate purposes of the University.

Four Hundred Dollars
From Orono Ball

Reports indicate that four hundred dollars was realized in connection with the citizens' entertainment and ball in the Orono Town Hall, Friday evening, April 19, when 100 couples danced and were feted for the benefit of the Memorial Fund. The music, decorations, printing, refreshments and use of the hall were volunteer offerings.

An hour's entertainment program was first presented. It opened with music by the University of Maine Band, a popular Bangor soloist, sang a selection from grand opera. Then followed an Indian solo dance in costume, to a tom-tom accompaniment. The dancer was a member of the tribe at Old Town, a professional who has been two years on the Keith vaudeville circuit.

Miss Margaret Mitchell sang Cadman's At Dawning, and the Fortier sisters gave an exhibition of Highland dancing. Miss Laura Dyer sang, in costume, a solo from I Trottovere, and she and Mr. Smith appeared in a duet from the Prison Scene in the same opera. Miss Eleanor Fitzherbert and Miss Mary Jane Hoar of Bangor, who made a hit in the recent Bangor carnival, danced, costumed in the Maine colors.

A concert by the band and the singing of the Stein Song, led by Sidney Osborne, concluded the program. Then followed three hours of dancing, the music being furnished by Clark's Novelty orchestra.

The patrons included Dr. and Mrs. Clarence C. Little, Col. and Mrs. F. H. Strickland, Mayor and Mrs. Day of Bangor, Gen. and Mrs. Mark L. Hersey and Miss Agnes Hersey of Boston, and Mrs. W. H. Jordan. The general committee in charge was Mrs. Roselle W. Huddilston, Mrs. Lucile C. Hamlin and Frank G. Gould.

Eastern Mass. on Jump

To Area 21, comprising eastern Massachusetts with a total of 150 cities and towns, has been assigned the largest quota of any of the 43 areas. A rousing field worker's meeting at the Boston City Club, Friday evening, April 20, indicates that the enthusiasm bottled up and ready for circulation during the two weeks intensive campaign, April 23 to May 5, will place that area among the leaders in the Memorial Fund campaign.

Grover T. Corning '10 and his field captains are confident of exceeding the quota assigned.
Pertinent Paragraphs

by the Memorial Fund Committee

An alumnus of the University “met another” across a restaurant table at lunch the other day. The former is a worker in the Memorial Fund Campaign. The latter sought information on the progress of the campaign. Fifteen minutes was enough to “sell” the latter and he left the lunch-room thinking in terms of “two hundred and fifty,” whereas he was lukewarm at “fifty” when he asked his first questions.

MORAL—“Think Big! Act Big!”

1923

The Portland Express-Advertiser of April 11 said: “The condition of Alumni Field will not warrant anything but infield or battery practice for Coach Clark’s ball team.”

1925

The Portland Express-Advertiser of February 1 will says: “Candidates for University of Maine’s baseball team worked out yesterday on the indoor field of the Memorial Gymnasium-Armory.”

As Briggs has said, “Oh, boy! Ain’t it a grand and glorious feeling?”

—

A hen does not stop scratching because worms are scarce. When the worm crop is below par, Mrs. Hen goes right on scratching. In fact she scratches harder and longer and deeper than ever. Don’t wait. Start now, and keep going. Remember the hen.

Are you willing to forego membership in one of your clubs and give the money to Maine?

Spanish War Heroes Memorial

There is a very general desire among the alumni that the Gymnasium-Armory be made a memorial to include all the sons of the University who at any time have made the “supreme sacrifice” for their country. It is particularly felt that in addition to those who died in the World War this building should be a memorial to the men who died in the Spanish-American War.

It should be understood that the Alumni Council voted that the building be a memorial to the men who died in the World War, and it is not within the power of the Memorial Fund Committee to enlarge the memorial nature of the Fund. However, the Memorial Fund Committee agrees with those alumni who have made the suggestion, and it proposes to recommend to the Council that the Gymnasium-Armory be dedicated in memory of all Maine men who have given their lives to their country. The next meeting of the Council will be at Commencement. There is probably no question but that favorable action will result.

Gratitude

Let us be frank with ourselves. We have done very little for Maine in a really substantial way, though Maine has helped make us what we are and hope to be. We have taken and not returned—a fact of which none of us are proud.

We have loved our University—every tree on the campus, the old main entrance beside the Lower Waiting Room, ancient Oak Hall, Wingate with its symmetrical tower, and the vine covered Experiment Station. They are all very close to our hearts.

We have gratitude for what the University has done for us; we have loyalty to Maine and the ideals she taught us; we wish to see her prosper. How better can we express our feelings than by paying homage to her fallen sons?

We all want a part in this. Any one of us would be conscience stricken to come back in after years and, looking upon the Memorial Gymnasium-Armory, be forced to think, “Well, the other fellows did it—I did not care enough so that I did my utmost to make that building possible.”

They Gave All

Earle R. Robbins '20 succumbed in the influenza epidemic which sacrificed so many lives in the training camps of the country. He died at Camp Devens, Sept. 24, 1918, after twenty days of service.

Philip B. Sheridan '15, 2nd Lieut. of Infantry, was killed by a high explosive shell while leading his men over the top between the Meuse and Argonne, October 9, 1918.

Thomas M. Brittain '18 went overseas in June, 1917, as a member of the New England Sawmill Units. In January, 1918, he was transferred from Scotland to the American Army at London. He immediately went to France, was assigned to Co. B, 167th Infantry, and shortly thereafter was made a Corporal. He lost his life while on patrol duty in No Man’s Land, July 15, 1918.

David M. Gaskill '19 succumbed from pneumonia following influenza Oct. 7, 1918, at the Navy Base Hospital No. 5, Brest, France, and is buried at the Military Cemetery, Kerfautras, in Brest.

24 Hour Debate

24 hours in which to prepare for a varsity intercollegiate debate was the task which by agreement confronted the three Maine and three Michigan Aggie debaters who gathered in the University library Sunday, April 22, at 8 P. M., for the announcement of the question. Maine drew the negative side of the question. Resolved: That the occupation of the Ruhr by France is justifiable. Working on the material gathered by Librarian Walkley the six debaters passed most of Sunday night and all day Monday in preparation for their contest. Monday evening, April 23, just 24 hours later, Dr. Little presided at their appearance in Alumni Hall to determine which team could better debate the question assigned. The Michigan team won the decision, excelling in delivery and argumentation. Arthur E. Wilson '23, Howard E. Wilson '23, and Merle C. Niles '23 were the Maine debaters.

Dr. Harris in Orono

Old friends of Dr. Abram W. Harris, former president of the Maine State College and University, now secretary of the Board of Education of the Methodist Episcopal Church at New York City, were glad to greet him on the occasion of his visit to Orono Sunday, April 22. Dr. Harris preached the sermon at the United Parish service in Orono and convinced his hearers that he still possesses the same power of thought and personality which endeared him to his associates from 1893 to 1901.

"I read my alumni magazine regularly and carefully. I am sure other subscribers do the same"

ABOVE are exact words of the Treasurer and General Manager of a big corporation manufacturing personal articles for men. Yet their advertising agency does not understand the intimate appeal of the alumni magazines. Their advertising manager is afraid that they should not use alumni magazines on their regular advertising schedule because they are not known as "major" mediums, or because they are not read by this manufacturer's dealers, or because they do not carry page after page of competitive advertising.

Really, these objections are good reasons why this manufacturer and others should use the alumni magazines. The reader interest of the news notes is incomparable. The intimate appeal of this and similar alumni magazines has specific advertising value.

Forty-four alumni publications have a combined circulation of 160,000 college trained men. Advertising space may be bought individually or collectively—in any way desired. Two page sizes—only two plates necessary—group advertising rates.
