- Identifying University Resources and Materials for the COVID Response Effort (03/25/2020) -

The University of Maine System has [entered into a Memorandum of Understanding](#) with the Maine Emergency Management Agency that will guide and expedite deployment of facilities, available supplies, services, and personnel into Maine's response to the COVID-19 Public Health Emergency.

As part of this agreement the University will be coordinating with MEMA to maximize the impact of these contributions and will be tracking resources that are transferred for potential disaster relief reimbursement.

Faculty and staff who have recommendations on University resources and materials that could be transferred to the relief effort should please send these suggestions to UMSC19Request@maine.edu for coordination, approval, and tracking. Review of all suggestions will be expedited.

Managing Requests for Resources: If you are aware of a request for University property, supplies or resources, or the availability of such resources to contribute, please send this information to UMSC19Request@maine.edu for consideration and potential distribution. All transfers of University materials must be managed through this request process for coordination and tracking purposes.

To provide detailed information about the resources and materials:

1. Please make a copy of this [Google Sheets spreadsheet](#)
2. Fill in the the description(s) of the product/resources/supplies
3. Share your spreadsheet with umsc19request@maine.edu

Note: For additional information on completing the spreadsheet, see these [detailed instructions](#).
