INTELLIGENCE  
RULES AND ADMINISTRATION

January 3, 2018

Dear Friends,

Representing Maine in the United States Senate is an honor.

I continue my work on the Senate Armed Services Committee, each year authorizing the funding required to build our military capabilities and ensuring that our service members are trained and equipped to defend our nation. I was pleased to be part of a bipartisan effort to enact a new law to simplify the appeals review process to reduce the backlog our veterans are facing, as well as a new law that provides critical funding to the VA Choice Program, allowing veterans in rural Maine to access services closer to home.

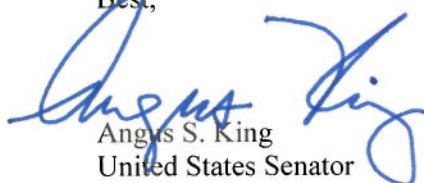

While my committee work is important, working to combat the opioid epidemic is one of my top priorities. Although Congress has made some important strides, much remains to be done to provide additional funding for prevention, treatment and enforcement. I am working with colleagues on both sides of the aisle to pressure the Drug Enforcement Administration to reduce the amount of opioids produced and to thwart the flow of fentanyl and other deadly drugs into our country.

I am very optimistic about the integrated, multiagency effort I led with Senator Collins to foster innovation and commercialization in Maine's forest economy. Through the Economic Development Assessment Team (EDAT) we are already experiencing increased federal investments that will strengthen our existing forest products industry and help support job creation in rural communities. Initiatives like Cross Laminated Timber, Combined Heat and Power, nanocellulose, 3D printing with biobased materials and other biobased products will mean that Maine's wood-basket will continue to be a major jobs and economic contributor for our future.

Finally, the coming year will continue the work of the Senate Select Committee on Intelligence in the ongoing investigation of Russian interference in the 2016 election. Our Committee has held seven public hearings and numerous classified sessions, reviewed tens of thousands of pages of documents and conducted hundreds of interviews. I remain focused on the security of our elections and committed to developing strategies to prevent interference by foreign governments in our democracy.

May 2018 be a good year for you, your family, your community and our great State.

Best,

Angus S. King  
United States Senator

**Senator Amy F. Volk**  
**Assistant Majority Leader**  
3 State House Station  
Augusta, ME 04333-0003  
Office (207) 287-1505  
Cell (207) 229-5091  
[amy.volk@legislature.maine.gov](mailto:amy.volk@legislature.maine.gov)

Dear Friends and Neighbors:

I would like to thank you for the opportunity to represent you in the Maine Senate. It has been an honor to work on your behalf to make our state an even better place to live, work and conduct business.

On August 2, 2017, Maine lawmakers finally adjourned, marking the end of the First Regular Session of the 128th Legislature. The Legislature was called back into session by the Governor on October 23rd to address a few lingering issues. In November, I was honored to have been selected by my Senate colleagues to serve as the Assistant Majority Leader. In this position, I will assist the Senate Majority Leader in ensuring member attendance, counting votes and communicating the position of the Senate Republican caucus.

The Legislature took significant action last year by removing the surtax that was imposed on Maine's small businesses, doctors and other professionals. I believe that had it been left in place, this tax presented a serious threat to the state's economy. At the same time, Maine voters indicated that they wanted more state revenue directed toward public education, and I am pleased to report that this Legislature passed one of the largest one-time increases in education spending in state history. Along with the increase in funding were numerous reforms aimed at ensuring more resources went directly to Maine classrooms.

Much of the 128th Legislature's work centered on the education surtax and several other ballot initiatives that were approved in November 2016. Some of the issues we will be dealing with in the second session are continued work on marijuana legalization implementation, Medicaid expansion and the opioid epidemic.

The Legislature also passed a measure to make Maine compliant with the REAL ID Act. Had lawmakers failed to take action, Maine citizens would have been unable to use their driver's licenses to board commercial airplanes and access certain federal buildings beginning in 2018. The legislation that was passed makes Maine compliant with federal standards, but also addresses privacy concerns that prevented lawmakers from adopting REAL ID earlier. Maine has since received an implementation extension, making Maine licenses and state IDs valid for travel and admission to federal facilities good through October 19, 2018.

While we accomplished much, there is still a lot of work ahead of us. This session, I will continue to work on issues that are important to me and the State of Maine, such as human trafficking issues, affordable housing, workforce inclusion and criminal justice reform. Again, thank you for entrusting me to represent you in Augusta. Please feel free to contact me if you need my help in navigating the state bureaucracy. I can be reached in Scarborough at 207-229-5091, in Augusta at 287-1505, or by email at [Avolk@volkboxes.com](mailto:Avolk@volkboxes.com).

Sincerely,

Senator Amy F. Volk, Assistant Majority Leader

## Maureen Terry

9 Lombard St

[Maureen.Terry@legislature.maine.gov](mailto:Maureen.Terry@legislature.maine.gov)

## House of Representatives

2 State House Station  
Augusta, Maine 04333-0002  
(207) 287-1400  
TTY: (207) 287-4469

Dear Neighbors:

It is such an honor to serve Gorham in the Maine House of Representatives.

As your voice in Augusta, I will continue to stand up for our community as we face the need for growing public infrastructure, from roads to schools and everything in between.

In my position on the Legislature's Taxation Committee, I am committed to making sure hard working Maine families are treated fairly by the state. Last year, we worked to craft a budget that would relieve financial pressure on towns and property tax payers while continuing to fund necessary projects and programs. The \$162 million in new education funding that we secured was an essential piece of that work.

This year, the Legislature has already taken up several hundred bills, but we still have a great deal of work to do before we adjourn. We will continue to work on a wide range of topics, including properly implementing the health care expansion overwhelmingly passed by voters last November. We will also continue to wrestle with education costs and property taxes, our energy and technology infrastructure, implementing the recommendations of a task force that studied Maine's opioid crisis, finding consensus on the voter-approved citizen initiative legalizing the recreational sale of marijuana, ensuring our kids' safety, pushing for accountability within state government and much more.

Please feel free to contact me with any questions or concerns or if you need assistance working with your state government. I can be reached by email at [maureen.terry@legislature.maine.gov](mailto:maureen.terry@legislature.maine.gov) or by phone either on my cell (712-9735) or at the State House (1-800-423-2900).

Again, I am honored and grateful for the opportunity to serve you.

Sincerely,

Maureen Terry  
State Representative

## **FREQUENTLY ASKED QUESTIONS**

### **What types of services are available online?**

[www.gorham-me.org](http://www.gorham-me.org)

Many services that are available at the Municipal Center are also available online. From the Town's Homepage, click on one of the "Where do I go for" links to:

Re-Register vehicle	Re-Register ATV, Snowmobile, Boat, Trailer
Register dog (between Oct. 15 – Jan. 31)	Obtain a Hunting or Fishing License
Obtain a Burn Permit	Register for a Recreation Program
Reserve or Renew your Library book	Obtain Tax information and print Tax Maps
Search the Library's catalog	Download and print Building Permit Applications
Access Interactive GIS maps	View Meeting Videos
Pay Property Taxes (current taxes)	

\* This is not a complete list of the services the Town offers. Please visit the Town's website for a complete listing.

**The Town of Gorham also offers an online mapping application. The WebGIS is an interactive map that runs in a web browser and provides the public with geographic data not previously accessible. Some of the data that is available includes: road centerlines, property lot lines, zoning, utilities (Sewer & Water), floodplains (Current and new Proposed FEMA Maps), and much more. Click on the Interactive GIS Maps in the "Where do I go for" section on the Town's homepage.**

### **When are my taxes due?**

Taxes are normally due November 15<sup>th</sup> and May 15<sup>th</sup>. The Town Council may occasionally change these dates if they fall on a weekend.

### **How can I view my property tax bills?**

Access this information by going to the Town's website [www.gorham-me.org](http://www.gorham-me.org). From the homepage, go to "Town Departments" and then click on "Assessing Department". Scroll down to find the link for "Real Estate and Personal Property Tax Bills". Choose the desired year to view. Choose the file with the first letter of the property owner's last name as of April 1<sup>st</sup>. If you are printing a copy of the tax bill, be sure to choose "print current page" or "print selected record" on the printer menu so you don't print the entire file.

### **Can I pay my taxes online?**

Yes. Beginning November 10, 2014, Residents can make credit/debit card payments 24 hours a day, 7 days a week by clicking on the Online Transactions Link found in the "Where Do I Go For" section on the Town's home webpage. Property taxes can be paid with a Visa, MasterCard, Discovery, or American Express card. Payments are processed through Maine PayPort Online, a third party service working in partnership with the Town of Gorham. By using this third party service, your credit card information is processed through a secure site. For any questions regarding this service, please call (207)222-1611.

Maine PayPort will assess a 2.5% service fee for each transaction; however, all transactions that are \$40 or less will only be charged a \$1.00 fee. **PLEASE NOTE:** Overdue taxes may NOT be paid using this service and must be paid at the Town Office.

To pay your bill, you will need the account number located on the last page of your tax bill and a valid credit card. If you are unsure of your account number, or the amount owed, you can call the Town Clerk's Office at (207) 222-1670.

**How can I view my property assessment information?**

You can access this information by going to the Town's website [www.gorham-me.org](http://www.gorham-me.org). From the homepage go to "Town Departments" and then click on "Assessing Department". Scroll down to "Current Property Tax Data (Vision)". Click on the link to view information on property, including assessed value and photo of building(s).

**Do I have to apply for the Homestead Exemption or Veterans Exemption every year?**

No. Once approved, your Homestead Exemption is in place and will carry over from year to year. If you move, you will have to submit an application for the new property.

**Where can I get a burn permit?**

Weather permitting; residents are able to obtain burning permits at the Gorham Fire Station during the hours of 8:30am to 4:30pm, Monday through Friday and on Saturday and Sunday from 8:30am to 12:00pm at NO CHARGE. Burn permits are also available at no charge (only during the above listed hours) from the Town of Gorham website at [www.burningpermit.com](http://www.burningpermit.com).

Residents may also obtain burning permits from <http://www.maineburnpermit.com> at a fee of \$7.00.

**How can I get a Fireworks permit?**

You can apply for a fireworks permit by going to [www.fireworkspermit.com](http://www.fireworkspermit.com) or go to the links on the Town of Gorham's Web Page or Gorham Fire Departments Web Page. Residents, who are 21 years old and are going to use the fireworks on their own property or have written permission to use some else's property, may apply for a Fire Works permit. If weather allows and the Town is issuing burning permits, those that have applied will have their fireworks permit approved after 09:30 on Saturday morning. No permits will be available after 12:00 noon on Saturdays. Once the permit has been approved, you must print it, sign it and have it with you while using the fireworks. You must be a least 150 feet from any structure.

**How can I obtain a passport?**

As of May 1, 2011 and until further notice, the Town Clerk's Office will no longer be accepting passport applications due to changes in the Western Hemisphere Travel Initiative. Applications and photos may be processed at the Gorham Post Office.

**When will my trash be picked up? What if there is a holiday?**

There are several different trash pickup days, depending on where you live. You can look up your area by logging onto the Town website and going to the "Trash and Recycling Information" link from the Public Works Department page. You will also find alternate schedule information as well as other useful information on recycling.

**Who do I contact if I come across a stray dog or cat?**

You can reach the Animal Control Officer by calling Regional Dispatch at (207) 839-5581.

**What do I need to get my car registered?**

For **FIRST** time registrations, the person or persons to whom the vehicle is being registered must come in to process the registration. Anyone can re-register a vehicle.

Proof of Insurance from your Insurance Company can be e-mailed to [townclerk@gorham.me.us](mailto:townclerk@gorham.me.us) or faxed to 839-5036.

**If purchased from a Maine dealer:**

Blue Copy of Title Application  
Bill of Sale  
Lease agreement (If a leased vehicle)  
Proof of Insurance  
Old Registration (if old plates are being used)  
Maroney Label (Window sticker if a brand new vehicle)  
Current Mileage

**If purchased in a private sale (Note that sales tax must be paid to Town Office):**

Bill of sale  
Previous owner(s) original title assigned to you on the back by seller or the blue copy of title application from a lending institution  
Lien Release (if needed)  
Proof of Insurance and current mileage

**If previously registered out of State:**

Out of State Title or lien holder's address  
Lease agreement (If a leased vehicle)  
Out of State Registration  
Proof of Insurance  
Current Mileage  
Paperwork for Vehicle Re-registration  
Old Registration - Proof of Insurance - Current Mileage

**Do you accept credit cards?**

The Town of Gorham offers the convenience of accepting credit cards or debit cards for payments. Due to the fees charged to the Town by the Bank to process these transactions, a non-refundable convenience fee will be applied to cardholders who wish to pay via credit card or debit card. The fee will be disclosed at the time of the payment transaction with the option for the cardholder to decline the fee and make the payment via check or cash. A fee of 2.5% of the transaction amount will be charged for any amount over \$40. A \$1.00 minimum will be charged for any transaction amount under \$40.

## **REPORT OF THE TOWN MANAGER**

### **FY 2017-2018**

It is with great pleasure that I am able to provide the Annual Report for the fiscal year beginning July 1, 2017 through June 30, 2018 to the Town of Gorham.

This year was my first with the Town of Gorham since the retirement of long time manager David Cole in September of 2017. I'd like to take a moment to recognize David for his dedication to the Town of Gorham and helping to ensure a seamless transitional period.

In the fiscal year of 2018, the Town of Gorham's local economy has continued to thrive. The Town issued 91 permits for new homes, 10 permits for condominiums and 34 commercial building permits for a total of 135 permits, down from 154 permits issued in the previous year.

In the fall of 2017, the Town saw the opening of the new Sebago Brewery located on lower Main Street. It is the center point of development in this area as the Town continues to grow and significantly adds to our roadside commercial corridor as people travel into Gorham.

Also in September, the Town put into service a new fire pumper and aerial truck for the fire department, which replaced trucks that were over twenty years old and substantially improved the apparatus capabilities of the department. A new ambulance was also put into service continuing a program of responsible replacement and modernization of capital equipment.

Work continues on the Great Falls Construction Railroad Ave Project, a mixed use complex in the Gorham Village. Expected to open in 2019, this project is one of several new large investments in the Gorham Village area.

Gorham continues to see the benefit of state infrastructure funding with the replacement of the Deguio Mill Bridge on Gray Road. The first of several significant MDOT projects proposed for the Town of Gorham in the next several years, the bridge was completed on time and on budget over a significant transportation corridor. Additional work planned for Gorham in the coming year will be the joint MDOT, Portland Water District and Town of Gorham reconstruction project of Main Street, which will also include a PACTS project to replace traffic signals.

The Gorham Town Council and School Committee continue to work on planning for the future of our school facilities. Both elected boards have begun the process of researching options for a high school renovation and expansion project to address the needs of our growing community.

Last remodeled and expanded in the early 1990s, Gorham High School faces crowding as student populations increase. The Harriman engineering and design firm was selected by the Gorham School Committee to begin initial concept and pricing designs on the project, which could go to the voters for approval in late 2018 or 2019.

This past year, the Town accepted Woodspell Road, Geranium Drive and Carnation Drive as new public roads adding approximately 0.59 miles of new road.

Additionally, Gorham continues to distinguish itself as one of the few communities in Maine that received a Certificate of Achievement of Excellence in Financial Reporting from the Government Finance Officers Association for our FY2018 fiscal year. Gorham has received this award for outstanding financials for the last thirteen years.

Respectfully submitted,

Ephrem Paraschak  
Town Manager

## ASSESSING DEPARTMENT

The Assessing department, supported by Cumberland County Office of Regional Assessing and one part time Administrative Assistant, assigns and updates tax values on all existing and new tax parcels in Gorham using a computer-based assessing program (Vision), including a geographic information system (GIS) component. This process includes property inspections and technical data entry, sales studies and analysis and changes within the system when appropriate.

Additionally, the Assessing department provides a wide range of property information to real estate professionals and others through the Town of Gorham website, over the telephone, through email and in-person at the Assessing office. Assessing reviews and assigns tax map/lot numbers for newly created lots and subdivisions and frequently works with contractors, other Town of Gorham departments and Emergency-911 agents regarding address issues, including the E-911 mandated naming of driveways. Assessing also processes all property owner transfers, maintains files on each taxable parcel, digitally records deeds and maintains sale price records. Annually, Assessing produces updated tax maps of all real estate tax parcels in Gorham.

Assessing also administers the homestead, veteran and blind property exemptions; special land use designations, including tree growth, farm use, open space; and the personal property BETR and BETE programs that result in tax savings for Gorham property owners and businesses. Assessing provides assistance and question resolution regarding these exemptions and tax reduction programs. Annually, the department compiles a total value for all assessed taxable property and responds to a variety of State of Maine reporting requirements.

### TOWN OF GORHAM, MAINE Property Tax Rates – All Direct and Overlapping Governments (Per \$1,000 of Assessed Value) Last Ten Fiscal Years

	<u>Direct</u>		<u>Overlapping</u>	
Fiscal Year	Municipal Tax Rate	School Tax Rate	County Tax Rate	Total Tax Rate

2018	5.33	11.08	.69	17.10

Source: Town of Gorham Assessing Office.

\*\* The drop in the tax rate for fiscal year 2008 & 2016 was the result of a Town-wide value adjustment for all real property tax parcels.

## BAXTER MEMORIAL LIBRARY

The Baxter Memorial Library serves our community as a welcoming and accessible gathering place for information, lifelong learning and enjoyment. The library strives to foster the exchange of ideas, values, traditions and conversations. Through its membership in the MINERVA Library Consortium and reciprocal borrowing agreements with area libraries, the Baxter Memorial Library has access to books and resources from over 60 libraries throughout the state. Additionally, our renewed participation in the Cloud Library offers access to thousands of e-books and digital audiobooks.

Program Attendance	7,129	7,890	8,152	8,634	10,577

\* To align with Minerva policies, our movie and magazine loan periods were changed from 1 week to 3 weeks in July 2014. This decreased the number of renewals and has affected our total circulation starting with FY2015. This change has been popular with our patrons and overall circulation has continued to increase.

\*\* We discontinued our subscription to downloadable content in February 2014. This service was reinstated in July 2017.

^ Internet Use Sessions exclude wireless access which is available at the Baxter Memorial Library 24/7, both inside the library and within a short radius outside. We are currently unable to gather statistics on wireless access but, anecdotally, the decline in logged internet use sessions has been coupled with a continual increase in uncounted mobile sessions.

+ Inactive patron records are culled each year. On July 1, 2015, any patron that had not adopted our new library card was removed. This action resulted in both an unusually low Total Patron count and an unusually high New Patron count for FY2016. These numbers are expected to normalize going forward.

## CODE ENFORCEMENT OFFICE

The Code Enforcement Department, managed by the Zoning Administrator and supported by three full time employees, encompasses the plan review and permit issuance of new construction and property reuse and redevelopment. The Department also conducts inspections of all building projects to ensure that the construction is in conformance with issued building permits, Codes and Ordinances. The Code Enforcement Officers provide review, interpretation, inspection and enforcement of the Gorham Land Use and Development Code, the 2009 International Residential Code (IRC), 2009 International Building Code (IBC), 2009 International Energy Conservation Code (IECC), 2014 National Electrical Code (NEC), 2000 Uniform Plumbing Code, 2011 Subsurface Waste Water Code, the 2007 ASHRAE Energy Code, the 2007 ASHRAE Ventilation and Indoor Quality Code, the 2009 International Existing Building Code (IEBC) and the State of Maine Life Safety Code NFPA101. The Code Office further reviews development applications regarding Shoreland Zoning, Flood Plain and applications for appeals to be heard by the Zoning Board of Appeals. The Code Officers perform plan review as members of the Development Review Team and Project Review Group. They also conduct site inspections on minor site plan developments and are compliance officers for Planning Board approved projects. The Code Officers also review applications and issue permits (building, electrical, plumbing, septic system, sign and use permits), conduct inspections pertaining to the aforementioned, assist the public with zoning matters, assessing information (copies, deeds, etc.), investigate complaints and enforce ordinances. They work closely with the Planning and Fire Departments to ensure compliance with related codes and work in conjunction with the State Electrical Inspectors Office, Department of Economic and Community Development and the Maine Department of Environmental Protection (MDEP) to ensure compliance with relevant state and local laws and ordinances.

## GORHAM COMMUNITY ACCESS TELEVISION AND TECHNOLOGY (GOCAT)

**GGETV Channel 3** (Government/Education) – [www.gorham-me.org](http://www.gorham-me.org)

**GOCAT Channel 2** (Community Access) – [www.gocat.org](http://www.gocat.org)

### *Mission Statement:*

*To be a communication resource for use by the Town and the Town of Gorham's citizens.*

The Gorham Community Access Television (GOCAT) Department provides the following services through the support of one full-time Community Media System Manager, one part-time Media Specialist, on-call Videographers/Production Assistants and volunteers: maintenance of the broadcast, web streaming, online video content and technical functions for two Public/Educational/Government (PEG) stations. An HD production studio and office is located at the Gorham Municipal Center.

**Channel 3 or 121.2** - the government and education station records and programs for broadcast of municipal and school meetings, as well as information provided by county and state departments. We provide official information pertinent to citizens regarding their government.

**Channel 2 or 121.1** - the community side provides training, equipment and broadcast time to residents wishing to create their own media presentations.

### **Other Services**

**Community Outreach** - Staff works with citizens and most of the non-profits in our area. Productions feature guest lecturers, special events, local talk, arts, sports and informational shows.

**Video Archive** - Gorham Access is the steward of the Town and community video archives, and receives frequent requests for media duplication. We continue to add videos that document the history of Gorham in this epoch of time.

**Media Support** - Town and School requests for video productions both in studio and on location. Presentation support with audio/video equipment, designing presentations, video editing and media duplication.

**System Support**- Manager maintains technical support for the 2 PEG broadcast systems, as well as the streaming functions for community media. All equipment required for on location, in the studio and across the digital systems is maintained, serviced and replaced as needed.

**Distribution of content** - Online sites where we provide media include [www.gorham-me.org](http://www.gorham-me.org), [www.gocat.org](http://www.gocat.org), Facebook, Vimeo and YouTube. Our online viewership continues to expand as we disseminate information to citizens that do not subscribe to cable television. Online views from 7/1/17 – 6/30/18: Total views for Government programming delivered through Town

website = 3297. Total views for Community programming delivered through YouTube = 7754 and for Vimeo = 2665 views.

### **Major Equipment**

GOCAT's equipment inventory includes the following: digital video and still cameras; non-linear edit systems; remote camera systems; HD studio recording system; video server system; Apple and PC computers; public address systems; video projectors; microphones; audio mixers, and portable light system.

### **Updates**

Gorham is in the process of renewing its cable franchise contract with Charter Communications - Spectrum Cable. A committee has been formed and is meeting as needed. A survey of cable use and evaluation has been circulating through town. The survey is available on the Town's website, or a printed copy is available by calling the GOCAT Office at 207-222-1641.

Gorham cable TV subscribers and viewers of Gorham's local access channels will recognize that Channel 2 and Channel 3 have a second designation on the broadcast range. This change occurred in Gorham in 2016, at which time - Time Warner moved Gorham access channels to 121.1 and 121.2. Subscribers with premium services did not see this change since 121.1 and 121.2 were mapped by Time Warner to their original locations on Channels 2 and 3. People with basic-tier cable needed to have a newer TV with a digital tuner, and were required to program these channels themselves in order to receive GOCAT. If subscribers did not have a newer model TV, they were required to rent a converter box from the company to view access channels. This decision by the company is contrary to the premise and philosophy of Public Access television programming, and it affects Gorham's elderly demographic the most. As part of Charter's digital encryption project, all viewers will eventually be required to have a converter box, regardless of the type of TV that is owned.

The process of moving access channels into a higher channel range by cable providers is to be addressed by the State of Maine Legislators in a future session. The Community Television Association of Maine and other stakeholders have crafted a bill that has been sponsored by Senator David Woodsome – LD1371, "An Act To Ensure Non-Discriminatory Treatment of Public, Educational and Governmental Access Channels by the Cable Operator."

## **GORHAM ECONOMIC DEVELOPMENT CORP.**

The Gorham Economic Development Corporation's focus is to engage in business attraction and retention practices that will allow for the expansion of the business community in Gorham thereby stabilizing and expanding the tax base and creating jobs for its citizens. While constituted as a stand-alone corporation, it is funded by the Town of Gorham. Staff also participates in special development projects, including managing the Town's revolving loan fund, grant applications and regional planning efforts. The corporation is staffed by one part time employee and overseen by a nine-member volunteer board of directors which meets monthly.

2017/2018 was another solid year for attracting and retaining business in the Town, as a strong local and regional economy has encouraged entrepreneurs to start and expand their businesses.

### **Development Activity**

July 1, 2017 - June 30, 2018

36 Businesses Assisted  
7 Businesses Attracted  
2 Businesses Retained/expanded

### **Attraction:**

Attraction efforts were very strong over the past year and include The Bait Lady in the Olde Canal Park, and Lone Pine Brewery which took over the former Sebago Brewing building in the Gorham Industrial Park. Others include 9 Rounds Fitness, Seedlings to Sunflowers, The Bier Cellar, Saco Bay Therapy and Brock Scaffolding.

### **Retained/Expanded:**

2017 saw the completion of a couple key retention efforts including the opening of the new Sebago Brewing operation on Rt 25. Mega Industries in the Gorham Industrial Park is also expanding their building. Carters Green Market relocated to Elm Street, and the mixed use residential/ commercial building on Railroad Avenue nears completion.

### **Special Projects:**

Through the Town Revolving Loan Program, Seedlings to Sunflowers received a \$5,000 interest-free loan for sign construction and a \$5,000 line of credit for business working capital. My-Fit-24 Fitness Center repaid their loan in full.

The process for joining the Main Street Network Program administered by the Maine Development Foundation continues. This program will open up resources to help with ongoing downtown revitalization efforts. We have redesigned our website, [www.gorhammaine.org](http://www.gorhammaine.org) to be mobile friendly, and installed three new directional signs in the Gorham Industrial Park.

# TOWN OF GORHAM PLANNING DEPARTMENT

## Statistical Summary for FY 2018

The Planning Department provides planning assistance and technical support to the Planning Board, the Administrative Review Committee, the Town Council and the general public. The staff coordinates the review of all proposed land use development applications requiring approval by the Planning Board or the Administrative Review Committee. The Department also oversees special planning projects, the development and adoption of new ordinances and amendments to the Land Use and Development Code, as well as the official Zoning Map of the Town.

During the current fiscal year, the Planning Department has processed applications for 34 new developments and amendments to previously approved projects, and 21 applications carried forward from 2017, for a total of 55: 33 have been approved, 1 was not pursued, and 21 were carried forward for completion in FY 2018. The Planning Board and staff also prepared and/or reviewed 2 zoning map amendments and 8 zoning text amendments, with 2 zoning map amendments and 3 zoning text amendments being adopted by the Town Council and 5 zoning map amendment being carried forward for completion in FY 2019.

### **Development Activity**

## PUBLIC WORKS DEPARTMENT

The Public Works Department is primarily responsible for the maintenance of over 148 miles of Town roads and 12.57 miles of State roads. This road maintenance work includes, but is not limited to, the maintenance of pavement (summer and winter), markings and striping, signage, bridges, culverts, ditches, traffic lights, trees, picking up dead animals and trash in the roadway, mowing of grass within the roadway, cleaning of catch basins, and street sweeping. In addition to roadway maintenance, Public Works also conducts capital road improvement projects, building, cemetery and facility maintenance, cemetery burials, mowing and trimming of Town grounds, and oversees the curbside collection "Pay-Per-Bag" and recycling program. Public Works, through the Public Works Director, assists with development plan review and construction and coordinates the Town's GIS Program. Public Works also assists every other Town Department and the School System in a variety of capacities when needed.

**PUBLIC WORKS DEPARTMENT  
TRANSFER STATION  
SOLID WASTE AND RECYCLING**

The Public Works Department maintains the two existing closed landfills, including the administration of the required water testing program.

The transfer station is open for grass clippings and leaf drop-off during normal business hours and is open by appointment noon to 1 p.m. Monday through Thursday for the disposal of motor oil. The transfer station is also open during two Saturdays in the spring and two Saturdays in the fall for brush disposal.

The Pay-Per-Bag curbside program began in July 1, 2002 and includes the collection of solid waste and recyclable materials. In 2015, EcoMaine eliminated the annual assessments to Towns. DPW estimates that approximately 2,660 tons of solid waste and 1,142 tons of recyclables were handled by the curbside collection contractor in FY 2018. 204,250 15-gallon trash bags and 98,625 33-gallon trash bags were sold in FY 2018. In addition 14,270 tags for 15 gallon trash bags were sold and 7,525 tags for 33 gallon trash bags were sold in FY 2018.

## RECREATION DEPARTMENT

Gorham Recreation Department provides people of all ages opportunities for activities and experiences that support healthy living and community involvement. The Department offers wide a variety of youth and adult sports programs, family outdoor recreation opportunities including hiking, biking, skiing, canoeing and a host of community special events including concerts, festivals, holiday celebrations and camp activities for grades K-8 on a year-round basis.

**TOWN OF GORHAM, MAINE**  
**Balance Sheet**  
**Governmental Funds**  
**June 30, 2018**

Reconciliation of the total fund balances - total governmental funds  
to the total net position of governmental activities:

Total fund balances - total governmental funds, Statement 3	\$	19,904,032
---	----	------------

Amounts reported for governmental activities in the statement of  
net position (Statement 1) are different because:

The deferred charge on the refunding bond in governmental activities is not reported in the funds.		479,550
---	--	---------

Capital assets used in governmental activities are not financial  
resources and therefore not reported in the funds. More  
specifically:

Non-depreciable capital assets	3,930,271	
Depreciable capital assets, net	74,641,501	78,571,772

Long-term liabilities are not due and payable in the current period  
and therefore not reported in the funds:

General obligation bonds	32,436,250	
Bond premium	1,004,331	
Notes payable	198,853	
Capital leases	454,000	
Net pension liability, including related deferred inflows and outflows of resources	1,574,665	
Compensated absences	1,084,787	
Accrued interest payable	211,989	
Net OPEB liability, including related deferred inflows and outflows of resources	1,665,963	(38,630,838)

Unavailable revenues - property taxes not reported on Statement 1		676,800
--	--	---------

<b>Net position of governmental activities</b>	<b>\$</b>	<b>61,001,316</b>
--	-----------	-------------------

*See accompanying notes to basic financial statements.*

**TOWN OF GORHAM, MAINE**  
**Reconciliation of the Statement of Revenues, Expenditures**  
**and Changes in Fund Balances of Governmental Funds**  
**to the Statement of Activities**  
**For the year ended June 30, 2018**

Net change in fund balances - total governmental funds (from Statement 4)	\$ 377,880
Amounts reported for governmental activities in the statement of activities (Statement 2) are different because:	
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which depreciation expense (4,597,052) and book loss on disposal (\$8,905) exceeded capital outlays (\$2,758,512) in the current period. (Note 6)	(1,847,445)
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.	800
Bond, note and capital lease proceeds provide current financial resources to governmental funds, but issuing debt increases long-term liabilities in the statement of net position. Repayment of bond, note and capital lease principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net position. (Note 11)	3,392,100
The Town is amortizing the deferred charge on refunding and the issuance premium over the life of the refunding bond.	55,238
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in long-term accrued compensated absences. (Note 11)	16,401
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in OPEB liability with related deferred inflows and outflows of resources. (Note 11)	11,435
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in accrued bond interest payable.	21,369
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds. More specifically, this represents the change in net pension liability with related deferred inflows and outflows.	383,735
<b>Change in net position of governmental activities (see Statement 2)</b>	<b>\$ 2,411,513</b>

*See accompanying notes to basic financial statements.*
