## Evans talks with WABI about welcoming activities

August 31, 2020

WABI reported on The AMaineizing Race, a scavenger hunt at the University of Maine aimed at welcoming new students. "We're doing so many more diverse programs, so many more inclusive programs. Just getting students involved whether they're on campus, in Maine, or Alaska or anywhere in between," said Ben Evans, coordinator of campus activities. The scavenger hunt is part of an initiative to keep students safe while enjoying college life.
