# ADMINISTRATION FACULTY—STAFF

# WASHINGTONIANS

# ON CAMPUS

These years at Washington State  
begin with the inevitable tyranny  
of time, and sometimes loneli-  
ness, but more often friendships -  
elections - quiet study - challenges -  
decisions - mazes untangled - faces  
washed - and problems solved - °  
excitement - feuds - and always  
. . . plenty of toil and routine  
. . . with dinner drawing near  
and the endless shadow of books  
and the muted distant thunder  
of finals .

Ralph Waldo Emerson said:

"The laws of each art are convertible  
into every other. Raphael paints  
wisdom, Handel sings it, Phidias  
carves it, Shakespeare writes it,  
Wren builds it, Columbus sails it,  
Luther preaches it, Washington arms  
it, Watt mechanizes it"

and we say:

Washingtonians live it.

Young people have what it takes to build up our community.

Ambition and initiative are priceless qualities which we value highly at our bank.

Many of our substantial accounts have grown from modest beginnings.

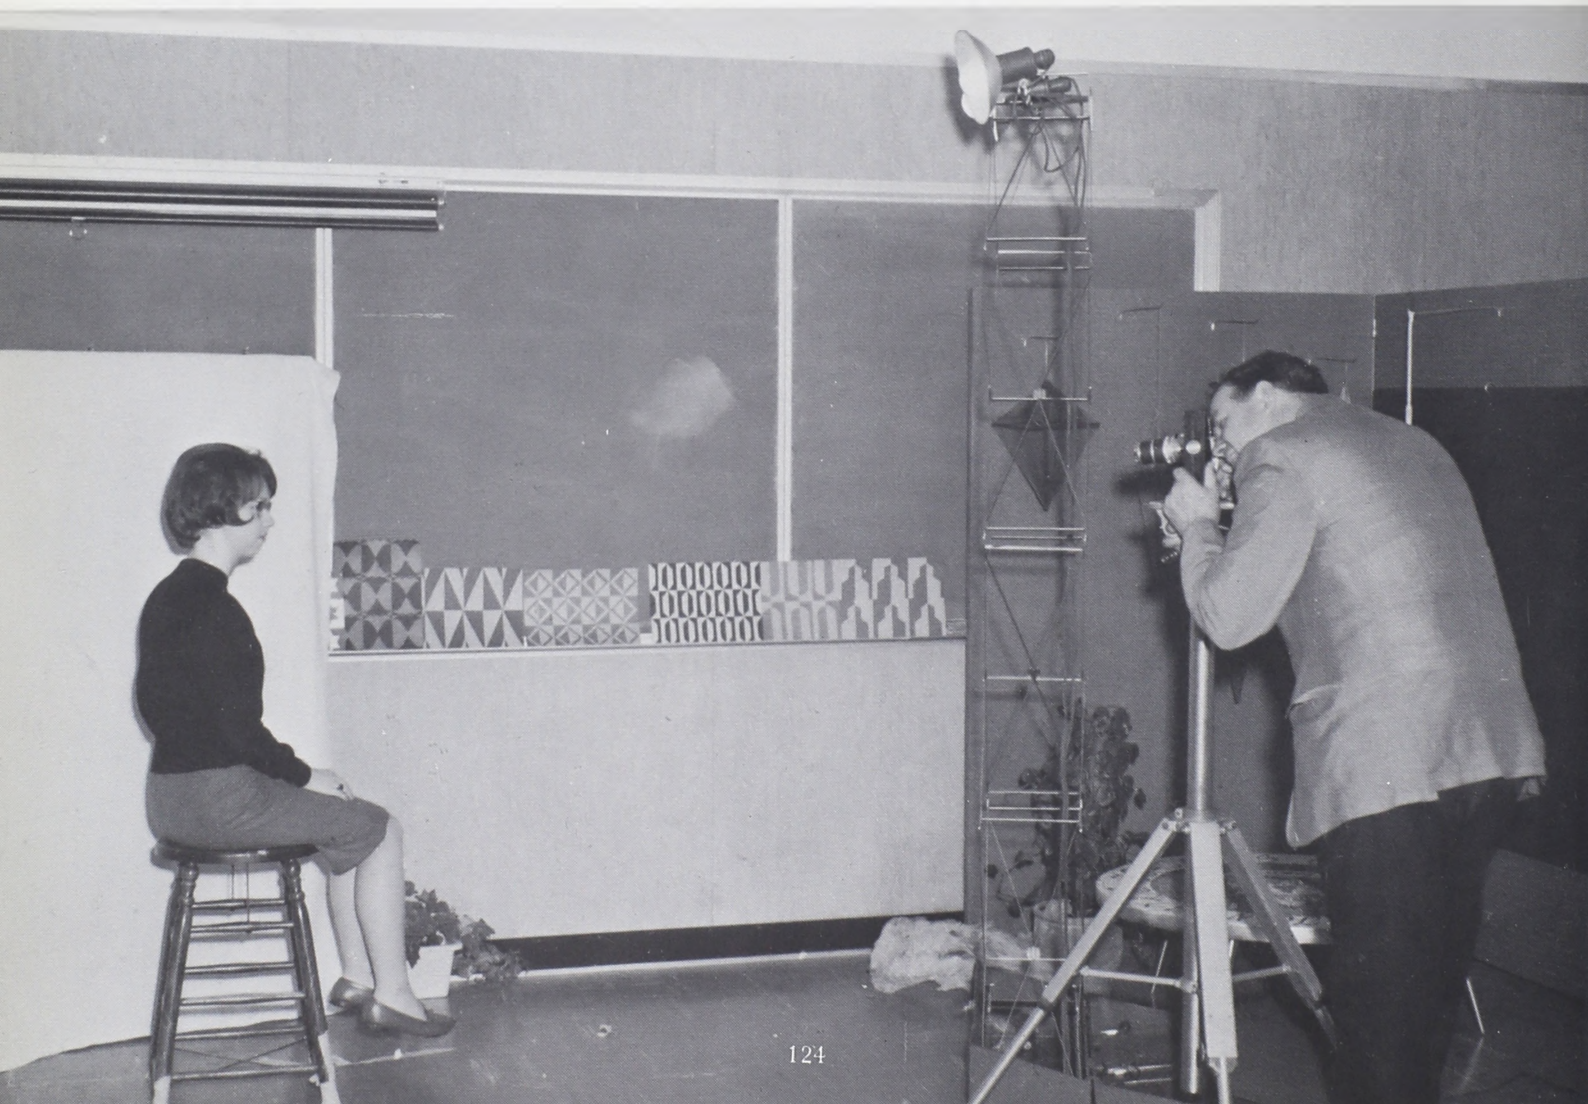

Our hats are off to the young people and our latchstring is always out to them.
