[transcript begins]

[Piano music begins to play and performer sings the following lyrics.]

The weeks go quickly by when hearts are gay
They seem to fly away, too soon they've gone
Throughout the lonely night how hard you try
To lose the memories that linger on
The boat rides we would take, the moonlight on the lake
The way we danced and hummed our favorite song
The things we did last summer I'll remember all winter long
The midway and the fun, the kewpie dolls we won
The bell you rang to prove that you were strong
The things we did last summer I'll remember all winter long
The early morning hike, the rented tandem bike
The lunches that we used to pack
We never could explain that sudden summer rain
The looks we got when we got back
The leaves began to fade like promises we made
How could a love that seemed so right go wrong?
The things we did last summer I'll remember all winter long
I'll remember all winter long
