Dear Colleagues,

We would like to make you aware that there have been recent changes to the [UMS Travel Guidance](#). In light of these changes, [Fieldwork Guidance](#) has also been updated.

All research-related projects, those on-campus and with travel, should continue to be submitted to this [online form](#) for review.

[UMS travel guidance](#) is reviewed and modified regularly, thus should be checked before traveling.

Office of the Vice President for Research  
and Dean of the Graduate School
