Alumni Secretary, University of Maine

A home town enterprise backed by national experience

*An Advertisement of the
American Telephone and Telegraph Company*

THE Bell System is a home town enterprise in operation so that each community may have service that suits its needs. It is a national enterprise in research, engineering and manufacture so that every telephone user may have the best that concentration and quantity production can achieve.

There are twenty-four operating companies devoting their energies to telephone problems throughout the United States—for example, the Northwestern Bell Telephone Company operating throughout Iowa, Minnesota, Nebraska, North Dakota and South Dakota. It has 11,000 men and women—friends and neighbors of the other people in their towns—working to maintain in its territory the best standards in telephony

now known. In New York, in the American Telephone and Telegraph Company and the Bell Laboratories, are 5000 persons, including scientists, engineers and consultants in management, engaged in inventing better apparatus, and discovering better ways to do things.

The Northwestern Company with its 11,000 employees has the use of all that this group of 5000 in New York discover and perfect.

Likewise the other twenty-three operating companies. They are regional organizations adapted to local conditions, but behind every telephone in city or hamlet is the national organization for the development of the telephone art.

THE CLASS OF 1928

Another commencement has come and gone. Another class of young men and women has graduated from the University of Maine and gone forth to find places in the world. To the class of 1928 we offer a hearty welcome to the ever growing body of Maine alumni and with that welcome we express the hope and the expectation that they will always be loyal sons and daughters of Maine.

IN THIS ISSUE

This issue of the *Alumnus* resembles in many ways a summary of the year's work of the alumni association. Careful reading of the several reports herein should enable Maine alumni to become well informed of the splendid work the association is doing for Maine.

We would especially call attention to the report of E. E. Chase '13, chairman of the executive committee. Among other things discussed by him is the financial situation of the Memorial Fund. It should be studied carefully.

The recent action of the athletic board in withdrawing from the M.I. T and F.A. is explained in the report of members of the board and their action is championed in a let-

ter from P. R. Hussey '12, a former member. The recent decision to attempt adjustment of differences at the request of the presidents of the several Maine colleges is promising news but the merits of the question are not thereby changed.

Read this issue carefully.

NEW ENGLAND TRACK CHAMPIONSHIP AGAIN WON BY MAINE

University of Maine athletes won their second consecutive New England track and field title May 19 on the rain-swept stretches of Tech field, but only after the closest kind of competition from Holy Cross. Maine scored 31¾ points, against 26 for Holy Cross.

FIELD EVENTS WIN FOR MAINE

Maine won through its strength in the field events, coupled with a first place by H. L. Richardson in the two-mile run. These five points, and a fraction of another picked up in the high jump, were the only ones Frank Kanaly's men picked up on the track. Maine's stellar weight men picked up 18 points, and its two pole vaulters tied for another first and eight points more.

HOW MAINE WON THE TITLE

ONE HUNDRED YARD DASH

First heat—Won by E. Morrill, B. U.; second, James Quinn, Holy Cross, third, R. W. Shaw, Wesleyan, fourth, H. R. Straw, Williams. Time, 10 1/5s.

Second heat—Won by James Daley, Holy Cross, second, H. Mostrom, Bowdoin, third, G. M. Smith, Middlebury, fourth, L. W. Beale, Williams. Time, 10 1/5s.

Final—Won by James Quinn, Holy Cross; second, James Daley, Holy Cross, third, Ernest Morrill, Boston University, fourth, H. Mostrom, Bowdoin. Time, 10 1/5s.

TWO HUNDRED AND TWENTY YARD DASH

First heat—Won by James Quinn, Holy Cross, second, L. W. Beale, Williams, third, P. A. Ladd, Tech. Time, 22 3/5s.

Second heat—Won by Norman Bicknell, Boston University, second, James Daley, Holy Cross, third, Albert Smith, Middlebury. Time, 22 3/5s.

Final—Won by James Quinn, Holy Cross; second, Norman Bicknell, Boston University; third, L. W. Beale, Williams, fourth, James Daley, Holy Cross. Time, 22 1/5s.

FOUR HUNDRED AND FORTY YARD DASH

Won by Max Wakeley, Bates; second, Reginald Atkins, New Hampshire, third, Stanley Farle, Northeastern, fourth, John Woodworth, Boston College. Time, 50 1/5s.

EIGHT HUNDRED AND EIGHTY YARD RUN

Won by Russell Chapman, Bates; second, Walter Rogers, Boston College, third, M. H.

Won by H. L. Richardson, Maine; second, R. H. Mead, Wesleyan, third, Herman Wardwell, Bates; fourth, Thomas Fitzpatrick, Holy Cross Time, 9m 50 4 5s

TWO HUNDRED AND TWENTY-YARD LOW HURDLES

First heat—Won by Bernard Lucas, Bowdoin; second, W. L. Jones, Maine, third, James Spillane, Holy Cross Time, 25 2 5s.

Second heat—Won by John Collier, Brown; second, Ray Connelly, Boston College; third, Stanley Fisher, Bates. Time, 25 4-5s

Third heat—Won by Paul Toolin, New Hampshire; second, Walter French, Worcester Poly; third, H. S. Barrington, Tech. Time, 25 1-5s

Final—Won by Paul Toolin, New Hampshire; second, John Collier, Brown; third, Walter French, Worcester Poly; fourth, Bernard Lucas, Bowdoin Time, 24 2-5s

ONE HUNDRED AND TWENTY-YARD HIGH HURDLES

First heat—Won by J. S. Collier, Brown, second, Bernard Lucas, Bowdoin; third, Owen Dooley, B. C.; fourth, Francis Powers, Northeastern Time, 15 2 5s

Second heat—Won by Earl MacDonald, H. C., second, Paul Toolin, N. H., third, Nathan Green, Bowdoin Time, 15 1-5s

Final—Won by J. S. Collier, Brown; second, Bernard Lucas, Bowdoin; third, Owen Dooley, B. C.; fourth, Paul Toolin, N. H. Time, 15s (new record)

RUNNING HIGH JUMP

Won by C. T. Russell, Brown, 5 ft 11 7 8 in; second, A. W. Morang, Northeastern, 5 ft 10 7 8 in; third, tie among Mayo Seekins, Colby; Philip Lenz, Rhode Island, C. E. Connor, Maine, and R. H. Costello, Tech 5 ft 9 7-8 in

POLE VAULT

Tie for first between P. A. Beckler and H. D. Harding, Maine, 12 ft., third, tie between R. A. Jack, Tech and G. E. Martin, Northeastern, 11 ft

SHOT PUT

Won by Samuel Thompson, Maine, 44 ft 4 in., second, Patrick Sweeney, Holy Cross, 42 ft 1 3 4 in, third, Harry Cornsweet, Brown, 41 ft 9 1 2 in., fourth, Richard Brown, Bowdoin, 41 ft 6 in

BROAD JUMP

Won by Robert Talbot, Rhode Island, 22 ft 8 in.; second, J. S. Hall, Mass Aggies, 21 ft. 11 1 2 in.; third, Stanley Rowe, Bates, 21 ft 9 1-4 in., fourth, James Daley, Holy Cross, 21 ft 8 in

HAMMER THROW

Won by E. F. Black, Maine, 162 ft 4 in.; second, Robert Bruce, Rhode Island, 152 ft 11 in.; third, Michael Jenevese, Holy Cross, 139 ft 4 1-2 in.; fourth, Edgar Wood, Bates, 136 ft 5 1 2 in

DISCUS THROW

Won by E. R. Gowell, Maine, 132 ft. 4 in.; second, Romeo Houle, Bates, 125 ft 3 in.; third, M. R. Gray, Tech., 121 ft 5 1-2 in., fourth, John F. Pollard, Colby, 120 ft 10 5-8 in

JAVELIN THROW

Won by W. E. Carrington, Holy Cross, 175 ft 9 1-4 in.; second, E. F. Black, Maine, 168 ft 2 1-2 in.; third, William Partridge, Rhode Island, 168 ft 1 1 2 in.; fourth, Algot Fosberg, Northeastern, 167 ft 6 3-4 in

COACH KANALY'S THANKS TO THE TEAM**Notice to Track Men**

(Posted on Bulletin Board, May 14th.)

"No Coach was ever more proud of his team of athletes and their conduct than I was last Saturday. If I failed to congratulate anyone, allow me to do so herein.

In addition, please accept my sincere thanks for your cooperation. It was a great victory, and provided all retain their interest and energy, University of Maine will advance.

(Signed) F. M. Kanaly"

COMMENT ON M.I.T. & F.A. WITHDRAWAL

15 State St,
Bangor, Me
June 2, 1928

Dear Bob:

I have heard some adverse comment by alumni on the action of the Athletic Board in refusing to continue to participate in the State Meet under the auspices of the M.I.T. & F.A., and I fear your editorial in May Alumnus may not make clear that the Board's action is not prompted primarily by unwillingness to compete under the M.I.T. & F.A.; but rather because certain abuses have grown up in the M.I.T. & F.A., which abuses, in spite of the greatest endeavors of our Board have not yielded to treatment because the M.I.T. & F.A. is so organized that the Athletic Boards of the several colleges, one may almost say because the college authorities of the four schools, have practically no control over the M.I.T. & F.A.

As a former alumni representative to the U. of M. Athletic Board, I will say that the above is a statement of the facts which led to the unanimous vote of the Board in the spring of 1924 when we moved to cease to participate in State Meets controlled by the M.I.T. & F.A.; and I understand from members of the present Board that these same abuses prompted its recent action; that they find the corrections promised in the fall of 1924 when we agreed to continue participation have not been made.

It appears reasonable to me that the alumni should understand that the Board is in position to know many things which the majority of alumni can not possibly know concerning the track situation in this state, and that the Board, composed of level-headed men, did not take its action without pretty thorough study. And the

fact that in 1928 a Board, with the exception of one man, composed of an entirely different membership than the Board of 1924, took exactly the same action as the 1924 Board, and in both cases the vote was unanimous, should cause alumni to realize that there is real reason for the action taken.

The less said in detail about the above mentioned abuses the better it will be for everyone concerned and the quicker will come a more agreeable situation; but I'll say right here that I'm 100% in accord with the present Board when it states that Maine is for good and all out of the meets controlled by M.I.T. & F.A.

Sincerely,

Phil R. Hussey, '12

The Annual Meeting of The General Alumni Association

University of Maine, Alumni Hall

June 9, 1928

Meeting called 9.10 A.M Pres Fogler presiding

Minutes of last meeting read and approved

Minutes of Alumni Council meeting of June 8th read, and laid on table until various items had been taken up separately

Budget Committee reported budget for 1928-29 Read, accepted and ordered placed on file

Alumni Treasurer C E Crossland read annual report Accepted

Report of Chairman of Executive Committee of Alumni Council, E E Chase, read and accepted

Alumni Secretary R P Clark read annual report, which was accepted and placed on file

Voted that report of Treasurer of Memorial Fund Committee and of Memorial Building Committee be not read but printed in "Alumnus"

Report of Alumni members of Athletic Board read by C A Hall Voted to approve report and express our thanks to all who have helped make athletics successful during past year

A L Deering reported for nominating committee as follows

R H Fogler '15, President

E E Chase '13, Vice-President

B C Kent '12, Clerk

E R Tobey '11, Treasurer

Members at Large for three years

M B Downing '99

H F Drummond '00

L B Thompson '12

George Williams '05

Alumni Member of Athletic Board for three years, C A Hall '10 For one year, to fill unexpired term of C P Crowell, resigned—J H McClure, '05

Voted Secretary cast one ballot for those nominated

Secretary cast one vote and all declared elected

R P Clark, Alumni Secretary, read Nomenclature Report for past year

H E Sutton '09, presented and explained Dix Plan of Reunion Discussion Voted to adopt Dix Plan of Reunion

R R. Drummond '05, presented plans of Donation and Endowment Committee

W H. Jordan presented plans for asking Trustees to provide funds for Lectureship at University

Voted to approve Dr. Jordan's recommendation Unanimous by rising vote of thanks

Voted that the booklet proposed by Donation and Endowment Committee be approved by the General Alumni Association

A L. Deering '12, presented resolution expressing appreciation of services rendered by officers and committee members whose terms of office expire, or have resigned

R P Clark presented plans for Alumni Activities during remainder of Commencement.

Pres Fogler announced regrets of resignation of R P Clark as Alumni Secretary, and announced that Alumni Council had appointed C E Crossland '17 who was introduced, as Alumni Secretary

F J Haskell presented facts showing why the name of "University of Maine Alumni Association" should be changed to "Alumni and Alumnae Association of University of Maine"

Voted to refer change of name of Alumni Association to Alumni Council

H B Buck, Alumni representative on Board of Trustees asked for permission to file his report later Voted to approve Mr Buck's report, and ordered printed in "Alumnus"

Voted to approve action of Alumni Council and Executive Committee during past year

C A Hall presented facts that Alumni did not attend athletic contests as they should, and asked all Alumni associations to get busy and support all teams

Dr H S Boardman, President of the University of Maine was introduced to meeting by Pres Fogler. Pres Boardman outlined work of institution, and policies

Mr H G Allen, President of Board of Trustees, was introduced and talked to meeting on general matters

Voted to adjourn, 11 20 A M

B C Kent,
Secretary

REPORT OF THE ALUMNI REPRESENTATIVES TO THE ATHLETIC BOARD

June, 1928

The successful results achieved by the various athletic teams during the past college year are a matter of record and should be so familiar to the Alumni that only brief mention seems necessary.

New England Conference Champions in Football, State and New England Inter-

collegiate Champions in both Track and Cross Country, and the only Maine College to score in the I. C AAAAA should furnish nourishment sufficient to appease the appetites of the most rabid Alumni.

This measure of success is due primarily to two things; the Freshman Rule and the carefully planned systems developed and pursued by a very efficient coaching staff and trainer.

The Freshman Rule has improved scholarship and made for better teams which places athletics upon a stable basis.

The Indoor Field should also receive its share of credit in the promotion of athletics. Not only have more students participated in sports than ever before, but also it has been possible to hold a meet that otherwise would have been cancelled due to weather and track conditions. This was demonstrated in the Dual Meet with M I T in which all events were run off indoors with exception of the hammer and javelin. Our indoor field received much favorable comment from the visiting team and coaches.

The Financial situation of the Athletic Department is always a matter of concern as expenses continually increase faster than receipts. The Athletic Board has worked very hard in developing a budget system and we are proud to report today that the budget is no longer an experiment, but an accomplished fact, functioning smoothly and efficiently. The Board has had the whole hearted co-operation of the Administration in the development of the budget and is especially indebted to the University Treasurer, Mr Youngs, and Chief Accountant, Mr Pierce, for the time and effort that they have given to make it a success.

For several years, the affairs of the M. I. T. and F. A. and also the conduct of the State Meet have been a matter of concern to the Athletic Board.

After very serious consideration and by unanimous approval the University of Maine has proposed to withdraw from the M. I. T. and F. A.

This week a meeting was arranged to discuss the points contained in the notice which announced Maine's intention of withdrawing from the M. I. T. and F. A. This conference resulted in the following action. "The presidents of Bowdoin and Bates, and the Executive Committee of Colby College request the authorities of the University of Maine to hold in abeyance their proposed withdrawal from the M. I. T. and F. A. pending future con-

ferences relating to intercollegiate athletics in Maine." At a meeting of the Athletic Board held after the return of our delegates it was unanimously voted to accede to this request and it is felt that the matter is going to be adjusted in a manner satisfactory to all.

There are no changes in the Athletic Staff contemplated—Faculty Manager Kent is to continue, Messrs Brice, Kanaly, Kenyon and Quinn will constitute the coaching staff and S M Wallace will continue as Trainer in all branches of athletics

In last years report, this sentence occurred "And right here we wish to call the attention of our Alumni to the work this man Wallace is doing,—the success of our teams can rightfully be attributed in no small measure, to his skillful and untiring efforts"

We are pleased to report that, at a recent meeting of the Athletic Board, the Varsity M was awarded Trainer Wallace with the thanks of the Board for six years of faithful service.

We would be lax in our duty, if we did not particularly bring to the attention of the Alumni, the whole-hearted, one hundred per cent co-operation of the President and Faculty during the entire year

The remaining terms of service of your representatives to the Athletic Board are as follows:

Clifford Patch has two more years to serve on a three year term

J. H McClure has one more year to serve

C A Hall completes a one year term at the close of this college year.

Respectfully submitted,

Clifford Patch
J H. McClure
C. A Hall

**REPORT OF CHAIRMAN OF
EXECUTIVE COMMITTEE
of the
ALUMNI COUNCIL**

June 7, 1928

The activities of the Executive Committee during the past year were largely devoted to the Memorial Fund collections, but our attention has also been directed to other important matters, and the work of the year has been very interesting and the results, on the whole, encouraging.

During the year Robert R Drummond was selected by the Executive Committee as chairman of a special committee charged with preparing preliminary plans for organizing an agency to coordinate the activities of University authorities and

alumni in the solicitation of gifts and endowments for the University Mr. Drummond and his associates have prepared a plan for accomplishing this object, and the trustees of the University have promised their co-operation As this plan develops an important field of opportunity for alumni service will be opened

Our alumni secretary, Robert P Clark, has announced that he will not be a candidate for that office again During recent months we have been considering the qualifications of numerous applicants for the position, in order to recommend some of the best men to the Alumni Council. The recommendations have been prepared for presentation to the Council on June 8th

I am passing over important matters with brief notice, and omitting many minor details, in order to devote my attention chiefly to the Gymnasium Armory Memorial Fund Although I am not personally familiar with the activities of the various committees which had charge of the Memorial Fund campaign in its early stages, I shall undertake to explain to the alumni what has been done, originally and from time to time, in raising and collecting the money and in building the Gymnasium-Armory

This campaign was started in 1923, with a goal of \$500,000 About \$543,000 was pledged, for payment over a period of five years The success of the campaign for pledges encouraged the building committee to go ahead on borrowed money, and some of our loyal alumni endorsed notes in order to raise funds for construction The indoor field was completed in 1925, but it was not finally paid for until late in 1927

When the first payments on Memorial Fund pledges became due it was apparent that the collection of the money would be more difficult than getting it pledged The organization of group workers that did the field work in the drive had been disbanded, and naturally there was great reluctance on the part of alumni about reminding their friends of over-due pledges The money did not come in nearly as fast as had been expected, and during the next twelve months conditions became worse

In 1925, after the second payments had become due and the percentage of delinquents had increased, a special collection committee was appointed This committee succeeded in collecting a substantial amount of money by securing pre-payment of pledged, but did not get much money from delinquents. The effect of its work, however, became apparent in an improvement in the percentage of subscribers in

arrears

It would be impossible, I believe, to give full and fair account of all the work that has been done in trying to collect the money on these pledges Almost every one connected with any of the alumni committees has worked on it. Finally last fall, we were able to pay off the last of the notes, and to say that the Indoor Field was paid for

For several months the Executive Committee has had two men on pay collecting over-due pledges It is expensive, but there seems to be no other way to get the money, or even to get an explanation of why it has not been paid These collectors report that generally the disposition to pay is almost unanimous, and they encourage us to hope for better results eventually than our figures to date would indicate

Of course, the burning question is "When can we build the gymnasium section?" I think you may be sure that it will not be built until the money is in hand, as no one is likely to display much enthusiasm about endorsing any more notes The following figures will give a rough outline of the history and present status of the Memorial Fund

There was pledged originally	\$543,630 73
There has been paid to date	
in cash	\$330,426 63
The Indoor Field cost about	\$267,000 00
And campaign and collection	
expenses were about	\$ 46,000 00
Today we have all bills paid and	
cash on hand of	\$ 17,665 95
We also have notes which were	
accepted in payment of pledges,	
aggregating	\$ 45 576 25

Pledges unpaid, and not definitely	
arranged for by notes, total	
about	\$168,000 00
of which about \$62,000 00 is less than	
ten days over-due	
The gymnasium section as designed,	
will cost about	\$200,000 00
To build with, we have Cash	
on hand	\$ 17,665 95
Notes which we believe are	
good	\$ 45,576 25
Money coming in payment of	
pledges due this month, esti-	
mated at not less than	\$ 25,000 00
plus whatever we can get out of a large	
number of alumni who will owe the Mem-	
orial Fund about \$143,000 00 and who have	
not made any definite arrangements for	
paying it.	

Action should be taken by the Alumni Council to re-organize the Memorial Fund Committee. The Memorial Building Committee, Incorporated, is a corporation

which is still alive, and is available as an agency for carrying on construction work in the future.

Edward E Chase, Chairman
Executive Committee

ANNUAL REPORT OF THE
ALUMNI SECRETARY

June 8, 1928

At Commencement last year there was a strong demand for our Alumni Association to find and fulfill a real purpose to justify its existence as an organization of real value to both the University of Maine and the alumni. This demand has apparently been satisfied in the promise held forth by the preliminary work of the Special Donations and Endowment Committee which will make its own report.

Due to an especially efficient and industrious Finance Committee composed of A L Deering '12, A K Gardner '10 and C E Crossland '17, the finances of the Association are in the healthiest condition yet experienced by us and promise much for the future, as the membership of the committee is automatically veteran, one ALUMNUS GAL 8

man finishing a three year term and a new man going on each year.

The Memorial Fund campaign is the first major undertaking of our Alumni Association. The drive for subscriptions was very successful. The collection of these subscriptions has been a greater problem and has constituted the principal endeavor for several years, especially during the past year when it became obvious that the situation was approaching the critical stage. Your new officers should make the collection of this money their chief business as no true Maine man can help feel shame if this Memorial Gymnasium-Armory, which we promised to Maine, is not finished soon. I believe the construction of the remaining section should start not later than next summer. To make this possible every subscriber must do his honest best to clean up his subscription. Increased subscriptions and new subscriptions would help speed the day the building can be completed.

The suggestion made by Bernheisel, that the names of subscribers to the fund who fail to meet their payments be published in the ALUMNUS, raised a hornets nest of alumni comment. The big majority do not approve of such a move. Many took offense. They should not for this was an open letter giving one man's viewpoint and the alumni comment has never voted to take any such action. My recommendation on this is that the names of subscri-

ers who do pay, with the amounts they pay, be published in the ALUMNUS. By so doing, credit goes where due and those alumni who do not pay will only receive indirect publicity as their names will be missing. This to me seems fair to all.

The Dix Plan for class reunions will probably be adopted by our Association. I recommend its adoption as a real improvement on our present system of reunions every five years of classes in multiples of five, as the Dix Plan enables an alumnus to reunion not only with classmates, but with those who were in college with him.

At the end of this month I finish my work as your Alumni Secretary. I have found much pleasure in the five years here and I shall leave with some regret. However, I feel that it is time for me to make a change that may mean more or less to me as the case may be.

During my service here I have acquired the greatest respect for those many Maine alumni who have given so unselfishly of their money, time and ability. As long as Maine has so many loyal sons and daughters, I, who have had five years of the most intimate association with them have no fear for her future.

In closing I wish to thank the hosts of alumni, undergraduates, faculty members and friends of Maine who have given me such splendid co-operation and help. I hope and believe your new Secretary will find in the Alumni Office, as now organized, a capable and efficient machine for the handling of all alumni work, I wish him the greatest of success.

My last word is a final "thank you" to the girls in the alumni office for their interest in alumni affairs, and for the whole hearted support they have given me.

Respectfully submitted,
Robert P. Clark
Alumni Secretary

NECROLOGY REPORT
June, 1928

Died During 1927-28

- '76—Frank B Reed, died May 29, 1927 at Rumford
- '78—John C Patterson, died in 1926 at Van Nuys, California
- Ex-'78—Albert Harmon Stuart, died April 9, 1928 at Dexter

ADVANCED DEGREES AND PRIZES ARE AWARDED AT COMMENCEMENT

THE HONORARY DEGREES

Honorary degrees were conferred by President Harold S Boardman upon seven, with the citations as follows:

RALPH OWEN BREWSTER—Doctor of Laws.

Native son of the state of Maine, graduate of Bowdoin and Harvard, lawyer, statesman, governor of your native state. The opportunity of service which has been yours comes to comparatively few and with such opportunity comes responsibilities and criticism, which can not be

avoided. It should give you much satisfaction that you have met these responsibilities with courage and that you have always taken the path that you considered right.

EDWIN GODFREY MERRILL—Doctor of Laws

Native son of the state of Maine, graduate of Harvard, man of affairs, trustee and director of many corporations and president of the Bank of New York and Trust Company. By your fidelity and zeal you have inspired your associates with that confidence and trust so necessary in the development of honest business and by your own efforts you have risen to a position of prominence in the financial world.

MARY ELLEN CHASE—Doctor of Letters

Loyal daughter of the state of Maine, graduate of the Universities of Maine and Minnesota, author and teacher. In your devotion to your profession and your association with youth you have discovered that satisfaction and happiness which comes to those who give true service to others.

MARSHALL BUCKLAND DOWNING—Doctor of Engineering

Native son of the State of Maine, graduate of the University of Maine, engineer, vice president and general manager of New York Telephone Company. Your broad experience, your upright character and your many contributions to the industry have justly placed you in a conspicuous position in the Bell Telephone System, and have won for you the highest regard of your co-workers.

DAVID WILLARD LEAVITT—Master of Arts

Native son of the State of Maine, former student of the University of Maine, soldier in the Spanish war, engineer, financier. You have ever kept an active interest in your native state although connected with many enterprises elsewhere. The exercise of the qualities of clear thinking and logical reasoning has placed you in positions of responsibility and has afforded you the opportunity of service to many.

ABRAHAM LINCOLN TUCKER CUMMINGS—Master of Arts

Native son of the State of Maine, poet, writer, editor, journalist. Your strict adherence to truth, your kindly disposition, and your unflinching courtesy have won for you a host of friends, and your devotion to service for others should give you a happiness and a satisfaction which we know money can not buy.

JAMES ADRIAN GANNETT—Master of Arts

Loyal son of the State of Maine, grad-

uate of the University of Maine, registrar of your alma mater since 1913, friend and counselor of youth, your upright conduct, honesty of purpose, integrity and devotion to your work have won the love and esteem of all.

PRIZES AND SCHOLARSHIPS

Prizes and scholarships were awarded as follows.

The Victoria Weeks Hacker Watch was awarded to Frances Snow Fuller of Hallowell. This watch, the gift of the Portland Club of University of Maine Women, is presented to the woman member of the graduating class who in the opinion of the faculty and students has done the most for the university during her course.

Miss Fuller is a graduate of Hallowell high school and took the home economics course at the university. She has been captain of the basketball team for three years, a member of the class hockey team, Home Economics club, Pan-Hellenic Council and All Maine Women. She was vice president of the Women's A. A. during her junior year.

The Washington Alumni Association Watch was awarded to Fred Harold Thompson of Millinocket. The watch is presented to the member of the graduating class who, in the opinion of the faculty and students, has done the most for the university during his course. This award is made as the result of a secret ballot by the students and passed upon by the president and faculty.

Mr Thompson was graduated from Sterns high school and majored in economics at the university. His college activities have been many and varied. He was a member of the Freshman executive council, Sophomore Hop committee, track club, Intra-Mural M C A Cabinet, Sophomore Owls, "M" Club, Class Relay, Varsity Relay, captain of track, chairman of Junior Prom, vice-president of Athletic Association and Junior Marshal. Mr. Thompson is a member of Sigma Nu.

The prize of the class of 1873 was won by David Stillman Marr '30, of Millinocket. This prize is the income of \$1000, the gift of Russell W Eaton, of Brunswick, a member of the class of 1873. It is awarded annually to the member of the sophomore class who is able to show the greatest improvement in mechanical drawing during the first two years of his college course.

The Walter Valentine prize was awarded to Kenneth Richardson Haskell, '30, of Deer Isle. This prize of \$15 is the gift of Whitman H Jordan, Sc D, L L D., Orono, Me, a graduate of the university of

the class of 1875, and is awarded to the student who excels in biological chemistry.

The Track Club scholarship was awarded to Norman Wheeler Webber, '31, of Hartland.

The College of Agriculture graduate scholarship was awarded to Edwin Atwell Wixon, '28, of Winslow. The scholarship is a year's tuition.

The College of Technology graduate scholarship to Elton Wright Jones '28 of East Haven, Conn. The scholarship is a year's tuition.

The Senior Skull Scholarship Cup to Sigma Chi. This Cup is awarded to the fraternity having the highest scholarship for the preceding calendar year.

The Pan Hellenic Sorority Cup for the sorority having the highest standing, Delta Zeta won the award.

The Freshman Scholarship Cup was won by Sigma Phi Sigma.

Ralph Gilbraith Oakes (B. Pd.,
Maine, 1918) Freeport
Quality of Instruction in Consoli-
dated as Compared with Rural
Schools

MASTER OF SCIENCE

IN CHEMISTRY

Chyung Eun Kim (B. S., Maine,
1926) Rang Chyun, Korea
Rag Cooking with Caustic Lime
and Soda and Effect of Alpha
Cellulose in Mixed Papers

IN CHEMICAL ENGINEERING

John Burgess Calkin (B. S., M. A.,
Haverford, 1926, 1927)
Spring Grove, Pa.
The Pulping and Bleaching of
Cunninghamia Lanceolata

CHEMICAL ENGINEER

John Stanley Martin (B. S., 1924)
Rumford

CIVIL ENGINEER

Henry Francis Hill, Jr. (B. S., 1922)
Albany, N. Y.

ELECTRICAL ENGINEER

Kenneth Leigh Cyphers (B. S., 1924)
Irvington, N. J.

MECHANICAL ENGINEER

Vinton Orris Harkness (B. S., 1922)

DEGREE OUT OF COURSE

Asa Russell Mace (in Civil
Engineering) Aurora
(As of the Class of 1915)

REPORT OF ALUMNI TRUSTEE

Bangor, Maine, June 9th, 1928
To the Alumni Council,
University of Maine,
Orono, Maine.

As the Alumni member of the Board
of Trustees of the University of Maine, I
submit a report for the year just ending.

As has been its custom for the past sev-
eral years the Board continues to meet at
the University each month. These month-
ly meetings keep the Trustees in close
touch with the President and Treasurer;
and in general with the activities at the
University.

The Executive Committee of three
members who reside in Bangor, Buck,
Sawyer and Danforth, meet each week to

consider such matters as the President and
Treasurer may have to present; and to
attend to matters referred to it by the
Board.

During the past year a new dairy build-
ing and milk house have been erected and
will be in use the beginning of the next
college year. Due to his prominence in
the dairy field, the new dairy building has
been dedicated "Rogers Hall" in honor
of Dr. Lore A. Rogers of Washington,
D. C.

The University buildings have been ap-
praised by an expert and insured on the
new valuation, thus affording proper pro-
tection from loss in case of fire.

Work on a new horticultural building
and an additional green house has been
started, and will be ready for occupancy
in the early fall.

The University has received \$100,000.00
from the Estate of the late Thomas Up-
ham Coe, to be held in Trust, the income
only being available.

At its meeting of Nov. 5, 1927, the
Memorial Building Committee presented
to the Board the Indoor Field, free of all
indebtedness. The Board passed the fol-
lowing vote of acceptance:

"Voted to accept the Indoor Field and
to notify the building committee of the
sincere appreciation of the Trustees of the
long and continued efforts of the Alumni
which have made possible the construction
of a building which probably could not
have been procured through other sources
and which is so vital for the development
of athletics in this climate."

At its meeting of Jan. 5, 1928, upon in-
quiry from the Alumni Council, the Board
passed the following vote:

"Voted that the President be author-
ized to state to the officers of the Alumni
Association that it will be the pleasure
of the Trustees and also their general pol-
icy to perpetuate the good name of any
patron of the University who expresses
his interest in the institution by donating
the funds for a suitable building to be
used for the interests of the institution."

The Crosby Building will be completed
during the summer and occupied at the be-
ginning of the college year.

It is with a great deal of satisfaction
that your representative observes the
sound, constructive policy of President
Boardman in the administration of our
University. The Alumni may very well
be proud that one of their number has
proven so well qualified to serve his Alma
Mater.

Respectfully submitted,

Hosea B. Buck

ALUMNI DAY AT COMMENCEMENT

Alumni Day, as has been the custom at Maine was the Saturday preceding the commencement exercises. Rain cut heavily into attendance and hurt the program but all considered it was a happy occasion for the alumni who came back.

The business meeting of the General Alumni Association took up the forenoon. The minutes may be found elsewhere in this paper. At noon however the alumni gathered at Hannibal Hamlin Hall for the Alumni Luncheon and the insignia of reunion classes made its appearance at that time. A good crowd enjoyed the salmon lunch.

The Bangor band gave a short concert in front of Alumni Hall and then led the march to Alumni Field where the varsity was scheduled to play the Newport Training School. One inning was the limit of this game, however, as it had to be called on account of rain.

The alumni banquet at 6 P M. was well attended there being approximately 500 present. President H S Boardman was toastmaster and following a splendid dinner he introduced R H Fogler '15, president of the alumni association who spoke briefly and then introduced C E Crossland '17, the newly selected alumni secretary. G F Scribner spoke for the graduating class and then Daniel Chase '08 gave a talk for the alumni that was heard with much pleasure by all present.

The Alumni Hop followed and was better attended than this annual event has ever been before.

LATEST DEVELOPMENTS ON M.I.T. & F.A. SITUATION

Delegates from Maine met recently with the presidents of Bates, Bowdoin and the Executive Committee of Colby to discuss the points contained in the notice announcing Maine's intention of withdrawing from the M I T & F A (Maine Intercollegiate Track and Field Association).

This conference resulted in the following action: "The presidents of Bowdoin and Bates and the Executive Committee of Colby College request the authorities of the University of Maine to hold in abeyance their proposed withdrawal from the M I T & F A pending future conferences relating to intercollegiate athletics in Maine."

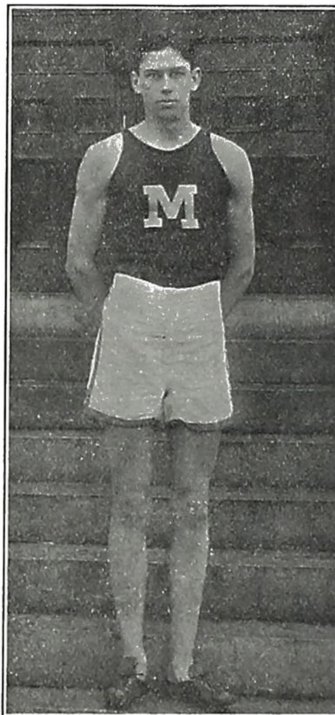

At a meeting of the Athletic Board held after the return of the Maine delegates it was unanimously voted to accede to this request and it is felt that the matter is going to be adjusted in a manner satis-

factory to all.

See report of the alumni members of the Athletic Board for further athletic information.

THREE MAINE ATHLETES INVITED TO COMPETE FOR PLACES ON THE OLYMPIC TEAM

Two undergraduates, E F Black '29, and H L Richardson '30 and an alumnus, Carl E Ring '25 are promising candidates for the American Olympic team. Black is one of the leading hammer throw-

CARL RING, '25

ers of the country and Richardson is an outstanding distance runner. Ring is a high hurdler who has continued training in his event at Harvard and who this spring has already turned in some wonderful performances. Maine seems certain of representatives on the team.

FOURTEEN NEW ALUMNI HOTELS

During the past sixty days fourteen new Intercollegiate Alumni Hotels have been added to the chain of Intercollegiate Alumni Hotels which are to be found in practically every city of importance in the country.

Eight of these cities are new to the Intercollegiate Alumni Hotel chain so that

alumni who visit them will now have an opportunity to consult the index of resident alumni which is maintained at each hotel.

Alumni throughout the country find that Intercollegiate Alumni Hotels are serving a definite purpose in helping them to maintain contact with classmates and friends. At the rate that the Intercollegiate Alumni Hotel chain is growing, it will probably include a hundred hotels in the very near future and it will constitute the largest single factor in keeping the alumni and alumnae of American colleges in touch with each other in their travels throughout the country.

CHARLES E. CROSSLAND, '17, NEW ALUMNI SECRETARY

On July 1st, Charles E Crossland will assume the duties of executive secretary of the General Alumni Association, succeeding Robert P. Clark, who has been alumni secretary for nearly five years.

Crossland graduated from Maine in 1917 from the College of Agriculture. Ever since he received his degree he has been connected with the University. He was for two years assistant and later acting state club leader in the Extension Service of the College of Agriculture. From 1919 to date, he has been executive secretary to the director, and since July, 1926, he has also been extension editor.

As an undergraduate Mr Crossland was active in both class and varsity debating, president of the Christian Association and the Agricultural Club his senior year and a member of Alpha Zeta, the honorary agricultural fraternity.

It is obvious from the above that he will assume his new duties well qualified. The duties of alumni secretary are many and varied and Mr Crossland's experience as an executive and editor will be most valuable. He also has a wide acquaintance throughout the state and knows Maine alumni well as for seven years he has been treasurer of the alumni association and he has also served as clerk and on Maine Night, commencement and finance committees.

He is a member of the Congregational Church, a Mason, is married and has four children. He has served as president of The Maine Christian Association Advisory Board and the Maine-in-Turkey Association.

1928 SENIOR CANE FOUND

The registrar's office advises that a senior girl's cane has been left there. Owner is asked to claim.

E F 'Rip' BLACK, '29
Outstanding Olympic Prospect

WORCESTER COUNTY ALUMNI MEET

Atty. Leon J. Croteau was elected president of the University of Maine Alumni Association for Worcester County at the seventh annual meeting of the association held at the Worcester University club May 8. Walter J. Dolan was elected vice-president and John H. Mahoney '27 secretary-treasurer.

About 25 Maine men from all parts of central Massachusetts attended the supper and meeting, at which informal speeches by several of those present brought back memories of happy days spent at their Alma Mater. Each man was called on to tell of his achievements since graduating, and the successes of Maine men as engineers, lawyers, doctors, insurance and business men went to prove that, while they may be few, Maine men in Worcester county, they are far from being inactive.

While up to the present time the association has limited its meetings to once a year, plans were discussed for meeting at least twice annually, the next meeting to be held in the fall on Maine Night if possible. At that time those who are unable to make the trip to Orono to attend the annual festivities would gather in a Maine atmosphere in the heart of the Commonwealth.

Plans were also discussed for bringing the Maine band to Worcester for a concert some time during the coming year, and it is possible that some of the Worcester civic clubs, such as the Rotary, Kiwanis, or Lions may be asked to cooperate with local alumni in this project.

While Maine alumni were well represented at the meeting, there were many more in Fitchburg, Enfield, Framingham, and other towns in the county who were unable to attend because of the distance or other reasons. The Worcester association is anxious to get in touch with all Maine men and women in Worcester county, and those who have not made their presence known are earnestly urged to get in touch with the association by communicating with the secretary, % The Worcester Telegram, Editorial department, Worcester. The Worcester association claims to be unique in that it has no dues, which should perhaps be some incentive to prospective members.

Mr Croteau, the new association president, graduated from the College of Technology, and later received the degree of LL.B. from Northeastern University. He is also president of the large Northeastern Alumni association of Worcester.

Among those attending the annual meet-

ing were, besides the new officers: Harry A. Davis '00, head of the research department of the Draper corporation of Hopedale; A. L. Coyne '15, Walter J. Dolan, S. W. BY CLASSES

Ex-'79—Fred Alden Colburn is located at 77 Biltmore St., Springfield, Mass.

'81—Charles H. Fogg is being addressed St. Michaels, Maryland.

'98—Ray P. Stevens, chairman of the board of Stevens & Wood, Inc. has been named president of the Allied Power & Light Company, the organization just formed from the consolidation of the interests of Hodenpyl, Hardy and Company, Inc. and Stevens & Wood, Inc. B. C. Cobb, vice-president of the Commonwealth Power Corporation and an operating official of other Hodenpyl and Hardy properties will be chairman of the board of the new corporation. Mr. Stevens has long been an outstanding figure in the electrical industry. After he had built and operated a large number of electric light and power plants in the South he then, in the capacity of consult-

ing engineer, designed and constructed at Everett, Washington, an entire new railway and a light and power system of which he became manager. Transferring his interests to the East, he spent several years in central New York before removing to Allentown, Pa. where during an administration that covered a period of six years, he effected a consolidation of eighteen light and power companies, which resulted in great benefits to the communities served. In 1913 he resigned as president of the Allentown companies to become president of the Mahoning & Shenango Railway & Light Company and its subsidiary companies with headquarters in Youngstown, Ohio, and at the present time is president of the Penn-Ohio Edison Company, which has just taken over the Northern Ohio Power Company. Mr. Stevens has been active in association work, being president of the A.E.R.A. and a member of the A.I.E.E., the A.S.M.E. and other technical organizations.

JOHN HANCOCK SERIES

The Worker's Wife

THIS advertisement is about Group Insurance, a matter which is sure to come up for the consideration of modern business executives. Group insurance will not settle all employee problems, but it will help tremendously.

Consider only one angle the Worker's Wife. In case of death or disability to her husband it is she and her children who benefit by group insurance. This means that she is going to help you in the matter of the man's contentment and co-operation in his job.

This is only one angle of the problem. For full details read "Management, Men and Motives," issued by this company. Your local John Hancock office will be glad to send it to you or it can be obtained by writing

BANGOR, MAINE

“I’m glad you ’phoned me, Jim!”

Of course he is happy about it. And any classmate of yours will be delighted to have you phone him when you are in *his* town and have some time to kill. Particularly if you have not seen each other for years... This is only one of the pleasant things that the Intercollegiate Alumni Hotels make possible. At each of these hotels is an index of the resident alumni of your college. When you are travelling and have a moment to spare, this index is a treasure trove of information for reviving friendships that mean much to you... Stop at Intercollegiate Alumni Hotels when you travel. You will enjoy the experience. And you will be helping the Alumni Office in furthering the work which it is doing.
