The Wilton Selectpersons dedicate the 2020 Town Report to:

Hazel Flagg

Hazel Clemens Flagg has been a lifelong and civic minded resident of Wilton, being very actively involved in family life and many local organizations. In between raising her four children with her husband she worked at Bass Shoe and for the local school system in the Cafeteria and as a Custodian. Upon her retirement, Hazel worked part time for the Police Department as a Crossing Guard. Hazel has also spent a number of years as an Election Clerk for the Town of Wilton.

Hazel has been active in the following local organizations: Cub Scout and Girl Scout Leaders; Mystic Valley Grange member; Franklin Memorial Hospital Auxiliary; Wilton Historical Society and Wilton Day Extension Homemakers.

With the help of the Wilton Day Extension Homemakers, Hazel started the “Flags on Main Street” project. Her goal was always to have at least 75 American flags flying throughout Wilton from Mother’s Day to Labor Day. She organized many fundraising events to purchase the initial flags, poles, and brackets, and continues with fundraising to replace flags as needed. She is “unofficially” the official overseer of the Flags in Wilton.

Congratulations and thank you to Hazel Flagg….one of the most energetic and spirited people we know!!

Dear Friends,

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to reflect on 2020, an incredibly challenging year for Maine families, small businesses, and communities.

When the pandemic struck, our country faced the specter of an overwhelmed health care system and devastation to our small businesses and the millions of people they employ. I immediately worked with Republicans and Democrats to pass multiple laws allocating approximately $3 trillion to respond to this public health and economic crisis, including more than $8 billion directed to Maine to support testing, schools, the economy, and other purposes — that is nearly double Maine’s annual state budget.

I am especially proud of the bipartisan Paycheck Protection Program (PPP) I co-authored. This program has provided three out of four Maine small businesses with nearly $2.3 billion in forgivable loans, which has helped sustain more than 250,000 Maine jobs. I have met thousands of Maine small employers and employees in all 16 counties who are surviving because of the PPP. As one small business owner told me, the PPP provided “exactly what we needed at exactly the right time.” The PPP also allowed employers to maintain benefits, such as health care, during this challenging time. Another round of PPP is needed to sustain small businesses and their employees.

While the pandemic continues across Maine, our nation, and the world, I thank the first responders, health care professionals, teachers, grocery store employees, factory workers, farmers, truck drivers, postal employees, and so many others who continue to stay on the job during this difficult time. With the deployment of the first vaccines, better tests, and the incredible speed with which these life-saving responses were developed, I am hopeful we can emerge from this crisis in the next few months.

While providing relief to American families was my focus throughout 2020, other accomplishments include the passage of the Great American Outdoors Act, which provides full funding of the Land and Water Conservation Fund and addresses the maintenance backlog at our national parks, forests, and wildlife refuges. As Chairman of the Transportation Appropriations Subcommittee, in 2020 alone, I secured $132 million to improve Maine’s roads, bridges, airports, buses, rail, ferries, and seaports. Finally, as Chairman of the Aging Committee, I led the reauthorization of the Older Americans Act, which funds programs that improve the well-being, independence, and health of our nation’s seniors and their caregivers, and I authored laws to reduce the cost of prescription drugs and protect individuals with Alzheimer’s disease.

As the end of 2020 is approaching, I have cast more than 7,535 votes, never having missed one. In the New Year, my focus remains to work with colleagues to find common ground on policies to help support the health and safety of Mainers and the safe, responsible opening of our communities. If ever I or my staff can be of assistance to you, please do not hesitate to contact one of my state offices. May the coming year be a successful one for you, your family, your community, and our state.

Sincerely,

Susan M. Collins
United States Senator
Dear Friends,

2020 was a year unlike any in our lifetimes. Our state and nation dealt with unprecedented challenges—the coronavirus pandemic, ensuing economic fallout, and a prolonged, heavily divisive campaign season each took a significant toll on all of us. The worst part? In order to protect each other, we had to face these challenges in isolation. But a new year represents new possibilities; a chance to take stock of what we’re grateful for and focus on the opportunities in front of us. As we reflect back on 2020, we will remember heartbreak and loss – but we cannot forget the shining rays of hope that broke through the darkness, reminding us all that better days are ahead.

Throughout the pandemic, my top focus has been on bridging the partisan divide in Washington in order to deliver desperately-needed relief for Maine people. Joined by colleagues last March, we pushed for bipartisan negotiations to produce a strong bill that helped fellow Mainers, businesses, and institutions weather this storm. In the weeks and months after the CARES Act passed, our team stayed in close contact with people throughout the state to determine how we should adjust our response to best support our citizens. Unfortunately, the aid provided by the CARES Act lapsed without Congressional action, leaving too many families and businesses in limbo. I never stopped pushing for a bipartisan relief bill and, after extensive negotiations, we ended the year on a good note by breaking the gridlock and passing new relief legislation. This new bill isn’t perfect; in fact, it should just be the start [of] our renewed response. As we enter 2021 with a new administration and new Congress, we must fight for additional legislation to help restore stability to our working families and rebuild our economy and public health infrastructure.

In the midst of this crisis, Congress did manage to accomplish a few successes that will outlast this awful pandemic. Among these was the Great American Outdoors Act, a bipartisan bill which was enacted into law in August 2020 and will help address a $12 billion backlog at our national parks so future generations of Americans can enjoy these beautiful lands and create lifelong memories. Also, as we learn more about the recent hacks of our nation’s networks, there is help on the way: 27 of the cybersecurity recommendations made by the Cyberspace Solarium Commission – which I co-chair with Republican Congressman Mike Gallagher – made it into this year’s defense bill. While there is no guarantee that these provisions would have prevented the massive hack, they will certainly improve our cyber defenses.

Despite the challenges, I’m hopeful for the future. Vaccines are being distributed across our state – starting with our healthcare heroes, who have sacrificed so much throughout this unprecedented catastrophe and deserve our eternal gratitude. If there can be a silver lining from these challenges of 2020, maybe it will be this: I hope that, in the not-so distant future, we will be able to come together physically and we will be reminded of our love for each other. We have differences, without a doubt. But as Maine people stepped up to support each other, we saw again and again that our differences pale in comparison to the values we share. We are one state, and one community – and there is nothing we cannot or will not do for each other. Mary and I wish you a happy and healthy 2021. We can’t wait to see you soon.

Best,

Angus S. King
United States Senator
Dear Friends:

When I took the oath of office as Maine’s 75th governor, I never imagined that we would face a deadly pandemic. But that is our reality, and it is my responsibility to guide our state through this time, to keep Maine people safe and healthy, and to put our economy on a path to recovery.

COVID-19 has wreaked havoc on our national economy, dealing heavy losses to businesses of all sizes, and leaving millions of people unemployed. Here in Maine, it has taken the lives of hundreds of people and sickened many more. Since the arrival of the first vaccines in December 2020, we have been working to get as many shots into the arms of Maine people as quickly and efficiently as possible.

While our spirits are lifted and we share in a collective sense of relief, particularly for frontline health care workers who are exhausted and have been working around the clock to save lives, it will take months to administer the vaccine to all Maine people and we must keep our guard up.

In the coming months, I look forwarded to working with you in fully opening our schools and businesses across the state. We will hasten our state’s recovery if we wear our masks, watch our distance, avoid gatherings, and wash our hands.

My Administration, in collaboration with public health experts and business leaders across the state, developed a plan to gradually and safely restart Maine’s economy. We also formed an Economic Recovery Committee charged with assessing the economic impacts of the pandemic on Maine’s economy and providing recommendations for policy changes to deal with these impacts. Together, drawing on the hard work and resilience of Maine people, we will rebuild and strengthen our economy and rise from this unprecedented challenge to be a stronger, better state than ever.

I continue to be amazed by the strength and courage of the Maine people and businesses who have found different ways to do business and the brave first responders in your town and in our health care facilities. Thank you to the people of Maine who have demonstrated patience, kindness, and compassion during this difficult time.

Thank you,

Janet T. Mills
Governor
Dear Friends and Neighbors:

I would like to begin by thanking you for allowing me the honor of serving in the Maine State Senate. I am grateful you have put your trust in me; and rest assured I will continue to work tirelessly on your behalf.

The Legislature will face unprecedented, historical challenges never before seen in this state; however, I do remain optimistic about our future. I will do my best to hold the line on any new taxes or unnecessary borrowing. Although we are looking at a $1.4 billion budget shortfall, state government must learn to live within its means. Like you and your family, Maine must tighten its belt in slow economic times and make the difficult but necessary decisions that will allow us to weather this storm.

At the same time, it is very important that we restore a sense of balance in state government; and the Legislature needs to play a key role in the discussion on Maine’s future. We must be the voice of the people at the Statehouse. Each of you needs us to find common ground. Working alongside other leaders, as well as the Governor, we need to be sitting at the same table to retrieve any sense of balance we had in our lives prior to the pandemic. Additionally, it is imperative the public continue to have access to and play a critical role in the work of the Legislature.

In addition to working on these important issues, I am serving on two legislative committees this session: Agriculture, Conservation & Forestry; Inland Fisheries & Wildlife.

Again, thank you for electing me to serve you in the State Senate. Please feel free to contact me at 287-1505 or Russell.black@legislature.maine.gov if you have comments, questions or if you would like assistance in navigating our state’s bureaucracy.

Sincerely,

Russell Black
State Senator
Dear Friends,

I hope this letter finds you safe and well. I know that this year has been challenging for many of our communities. In the midst of these challenges, it remains a privilege to represent you, and I appreciate the opportunity to update you on what I have been working on in Congress for the people of the Second Congressional District.

The coronavirus pandemic has made this year an especially difficult one. We’ve seen the struggles of small businesses, workers and families, hospitals, and states and towns. COVID-19 has been a serious threat to public health that requires a comprehensive, ongoing response. In March, Congress passed the largest of three bipartisan pieces of relief legislation, the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act was a $2 trillion economic relief package to provide immediate assistance for some of those hit hardest by the pandemic. While an important start, many of the programs and benefits created by the CARES Act were set to expire by the end of 2020 at a time when COVID-19 cases were on the rise. That’s why in late December, Congress passed another bipartisan bill to provide COVID-19 relief to small businesses and hospitals, the unemployed, and families struggling to put food on the table. However, the action Congress took at the end of 2020 cannot distract from its failure to act sooner. The unwillingness of many members of Congress to accept compromise throughout the fall left many Mainer’s struggling and led to a rushed process that produced a bill with serious flaws. In 2021, Congress needs to step up, come together, and lead the country through this pandemic and get our economy back on track.

There are a few bright spots that came out of the work done by Congress this year. As a member of the House Armed Services Committee, I helped advocate for a national defense bill that would include important priorities for American national security, Maine shipbuilders, and servicemembers and their families. The legislation authorizes a new DDG-51 Arleigh Burke-class destroyer to be constructed at Bath Iron Works and helps BIW compete for new work by encouraging a new multi-year procurement process for the DDG-51 Flight III. This funding bill also makes permanent new federal guidelines proposed by Senator King and me to allow Gold Star Families free admission to national parks and other federal lands.

I’ve been working to improve mental health services for veterans for years, and I led the Maine delegation’s effort to address the need for long-term mental health substance abuse treatment for veterans in our state. This past fall the Veterans Administration announced we were successful. Construction starts next year on a new, 24-bed facility at Togus that will ensure Maine veterans won’t be sent out of state to receive residential care for substance use disorder and associated mental health issues. This is one result that I am especially proud to deliver for my fellow Maine veterans.

As I reflect upon what I am most grateful for this year, I am especially glad to be able to share that my wife Izzy and I are expecting a baby in 2021. We are excited about this new addition to our family and look forward to the blessings ahead.

This period is challenging for Mainers as we all take steps to limit the spread of the coronavirus, protect our families and our communities, and lean on each other to withstand this pandemic and economic hardship. My staff and I stand ready to assist Mainers as we work through these challenges together. I look forward to continuing to work on your behalf in 2021. Respectfully,

Jared Golden
Congress of the United States
2nd District of Maine
Dear Friends and Neighbors,

It has been a pleasure to serve the residents of House District #114 in the Maine Legislature. I am honored that you have entrusted me again with this responsibility. As you are aware, these past ten months have brought unprecedented challenges to our country, the State of Maine and our communities.

Due to the COVID-19 pandemic, the second session of the 129th Legislature adjourned Sine Die on March 17, 2020. The opening on December 2 of the 130th Legislature was still impacted by the pandemic and to ensure social distancing, the Swearing In was held at the Augusta Civic Center instead of the chambers in the State House.

I continue my tenure on the Joint Committee of Agriculture, Conservation and Forestry, this session as the ranking Republican. The most immediate work will be managing the impact of the impending budget shortfall for the remaining six months of this fiscal year 2021. Hard economic choices will have to be made not only in the short term, but we will then be asked to develop the next biennium budget covering fiscal years 2022 and 2023. Prioritizing conservation efforts will be paramount while agriculture and forestry resources will be significant to the rebuilding of the Maine economy. I am looking forward to being a part of those discussions.

I encourage you to actively participate in your state government. Phone calls and letters are always welcome, however, due to the wider use of technology, meetings and hearings are even more accessible. Using the homepage of the Maine Legislature: Legislature.Maine.Gov, you will find access to Zoom meetings and YouTube videos. I also send a weekly email with current state news. If you wish to receive these updates, please contact me at Randall.Hall@legislature.maine.gov, and we will gladly add you to our list.

Again, thank you for giving me the honor of serving you in Augusta and may you all have a safe and healthy 2021.

Sincerely,

Randall C. Hall
State Representative
To the Citizens of the Town of Wilton:

As each year of a Chairpersons term comes to close, we find ourselves taking the time, to report to the people of Wilton, what has transpired over the past several months, between town meetings. This is probably the hardest part for me to do the whole year. Usually, I sit and think what the board has accomplished, what you, the towns people, would like to hear about, and who to mention as this is written. My first thoughts for this past year were that we must not have anything to report. There were no in-person meetings due to Covid, all meeting were “virtual”. Does that mean we only virtually completed tasks? It is my opinion, so much more gets done when all parties are sitting around the table. However, once I looked at my notes, it appears that the Board, and Town, have been very busy this year, despite the Governor’s restrictions.

Below are just a few of the agenda items that came before the Selectboard.

A Geotechnical Engineering study was done on the Forster mill property. The slab was drilled in several places to find out what was under the cement for structural substance. It was found to be gravel and bedrock. Good for most any project that might come before the town.

Many of us will remember that at the end of July 2020, the Town was the site of a command scene for the State Police at the Wilton Fish and Game. A search of the local area was undertaken, for a fugitive from justice.

A discussion has been started about the possibility of the ATV club having road access from the Rail Trail to the foot of Wilson lake. The thought process included the possibility of increasing traffic to the Downtown Village businesses.

DOT came to the town, to request an agreement, so the work could be done to the Danny Boys bridge. It is located on Rt. 2 near the Hathaway and Gammon hill roads. This will be a relocation of a culvert.

The towns people at town meeting are being asked to consider a resolution to support federal Carbon Cash legislation.

Marijuana businesses now have to come before the Board each year for licensing, similar to on-premise liquor licenses. Each one required a public hearing first.

As you can see, the year has been quite busy, with this only being a small part of this fiscal year.

Last year the town meeting was delayed, and was eventually held outside, without the BBQ that had happened for many years.

As Chairman of the Selectboard I would like to take the opportunity at the end of this letter to thank all of the staff, volunteers, and people of the town, that make Wilton a great place to live, work, and play. There are so many hours put into so many projects, many of which do not get the appreciation they deserve.

Thank You for all you do.
Keith Swett
Dear Wilton Citizens and Taxpayers:

Presented for your review is the annual report of the Town of Wilton for the fiscal year ending June 30, 2020. The report will give you details of the various town departments, audit report and the 2021 Town Meeting warrant and accomplishments of town government during the 2019-20 year.

The year 2020 will be forever etched in our minds, and not necessarily for all positive reasons. Phrases and practices such as “social distancing”, “keep 6 feet apart”, “wear your mask”, “out of an abundance of caution”, “pivoting to remote learning/working” are all buzz words we would like to forget. Our Selectboard meetings and Budget meetings were all held by “Zoom”, something most of us hadn’t heard of, let alone knew how to use! Our annual Town Meeting was held outdoors - in a parking lot - two months later than normal. Major events, such as the Blueberry Festival, were canceled, with hopes that the summer of 2021 will bring a return to some state of normalcy and the return of our favorite events and programs. However, on the positive side, I believe we jumped years ahead on the technology aspect and these new practices will be here to stay, and we also learned how to stay open for business and work safely during a pandemic.

As you will see from the Department Reports detailed on the following pages, town departments continued with their major projects throughout the year and planning for future endeavors occurred. The Forster Mill lot on Depot Street has had a final study performed and the property is expected to be put up for sale. Planning has been taking place for replacement of the old stone retaining wall at the Foot of Wilson Lake, along with improvements to the lakeside park land abutting the shore. Also, a Broadband Committee has formed and is working to find improvements to the internet service for Wilton residents.

The Town’s employees adjusted to the ever-changing mandates, and kept on working and serving the residents of our town, as if everything was completely normal. I feel so fortunate to be working with such a great group of town employees who perform their work to the highest standards every day and clearly have the inner drive as public employees. Thank you to our volunteer committee members who give so selflessly of their time, and to our elected officials for their decision making and guidance as they look to continuously improve the town for residents.

For information regarding the town, please check out our web page at www.wiltonmaine.org or our Facebook page – Town of Wilton. If you have any issues or concerns you would like to discuss, please call me at 645-4961 or email: manager@wiltonmaine.org.

Respectfully submitted,

Property taxes on personal property and real property were due November 2, 2019 and May 3, 2020. Interest was charged at a rate of 8% on delinquent accounts after that date.

Respectfully Submitted,

Rhonda L. Irish
Tax Collector
NOTE: By State Law (MRSA 30-A §2801) A delinquent taxpayer list (those delinquents on the date at the close of the last fiscal year, June 30, 2020) must be included in the annual town report.

One * has been added to all those accounts paid in full after June 30, 2020.
Two ** have been added to those accounts that have made partial payments.

ASSESSOR’S REPORT

HOMESTEAD EXEMPTIONS

Please don’t forget to apply for your Homestead Exemption if you have not already. The exempted amount is $25,000 in assessed valuation this year. The Town will be reimbursed approximately 70% in lost revenues from the state. The Homestead Exemption will reduce your annual taxes by an estimated $500.00.

VETERANS EXEMPTIONS

The Maine Revenue Service has expanded/reestablished some federally recognized wartime periods to grant exemptions to veterans (or their widows) that served in the Armed Forces. Please contact our Assessors’ office for more information.

PERSONAL PROPERTY

We want to make Wilton businesses aware of two programs that offer either a tax reimbursement or tax exemption for qualifying equipment. These programs are called Business Equipment Tax Reimbursement (BETR) and Business Equipment Tax Exemption (BETE). The Maine Revenue Services has expanded the eligibility for businesses to qualify for BETE since 2017 so please inquire if your business qualifies for the current year. Both programs require property owners to submit applications that are available at the Town office or on our website. Information regarding the BETE and BETR programs is also available on line at www.maine.gov.

ON-LINE ASSESSING

The Town of Wilton has assessment information on-line. Please feel free to visit www.wiltonmaine.org and look up your property assessment or the layout of your parcel on the Wilton tax maps.

REASSESSMENT REQUEST

If you have removed any buildings since last year or if any of your buildings collapsed during the 2020-2021 winter, please notify our office so we can visit your property and adjust your assessment accordingly.

COVID-19 EXTENSIONS

The Governor has extended the April 1st filing date for Homestead, Veterans and BETE exemption applications. She also extended the deadline for filing Tree Growth, Farmland and Open Space applications as well. The Executive Order extends the April 1, 2021 deadline to either the commitment date of the municipality or 30 days after the termination of the declared emergency, whichever occurs first.

GENERAL ASSISTANCE REPORT

This report is for the period of January 1, 2020 through December 31, 2020. There were 15 applications filed, 11 were approved helping a total of 23 individuals.

The year 2020 was a challenging year with COVID-19 causing many challenges/hardships for families of the community.

Heating $570.90
Housing $1820.00
Personal Supplies $105.00
Cremations $3370.00

Total $5865.90
Minus 70% state reimbursement $4106.13
GA Budget $1759.77

Heating assistance decreased from last year leaving me to believe that the extra monies that were made available to individuals along with the assistance from LIHEAP and the 50/50 ECU Heating Program has helped keep the homes warm. Please remember to plan ahead for next year’s heating season.

Burials/Cremations saw the largest percentage increase within the GA program. Please keep in mind that pre-arrangement services can be obtained by contacting a funeral director of your choice.

Rental assistance as well as electricity assistance is based on an eviction/disconnect notice and then only if a payment arrangement has been broken.

Cindy Greer
General Assistance Administrator
To the Citizens of Wilton,

Over the calendar year of 2020 there were a total of 97 permits issued and $2,839 collected. This included 8 new single-family homes and 3 mobile homes. There were 17 garages, barns or sheds and 10 porches or additions. There were also 2 commercial building permits issued.

During the calendar year of 2020 the Planning Board curtailed 5 meetings from March 19th through the May 21st meeting. The Board resumed meeting in June with some members participating at the office following mask and social distancing protocol and some members and applicants participating over the internet via Zoom. The Planning Board reviewed and approved 13 business use permit applications. Included in these were marijuana businesses established with the ordinance passed at August 27, 2020 town meeting.

The other permits that I issue and administer are plumbing permits. There were 18 internal plumbing permits, 17 septic system permits, and 2 primitive waste disposal permits. The fees for these are set by the State of Maine and 25% of the fee goes back to the State. A total of $6,070 in fees was collected.

The Planning Board has recommended changes to Zoning Ordinance and these are included in the warrant under articles 3, 4, and 5. Article 6 is the amended Marijuana Ordinance.

Article 3 amends the sign article of the zoning ordinance to update for current rules and technology.

Article 4 adds a definition for a marina along with a use in Table A4 Outdoor Resource Base Uses.

Article 5 amends the Piers & Docks section in the Article 5.1 Special Considerations for the Shoreland Zone to agree with the State Shoreland regulations.

Article 6 amends the Marijuana Ordinance to correct a number of deviancies that became apparent when it was put to use.

We are in need of 2 alternate members for the Planning Board, so if you are interested in participating in the land and business use in Wilton, please contact the town office and fill out an application for committee participation.

The Wilton Police Department includes Sgt. Ethan Kyes, Officer Brian Lynch, Officer Kevin Lemay, Officer Benjamin Moseley, and myself. Reserve officers include Officer Brock Caton and Officer Michael Adcock.

Our police officers have gone above and beyond to provide excellence in police response during times when all police agencies are struggling to maintain staff. I offer my sincere appreciation for the families of these officers and the sacrifices they make to keep others safe.

Trick or Trunk was an amazing display of what this community can do for the benefit of all. Businesses, community groups, families, and children came together to turn our downtown into a magical event for all. Well done and a great reflection of the people who live, work and play in Wilton.

We’ve adapted to safety measures and protocols for the benefit of all. An increase in the number of domestic disturbances / assaults / mental health crisis calls is a reminder to us as a community for the need of positive resources for families, children and elderly.

Thank you to all who have gone an extra step to be kind to one another.

Chief Heidi Wilcox
We had a very busy year with 231 calls. We had 41 mutual aid calls out-of-town.

This year was busy with different training and much training on how to handle the COVID-19 virus.

We have 20 firefighters on the Department, with one firefighter taking both Firefighter I and II. We also have one firefighter taking an EMT course.

The 20 new air packs we have work very well. We are updating other equipment as needed.

All of the trucks are doing very well with no major problems. The building houses a new generator which is a 48-kilowatt and runs on propane.

We now have a new washing machine for cleaning the firefighter gear. This is called a Ready Rack Extractor, which is mandated. We also have new drying racks for drying firefighter gear.

HIGHWAY DEPARTMENT

To the Citizens of Wilton,

Over the past year the Wilton Public Works has been busy preparing for this year’s road work by ditching the length of the Munson road, ditching and repairing culverts as needed on Cemetery road in preparation for resurfacing in 2021, sweeping roads, cutting brush, cleaning catch basins, and grading dirt roads.

Over the past year the Public Works Department used a variety of different road treatments to rebuild Doak Street, shim and overlay the Swett Road, shimmed and chip sealed Orchard Drive from Blue Spruce Road to the Temple Road, and cold mixed Butterfield Road and the Black Road.

This past winter there was thirty winter events. More than half of the winter events were a dusting to three inches of snow. The highest amount was twelve to fourteen inches of snow. We were able to stay well within our budgeted amounts of salt and sand. There have been a few major wind storms that required a lot of tree and debris removal. I would like to thank the Wilton Fire Department for assisting in clearing the roads of downed trees to keep the roads passable. I would also like to thank my crew and their families for the sacrifices they made to keep the roads safe to the public. Their hard work and long hours are appreciated.

This spring and summer we plan on rebuilding the Weld Road sidewalk from High Street to Main Street and from Main Street to the crosswalk near the Wilton Academy. Upon approval, we would like to continue on our road maintenance program using a variety of road treatments throughout the town.

I’d like to thank the Selectboard, department heads, town manager, the crew, business owners, citizens, all town employees, neighboring towns, and the DOT to help things run smoothly at the Wilton Public Works Department.

Respectfully,

John Masse

Public Works Foreman
To the Citizens and Ratepayers of Wilton,

We are pleased to report that the Water Treatment Plant and the Wastewater Treatment Facility performed very well again this last year. There are two projects in the works for the water department, and no major projects for the wastewater department.

We hired a new water and wastewater operator last year. His name is Charles Meisner. He is currently busy learning all the ins and outs of our departments. If you see someone that you don’t recognize, stop and say hello to him.

Wastetreatment Department:

The department wants to remind everyone not to flush anything down the toilet that is not TP! Everything else clogs up the lines, the pumps, and the valves in our system. At the present, we have to clean some pump stations on a weekly basis because of this issue. That adds up to a lot of extra time and money on something that should be preventable. Please help us and remind folks to dispose of all Flushable Wipes in the trash, and do not flush them.

Water Department:

Staff members have continued the upgrade process of meters and meter heads to remote read meters. Water line flushing and operations and maintenance continue as well.

We have a pipe bursting project scheduled for May or June, weather depending. We are upgrading the water line next to Route 2 at the McCrillis Corner Rd. The section of water line that goes through the swamp is cast iron and has been in service since the 1960’s. Maine DOT is replacing the culvert under Route 2 and we need to upgrade the pipe to HDPE type of plastic so the chances of it failing are much less. Vortex out of Livermore Falls is doing the project for us.

We are also starting a major project on our main transmission line. The water line was put in around the 1950’s and is well past its service life. We plan to replace the pipe there with bigger volume pipe, and modern HDPE type of plastic. The life span of this new pipe is around 80 years, so it will be there long after it is paid for. This project stretches from Varnum pond all the way to the pump house on Doak St. We anticipate the project to last for 4 or 5 years until completion.

We are working with neighborhood communities to preserve Varnum pond and update the watershed area. We will be continuing in-lake monitoring to establish a baseline for tracking changes in water quality over time. We as a community need to be proactive in keeping it that way because it is the water source for our community.

We would like to extend a large thank you to all staff of town departments, from the Selectboard to the part-time employees, for their willingness to assist us. We also thank the community at large for their understanding and support, both financially and personally.

On behalf of the Water & Wastetreatment Departments staff,

Dale Welch, Cliff Lehigh – Water Department Operators
Nels Hawkins – Wastetreatment Department Operator
Michelle Howatt – Water & Wastetreatment Clerk

Thank you,
Heinz Gossman,
Superintendent, Water & Wastetreatment Departments
To the Citizens of Wilton,

Obviously, this past year has been a challenge for all of us and the Parks and Recreation industry was challenged to try to provide safe and, in some cases, new activities that were safe in light of the Covid 19 pandemic.

Starting with the spring sports season we ended up having a short baseball/softball season once we were able to sort through the dos and don’ts of the safety protocols around Covid. We were able to keep our parks and playgrounds open along with our basketball and tennis courts, but with some restrictions.

Unfortunately, we were not able to offer swim lessons in the summer of 2020, but are in hopes of offering them again in 2021, but probably on a limited basis. I say probably, because the guidelines for that are in constant flux at the writing of this report.

There was a large amount of work done on the big playground at Kineowatha Park. That unit has been there for about 30 years and was overdue for an upgrade. Two new slides will go in at some point this summer to replace the metal ones. We continued to work on tree work to prune or remove dead or dangerous trees.

We were able to continue our concerts at Bass Park last summer and have begun to line up entertainers for the coming summer. Concerts are held on Tuesdays a from 6-8 pm starting June 1st.

We had pretty much a full season of soccer in the fall. With field hockey we had a much shorter season, but did get the girls on the field for some action.

While we were unable to use the school gym at Academy Hill this winter, we did have expanded hours for our skating rink which was heavily used.

We have plans to continue to work on upgrades to the buildings and grounds at all our parks, but with the bulk of the work concentrated at Kineowatha Park.

I would personally like to thank the taxpayers for their positive comments and suggestions throughout the year. Also, to our many volunteer coaches who make a huge impact on the children of the town. Lastly thanks go out to the other town departments that help make things go in the Parks and Recreation department. It is truly a team effort.

Respectfully submitted,

Frank E. Donald Sr.

Greetings Citizens of Wilton,

Wilton Free Public Library’s main focus has remained squarely on providing quality, everyday service to our patrons and community. In 2019, WFPL welcomed 19,298 guests, circulated 22,072 books, magazine, DVDs, eBooks and audiobooks, and saw public access computer use at nearly 1,500 sessions not including use on personal devices of the highspeed, open access Wi-Fi. The library’s collection of materials currently totals 40,965 unique items, and is always expanding. There are 2,640 active registered patrons of the library, meaning more than half the entire population of Wilton has a current library card. The library is a happening place!

In the midst of regular springtime patron visits, librarian outreach in the community, and multiple children’s programs per week, 2020 took a challenging turn, and in mid-March the physical library building was closed. Library staff continued to connect with the community through virtual story times, take home craft and activity packets picked up outside the library, and communication via phone, text, and email. WFPL partnered with Twice Sold Tales to send donated books home to students with their RSU9 homework packets. The library also created a rotating batch of story walks in the downtown area as a way to continue promoting literacy and socially distanced fun. Small patrons and their adults took the ½ mile stroll along Main Street to read a page-by-page story erected along the way.

Over the course of the summer, the library created and implemented a to-go service for contactless book lending. Patrons requested specific titles they desired – or opted for curated recommendations from staff – and picked up their book bundles outside the library. The physical building reopened mid-summer and patrons eagerly returned in small batches to resume in person book browsing and borrowing, computer use, and photocopying services. Library staff have continued to facilitate efficient methods of quarantining returned library materials, and effective cleaning and sanitizing of the physical space. Library service may look a little different, but WFPL is still going strong!

Looking forward, the constant goal of the library is to provide open access to informational and entertainment resources through a variety of means and media. Equally important, the library strives to be a welcoming social hub of the greater Wilton community – to foster community growth through positive involvement and interaction. Our fiscal goal is to minimize costs while maintaining a sustainable and responsible budget. To do this, we are constantly evaluating how and from where we obtain materials, assessing how we staff the library, and exploring possibilities around working with other libraries and organizations to lower shared costs. We work daily to budget within sensible means in order to keep the financial health of the library strong.

Wilton Free Public Library is your library. We always welcome ideas on how best to serve you, and encourage conversations and ideas on how to do that. Thank you for valuing and supporting your local library.

To the Citizens of Wilton,

As for all of us, 2020 was a challenging year for FOWL. While we were able to continue some of our work, COVID-19 did impact many of our activities: we were unable to offer the Wayne Smith Lakes and Loons Awareness Program to all third graders at Academy Hill School; we postponed our 2020 Annual Meeting until July 18, 2021; we were unable to provide free boat rides at the cancelled Blueberry Festival and the cancelled Chamber of Commerce BBQ; and our LakeSmart and LoonSmart programs were put on hold.

However, there were also many positives. Membership was at 301. We had an additional 26 business partners, of which 9 were sponsors of a week or two of Courtesy Boat Inspections.

During the year, we:

- celebrated our 31st Anniversary;
- regularly monitored the water quality of Wilson Lake;
- monitored for dissolved oxygen and water temperature year-round at the buoy at the “deep hole” of the lake;
- worked with two UMF professors who conducted research at the buoy;
- sponsored the Courtesy Boat Inspection (CBI) program where we inspected a record 1065 boats. No invasive plants found. This topped last year’s record of 983, and all 15 weeks were sponsored by local businesses;
- Olivia Schanck was named the winner of the David Prince Memorial Scholarship for post-secondary education;
- Under the capable facilitation of Jen Jespersen of Ecological Instincts, FOWL began a Strategic Planning Process that began in the Fall and extended into the Winter. We considered: 1) where do we want FOWL to be in the next 3-5 years? and 2) how do we get there from here? Top priorities include: 1) Board & Membership Development; 2) Public Relations/Outreach; and 3) Lake Science.

Thank you for your continued support of FOWL.

INDEPENDENT AUDITORS' REPORT

Selectboard
Town of Wilton
Wilton, Maine

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Wilton, Maine, as of and for the year ended June 30, 2020 and the related notes to the financial statements, which collectively comprise the Town of Wilton, Maine's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.
We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Wilton, Maine as of June 30, 2020 and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management’s discussion and analysis, budgetary comparison information and pension and OPEB information on pages 4 through 12 and 61 through 66 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Wilton, Maine’s basic financial statements. The Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund Revenues, Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund Revenues, Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures,
including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Budgetary Comparison Schedule - Budgetary Basis - Budget and Actual - General Fund Revenues, Schedule of Departmental Operations - General Fund, combining and individual nonmajor fund financial statements and capital asset schedules are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated May 12, 2021 on our consideration of the Town of Wilton, Maine’s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Town of Wilton, Maine’s internal control over financial reporting and compliance.

Financial Analysis of the Town’s Fund Statements

**Governmental funds:** The financial reporting focus of the Town’s governmental funds is to provide information on near-term inflows, outflows and balances of spendable resources. Such information may be useful in assessing the Town’s financial requirements. In particular, unassigned fund balance may serve as a useful measure of a government’s financial position at the end of the year and the net resources available for spending.

The changes to total fund balances for the general fund, restricted pension fund, recreation fund and the aggregate nonmajor funds occurred due to the regular activity of operations.

A TIF district essentially reallocates funds from property taxes to encourage investment within the district. Any increased tax revenues collected as a result of an increase in property values then go into the TIF fund and can be used by the town for a wide range of purposes within the TIF to promote redevelopment. The Comfort Inn TIF District, which includes the Comfort Inn property, a lot across from the Comfort Inn, and the former Tannery property, also created a Credit Enhancement Agreement, which assisted with creating the development at the Comfort Inn. That agreement has since expired, and all funds from the Comfort Inn are presently used by the town for various purposes – no funds go back to the Comfort Inn. In 2019, a Credit Enhancement Agreement was created for the former Wilson Stream Business Park. Beginning in 2019, a portion of the taxes paid by the Wilson Stream Business Park will be returned to the taxpayer, following creation of new businesses and jobs at this site. In the Downtown TIF District, no increase in property values has occurred, therefore no funds are presently in this district.

The following is an accounting of the revenues and expenses in the Comfort Inn Omnibus TIF for the year ending June 30, 2020.

Starting Balance: $267,864.09

Expenses:
- Community & Economic Dev. Consultant $5,593.90
- Wheeler Truck Payment $133,324.30
- Quint Fire Truck payment (per town meeting vote) $54,441.25
- MaineBiz Advertising $905.00
- Wastetreatment Plant Phase I loan payment (partial loan payment per town meeting vote) $30,000.00

Total Expenses $224,264.45

Revenues:
- Interest $791.03
- Tax Revenues – Map 34 L124 $113,724.00

Ending Balance: $158,114.67

The proposed 2021-22 budget contained in the Town Meeting Warrant is summarized on the following pages.

The Board of Selectpersons have recommended a municipal budget of $3,790,594 and the Finance Committee has recommended a municipal budget of $3,789,594. With the projected revenues, the recommended budgets are $88,968 and $87,968 respectively, over the previous year’s budget.

The main increases to this year’s budget consisted of funding due to increases in the Town’s liability and worker’s compensation insurance, as well as an increase in the capital road paving program, to increase paving of more of the town’s roads this year.

The Selectpersons and the Finance Committee have each recommended appropriating funds from the unassigned fund balance for the following items:

- Capital Paving Account - $265,000
- Repayment of Forster Mill Loans - $100,000
- Wilson Lake Retaining Wall Project - $100,000

These articles will not affect the tax rate.

Voters will be asked to consider three articles to be paid from the Comfort Inn Omnibus Tax Increment Financing District. These articles are: to appropriate $54,441.25 from the TIF to pay the annual lease/purchase payment for the 2013 HME 78’ Aerial Quint Fire Truck and Article 44: to appropriate $30,000 from the TIF District to pay a portion of the annual Waste Treatment Phase I Rural Development loan. These articles from the TIF accounts also will not affect the tax rate for the 2021-22 taxes, as the TIF account funds are not included in the tax funds.

The budgets and summary are located on the following pages. Please contact me at 645-4961 or email: manager@wiltonmaine.org if you would like to discuss any aspect of the budget.

Respectfully given,

Rhonda Irish

Town Manager
To the Town of Wilton,

It has come to that time of year to discuss the funding for the needs of the Town and Social Services. Gwen Doak, Evret Greer, Barry Hathaway, Vernon Marden, and Katharine Shoaps were joined by three new members; Randy Hall, Richard Lumb, and Anita Spencer. Gwen Doak was elected the Committee Chair, while Evret Greer was elected Secretary. The Finance Committee and Selectboard Members met with representatives of requesting social services and Town Department Managers on March 29th and 30th. Final meeting and vote were held on April 12th.

The meeting on the 29th focused on non-profit and service agencies. Many reported an increased burden over the last year; however, none asked for more than they have in the past. The Greater Franklin Development Corporation is securing funds for the Rangeley/Wilton project, Life Flight reported major increases in cost and a campaign to fund another aircraft, and questions concerning the impact of the past year were directed towards Western Maine Transportation, Safe Voices, and Seniors Plus. Other questions from the finance committee referred to the relationship between SAPRS, Safe Voices, and our first responders. The Wilton Food Pantry reported a slow year but has plans for the spring as increased need is anticipated, and although public activities and events were not able to be held, the Food Pantry and Public Library reported positive fundraising results.

The meeting held on March 30th with the Town Department Managers allowed for clarification on the funds requested. However, a large portion of the increase in the budget is due to contractual agreements (payroll). While several roads need repair, a reduction in the Capital Paving account is to position for infrastructure funds from the state/federal levels. An addition to this year's budget was for a Pension & Benefits Reserve with a $20,500 request. An effort to reduce what is currently an unfunded liability. The concern of both the Finance Committee and Selectboard was the initial cost, ultimately reducing the funds to $10,000.

The Finance Committee elected to have a joint voting session with the Selectboard on April 12th. This allowed for a joint discussion session for any follow-up answers and/or new questions, before the final vote and recommendation to the Selectboard. With minor adjustments and responsible use of funds from the T.I.F., Cemetery Trust, and Undesignated Funds for suitable expenses, the Finance Committee recommended a budget total of $2,323,594. This is a $101,705 decrease from what was proposed.

Respectfully submitted,

Evret J. Greer
Finance Committee Secretary

TOWN OF WILTON
ANNUAL TOWN MEETING
WARRANT

Tuesday, June 8, 2021
Monday, June 14, 2021

TO: Heidi Wilcox, a Constable of the Town of Wilton, in the County of Franklin and State of Maine.

GREETINGS:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Wilton in said County and State qualified by law to vote in town affairs, to appear at the Town Office, 158 Weld Road in said town on Tuesday, June 8, 2021 at 8:00 AM, then and there to act upon Articles 1 and 2. The polls will be open for voting on Article 2 from 8:00 AM to 8:00 PM, at which time the meeting will be recessed; the recessed meeting will be reconvened at Kineowatha Park, Recreation Office Parking Lot at 90 High St in said town on Monday, June 14, 2021 at 6:00 PM, then and there to act on Articles 3 through 65 as set out below, to wit:

ARTICLE 1: To elect a Moderator to preside at said meeting.

ARTICLE 2: To elect all Municipal Officers and School Committee members as are required to be elected.

ARTICLE 3: Shall an ordinance entitled “2021 Amendments to the Zoning Ordinance of the Town of Wilton Regarding Signs” be enacted?

(The proposed ordinance is available for review and inspection at the Town Clerk’s Office and will be available at the Town Meeting.)

Planning Board recommends: Yes
ARTICLE 4: Shall an ordinance entitled “2021 Amendments to the Zoning Ordinance of the Town of Wilton Regarding Marinas” be enacted?

(Planning Board recommends: Yes)

ARTICLE 5: Shall an ordinance entitled “2021 Amendments to the Zoning Ordinance of the Town of Wilton Regarding Piers, Docks and Wharfs to Be Consistent with the State’s Minimum Shoreland Zoning Guidelines” be enacted?

(Planning Board recommends: Yes)

ARTICLE 6: Shall an ordinance entitled “2021 Adult Use and Medical Marijuana Ordinance” be enacted, thereby repealing and replacing the current “Adult Use and Medical Marijuana Stores, Cultivation Facilities, Manufacturing Facilities, and Testing Facilities Ordinance” adopted August 17, 2020?

(Planning Board recommends: Yes)

ARTICLE 7: To see if the Town will vote to authorize the Selectboard to negotiate and enter into an agreement with Matrix Connected Fiber (Matrix) for a private/public partnership to make “fiber to the home” broadband telecommunications service available to all 911 addresses in the Town that do not currently have cable service, on such terms and conditions as the Selectboard deems to be in the best interests of the Town, provided that the total project cost to the Town will not exceed $315,421 and which project funding would require subsequent Town Meeting approval.

ARTICLE 8: To see if the Town will vote to authorize the Selectboard to convey to Wilton’s State Legislators, Members of Congress, Governor, and President of the United States that the Town hereby calls upon its elected representatives to enact carbon-pricing legislation to protect Maine from the costs and environmental risks of continued climate inaction, and to support Cash-Back Carbon Pricing that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis with monthly dividend checks, with the record of any vote to approve this article to be transmitted by the Selectboard by written notice to the above mentioned parties within 30 days of the vote.

Recommended by the Selectboard
ARTICLE 60: To see if the Town will vote, in accordance with 36 M.R.S. § 506, to authorize the Tax Collector and Town Treasurer to accept prepayment of taxes not yet committed and to pay no interest thereon.

**Recommended by the Selectboard**

ARTICLE 61: To see if the Town will vote to authorize the Selectboard to accept, on behalf of the Town, unconditional and conditional gifts of money or property excluding roads, rights of way, and easements and provided that no single gift will obligate the Town to incur liabilities that total $1,000 or more per year, as determined by the Selectboard.

**Recommended by the Selectboard**

ARTICLE 62: To see if the Town will vote to authorize the Selectboard, following a public hearing, to dispose of tax acquired property in any manner the Selectboard deems to be in the best interests of the Town and to execute quitclaim deeds for such property; provided, however, that the Selectboard shall use the special sale process required by 36 M.R.S. § 943-C for qualifying homestead property if it chooses to sell it to anyone other than the former owner(s).

**Recommended by the Selectboard**

ARTICLE 63: To see if the Town will vote that the first half of Real and Personal Property Taxes be due and payable on November 1, 2021, and that the second half of Real and Personal Property Taxes be due and payable on May 2, 2022, and that interest at the rate of 6.0% per annum be charged on the unpaid balance beginning November 2, 2021 and May 3, 2022, respectively.

Note: Per 36 M.R.S. § 505(4), the maximum rate of interest that can be charged is 6%; the Treasurer of State sets this rate each year.

**Recommended by the Selectboard**

ARTICLE 64: To see if the Town will vote to set the interest rate paid by the Town on abated taxes at 2.0% per annum for the fiscal year ending June 30, 2022, and to authorize such interest paid or abatements granted to be appropriated from overlay funds or, if necessary, from unassigned fund balance (surplus).

Note: 36 M.R.S. § 506-A provides the rate of interest may not exceed the rate set for delinquent taxes, nor be less than that rate reduced by 4%.

**Recommended by the Selectboard**

ARTICLE 65: To see if the Town will vote to authorize the Selectboard to apply for State, federal (including Community Development Block Grants) and other grants on the Town’s behalf for purposes deemed by the Selectboard to be in the best interests of the Town; to accept such grants, including, when necessary, the authority to sign contracts and related documents and to accept conditions of approval; and to appropriate such grant funds for any purpose for which the Town has appropriated funds in FY 2021-2022.

Both of these programs allow you to go back 3 years, if you qualify and have not applied. The forms can be found at www.maine.gov/revenue/taxrelief.

Transfer Station Permits: To use the Transfer Station Facilities, you must have a current sticker on your vehicle. The sticker should be placed in the lower passenger side corner of your windshield, so the scale operator can easily see it. Remember when you register a new vehicle to ask for a sticker. The number on the sticker must match your license plate number. If you are borrowing a vehicle you will need to obtain a day pass, you may do this at the Town Office during business hours. If you have questions about what can and can’t be taken to the Transfer Station facility, please call them at 645-3731.
