Each of the officers shall be a holder of at least two shares of the Company’s stock which must be recorded on the Company’s books in his name.

ARTICLE III. GOVERNORS.

All of the powers of the corporation except as otherwise required by law or by these by-laws, shall be vested in a board of fifteen Governors. The President shall preside at all meetings of the Governors, or in his absence the Vice-President, or in the absence of both, the Governors may choose one of their own number to preside.

The Governors shall keep a complete record of all their acts and doings and meetings and shall present a full statement of the financial condition of the Club, showing in detail the assets and liabilities of the Club and the general condition of its affairs, to the Stockholders at their annual meeting. They shall have complete charge of all of the affairs of the Club and may appoint and remove at pleasure any and all employees and agents of the Club or corporation and require of them, or any of them, security for the faithful performance of their duties.

The Governors may appoint an executive committee, which shall consist of the President of the Club and three Governors, which Executive Committee will have full charge of the affairs of the Corporation between meetings of the Board of Governors. The Governors may appoint such other committees as to them seem best, but each committee shall consist of at least three members and shall have for their Chairman a member of the Board of Governors.

Rental of locker is payable upon the assignment of locker.

Charges for diving, swimming and tennis lessons will be quoted by instructor or clerk.

The pool will be open for night bathing only if permitted by the house committee and when those desirous of using it have notified Mr. Hall not later than five o'clock in the afternoon and have agreed to pay the necessary fee.
All children under twelve years of age are not permitted to dress or undress in the bath houses at the main club house but must make use of the facilities of the bathing pavilion. Children under 12 may, however, use the larger pool while they are being given swimming lessons or if Mr. Judd certifies to their being able to swim. Otherwise parents must see that these younger children and their nurses confine themselves to the children's pool and pavilion and make use of Bridge Street in going to and from the club grounds.

Any children over the age of 12 who violate any of the rules in the main club house or annoy the other club members may, by order of the Executive Committee, be compelled for any stated period to dress and undress in the children's pavilion instead of the club house.
