PARADE: Alumni Day, June 15, reaches its climax as the Head Table guests lead the Parade of Classes into the Alumni Banquet.
A Service to Industry

by the

UNIVERSITY OF MAINE

The Department of Industrial Cooperation is making available to industry the staff and facilities of the University for industrial research and service, through the media of

- Cooperative research studies
- Industrial research fellowships
- Summer work in industry
- Consultation

Inquiries are invited. Address
ROY P. WHITNEY, Director
Dept. of Industrial Cooperation
University of Maine
Orono, Maine
THE 79th Commencement exercises June 16 were marked by the award of 173 Bachelor Degrees, 15 Master Degrees, and 6 Honorary Degrees, 3 of them to Maine alumni.

Honorary degree recipients were, for alumni: Maine Supreme Court Justice Raymond Fellows ’08 of Bangor, Doctor of Laws; George L. Freeman ’03 of New York City, noted construction engineer, Doctor of Engineering; and Colonel Corwin H. Olds ’39, Army Chaplain, who also gave the Baccalaureate Address Sunday morning, Doctor of Humane Letters.

The other honorary recipients were Commencement speaker, Dr. Harold W. Stoke, President of University of New Hampshire, Doctor of Laws; Joseph G. Carrigan, Dean of the College of Agriculture and Director of Extension Service, University of Vermont, Doctor of Laws; and noted newspaper woman, Mrs. Elizabeth May Craig of Washington, D. C., Doctor of Humane Letters.

Watch Winner
Announcement was also made of the award of the annual Portland Alumnae Watch. This year’s recipient was Therese I. Dumais of Whitefield, winner of the Oak Prize Speaking contest, member of All-Maine Women, and active in women’s athletics.

Among the fifteen Master Degrees awarded at the Commencement exercises, seven were given to alumni of Maine. Alumni recipients included: Barbara E. Seavey ’39, Master in Education; Gustavus A. McLaughlin ’37, Master of Science in Agricultural Economics; Roger M. Stinchfield ’39, Master of Science in Chemical Engineering; Virgil S. Pratt ’41, Master of Science in Zoology; Joseph B. Chaplin ’21, Master of Education; and Floyd L. Powell ’35, Master of Education.

Baccalaureate
The activities on the Sunday program were opened by Chaplain Olds, the Baccalaureate speaker, who addressed the seniors, parents, and guests Sunday morning in a strong plea for emphasis on “The Science of Human Relations.” Colonel Olds recently returned from service in the Pacific area. Speaking under the subject of “The Approach of the Mind to the World of Men” he stressed a three-fold approach for the future, the objective attitude, brotherliness, and faith.

In awarding the honorary degrees President Hauck read the following citations:

CORWIN HORACE OLDS. Native of Medina, Ohio; loyal alumnus of this university, Bachelor of Divinity at the Bangor Theological Seminary; preacher and leader of men who has served as the devoted minister of several Maine churches, as Chaplain in the Maine National Guard, and since July, 1941, in the Army of the United States; trusted friend and counselor of soldiers, Chaplain of Chaplains; described by an associate who served with him in the Pacific as “an outstanding gentleman, a true Christian, a man of tremendous vision, possessed with great humility, and ability to act as a friend and father of all men in this great Command.”

In recognition of devoted and inspiring services as a religious leader in peace and in war, the Trustees of your alma mater are happy to confer upon you the degree of Doctor of Humane Letters.

RAYMOND FELLOWS. Born in Bucksport, Maine; a graduate of this University and its Law School; successful practitioner, able and devoted public servant who has served his state as Attorney General, as a Justice of the Superior Court, and since May 1, 1946, as Associate Justice of the Supreme Judicial Court; recognized by fellow members of the bar and laymen for the clarity and soundness of his judicial decisions; acclaimed for his “specialization in the fair deal.”

Your alma mater wishes to recognize your public spirited services to your community and state, and your notable achievements as a member of the legal profession. The Trustees are happy and proud to confer upon you the Degree of Doctor of Laws.

GEORGE LEONARD FREEMAN. Born in West Gray, Maine; graduate of Pennell Institute and loyal alumnus of this University; skilled engineer, able executive and designer; consultant on many great public and private projects including the San Francisco Bay Bridge, Carleton Bridge at Bath, Wymans Dam, Austin Dam in Texas, and Dry Docks in the Panama Canal Zone; these and many other noteworthy engineering projects stand as monuments to his integrity and to his outstanding ability as a civil engineer.

Your achievements have brought honor and prestige to your alma mater. Grate-
REGISTRATION of 767 alumni and alumnae, including members of 17 reunion classes, was the outstanding feature of the largest Alumni Day ever held by the Association on Saturday, June 15. As part of the week-end program which included Friday, June 14, as Class Day and Sunday, June 16, as Commencement, the Alumni Day program brought back to the campus the hundreds of persons who had been looking forward for several years to this victory reunion.

Besides the record-breaking attendance, highlights of the program included naming of the new Alumni Secretary to replace Charles E. Crossland '17, retiring after 18 years of service, the successful reunion efforts of classes from 1939 through 1943 to bring back to the campus record-breaking numbers of members, and the honoring of eight members of the class of 1896 on the occasion of their fiftieth commencement anniversary. Included in the class was Charles P. Weston of Orono who, to the acclaim of the large crowd at the Alumni Banquet, was named recipient of this year’s Alumni Service Emblem.

Secretary

Announcement was made at the Alumni Council meeting Friday evening and the General Alumni Association annual meeting Saturday morning by a special committee headed by Hazen Ayer ’24 that John C. Sealey, Jr. ’36 of Augusta had been selected as candidate for the Alumni Secretary’s position. Following the report of the committee, John Sealey was duly elected, appointment to take effect July 1. Qualifications of the new Alumni Secretary are given in detail elsewhere in this issue.

The special committee headed by Mr. Ayer made a full and comprehensive report on the various candidates considered for the position and outlined in detail the many fine qualifications which Mr. Sealey brings to his new appointment. Following his official confirmation by the Association he was presented to the assembled alumni during the Alumni Banquet Saturday evening.

To the retiring Alumni Secretary, Charles E. Crossland, who will take up his full-time duties as assistant to the President, the Association through Fred D. Knight ’09 paid sincere tribute for the long and faithful service he has rendered. On formal vote of the Council, the committee drew up and presented a resolution of appreciation for his devotion and best wishes for his future success in his new position.

Signifying the successful reunion efforts of six younger reunion classes, those from 1939 through 1944, the President’s Cup, given to the class registering the largest total number of persons was awarded at the Alumni Banquet to the class of 1942 with a total registration of 81, a real record. Close to their tally were 1941 with 69 and 1943 with 67. A cup for the largest percentage of living members registered was awarded to 1896 with a 47% registration. The 20th Century Cup awarded to the class of the 20th century having the largest percentage of living members registered was won in a close contest by 1910 with 25 registered for 165%. They were closely pursued by the class of 1902 which deserves all kinds of credit for their reunion record of 12 registered for a percentage figure only slightly less than that of 1910.

EMBLEM WINNER: Prof. Emeritus Charles P. Weston ’96 received the 1946 Alumni Service Emblem.

Guests

Members of the class of 1896 as guests of honor of the University were welcomed to the Alumni Luncheon at noon Saturday where they were presented certificates in tribute to their fiftieth year of alumni-ship. During the morning they met with a senior alumni group of older classes and were formally inducted into its ranks. Members of the class who were present for the Commencement program were: Charles P. Weston of Orono, Frederick Black, Searsport, Harry Farrall, Swamps litt, Mass., Nathan Goodridge, Orono, Elmer E. Kidder, Boise, Idaho, Joseph Randlette, Richmond, Lore A. Rogers, Patten, and Stanley J. Steward, L. I., N. Y. Mr. Kidder easily took all honors for the class for distance.

An added honor to the class as well as to Professor Emeritus Charles Weston was the surprise announcement at the Banquet that he had been selected this year as recipient for the Alumni Service Emblem.

Banquet

Climax of Alumni Day, the Alumni Banquet was attended by some 940 alumni, faculty, and friends to make it the second largest affair of its kind in the history of the Association. The speaking program featured President Arthur A. Hauck and three alumni. Speaking on behalf of the alumnae, particularly those who have been in the service, Miss Freda Crozier ’31 of Brownville referred to her experience as a member of the Women’s Army Corps in which she held the rank of captain before discharge. Veteran Howard L. Cousins, Jr. ’42, Captain U.S.M.C., moved his audience deeply as he recounted the experiences which he had encountered in service hospitals since his wounding on Iwo Jima and paid tribute to the spirit and loyalty of the men in those hospitals. Professor Emeritus Weston addressed the crowd on behalf of the older alumni and in his usual witty manner greatly pleased his audience.

Several classes made surprise announcements of financial gifts during the Banquet. These included a gift of $1,000 from the class of 1910, a supplementary of $1,000 from 1911 raising their total gift to $3,000, a supplementary of $200 from 1920 raising their total to $1,200, and a pledge of $1,000 from the class of 1921 to be paid as their 25th anniversary gift.

Scholarship Gift

HONORS P. B. PALMER ’96

The Perley Burnham Palmer Scholarship Fund was established by gift of $1,500 to the University of Maine from Mrs. Bertha L. Palmer of Orono in memory of her husband, a graduate of the University in the Class of 1896. Announcement of the gift was made by President Arthur A. Hauck at the Alumni Luncheon, June 15, at which members of the Class of 1896 were guests of honor on the occasion of their Golden Anniversary Reunion.

Since Mr. Palmer was a graduate of the College of Technology, the income of the fund is to be used for a scholarship to a student in that college. The University will determine the basis of award.

In announcing the gift President Hauck paid tribute to the late Mr. Palmer’s great interest in the University. Among other activities he had served as secretary of his class, member of the Alumni Council, and an alumni member of the Athletic Board. In business he had distinguished himself as a paper mill engineer and executive, having been affiliated with the Interstate National Paper Co., the Orono Pulp and Paper Co., and the St. Croix Paper Co.
PLANS ANNOUNCED FOR MEMORIAL UNION DRIVE

In the presence of some 900 alumni, faculty, and friends attending the Alumni day banquet at the University on June 15, Raymond H. Fogler '15 of New York announced the decision of the General Alumni Association to raise $750,000 for the purpose of erecting a Union Building which is to be a memorial to the 170 University of Maine alumni and former students who died in World War II and as a tribute to the 3,882 University men and women who served in the Armed Forces in the war. President Robert F. Thurrell had announced earlier in the day at the General Alumni Association annual meeting that Mr. Fogler had accepted the chairmanship of the Union Building Fund Committee which will be responsible for raising the money. The date for the campaign has not yet been established but it is expected it will be conducted during the winter and spring of 1946-47.

Recognizing that this campaign will be the largest ever undertaken by our alumni Mr. Fogler expressed confidence that the goal, though large and requiring our best efforts, could be achieved for four reasons. First, Maine alumni will certainly want to appropriately recognize the great sacrifices which our 170 Maine men and their families have made; second, that the number of alumni has increased considerably since our last major fund raising campaign; third, that there is urgent need for a building which will contain facilities for student activities and organizations and for alumni use, and lastly that this Union Building will have the widest appeal and be the most popular project which our Alumni Association has ever undertaken.

Committees Being Appointed

Association President Robert F. Thurrell and Mr. Fogler have for some weeks been working on committee appointments. Although the personnel of the general fund committee has not yet been quite completed, one meeting has been held at which the committee after long and thorough discussion arrived at the unanimous decision to recommend the $750,000 goal which was subsequently approved by the Alumni Council and then the General Alumni Association. Three other committees are in process of organization, one on Special Gifts of which Harold M. Pierce '19 is chairman, another on Union Building requirements of which George D. Bearce '11 is chairman, and the third on Publicity headed by Hazen H. Ayer '24 of Boston, Association vice president.

Selection of a Union Building

The decision to erect a Union Building as a memorial, came only after a careful survey of the needs of the University which was made by an alumni committee which reported to and received the approval of the General Alumni Association in 1945. A Union Building was considered to be the greatest need and most appropriate memorial first because of the facilities which this building will provide, and second because of its importance to the entire student life of the University. The need for a student Union was first suggested in 1918, when a student group presented the University with a small sum of money with which to start a Union Building Fund. The alumni committee which recommended the Union Building as a memorial, was composed of the following alumni: R. H. Fogler '15, New York City, Chairman; H. E. Sutton '09, Boston; June Kelley 12, Norwood, Mass.; A. T. Littlefield '21, Augusta; G. E. Lord '24, Orono; W. E. Daley '30, Portland; Lt. (j.g.) Natalie Nason '38, Davisville, R. I.; R. E. Berry '41, Livermore Falls, Mary Billings '44, Wellesley, Mass.

Chairman Fogler

Mr. Fogler, who is to serve as chairman of the fund-raising committee, has long been prominent in alumni and University affairs. A native of Rockport, he formerly served as president of Montgomery Ward Company, and is now president of W. T. Grant Company in New York. In recognition of his business achievements, the University conferred an honorary degree of Doctor of Laws upon him in 1939. He is a past president of the General Alumni Association of the University, and has served on many committees and is now a member of the Alumni Council. He was special gifts chairman in the highly successful Library Fund Campaign, which was conducted by alumn in 1940 on the occasion of the celebration of the 75th anniversary of the founding of the University. He is president of the class of 1915 which has made the largest gift to the University of any of our Maine classes. He is also president of the University of Maine Foundation. In recognition of his leadership and services to the Alumni Association he was recipient of the Alumni Service Emblem.

Trustee Nutter Presents Organ to University

A beautiful new Hammond Electric organ, latest model and one of the first to be received in the state since the war, was presented to the University just prior to Commencement by William S. Nutter of Sanford, a trustee of the University since 1936. It has been placed in the Little Theatre in Alumni Hall.

According to competent musicians this organ is capable of an almost limitless number of tone variations. The beauty and range of this instrument was demonstrated at an organ recital played by Edward H. Prescott of Bangor on Alumni Day. Prof. A. W. Sprague, head of the University Music Department, is enthusiastic in his praise of this fine gift.

Although the University has a pipe organ, it has been in use for many years and is not so well adapted for instructional or concert purposes. This new Hammond will be useful in many ways for teaching, for music and choir work in connection with the Sunday church services, for special musical and other events.

Trustee Nutter has always been much interested in music and is widely known through the southern part of Maine not only because of his interest in music but also because of his frequent appearance in the past as tenor soloist, in a male quartet or male chorus. This fine gift will be most useful and appropriately reflects Mr. Nutter's desire to add to the progress of music at the University.

CHAIRMAN: Raymond H. Fogler '15 will serve as General Chairman of the Union Building Campaign.
Association Elections

Robert F. Thurrell ‘15 of East Wolfeboro, N. H., was reelected president of the General Alumni Association at the annual meeting held June 15. At that session also the Association approved the Alumni Council action in employing John Sealy, ’31, as Executive Secretary, effective July 1, to succeed Charles E. Crossland resigned. Much business was transacted at the annual sessions of the Association and Alumni Council both held during Commencement. Important business not reported elsewhere in this issue of The Alumnus is given in the paragraphs which follow.

Association Elections

In addition to President Thurrell the following were elected to serve for the ensuing year. Hazen H. Ayer ‘24, Boston, vice president; Richard S. Bradford ’30, Orono, treasurer; and George F. Dow ’27, clerk. Elected to serve three years on the alumni council as members at large were the following Fred D. Knight ’99, Hartford, Clifton E. Chandler ’13, Portland, Alton T. Littlefield ’21, Augusta, Conant A. Priest ’22, Syracuse, New York, Emily Pendleton ’26, Lewiston, and Jesse Fraser ’31, Bangor. Thomas N. Weeks ’16 of Waterville was reelected to the Council as representative of the Law School alumni. Clifford Patch ’11 of Bangor was reelected as an alumni member of the Athletic Board.

Other business acted upon at the Association meeting included approval and ratification of all the acts of the Alumni Council for the past year Acceptance of the reports of the Alumni Trustee H. W. Pierce ’19 and Alumni Member of the Athletic Board, Clifford Patch ’11. Dr. Elton E. Wieman, recently appointed Dean of Men and Director of Athletics and Physical Education, was introduced and spoke briefly. R. H. Fogler ’15 presented the recommendations of the Union Building Committee which were approved and are printed elsewhere in this magazine.

The response of reunion class representatives to the Alumni Activities Fund roll call set a new record of nearly $2000 in gifts to that fund this year. Appreciation was extended to George D. Beare ’11 who retired from the Council after several years of fine service. The 1946-47 budget of $12,975 was adopted.

Alumni Council Session

At the extended annual business meeting of the Alumni Council all committee and other reports were received and acted upon as follows: Dues Committee report by J. W. McClure ’33; Treasurer’s Financial statement by R. S. Bradford ’30; Life Membership, Financial statement by Treasurer R. S. Bradford ’30; Library Fund Committee report by R. H. Fogler ’15 and Treasurer’s report by J. A. Gannett ’08; University Store Co. report by J. H. Freeland ’19 and R. N. Atherton ’18, World War II Records Committee report by Chairman L. M. Dorsey ’16; Commemorative Plate Committee by Mrs. Merrill Bowles ’21; Alumni Activities Fund Committee report by J. H. Masson ’09; Portrait Fund report by W. S. Evans ’15, Memorial Fund report by Ralph Whittier ’02, treasurer; Book of Builders Committee report and Alumni Service Emblem committee report both by C. E. Chandler ’13; Alumni Council Executive Committee report by Chairman H. H. Ayer ’24; and Union Building Fund Committee by R. H. Fogler ’15.

Horace Estey ’30 of Bangor was appointed as an alumni stockholder of the University Store Co. Mrs. Robert Russ ’34 was named to serve on the Alumni Advisory Board, and M. L. Urann ’97 and R. H. Fogler ’15 were reappointed to the Endowment and Donations Committee.

Executive Secretary Charles E. Crossland and Placement Director P. J. Brockway presented their annual reports which were accepted.

Commencement

(Continued from Page 3)

fully and proudly we confer upon you the Degree of Doctor of Engineering.

HAROLD WALTER STOKES, Na­tive son of Missouri; graduate of Marion College, Indiana, Doctor of Philosophy at Johns Hopkins University; gifted teacher and writer whose scholarly contributions in the fields of political science and public administration have had wide influence in the affairs of government; capable admin­istrator who has held various responsible posts in government; since September, 1944, ably serving as the President of the University of New Hamp­shire. In recognition of outstanding achievements in public administration and in edu­cation, the Trustees of the University of Maine are happy to confer upon you the degree of Doctor of Laws.

JOSEPH EDWARD CARRIGAN. Born in Pittsford, Vermont; graduate of the University of Vermont in 1914; serv­ing in his native state, successively as County Agent, as Assistant County Agent Leader, Director of Extension Service, and since 1942 as Dean of the College of Agriculture and Director of the Extension Service and of the Experiment Station; he has won the admiration and confidence of farmers, associates, and public officials; his devoted and effective services as edu­cator and administrator have contributed notably to the advancement of agricul­ture throughout New England. In 1941, Epsilon Sigma Phi, National Honorary Extension Fraternity, honored you by awarding you a certificate of rec­ognition for “Outstanding Service to Ag­riculture”. Today, in further recognition of your leadership, the Trustees of the University of Maine are happy to confer upon you the degree of Doctor of Laws.

ELISABETH MAY CRAIG. Born and educated in South Carolina; able journalist who has combined a successful career as a newspaper woman with home making; former president of the Women’s National Press Club, member of the White House Correspondents’ Associa­tion; known and admired by thousands of people in this state through her daily column in Maine newspapers called “In­side in Washington”; friend and trusted, confidant of statesmen and military lead­ers; ardent defender of the freedom of the press; accurate recorder of life in the nation’s capital, and in the cross roads of the world. In recognition of outstanding services as a journalist, we are proud to enroll you as an honorary alumna of this Uni­versity. In behalf of the Trustees, I am pleased to confer upon you the degree of Doctor of Humane Letters

HONORED: Members of the Class of 1896, celebrating their 50th Reunion, were honored at Alumni Luncheon and also awarded the 1908 Attendance Cup for the largest per cent of living members registering Alumni Day.
The FUTURE of the UNIVERSITY

A Statement by the Board of Trustees

THE University has arrived at a turning point in the road. A choice must be made whether the institution is to revert to a student body of 2000 and turn away hundreds of well-qualified students each year or whether funds are to be made available to give Maine young men and women the educational opportunity which they deserve. The University Board of Trustees has decided to place this problem before the State Legislature at a special session early in July.

As a means of helping the University to partially meet the problem of offering veterans an opportunity for an education, the Governor and Council made available $150,000 as the first step in expanding facilities for temporary use only. The decision as to the location of the additional facilities is underwritten as this issue of The Alumnus goes to press; indications, however, point to Dow Field in Bangor as being the most likely and logical choice depending upon the availability of some of that air field.

Trustees' Statement

A few days after the action by the Governor and Council the Board of Trustees of the University issued a formal statement (on June 10) which was given prominent attention in the daily papers of the state. The Trustees believe it is prudent and expedient for the State to face the long range problem at this time. This will require two new men's and one new dormitory and additional funds for instructional buildings.

The Trustees' Statement is given in full:

The University of Maine, with a teaching plant having a capacity of about 2000 students and with a housing capacity inadequate even for that number, by the erection of emergency temporary housing has already provided for an anticipated student enrollment next fall of about 3200 students. In making these provisions, the financial resources of the University have been severely strained.

In view of the serious problem arising out of the large number of veterans seeking college education, the University has been urged by the governor and council to undertake a further expansion of its facilities and $150,000 have been made available to cover preparatory expenditures, in anticipation of early action by the Legislature to provide for construction of three dormitories with a total capacity of about 600, and for construction of an engineering building and a plant science building. These dormitories would house men during the period of abnormal enrollment, but later one would be used for women. The estimate of cost of these dormitories is $2,000,000 to $2,500,000. Part of the money needed for the engineering and plant science buildings has already been appropriated, but by reason of increased construction costs additional funds will be required.

In response to the request by the governor and council for immediate action to prepare for further expansion of enrollment next fall, and acting in the hope and faith that the Legislature will support the recommendation for expenditure for permanent use and value at the University, the officials of the University are now working to secure temporary facilities for about 800 additional students, either at Dow Field in Bangor, or elsewhere, with the intention of moving these students to the campus as soon as possible. If the temporary location can be secured, and if teachers can be found, action taken by the Legislature at the special session as recommended by the trustees will make possible a substantial increase in admissions of veterans.

Editorial Comment

The Bangor Daily News of June 12 contained the following editorial:

Yesterday's statement by the Trustees of the University of Maine gives the public a clear and unbiased picture of the dormitory problem at Orono. The student body is growing in numbers as it ought to grow, and as everybody wants it to grow. Additional appropriations will be needed to house permanently the normal increase. Meanwhile, the State wants immediate housing facilities to meet the temporary increase of veterans at the University. This ought to be provided, and will be. But that provision should not be allowed to delay or decrease the grants for those badly needed permanent improvements to an institution which does and has done so much for Maine, and which, if properly supported, can do so much more for Maine in the future.

On June 14, the Portland Press Herald discussed the whole situation at some length. The editorial said in part:

The University of Maine, keeping in view 2,500 as its permanent postwar figure for normal operations, will face this fall under pressure of veteran needs. The University is in the throes of a really desperate expansion to meet a situation obviously without precedent.

The Governor and Council have now appropriated $150,000 towards this expansion, the money to be transferred at once to the Emergency War Fund. This token sum of $150,000 "is to be construed as a plea to the President and Trustees of the University to meet..." and that the University was to proceed "duly and promptly to the task of building a new dormitory." The University officials are aware of the need, and with present facilities strained to the limit, are prepared to meet the demand so far as there is money available. State support of this institution is of course based on the mill-tax. In 1929, the income of $730,000. Subsequently as valuation shrank, income shrank. One year it got as low as $600,000. Today, after 17 years of the mill-tax, the income stands at $700,000, actually less than when the mill-tax was set up.

Obviously the University cannot be asked to expand on shrinking state funds, but as obviously the State, if it wants this educational expansion, must furnish the wherewithal. One hundred and fifty thousand dollars is, as we have noted, a mere drop in the bucket, and it will be the task of the Special Session to fix the final sum. The Trustees recommend the construction of three dormitories, an engineering building, and a plant science building, at a cost of approximately $3,000,000. These buildings, they say, will provide a part of the permanent plant of the University.

Just for now, it will no doubt be necessary to set up an overflow institution—a sort of branch University or educational annex possibly at Dow Field, Bangor; and to hire the appropriate faculty for such an annex. But it seems plain that along with the flurry of intensive, high-speed education for veterans, the normal expansion needs of the University should also be considered.

The gifts of alumni are special gifts to meet needs which cannot so logically be met out of public funds. But it is perfectly logical to provide dormitories out of public funds; and this public construction should now be undertaken by the State. Nobody can say how long the need for the emergency annex may last; but when that need is over, the University should find itself in a position to house and instruct within its own bounds the normal 2,500 student population which is its goal. If the emergency is for more than a year—and it may well go four or five years—then this construction will meet both the emergency need and the permanent need. It will be killing two birds with one stone, which is always good business. And it will result in making the permanent plant at Orono strong enough to answer the full call of the future,—which is something even better than good business.
**The MILITARY PAGE**

**Recruiter:** A triple recognition was accorded to Morris A. Ernst '39 by the U. S. Army last month when within a period of a week he was promoted to the rank of Major, received the Army Commendation Ribbon and was named Executive Officer of the Recruiting Service for the First Service Command. Major Ernst is a member of the regular Army and has been serving the recruiting branch of the Army since last September as Adjudant and Acting Executive Officer for the First Service Command and later as Assistant Executive Officer and Personnel Officer. A veteran of the ETO, Major Ernst entered service from his advanced R.O.T.C. training at Maine in July, 1939, from 1942 to 1944 serving overseas in England, then during the invasion of Normandy in June, 1944, he was wounded and hospitalized in this country. He was later graduated from the Fort Leavenworth Command and Staff School with the highest rating. In his new assignment he will have charge under the Commanding Officer of the Recruiting Service of the First Service Command. Major Ernst is a member of the regular Army and has been serving the recruiting branch of the Army since last September as Adjudant and Acting Executive Officer.

**Awarded the Legion of Merit:** Captain Ernest Saunders, Jr. '36 of the Adjutant General's Department was cited for exceptionally meritorious conduct for his work in the Mediterranean Theatre. He was praised for displaying "great skill and efficiency in planning and handling of important operational, historical, legal and administrative records of organizations and installations of the Mediterranean Theatre." Part of his task was to train and supervise personnel in evaluating, selecting, and preserving records of permanent value for the National Archives.

**Chinese singers and musicians have popularized the Main Stein Song according to a recent letter from Lt Raymond Jones, now overseas in that country as a linguist in the office of the Commanding General of U. S. Army Forces in China. To prove the statement that "the Main Stein Song here is very popular both on the radio, at weddings, parades, and even in the dance halls" he enclosed a hand draft copy giving the English words, the Chinese symbols, and a Chinese translation in romanization of the Chinese characters. The valuable copy is one more addition to the University collection of international copies of its famous theme song.**

**Missing in Action:** 2
Gold Star Service is Feature of Alumni Day

A unique feature of Alumni Day this year was the scheduling during the afternoon of a Memorial Service in tribute to the memory of 170 Gold Stars from the University. Dr. Clarence C. Little, former president of the University now serving as Director of the R. B. Jackson Memorial Laboratory, Bar Harbor, gave the memorial address in tribute to the memory of men who died in service. With him on the program were President Arthur A. Hauck who read the scriptural passage, the Reverend Charles O'Connor who gave the prayer and benediction, and Alumni President Robert Thurrell '18 served as chairman of the program. Following the address of tribute a moment of silence was observed with the playing of taps.

In his address Dr. Little referred to the high principles for which Americans sacrificed their lives.

Referring to the American spirit of liberty and justice for all, Dr. Little said in part, "Twice in our lifetime that peace, from which our adult strength must spring, has been jeopardized by titanic forces of organized evil which denied the universality of freedom of opportunity to the individual. Twice America's sons and daughters have met that challenge and have broken it on and in the three elements—land, sea, and air—where man can meet man in armed conflict. At the close of the second struggle our nation unleashed, as a destructive force, the energy by which the universe is organized and nurtured. By the genius of its creative intelligence it became the first of the children of the Infinite to meet its parent face to face.

"So, centuries ago, the Son of Man faced with realization of his spiritual power was forced to choose between all the wealth and cities of the world and the use of that power for the salvation of all mankind. In such a solemn and fatal moment we owe it to those of our own who cannot speak to us, with human voices to pray and to listen that we may yet hear and absorb in our own heart and spirit what theirs would say to us.

"We must learn that war and peace are only man-made words without meaning unless they become a part of our knowledge of the higher values of life itself. War never ends nor does the full depth of the beauty of peace exist except in human effort wisely and unselfishly exerted under the guidance of Almighty God. Human effort is our greatest right and heritage. We possess the opportunity and obligation to use it benevolently with all our strength and power so long as we have life itself. It is in order that we might dedicate that effort to making a better, more kindly, more brotherly world that those whom we honor today have given their all."

Maine Alumni:

As the day draws near when I must "pull stakes," I am becoming more acutely aware of how much I am going to miss the frequent contacts with the hundreds of alumni who have so willingly and ably assisted in our alumni program during the past eighteen years.

They have been pleasant years. The work has been enjoyable largely because Maine alumni are such a truly fine group of people to be associated with and to work for. Your interest and loyalty have inspired the success of any organization. That interest and loyalty have been a great tower of strength to our University and will most certainly mean much to the continued progress of Maine in the years ahead.

For your cooperation and assistance and all your kindness I am deeply grateful. I shall be glad to do what I can in the future to assist the Association which has come to mean so much to me. Since it is to be my good fortune to remain at the University, I earnestly hope I may have the pleasure of seeing you often. Best wishes to each of you.

Most sincerely,

C.K. Crossland
EXECUTIVE SECRETARY

John Sealey '36 Named New Alumni Secretary

John C. Sealey, Jr. '36, new Executive Secretary, General Alumni Association.

Upon recommendation of a special committee headed by Hazen Ayer '24, the Alumni Council has approved the appointment of John C. Sealey, Jr. of Augusta as the new Alumni Secretary who will take over July 1 the work carried for 18 years by Charles E. Crossland '17.

Mr. Crossland leaves the secretariaship to become full time assistant to the President of the University.

The new secretary brings to the position an outstanding undergraduate record and a varied and valuable graduate experience in business and also as a member of the Naval Reserve. For many years class president for 1936 and member of the Alumni Council, he is familiar with many aspects of the Association. As a student he was active in many undergraduate fields including cross country, JV tennis and football, Student Senate, the Interfraternity Council, and business manager of the Prism. He is a member of Kappa Sigma fraternity, as a senior he was selected by a vote of students and faculty as recipient of the Washington Alumni Watch as the outstanding man of the class.

Following his graduation he was employed by Central Maine Power Company as the lighting engineer. While there he was active in the local Alumni Association, serving as president of that group. He also acted as an area solicitor in the Library Fund Campaign.

In December, 1942, Mr. Sealey entered the Naval Reserve in the field of communications but advancing to the grade of lieutenant at the time of his discharge. His service included 18 months on Atlantic sea duty as a communications officer. He was discharged from the Navy in March this year, returning to his post with the Central Maine Power Company.
### Financial Report

In presenting a financial statement for the eleven months ending May 31 together with June estimates Treasurer Richard S. Bradford ’30 stated that it appeared the Association would enjoy a satisfactory year with an estimated surplus of about $1600 for the twelve months.

Upon recommendation of the Finance Committee of which George E. Lord ’24 was chairman the Association subsequently approved an action of the Alumni Council authorizing the transfer of $2500 from the Association treasury to the Alumni Activities Fund.

**The highlights of the reports and actions comprising the activities of the Alumni Council and Alumni Association at its annual meeting in June are summarized in the following paragraphs.**

**Robert F. Thurrell ’15 of East Wolfeboro, N. H., was reelected President of the Alumni Association at the annual meeting. Mr. Thurrell is entering his second term in the office, having previously served as vice president.**

**Reunion Gifts**

Answering the reunion class roll call at the annual meeting of the General Alumni Association fourteen of the sixteen reunion classes responded to the Alumni Activities Fund. The class of 1910 topped the list with $598. In total gifts the class of 1909 holds first place with $1109, followed by 1915 with $1000.

The Alumni Activities Fund committee solicited gifts in connection with the compilation of the list of alumni who served in World War I, which list by vote of the Alumni Council, is to be included in an appropriate volume.

**Memorial Fund**

During the year ended May 31, nine payments amounting to $667 were received. No reminders have been sent since notice of November 29, 1944. There have been no expenditures. The Fund now has a balance of $3,250.05 on deposit in two savings accounts. There will be some bills rendered shortly for expenditures made in connection with the compilation of the list of alumni who served in World War I, which list by vote of the Alumni Council, is to be included in an appropriate volume.

A condensed financial statement follows:

**RECEIPTS**

- June 1, 1945- May 31, 1946 Total:
  - First Campaign: $677 00
  - Interest & Misc: $45 26
  - Total: $722 26

**EXPENDITURES**

- First Campaign: $84,814 16
- Second Campaign: $26,048 88
- Tablets & Dedication: $350 72
- Building Cost: $1,099 27
- Gymnasium: $166,537 43
  - Total: $257,998 48

The committee report to the Alumni Association annual meeting showed nine gifts amounting to $1,635 were made in 1945, the class of 1905 topping the list with $598. In total gifts the class of 1909 holds first place with $1109, followed by 1915 with $1000.

The Alumni Activities Fund is held in trust for the University of Maine Foundation for purposes of management and investment. The use of income is controlled by vote of the General Alumni Association. No interest has been withdrawn from the fund since 1930.

The Fund has now grown to $13,870.86, not including the reunion class gifts which have been or are to be made this year. The income earned last fiscal year was $454.95.

Upon recommendation of the Alumni Activities Fund committee the Alumni Association voted that beginning in 1946-47 the income from the Alumni Activities Fund shall be used to defray expenses incident to Alumni Homecoming and Alumni Day at Commencement and that such part as is not needed for that purpose shall automatically revert to the Fund and become part of the principal.
Among recent alumni publications the Alumni Office has received a copy of *Way, Way Down East* by Leah Ramsdell Fuller '21 of Lubec. The attractively printed volume of 115 pages is a series of sketches from the life of a Maine family in the vicinity of Quody Lighthouse.

Typical family outings, May Day, picnics, blueberrying, clam-digging, mark the highlights of the quiet life of these downeasters. The book centers around the Rose family, of Mother Rose and her six children. Written primarily on the childhood level, the good nature and sympathetic understanding will be appreciated equally by adults. The wide variety of enjoyable country activities available to the boys and girls of a Maine sea coast village are admirably portrayed. Mrs. Fuller knows at first hand her Maine landscape, activities, and people. Her book is crammed full of all three. Clever line drawings as chapter headings add to the reader's pleasure.

*Way, Way Down East* is published by John W. Luce Company of Boston, 1945, $2.00.

**Library Fund**

According to the Library Fund Committee report for the past year 94.5% of the $251,876 subscribed to the Fund has been paid. This remarkably high percentage of payments is believed to be one of the finest records ever made in a campaign based upon payment of pledges spread over a 30 months period. The chairman of the Library Fund Committee which has made such a conspicuously fine record was the late Norman H. Mayo '09. R. H. Fogler '15 succeeded Mr. Mayo. The other committee members are Mrs. Edward L. Herlihy '16, J. A. Gannett '08, A. T. Littlefield '21, and E. R. Webster '27.

For the past year the committee report showed 83 payments totalling $2,112 as a result of six notices to unpaid subscribers. Following is a summary of payments to date:

**Summary of Payments**

</table>

There are still 394 unpaid alumni subscriptions which total $11,074.

Upon recommendation of the Library Fund Committee the Alumni Council approved the sending of a final letter to unpaid subscribers urging payment in full of their subscriptions. This notice will be mailed within the next month.

(Continued on Page 14)

**Council Member . . .**

Newly elected member of the Alumni Council at the annual meeting June 15 is Miss Emily Pendleton '26 of Lewiston. Miss Pendleton is Head of the English Department for both high and elementary schools of Lewiston, a responsibility she has held since September, 1945. She had previously been a teacher and English Department Head in Sanford high school since 1927.

Prepared at Islesboro high school and Hebron Academy, Miss Pendleton attended the University with the class of 1926 where she was a member of All-Maine Women, and Contributors' Club, serving as president of the latter. She was a scholarship winner in English and was granted a year of graduate study at the University, receiving her M.A. degree in 1927. She has also studied during the summer session at Columbia University.

Miss Pendleton has been active in the Teachers’ Alumni Association, serving as a member of the Loan Fund Committee and being the present vice president of that group. She is a member of Phi Delta Kappa and Phi Kappa Phi honorary societies. She is active in many professional groups, serving as member and officer of local Teachers’ Associations.

In the summer of 1934 she taught at the University of Maine Summer Session a course on the teaching of English in the secondary school.

Her appointment to the Alumni Council climaxes a period of active interest and support of alumni activities. Her appointment to the Council was effected by the General Association at the annual meeting for a three-year term.
The annual report of the Alumni Representative to the Board of Trustees was presented by Harold M. Pierce '19 of Bangor at the annual meeting of the General Alumni Association, June 15. Trustee Pierce gave to the alumni the following account of the University during the past year:

The University began the year with an enrollment of approximately 1136 students in comparison with an enrollment of 790 for the Fall semester of 1944. Including the 198 students in the A.S.T. program, who were still in attendance in advanced engineering study, the total enrollment of all types of students was slightly over 1300. The spring semester of 1946 brought our enrollment up to 1885 and next fall we anticipate a registration of approximately 3200 students. Of this number about 1000 will be civilian students and 2000 or more veterans. I bring these figures before you in order that you may fully realize that such a fluctuation in our yearly enrollment brings about many problems for the administration in faculty changes and facilities for housing and eating.

During the year there have been many resignations from and appointments to our faculty staff. I regret that space will not permit me to enumerate them. It does, however, behoove me as a member of the Class of 1919 to mention the resignation of Prof. Dwight B. Demerritt of the Class of 1919. Dwight has served his University as Head of the Department of Forestry faithfully and efficiently for many years. We regret his resignation from a job well done. An appointment to succeed Prof. Demerritt as the new Forestry Head is Prof. Robert I. Ashman. I will also mention the appointment of Mr. Elton E. Wieman as Dean of Men and Director of Physical Education and Athletics; Dr. Roy P. Whitney who has been called to the University to develop and direct industrial research; Mr. Howard Keyo as Director of Publicity and Editor of Publications, and Charles E. Crossland as Assistant to the President. The last three mentioned are newly created offices for the first time.

The heating plant has been enlarged and new oil burning boilers have been installed to provide for present needs and future expansion of physical plant. The cost of this construction is approximately $100,000 and that of the Library will be in excess of $300,000. It has been necessary to do some maintenance work on our physical plant and campus grounds which has been neglected through the War years, and there is yet much to be done. There has been and still is a really serious housing problem in order to accommodate the veterans and new faculty members. This has given no end of headaches to President Hauck in trying to solve this problem.

Barrack type buildings at the north end of the campus are being erected to accommodate 900 single men. A mess hall will be erected at a cost of approximately $75,000 to provide facilities for veterans living in this colony. Another group of buildings is being erected at the south end of the campus to accommodate 200 families. Barracks at Dow Field, in Bangor, are used for housing approximately 140 veterans who commute from Bangor daily. To provide for women living in several fraternities two single-story buildings are being constructed in the field in front of the old library. 148 women will reside there. The cabin colony has been enlarged and a trailer colony has been erected on the campus to care for students with families.

A vote was passed to authorize President Hauck and H. L. Doten, business manager, to award the contract for two faculty houses on the campus. I would like to add here that the return of Henry L. Doten, business manager, to the campus from war service has been of great assistance to President Hauck in alleviating worry over housing facilities.

Our program for future expansion of the physical plant includes a new Plant Science Building, Engineering Building, two Men's Dormitories, a Women's Dormitory, and an Infirmary.

During the War years the financial condition of the University was maintained in a most satisfactory manner but as the post war year progressed we were confronted with a great many demands which the University found itself unable to carry out because of lack of funds. The Trustees deemed it advisable to increase tuition charges from $150 to $175 per year for in-state students and from $250 to $300 per year for out-of-state students, effective as of July 1, 1946.

On May 2nd the Trustees voted that the facilities and finances of the University not will permit any further commitments for expansion on campus and that any proposal to extend University management and supervision over educational units to be organized elsewhere can be accepted by the University only upon specific provision for all necessary funds for organization, maintenance, and operation for a fixed period of time. The Governor and his Council have requested the University to endeavor to locate a place where an educational unit could be operated under University management to accommodate approximately 1200 veterans. The Governor has advanced to the University $150,000 from his Post War Emergency Fund in order to accelerate the project and with assurances that the Governor and his Council will strongly urge the Special Legislature in July to support adequately the operation of this project.

The University has been the recipient of several gifts during the year totaling $58,000.

We all know the tremendous task that has befallen our President and his great desire to do everything possible for the State and University to care for the returning veterans, and the Trustees are cognizant of the grand job which he has accomplished under most trying conditions.

The athletic program at the University was greatly curtailed during the war years but it is now the desire of President Hauck and the Board to reinstate athletics worthy of our Maine traditions. We all welcome the return of Coach "Eck" Allen to the campus.

It has been a great source of pride to us all to learn of the several honors which have been bestowed upon President Hauck during the last year. Two of them I will mention. Election to presidency of the National Association of State Universities and a most recent degree conferred upon him by his Alma Mater, Reed College of Oregon.

At this time I wish to express my appreciation for the confidence which the Alumni Association showed by re-electing me their Alumni Trustee Representative for a term of three years from Aug. 9, 1945.

We have reviewed the past and now we anticipate the future. A great need at the University is to provide for facilities to accommodate the many college activities. Your University is not financially able to promote such a project. As a tribute to our men and women who served in World War II President Hauck and the Trustees can think of no worthier undertaking for the Alumni Association than to obtain funds for a Memorial Union Building.
U of M Foundation
Holds Annual Meeting

Raymond H. Fogler of New York and Otto H. Nelson of Bangor were elected active members of the University of Maine Foundation at the annual meeting of that corporation which was held alumni day, June 15.

Ralph Whittier, treasurer of the Foundation, reported that gifts received during the past year amounted to nearly $9,000. The total earned income from investments was $2,482, some of which was paid to the University for scholarships and some of which under the terms of the gift or trust, is added automatically to the principal. The investment yield for the past year was 3.51%.

Gifts received during the year ended June 3 were as follows: class of 1909, $1,000 additional, class of 1915, $632 additional, class of 1920, $1180, class of 1924, custodian account $889, senior alumni $175 additional, the Rhode Island Alumni Association $1,500, Alumni Activities Fund $3,100, and some miscellaneous.

University Trustees named by the Chairman of the Board of Trustees, Edward E. Chase, to serve on the Foundation for 1946-47 are H. M. Pierce, Mrs. Maybelle Brown, and W. S. Nutter.

Directors were elected to serve for the ensuing year as follows: G. T. Carlisle, R. H. Fogler, H. P. Marsh, O. H. Nelson, and T. N. Weeks.

R. H. Fogler was elected president, Ralph Whittier treasurer, and Charles E. Crossland as secretary of the corporation for the ensuing year.

By vote of the active members beginning with the next college year 1947-48 scholarships amounting to $1,030 will be available for award annually by the University.

Pres. Hauck Receives Honorary from Reed College

The honorary degree of Doctor of Laws was accorded to Dr. Arthur A. Hauck by his alma mater, Reed College, Portland, Oregon, on June 9 as the institution called him back on the thirty-first anniversary of his graduation with the first graduating class of the institution in 1915. The honorary degree was accorded to Dr. Hauck as an outstanding graduate of the institution and in recognition of his leadership in the field of educational administration.

With the FACULTY

Professor Edward N. Brush, Psychology, has returned following his service with the Army. He was working in the counseling phase of the Army's Separation and Classification Program.

Professor Carl Otto, who has been on leave during the past six years serving in the Chemical Warfare Branch of the Army with the rank of Lieutenant Colonel, has returned to Orono and will resume his teaching duties in the department of chemistry in September. The last three and a half years of his absence were spent at Edgewood Arsenal, Md.

Dean of Women Edith Wilson has been honored by election to the office of president of the Maine Division of the American Association of University Women.

The appointment has been announced of Winthrop C. Libby as agronomist and Head of the Department of Crops and Soils for the Agricultural Experiment Station. The new appointment is in addition to Professor Libby's responsibility of the Department of Agronomy and Agricultural Engineering for the College of Agriculture, which he has held since 1943. During recent years Professor Libby has assisted in the emergency farm labor program for the Agricultural Extension Service.

Word from overseas comes that one of the largest musicals ever staged in the European Theater by the Army was put on in Vienna on Army Day with Professor Herschel Bricker, on leave of absence from the University Department of Speech, assisting in its direction. The Special Service Branch of the Army in which Professor Bricker is serving selected him for his share in the preparation of the musical. The three-hour performance it was stated used more than 200 performers in numerous scene changes. It was stated that the directors put the show on with two days and two nights for preparation. Professor Bricker has been teaching in Europe following his direction of the Drama Department of American University at Shrivenham.

Seals—
Highest athletic award for women, Maine Seals, were presented to four students at the W.A.A. banquet last month. The honor recipients were Gloria Lombard of Guilford and Lucia Packard of Augusta, seniors; Barbara McNeil of Orono and Fay Jones of Bangor, juniors. Besides the award of Seals, the Athletic Department presented 83 other awards, including 5 chevrons, 17 M's, 22 numerals, and several special awards.

Honor—
Seventy students were honored by presentation of scholarship awards at the Honor Day assembly in May. President of Norwich University, Dr. Homer L. Dodge, was the guest speaker for the occasion. Outstanding among award winners were: William Wilson of Eastport, the Merritt Caldwell Fernald Scholarship; to Phyllis Pendleton of Caribou the James Stacy Stevens Scholarship; Stanley Murray of Rockland the Harold Sherburne Boardman Scholarship; to Lois Ricker of Portland the Leon Stephen Merrill Scholarship; Leslie Whitemore of Old Orchard the Charles Davidson Scholarship, each awarded on the basis of highest rank in the junior class in their respective colleges; Muriel Polley of South Portland, a junior, was awarded the new Rising Lake Morrow Scholarship in honor of the late Dean Morrow.

Memorial—
The University held a Memorial Service in honor of World War II Gold Stars Sunday, May 26. Parents and other family members of alumni and former students who gave their lives were invited by personal letter from President Arthur A. Hauck to attend the service. Invitation was also extended to all students and faculty. President Hauck gave an address of tribute to the memory of 170 Gold Stars. The worship services were conducted jointly by Father Francis Letourneau, Rabbi Gerald Engel, and the Reverend Charles O’Connor. Music was furnished by the University Choir and Orchestra.
Anonymous Donor Adds Gift To 1909 Class Fund

An alumnus who desires to remain anonymous presented just prior to Commencement a gift of $1,000 to be added to the class of 1909 Fund.

At the time of their 25th anniversary reunion the class of 1909 presented the University of Maine Foundation with its first gift, and to set a good precedent, that gift was made without restrictions as to the use of the income. Likewise this recent anonymous donor gave the gift without restriction. By vote of the University of Maine Foundation members the income from this fund is used for a class of 1909 Scholarship.

Life Membership Tribute

Lt. Robert W. Tomlinson, Class of 1946, attended the University but a few weeks before he enlisted in the Army Air Corps and became a B-24 pilot. On April 7, 1945, after having 22 missions to his credit he failed to return from a mission over Germany. In memory of their son who had been a leader in Salem (Mass.) High School and made a distinguished record in the Armed Forces Mr. and Mrs. Reuben Tomlinson have taken a Memorial Life Membership in the General Alumni Association. They wrote in part as follows: "Feeling that Robert would have been an active, loyal, and enthusiastic member of the Alumni Association, we wish to have his name perpetuated on the active alumni list."

Military Service Records

Responsibility for assembling information about the University and World War II including the military records of all alumni and former students has been given to an alumni faculty committee appointed jointly by President Arthur A. Hauck and Robert F. Thurrell, president of the General Alumni Association.

Prof. L. M. Dorsey is chairman of the committee which is working as two units, one on university material and the other on military records. The personnel of the committee on University records in addition to Prof. Dorsey is composed of Prof. Irving Pragman, Prof. H. S. Haydon, and Librarian L. T. Ibotson. The alumni committee on military records consists of D. Fuller ’28, Miss Katherine W. Trickey’32, E. Merrill’37, E. Arbo ’40, D. Utterback ’42, and R. Worrick ’43, all formerly in the Armed Forces.

LARGEST: The Class of 1942 won the President’s Cup for the largest total registration at Alumni Day with 81 present.

Dues Report

A record total of 3,210 dues amounting to $10,319 was paid to the Association for the current year up to May 31. This is an increase of $82 over 1944-45 which was the previous record year. In submittting his report as Dues Committee chairman Prof. Weston S. Evans ’18 stated that the dues budget had been exceeded by 21%. Serving with Prof. Evans on this committee were J. W. McClure ’33 and R. S. Parsons ’34.

This report revealed that 662 alumni had made voluntary gifts amounting to $1,316 to the Service Fund.

A new record has been made this year in the Dues Honor Roll. Up to May 31 this Roll contained 1,853 names of alumni all of whom had paid for the last three years consecutively, many for 26 years.

THE MAINE ALUMNUS 14 JUNE, 1946
Reunion Class Events

More reunion classes held class events than ever before, and the attendance at the business sessions was larger than in any previous year.

A unique and beautiful tribute was paid by the Class of 1942 to Edward P. Barrows, president, and Donald M. Kilpatrick, treasurer, who died in action in World War II. By vote of the class, these offices are to be held permanently by these two class leaders.

Senior Alumni—Breakfast, Estabrooke Hall, Saturday morning; Officers elected, G. H. Hamlin ’73, president-emeritus; H. M. Smith ’93, president; A. H. White ’89, vice president; J. N. Hart ’85, secretary.

Class of 1901—Gift to Alumni Activities Fund, $183.

Class of 1902—Officers elected, H. W. Chadbourne, secretary; Henry Cole, H. C. Carr, assistant secretaries. Gift to Alumni Activities Fund, $100. Voted to have no reunion in 1951 but work toward 1952.

Class of 1903—Officers elected, John H. McCrady, president; Edward G. Hartford, secretary-treasurer. Gift to Alumni Activities Fund, $310; attendance at class meeting, four.

Class of 1910—Officers elected, Ernest Lamb, president; Charles E. Stickney, vice president; Grover T. Corning, secretary-treasurer; Executive Committee, Harold L. Barker, Albert K. Gardner, Clifton A. Hall, A. Scudder Moore, Dimon E. Merrill. Gift to Alumni Activities Fund, $200; gift to University, $1,000.

Class of 1911—Luncheon at Penobscot Valley Country Club Saturday noon. Officers elected, Harry Homans, president; Russell S. Smith, vice president; Avery C. Hammond, secretary-treasurer; Executive Committee, Raymond W. Davis, Harry Homans, Maurice F. McCarthy, Clifford Patch, Ralph Day. Attendance at class meeting, 42. Gift to University, $1,000 additional to $2,550 previously given.

Class of 1920—Informal dinner at Penobscot Valley Country Club, Friday evening. Officers elected, George A. Potter, president; Stephen R. Buzzell, vice president; Barbara D. Hitchner, secretary-treasurer; Harold Bruce, personals editor. Gift to Alumni Activities Fund, $100. Attendance at class, 20. Supplementary gift to University, $200, raising total to $1,200.

Class of 1921—Officers elected, Francis L. Foley, president; Warren H. Preble, vice president; Margaret Bleden, secretary; Frank B. Ellis, treasurer; Emilie K. Josselyn, personals editor; Executive Committee, George S. Ginsberg, Dorothy H. Cook, Effie W. Peters, Howard H. Sewall, Jerome C. Barrows. Twenty-five year gift to University of Maine Foundation, $1,000. Reunion gift to Alumni Activities Fund, $100. Attendance at class meeting, 25.

Class of 1931—Officers elected, Samuel Sheak, president; Donald Marshall, vice president; Doris Gross, secretary; Louise D. Hammons, treasurer; Doris Gross, personals editor; Executive Committee, Philip Brockway, Galen Veayo, Charles O’Connor, Cliff Curtis, Jessie Fraser. Gift to Alumni Activities Fund, $100.

Class of 1936—Class Outing at Penobscot Valley Country Club, Sunday. Officers elected, John Sealey, Jr., president; Clyde Higgins, vice president; Harold Boardman, treasurer; and Phylis H. Webster, secretary and personals editor.

Class of 1939—Officers elected, Dana E. Drew, president; Paul E. Browne, vice president; Lynn Huff, secretary; Artemus Weatherbee, treasurer; Thomas Barker, assistant treasurer (by appointment); Executive Committee, Mrs. Ruth P. Hamlin, Carl Toothaker, Ferne Lunt, Mrs. Jeannette S. DeWitt, Tom Barker. Gift to Alumni Activities Fund, $100.

Class of 1940—Dinner at Lucerne Inn Sunday. Officers elected, Kenneth G. Burr, president; Harold A. Gerrish, vice president; Alice Ann Poeppelemeier, secretary; Ervin Arbo, treasurer; Margaret Hauck Ladd, personals editor; Executive Committee, Betty K. Parkman, John Derry, Wallace Beardsell, William West, Dwight Barrel, Nathan Rich. Gift to Alumni Activities Fund, $100. Attendance at class meeting, 32.

Class of 1941—Officers elected, George H. Ellis, president; Dudley Utterback, vice president; Hilda Marvin, secretary; George Nystrom, treasurer; Hil- da Marvin, personals editor; Executive Committee, Samuel E. Tracy, Robert Carlisle, Kay Ehrlenbach, Betty Reid. Alumni Activities Fund Gift, $100. Attendance at class meeting, 30.

Class of 1942—Open House, Marion Libby’s home, Milford, Friday. Class Outing, Log Lodge, Sebec Lake, Sunday. Permanent officers, Edward P. Barrows,* president; Donald P. Kilpatrick, treasurer; Officers elected, Stanley G. Phillips, vice president; Barbara Cuetara, secretary and personals editor; assistant treasurer, Warren B. Randall; Executive Committee, Laurence M. Downes, William Irvine, Nathaniel J. Crowley, Howard Cousins, Harold Blood. Gift to Alumni Activities Fund, $194.44. Attendance at class meeting, 50.

Class of 1943—Banquet Bangor House, Friday evening. Officers elected, Talbot Crane, president; J. C. Goodchild, vice president; Joanne S. Logan, secretary and personals editor; Robert C. Worrick, treasurer; Executive Committee, Donald Taverner, Philip Johnson, John Kelley, Jennie MacNeilly, David Caldwell, Bert Pratt. Gift to Alumni Activities Fund, $250. Attendance at class meeting, 55.

Class of 1944—Dinner, South Estabrooke, Friday. Officers elected, Edward H. Phillips, president; Sam Collins, vice president; Esther Randall, secretary; Mary Billings, treasurer. Gift to Alumni Activities Fund, $75. Attendance at class meeting, 13.

WINNERS: The Twentieth Century Cup at Alumni Day went to the Class of 1910 which recorded 16 2 /3% of their members registered, largest per cent of the twentieth century classes.
The Alumni Member and Chairman of the Athletic Board, Clifford Patch '11 of Bangor, presented at the annual meeting of the Alumni Association the following report of athletic activities covering the last college year.

Later in the meeting Mr. Patch was reelected to another three-year term as an alumni member of the Athletic Board.

The report as presented for the Board by Mr. Patch is as follows:

The past year has witnessed a transition from a somewhat informal wartime program of athletics to a gradual expansion of schedules, with added activities, and prewar coaching staffs. Important changes have been made in the organization of the University physical education and athletic set-up, and plans have been formulated for further enlargement and betterment of the program.

The Maine football team played a four-game schedule with out-of-state teams only, since the other Maine colleges had no organized football. Our cross country team placed third in the New England meet. "Eck" Allen returned from Navy service and coached the Varsity basketball team which was undefeated in State Series competition. Sam Sezak returned to the University and coached Junior Varsity basketball and baseball squads. Coach Jenkins relinquished his temporary teaching duties and handled a track squad which had a brief indoor season and participated in four outdoor meets. Varsity and Junior Varsity baseball, tennis, golf, and spring football practice rounded out the athletic program.

A year ago the General Alumni Association approved the report of a special committee recommending the creation at the University of a position of Director of Athletics and Physical Education to super­vise and coordinate the athletic, physical fitness, and physical education programs. Mr. Elton E. Wieman has assumed the duties of this new position. He is exceptionally well qualified for the work and it is already evident that the choice was a happy one. Other members of the staffs in Athletics and Physical Education will continue with practically the same duties and responsibilities as in the past. Without exception they have done their work well and under very difficult conditions. During the war years "Wally," Bill Kenyon, and Ted Curtis have cheerfully carried heavy loads. With the return of our various coaches the expanding work can now be more easily handled.

The new organization in athletics will provide the close coordination necessary in fields with complex and varied functions and involving many individuals. The members of our staff are specialists in one or more branches of athletics or physical training. With a carefully planned

Football Schedule

Sept. 28 Rhode Island at Orono
Oct. 5 Northeastern at Boston
Oct. 12 New Hampshire at Orono
Oct. 19 Connecticut at Storrs, Conn.
Oct. 26 Bates at Orono
Nov. 2 Colby at Orono
Nov. 9 Bowdoin at Brunswick

VARSITY BASEBALL

Rhode Island 6—Maine 5

Through the persuasive powers of Coach Keaney, the visiting Rhode Island team on May 10 was given a run which proved to be the winner after the umpire's decision was reversed in the eighth inning. With a man on third Rhode Island, leading 5-4, got a man on first. The Maine pitcher motioned toward third but threw to first. Coach Keaney against the umpire's decision claimed a balk and the runner was finally allowed to score. In the ninth, Maine threatened as Angelides scored after a triple, but were unable to tie. Maine took 11 hits, 3 of them by Angelides.

Bowdoin 10—Maine 2

The Bowdoin nine had a good day May 13 at Brunswick against the pitching of A1 McNeilly and Will Braley who relieved him. Taking 13 hits, the home team was able to keep well ahead of the visitors. Braley drove in Card for one run in the third and Maine scored again in the sixth on an infield error.

New Hampshire 7—Maine 1

The visiting New Hampshire team permitted only 3 hits at Orono on May 17 as pitcher Beaudin showed his ability to keep ahead of the Maine batters. Braley, pitching for Maine, struck out 13 and only allowed 5 hits. A few costly errors combined with some bases on balls provided the scoring opportunities needed by the visitors. McNeilly scored Maine's one run.

Maine 14—Colby 10

Victory returned to the Maine nine at Orono on May 23 when a 7-run first inning gave margin enough for final victory over Colby. Four runs in the fourth inning, two in the sixth, and one in the ninth kept the home team ahead in spite of some anxious moments. Maine's ten hits were well distributed with catcher Gordon and shortstop Boynton each taking two lead.

Northeastern 4—Maine 2

Although pitcher Will Braley held the Northeastern team to three hits at Orono on May 25 the visitors won 4-2. Three runs in the fourth inning came from only one hit and was enough to win the ball game. Braley struck out 12 batters to 4 for the Northeastern pitcher.

Bates 6—Maine 4

At Lewiston on May 27 the Bates team managed to work six runs out of eight hits for a win 6-4. McNeilly's pitching for Maine, held the Bates hitters down, but a four-run tally in the second inning, largely the result of errors, put the home team safely ahead. Coombs in center field scored three hits for Maine but all of Maine's nine hits were too scattered to be effective.

Maine 6—Bates 0

In what was virtually a post season game the Maine team defeated the State Series winners from Lewiston at Orono on June 3. The excellent pitching of Braley who held the strong Bates men to three hits and no runs was the standout of the game and the climax of a season which has been marked with hard luck for the boy from Veazie. Of Maine's nine hits, two were taken by Braley and two by pitcher McNeilly playing in right field for a change. Shortstop Boynton also tallied two hits.
Local Associations

Franklin County Alumni had one of the largest meetings in history with 45 in attendance, May 22, in Farmington. President Gerald York '30 presided. Dr. Glenn Kendall, new Dean of Education at the University, made his first visit to an Association as chief speaker. Secretary Crossland also spoke. Officers were elected with Vance Wells '23 of Wilton as president, Winston Hoyt '33 of Phillips as vice president, Norman Ness '38, Farmington, secretary, and Drew Starns '25, Farmington, treasurer.

Somerset County Alumni held their annual meeting in Pittsfield on May 24, with an attendance of 53, the largest in many years. Dr. Payson Smith of the Department of Education, and Alumni Secretary Crossland were the speakers. C. Neal Merrill '18 of Madison, president of the association, presided. The following officers were elected: President, Samuel Hitchings '17; Leroy Folsom '95, vice president; secretary-treasurer, Miss Avis Anderson '44.

Washington County Alumni Association held its first meeting since 1941 in Machias on May 28, with 56 alumni and guests present. Harold L. Blackwood '23, president of the association, presided, and Horace Bell '28 was chairman of the committee on arrangements and served as acting secretary. Dr. Glenn Kendall, recently appointed Dean of the School of Education, and Alumni Secretary Crossland were the speakers. Officers elected were as follows: William C. Darroch '39, Eastport, president; Mrs. Paul Kelley '45, Calais, first vice president; Fred Holt '40, Machias, second vice president; Bessie Cox '33, Machias, secretary-treasurer. The above officers, together with Clifford Chase '04 of Baring, constitute the Executive Committee.

Worcester (Mass.) Alumni welcomed Dean Joseph Murray '25 to a meeting on April 5 when 58 members and guests turned out for the occasion for one of the most successful meetings of this group.

Knox County Alumni held their annual meeting in the Kopper Kettle in Rockland May 27, with C. Kendall Hopkins '98, president of the association, presiding at the dinner meeting. Speakers from the University were Dr. Joseph M. Murray, Dean of the College of Arts and Sciences, and Alumni Secretary Charles E. Crossland. The following officers were elected: Vernon L. Packard '35, Rockport, president; Almon B. Cooper '36, Rockland, vice president; and Margaret Hauck Ladd '40, Rockland, treasurer.

Vermont Alumni met in Montpelier on May 15 for their first spring meeting since the war. Prof. Walter D. Emerson '16 presided at the session which was attended by 29 alumni and wives, making it one of the largest meetings ever held by the Vermonters. Dean Arthur L. Deering '12 and Alumni Secretary Charles Crossland '17 were the speakers.

Merry Meeting Bay Alumni gathered at Bath Country Club April 24 for its spring meeting with 30 alumni and guests in attendance. Guest speakers for the evening were Coach George Allen who spoke on the University's athletic program, and Placement Director Philip Brockway '31 who brought latest news from the campus. During the business meeting Harold Pratt '21 was named president, Arthur Bowker '22 vice president, Mrs. Laurence Merriman '20, secretary.

Portland Alumni elected Mrs. James A. MacKeen '33 as president at the annual meeting of the group June 12. About twelve members attended the tea and meeting. Other officers are: vice president, Miss Priscilla Leonard '44; recording secretary, Mrs. Donald Marshall '43; corresponding secretary, Miss Elizabeth Honan '42; treasurer, Mrs. LaForest Leighton, Jr.

Piscataquis County Alumni held their annual meeting in Milo on May 23, with an attendance of 40. Dr. Elton Wieman, recently appointed Dean of Men and director of physical education and athletics, and Alumni Secretary Crossland were the speakers. Forrest Trewwoy '17, president of the association, presided. The following officers were elected: President, Elmer Crowley '37; vice president, Roy H. Monroe '35; secretary-treasurer, Mrs. Virginia Bradford '42; executive committee, Rodney Noyes '34, Luthan Crosby '31, and William West '40.

Hancock County Alumni held their first post-war meeting at Lucerne Country Club on May 13, with an attendance of 47. Dr. Horace H. Gould of Ellsworth, president of the association, presided. Dr. Joseph M. Murray '25, Dean of the College of Arts and Sciences, and Alumni Secretary Charles E. Crossland were the speakers. The following officers were elected: President, Stephen Barry '33, Bucksport; vice president, Lawrence Lymburner '28, Bar Harbor; secretary, Charles Hurley '29, Ellsworth; treasurer, Beatrice Folsom '33, Ellsworth.

White Mountain Alumni held a dinner meeting in Berlin, New Hampshire, May 16, with an attendance of 23. Dr. Arthur Deering, Dean of the College of Agriculture, and Director of Extension Service, and Executive Secretary Crossland were the speakers.

Alumni Registration

1882—William R. Howard
1885—James N. Hart
1887—Alice A. Bleu, Charles J. Vose
1888—John W. Hatch, T. G. Lord
1889—A. H. White, Mott F. Wilson

1935—Henry Anderson, Donald L. Anderson, Kenneth Bickford, George Cobb, Carl F. Fergus, Vernon L. Packard

1937—Helen (Wooster) Blake, Everett L. Brewer, Robert H. Chalmers, Frank G. Fellows, Lloyd L. Hatfield, Edward O. Merrill, James Morrison, Jr., Charles B. Sibley, Mrs. Harold Woodbury

FROM THE CLASSES

1896

LESLIE BUTTERFIELD MILLER. Word has been received of the death on April 19 of Leslie B. Miller at the home of his son in Boston. A native of Hermon, he was 77 years of age at the time he passed away, following a brief illness. Following his attendance at Maine he was first employed by the American Gas Company at Bangor. Later he lived and worked in Burlington, Vt. In 1912 he resigned as assistant manager to take up farming in Hermon. He operated his farm there until 1923 when he moved to Middlebury, Vt., where he spent the remainder of his life except for the last three winters which he spent with his son in Boston where his death occurred this spring.

1898

HARRY MATHEW LINCOLN. At the age of 69 Harry M. Lincoln, prominent citizen of Corinna, died at his home in the early hours of May 10. Native of Bangor, Mr. Lincoln attended public schools there before entering the University where he received the degree of B.C.E. in 1898. He was a member of Phi Kappa Sigma fraternity. He settled in Corinna after graduating from Maine and devoted himself to farming and a lumber business. In recent years he has specialized in poultry raising. He was active in town business and in the Masonic lodge.

1905

ROBERT RUTHERFORD DRUMMOND. Head of the University Department of German since 1919, Prof. Robert R. Drummond, 63 years of age, died at his home in Orono May 10, following a short illness. Dr. Drummond, a native of Bangor, studied in Heidelberg, Gottingen, and Jena. He taught from 1908 to 1909 in Heidelberg. He was a member of the University faculty since 1909. He was always deeply interested in music and associated with several Bangor musical organizations. In addition to his teaching and departmental administrative duties Dr. Drummond was active in honorary scholastic societies and in language societies. He was a member of Phi Beta Kappa and Phi Kappa Phi and a former vice president of the New England Language Association. He was the author of many articles on language. He leaves, besides Mrs. Drummond, his daughters, both alumni of Maine, and a brother, Henry F. of Bangor, also an alumnus.

CLAUDE ALBERT GRAY. The death of Claude A. Gray, a graduate in Mechanical Engineering, took place at Waterbury, Conn., on April 20. Word of his passing as the result of heart illness has just been received with no details available at this time. He had been seriously ill since the previous September. He was a graduate of the University of Maine since 1909 and had been associated with the American Gas Company of Bangor for many years.

1909

ANNA BELLE McSKIMMON. A lifelong career as a teacher in the Bangor schools was terminated by the passing of Miss Anna McSkimmmon May 14 at the age of 69. Until her retirement for ill health in March, 1941, she had been an active and valuable member of the faculty of Bangor high school, teaching German and Latin. She was born in Bangor and graduated from the Bangor Training School for Teachers, after which she entered upon her professional career. She spent three years at the University to perfect herself in the language field for high school teaching and also attended summer sessions at Maine and Columbia. She also studied abroad for brief periods. She was a lifelong member of the First Congregational Church and particularly active in work with young people.

BY CLASSES

1888

Thomas G. Lord of Skowhegan received a 50-year jewel from the Odd Fellows of Skowhegan and vicinity, the presentation being made by his son Harold Lord, Noble Grand of the lodge.

1903

1924 Mrs. Clarence C. Little, Box 558, Bar Harbor, Maine Hazen Ayer writes that we are still below the thousand dollar mark for our Class Gift. How about dropping "Dolce Dunham a letter enclosing your check today? Even a little donation will help. His address is 490 State St., Bangor. Ethelwyn Percival sent a charming letter and a donation recently. She is going to the Delta Zeta Convention in Minnesota in June, being State Chairman for Maine, New Hampshire and Vermont. Have a grand time, Ethelwyn.

Harold C. Loring is now employed by the Sanders Company of New Hampshire. His address is 238 Willard St., Berlin, N. H.

James MacLeod, City Engineer of Bangor, has recently considerable attention for his recent article in "Public Works" magazine.

That's all for the present. May all 24's have a good summer.

1925 Mrs. George Lord, 38 Forest Ave., Orono, Maine

Thank you for all your cards. I have had a very good number of answers. The Clubman has been busy and not passed my door for weeks. I am sorry more could not be with us on the 15th, but all your good wishes will be passed on. Any plans we make will be passed on to you and keep Twenty-five's Twenty-Fifth in mind.

Hope Norwood Bannister has been elected president of the American Association of University Women of Nassau County Chapter. Her eldest son, Bob, is finishing his first semester at Lehman University.

Janet, 16½, will be a senior in high school next year and the youngest, Susan, 6 years, in first grade.

Airline Lynch is planning to be on the campus. Her school in Millinocket closed the 15th.

Chester Baker has returned to Maine as Executive Secretary of the State Y.M.C.A. His address is 173 Main St., Waterville.

Harland Laid has been very busy this spring. He is Deputy State Education Commissioner in charge of curriculum and instruction. He attended a meeting of the Harvard University Graduate School of Education and was a speaker at a conference of education in St. Louis, Missouri.

Linwood Dwelley, coach and athletic director at Edward Little High School, has resigned to accept a position with the Maine Veterans' Administration at Togus.

Albert Repscha is back at Drexel University after two years at Swarthmore College. He is still working at two jobs, the other being Director of Research for Schraunm Inc. of West Chester, Pa. "AF" gives me the following information: The family consists of Barbara 12, Hank (A.H., Jr.) 8, and Suzanne 2. Sorry he can not be with us but hopes to see the whole family in 1958.

Stanley Hyde and Ailene (Ware) will be very busy the week of the 15. "Stan" will be attending a national meeting of Church Council Secretaries in Wisconsin. Ailene will be at the Poulton School of Religious Education for the week and to keep the reader informed her daughter is to be at Ula Wood slab Y.P. Conference.

Mary Harris Michals writes us she has made a mistake as she graduated in 1924, but I know you will be interested in her card. She is Assistant Health Officer for five counties plus the Cherokee Indian Reservation.

Roxie Dunton Winter is planning to be with us for reunion.

Floyd Abbott wrote that he was sorry not to be able to attend the 25th reunion. He is scheduled to be in Chicago for the Alpha Tau Omega Homecoming. He says "Hello" to everyone and hopes to be here for the 25th reunion.
Mr. and Mrs. Walker Pickering of Deer Isle have a son, born March 16. The baby was named for his great-grandfather, Samuel Pickering.

Mrs. G. Hermann Derry (Beryl Bryan) is now living at 31 Forest Park, Apt. 1, Portland, Maine. Her husband, Dr. Derry, recently returned from Germany and has opened an office at 576 Congress Street, Portland.

Robert Currie's new address is Star Route, Elk River, Minn.

Clayton H. Hardison has moved from Montgomery, Alabama, to Albany, N. Y. His mailing address is P.O. Box 948, Albany, N. Y.

Mr. and Mrs. Albion Osier (Helen McLaughlin '30) are living at 81 Jerome Ave., Mineola, N. Y. Their two children make their home at the University Apts., College Ave., Orono. Mr. Osier is employed in the Agricultural Division of the Veterans' Administration, Togus, Maine. Mrs. Osier has also served as a town clerk in the schools of Maine.

Mr. and Mrs. Walter E. Riley were equipped. On January 1, 1945, he came with B.F.D. entering the Development Section and working out of New York. When recent changes in personnel took place here at Plattsburgh and we lost our Chief Engr. J. O. Jutson, the logical man to take the vacated chair in the engineer's office was the Massachusetts boy from Portland, Maine." Congratulations, Walt, on your new position as Chief Engineer of BFD at Plattsburgh! Win wants me to make a special announcement in addition to the above—beneath a fine picture of Walt are these words—"Friendly, alert and—unmarried."

Herbert Trask has returned to his former position with the Mortgage Loan Division, Travelers Insurance, Hartford, Conn. His residence is 193 Webster Hill Blvd., West Hartford, Conn.

Donald Lester, another recently discharged Navy man, has returned to his former position as Assistant Manager, Claim Department of the Travelers Insurance Company, 1106 Chapman Building, Portland 3, Maine.

Congratulations, Pat McCabe, on your new appointment as warden of the Maine State Prison. Pat has been granted a leave of absence from his State Police duties.

1933

Mrs. Dorothy Findlay Carnochan, 37 Falmouth St., Portland, Maine.

Coleman C. Nicol, manager of the Farmington Farmers Union in Farmington.

Edwin L. Giddings received his discharge from the Navy in November and is teaching in the Forestry Dept. at the University. His residence is 180 Main St., Orono.

Leslie A. Higgins is affiliated with the Bangor offices of the Phoenix Mutual Life Insurance Company. Mr. and Mrs. Higgins and their two children make their home at the University Apts., College Ave., Orono. A former teacher in the schools of Maine, Mr. Higgins has also served as a town manager.

Dr. Philip O. Gregory of Boothbay Harbor was recently nominated Lincoln County medical examiner to succeed his father, Dr. George Gregory, who has resigned.

Helen M. Gilman is now Mrs. Kenneth H. Ferguson. Her address is 4038 Rigali Ave., Los Angeles 26, Calif.

Met Russ Shaw the other day—hadn't seen him in ages. Russ looks just the same—fine and dandy after his naval experiences in the Pacific.

Mrs. Gregg C. McLeod and two children have gone to Berlin, Germany, where they will join Maj. Gregg C. McLeod who is with the Army of Occupation.

A wonderful letter from Betty Barrows Pendleton this past month—all that a class secretary has ever dared to dream about—a letter packed with news! Betty and Bob have purchased "a little old house in Readfield" and their two children, Nancy and Bobby, go to school nearby. Bob works in the State Forestry Office.

Alpheus Jackson is a state dairy inspector and lives in Norway.

Ev. Gleason Rawnson has two sons, Charles and James, and makes her home in Narberth, Pa.

Mary Scott Bratton is planning to be near Betty this summer, on Cobboseree Lake in Manchester—only three miles from Readfield! Bill, who saw action in Europe, is now homeward and working in New York for Montgomery Ward.

Jack Gordon teaches chemistry at Kents Hill Junior College.

Bunny Callaghan Decoteau lives at 57½ Western Ave., Augusta. She has a daughter and a son.

Sunny Nason also lives in Augusta and is busily serving as the governor's travel secretary.

The Pendletons' address is R.F.D. #2, Winthrop, Maine. Thank you loads, Betty, I can't tell you how much I enjoyed and appreciated hearing from you.

Also a postal from Hazel Scully Henkle giving the good news that "as of May 1st we're out of the service and back in New London, Conn., at a new address—154 Williams St." Thanks a lot, Hazel.

1935

Agnes Crowley McGuire, 59 Western Ave., Biddeford, Maine.

As I write this, the railroad strike has very nearly everyone in New York packed downstairs in Grand Central
Terminal trying to take a train out of town. I'll never become acclimated to having thousands mill around at the slightest provocation, and this is no minor reason to be disturbed!

Oscar Taylor, formerly Lieutenant Taylor, USNR, has been awarded the Bronze Star Medal for heroic service in connection with operations against the enemy during the assault and capture of Okinawa Gunto. Oscar is now manager of the Times Square Sales and Service.

The citation indicates that Lt. Taylor was commander of a small anti-aircraft gunboat from April to June, 1945, fought off many sustained enemy air attacks by suicide planes, although forced to maneuver his ship in reef infested waters. He exhibited coolness and courage by ably directing the gunfire of his batteries in destroying an enemy suicide plane which made a solo attack on his ship May 15, 1945. The award is to be made at the Kittery Naval Base.

George E Fuller, general superintendent of the St. Croix Paper Company, announced recently the promotion of Vernon C. Dallum from draftsman in the electrical department. In 1943 he was promoted to foreman and soon afterward entered the Armed Forces.

Frank R. Blaisdell is now employed as Sanitary Engineer for the Office of Inter-American Affairs, Bolivia, South America. His mail goes c/o American Consulate Cochabamba, Bolivia, S. A. His wife and daughter, Margaret, are with him.

George E Fuller, general superintendent of the St. Croix Paper Company, announced recently the promotion of Vernon C. Morrison to chief electrician of the company. Vernon is a native of Bangor and has been with the St. Croix Paper Company since 1935, when he was a draftsman in the electrical department. In 1943 he was promoted to foreman and soon afterward entered the Armed Forces, taking part in five campaigns in the European area. On receiving his discharge from the Army Signal Corps in January, 1946, he returned to the company.

Mr. and Mrs. Joel Marsh and their two children are to live at their new home at 72 Sewall St., Augusta.

John DeWitt, agriculture teacher at Hodgdon High School, has assumed a similar position at Easton. John was leased from service in February with the rank of captain.

Mr. and Mrs. Robert Turner (Theilma Stibley '37) announce the birth of a son, Galen Floyd, born March 9, 1946.

Carl Honer is employed as Claims Representative for the Union Mutual Life Insurance Company of Portland. He is living at 424 Douglas St., Portland.

Charles Bicknell is now owner of a hardware, sporting goods, and household retail store in Rockland, Maine. His address is 59-13 Main St., Rockland. Here's to a good summer for all of you. Until fall.

1936 Mrs. Edwin Webster, Box 215, Hampden Highlands.

The time I am writing this column reunion is two weeks away and it looks as though we will have quite a crowd in attendance. I wish you could all be there, but those of you who can't will probably hear about it from the others.

1937 Mrs. Robert DeWick, Box 5, Topsham, Maine.

I received a nice letter from Ernie Saunders last week. He is a captain in the Army in the Mediterranean Theater of Operations. He recently received a citation from Legion of Merit for exceptionally meritorious conduct in the performance of outstanding service in Italy from June 4, 1945, to March 1, 1946. Ernie's address is—M.T.O. USA Records Dept., APO #518, c/o Postmaster, N. Y., N. Y.

Benjamin Blackwell is now employed by the Bureau of Reclamation, Denver, Colorado. His mail goes to R. #8, Box 185, Lakewood 15, Colorado.

Mr. and Mrs. Joel Marsh and their two children are to live at their new home at 72 Sewall St., Augusta.

John DeWitt, agriculture teacher at Hodgdon High School, has assumed a similar position at Easton. John was leased from service in February with the rank of captain.

Mr. and Mrs. Robert Turner (Theilma Stibley '37) announce the birth of a son, Galen Floyd, born March 9, 1946.

The time I am writing this column reunion is two weeks away and it looks as though we will have quite a crowd in attendance. I wish you could all be there, but those of you who can't will probably hear about it from the others.

I received a letter today from Dexter McCauldland who is a captain in the Signal Corps. He is a radar officer in the 6th Aircraft Repair Unit (Placing) one of the six repair units sent out by the Army Air Forces. His unit has been at Leyte, Palawan, Manila, Tokyo, and is now on Kwajaling in atomic Bomb Project. Dexter was married to a New Hampshire girl in 1939 and has a 1½-year-old daughter waiting for him to come home. He expects to be discharged sometime in June. The McCauldland's home address is 71 Read St., Portland, Maine.

The Porter Hennings (Solveig E. Heistad '38) write that they saw Don Huff at a Maine meeting in Pittsburgh. Also that the Larry Farrers have a 3rd child, James Arnold, born May 11 in Pittsburgh. Their mail goes to R.D. #1, Sharpville, Pa.

Hope you all have a very pleasant summer.

1937 Mrs. Robert DeWick, Box 5, Topsham, Maine.

Bob and Dorothy Laverty are announcing the birth of Robert Bowler Laverty who arrived in Bangor, Feb. 7, 1946, and weighed in at 7¾ pounds. They reside in Millinocket. Barbara Lancaster is engaged to Gordon Raymond, and the wedding will take place in June. Barbie since graduation... 
has taught at So. Paris and Augusta and is now employed in Baltimore, Maryland. Gordon taught school at Brownville and Brownville Junction before entering the service. He received his honorable discharge as captain in February after 4 years' service that included 35 months' overseas duty in the Pacific area. He is now employed as training officer with the Veterans' Administration in Bangor.

Mary E. Harvey of Portland is engaged to William E. Hickey also of Portland. The wedding will take place this summer. Mrs. Harvey is a graduate of Portland High and the Wheelock School in Boston and is teaching at the Monument Street School. Bill enlisted in the army in 1942 and served in the European Theater for 18 months with the 30th Infantry division. He is now employed at the Farrar Building in Portland.

Beatrice E. Gifford is engaged to Lloyd Hatfield of Orrington. The wedding will take place in September. Miss Gifford graduated from Brewer High School and the Bangor Maine School of Commerce and is now employed by the Metropolitan Insurance Co. Lloyd has taught at Oxford High School and Orono High. He recently received his honorable discharge from the army and is now studying for his B.S. degree at the University of Maine.

Harold Young is now located at Duke University School of Forestry. Mail goes to 811 Broad St., Durham, N.C. Raymond K. Dunlevy is now in the sporting goods business. The firm is known as Dunlevy and Knapp, Inc., and is located at Springfield, Mass. Ray and wife Barb and their son and daughter are residing at 105 Mass. Ave., Springfield, Mass.

Thomas Houghton was recently elected vice president of the Ft. Fairfield Lions Club.

Mary A. Harvey of Portland is engaged to William E. Hickey also of Portland. The wedding will take place this summer. Mrs. Harvey is a graduate of Portland High and the Wheelock School in Boston and is teaching at the Monument Street School. Bill enlisted in the army in 1942 and served in the European Theater for 18 months with the 30th Infantry division. He is now employed at the Farrar Building in Portland.

Margaret and Dunc Cotting have bought a home at 1 Malden St., Natick, Mass. Dunc is working in Boston at Bolton-Smart Co. They have two children, Peter, age 4, and Deborah, age 2.

Wally, Robbie, and I are back in Orono for the summer. Wally is going to attend summer school, and then we will move to New Jersey. He will teach and I plan to continue my work at the Verney Corporation, manufacturers of rayon, which were published in booklet form for their employees and customers."

A letter from Ginny Hall Benton to the Alumni Office says, "It's about time I contributed my two bits. My husband has just been discharged from the service after two years of duty overseas. He was supply and disbursing officer at Antwerp, Belgium, for 15 months. Seven days ago he accepted a position as director of the Community Chest and Council of Social Agencies at Lynn, Mass., where he is to report on May 1. Son Bruce, age 3, and I will follow where the nebulous entity of housing is discovered. During the war I served as assistant editor of the Bangor Record and feature writer for the paper but have now resigned in favor of the room and the rent. I also wrote a series of interpretative articles for the Verney Corporation, manufacturers of rayon, which were published in booklet form for their employees and customers."

During the war I served as assistant editor of the Bangor Record and feature writer for the paper but have now resigned in favor of the room and the rent. I also wrote a series of interpretative articles for the Verney Corporation, manufacturers of rayon, which were published in booklet form for their employees and customers."

Marge and Dunc Cotting have bought a home at 1 Malden St., Natick, Mass. Dunc is working in Boston at Bolton-Smart Co. They have two children, Peter, age 4, and Deborah, age 2.

Wally, Robbie, and I are back in Orono for the summer. Wally is going to attend summer school, and then we will move to New Jersey. He will teach and I plan to continue my work at the Verney Corporation, manufacturers of rayon, which were published in booklet form for their employees and customers."

A letter from Ginny Hall Benton to the Alumni Office says, "It's about time I contributed my two bits. My husband has just been discharged from the service after two years of duty overseas. He was supply and disbursing officer at Antwerp, Belgium, for 15 months. Seven days ago he accepted a position as director of the Community Chest and Council of Social Agencies at Lynn, Mass., where he is to report on May 1. Son Bruce, age 3, and I will follow where the nebulous entity of housing is discovered. During the war I served as assistant editor of the Bangor Record and feature writer for the paper but have now resigned in favor of the room and the rent. I also wrote a series of interpretative articles for the Verney Corporation, manufacturers of rayon, which were published in booklet form for their employees and customers."

Marge and Dunc Cotting have bought a home at 1 Malden St., Natick, Mass. Dunc is working in Boston at Bolton-Smart Co. They have two children, Peter, age 4, and Deborah, age 2. 
engineer in the construction plant division. His residence is 4306 High School St., Inskip, Tenn.

A. H. Raye is now employed as design engineer for the Elliott Co., Jeannette, Pa. His mail goes to 625 Welty St., Greenburg, Pa. Milton Jellison and Dorothy Poole were married recently in Augusta, Georgia. Dorothy graduated from Georgia Teachers College, the Garrett Commercial school and has been employed by Lornick and Vaiden, Augusta. She will make their home at 40 Madison St., Bangor, where Milt is working for the Eastern Trust and Banking Co.

Have a wonderful summer, everyone, and we'll be back with you in the fall.

1942

Mrs. Jose Cuetara, 125 Peterborough St., Boston, Mass.

The committee which planned the reunion for the class did such a wonderful job, our entire class I want to thank heartily the members of the committee. Having just arrived in Boston to live, most of this month's items will have a Boston slant to them awfully good to have as many Maine alumni nearby, as there are in Boston.

Becky and Bill Talbot are living at 2 Newport Road in Cambridge, while Bill is studying at Boston University Law School for the next two years.

Capt. "Andy" Andrews and "D.J." are still living at 1185 Boylston Street in Boston and "Andy" is at present in charge of Water Transportation for the First Service Command. He is planning to put the finishing touches on his Master's Degree in Business Administration at Harvard this fall.

Capt. Homer "Woody" Woodward and Elene have left Boston while "Woody" is on 60-day leave from the Chelsea Naval Hospital and the Woodwards are planning to spend two months at Lake Sebastian near Newport, Maine. From the Andrews and the Woodwards we were able to gather the following items.

Jennie and Arnold McKee have a very special reason for being doubly proud in announcing the arrival of Robert Moulton McKee, born April 27, 1946. The McKees are living at 103 Norway St., while "Mac" is studying at Tufts Dental School.

Elene met Bud Fitzgerald and Gloria at R. H. Stearns Co., the other day where Bud was helping Gloria select a dress! Bud is on 60-day leave from the Chelsea Naval Hospital and the Woodwards are planning to spend two months at Lake Sebastian near Newport, Maine.

Young men and women will always find this banking institution interested and helpful in their business progress. Responsibility is reflected by a checking account, which is also a factor in establishing credit and standing.

Again marriages and engagements seem to be taking the lead in news!

Mr. and Mrs. Allen R. Chaplin of Hillside announce the engagement of their daughter Carolyn to H. William Bradley. Mr. Bradley was a member of Phi Theta Pi at Becker College and now is an accountant in Wellesley. Tentative plans for the wedding are made for August 3 in Wellesley. Carolyn sends the welcome word to all. (Some of you know Carolyn better as “Charlie.”)

Announcements have been received of the engagement of Margaret Alice Brown, daughter of Mr. and Mrs. Edward H. Brown of Durham, N. H., to Dana E. Bunker, son of Irvin Bunker of Auburn. The wedding will be an event of the near future.

Mr. and Mrs. W. Wilson Weidner of Augusta are announcing the engagement of their daughter, Elizabeth, to T/4 Merrill T. Ham, son of Mrs. Bertha Lyons of Augusta. Miss Weidner is now attending Lasall Junior College. No date has been set for the wedding.

Mr. and Mrs. Milton P. Smiley of Winslow have announced the engagement of their daughter, Mabel Laura, to Ivan Buhar, son of Mr. and Mrs. Bliss Buhar of Littleton. Miss Smiley is a teacher of home economics at Hartland Academy. The wedding will take place in August.

Mr. and Mrs. Clayton M. Hager of Lexington have announced the engagement of their daughter Virginia to John W. Peppard of Belmont. Miss Hager is a graduate of Colby Junior College.

Miss Marvonna A. Shirland, daughter of Mr. and Mrs. Leroy W. Shirland, became the bride of Roland J. Weatherbee of Gray in a double ring ceremony which took place February 19 at Cumberland.

A correction needs to be made over last month’s issue. Babs Haines flew to Miami. She had a grand time, too. Just ask her!

With best wishes for a most successful summer I look forward to loads of news for the fall issue of THE ALUMNUS!

1946

Clair Gianchette of Pittsfield is coming back to school in the fall.

Injured when his plane was shot down, Cobly Ellis of Newton, Mass., is recovering at the Cushing General Hospital. Bob Patterson, who is stationed at Portland, plans to be discharged soon and will return to school in the fall.

Congratulations to Tom and Nancy Libby on the birth of a son, Thomas Martin Libby, Jr.

Paul O. Ranger has recently been discharged from the Navy.

Nunzio Romano and Dana Childs, both of Portland, are discharged and are planning to resume their studies.

When last heard from, Mark Sewell of Boothbay Harbor was on his way to South America. He is serving on the SS Altoona Victory in the Merchant Marine.

The “Whitey” Bartlettes were on campus for a week end not long ago. Mrs. Bartlette is formerly of Portland, Oregon. They are making their home at Hartford Point.

June weddings planned for this month include those of Betty Loring of Central Village, Conn., and Howard Jones; Dottie Currier and Bob Dutton on June 29; Ginny Tufts and Joe Chaplin on June 22; Carolyn Cavett and Paul Gordon on June 23; Mary Libby and Dick Dresser of South Portland on June 23, and Betty Barnes and George Stevens on June 22.

Reports from Washington, D. C., indicate that Barbie Bond is enjoying her work at the Bélgium Embassy. Working with the press agency, she speaks French all day and her evenings are spent studying at the Georgetown Foreign Service School. Her address is 1774 Massachusetts Avenue, Washington, D. C.
