## Nursing students speak with media about COVID-19 vaccination effort

January 29, 2021

University of Maine students in nursing spoke with Maine news organizations about helping vaccinate residents for COVID-19. The [Bangor Daily News](#), [News Center Maine](#), [WABI](#) (Channel 5), [WGME](#) (Channel 13 in Portland) and [WMTW](#) (Channel 8 in Portland), all reported on the more than 250 nursing students from several University of Maine System institutions assisting with vaccine administration. "Now we go into this semester with a chance to fight back, complete our clinical training and help end the pandemic," said Emma Moulton, a UMaine senior majoring in nursing, to the BDN. Kelley Strout, director of the UMaine School of Nursing, and UMS Chancellor Dannel Malloy also spoke with news outlets.
