# MAINE ALUMNUS

CARNIVAL: Delta Tau Delta's prize-winning snow sculpture and Lewiston's Queen-winning Pauline Marcous '48 are pictured together during the 1947 Winter Carnival.

Vol. 28, No. 6

MARCH, 1947

## This New Union Building Will Serve Needs of Students, Faculty Alumni, and Guests

Here are some of the ways in which alumni and friends will receive value from the Union Building:

1. **A CENTRAL MEETING PLACE:** For class reunions, alumni committees, the Alumni Council, other groups visiting the campus, the Union Building will offer attractive, adequate, and convenient facilities.
2. **LOUNGE AND RECREATION ROOMS:** On your visits to the campus you will enjoy the use of Alumni-Faculty lounge and the many recreational opportunities in this fine structure.
3. **IMPROVED DINING FACILITIES:** The main dining room and the cafeteria provided in the Union Building plans will offer ample and attractive opportunities for meals on the campus. Alumni luncheons and banquets, too, will be better provided for than at present. This feature is certain to be much appreciated by all alumni.
4. **AN IMPRESSIVE AND BEAUTIFUL MEMORIAL:** Alumni and friends will enjoy lasting satisfaction in helping to construct an appropriate memorial building to honor our Gold Star men and at the same time to provide for future generations of students valuable and much needed facilities for social and recreational activities.

This is the fourth in a series of advertisements giving information about the Union Building.

# The UNION BUILDING CAMPAIGN

General Drive to Start March 28; 62 Areas to be Covered

ON March 28 will open in Northern Aroostook the greatest cooperative effort ever undertaken by alumni, faculty, students, and friends of the University of Maine. The Campaign will raise a total of \$900,000 to construct and equip a Union Building at the University as a memorial to the 179 Gold Star alumni and students of World War II and a tribute to the 3,901 men and women from the University who saw service during the war. The opening meeting in northern Aroostook County will be the starting gun for a series of 55 meetings all over the country which will progressively open the campaign in the 62 geographical areas into which the campaign has been divided in this country and Canada.

Already started through a preliminary Special Gifts campaign and the Student Campaign among students at the Orono campus, the drive is off to an auspicious beginning now with over \$94,000 pledged by the students and nearly \$150,000 received through the Special Gifts Committee. The student campaign program, described in detail elsewhere in this issue, still continues to report progress from the Orono campus and plans are under consideration for a campaign at The Brunswick Campus. Students confidently hope that their goal of \$100,000 will shortly be reached. The Special Gifts Committee, too, continues working steadily toward its announced goal of \$300,000. The attainment of these two goals will place the campaign as a whole well on the way toward the half-way point.

## The Campaign Plan

The goal established for alumni, including the Special Gifts, is \$750,000 net. This amount, together with the pledges of students, non-alumni friends, and business organizations, will, when realized, provide the necessary amount to build and equip this fine, much-needed Union Building at the campus. In planning the general campaign it is intended to schedule the opening meetings in the larger areas first, following through quickly into the others. Everything is being geared to a quick, comprehensive campaign which will be completed by Commencement.

Subscriptions will be asked for from each person to the extent of his ability to donate to this fine project, with payments arranged over a 30-month period. Pledges have been set up on a quarterly basis, thus providing ten payment periods. Opportunity will also be provided, how-

General Chairman of the Union Building Fund Campaign, Raymond H. Fogler '15

ever, for other forms of payment within the 30-month period as may be most convenient to the donor. During the campaign in each area periodic progress reports will be made on the results of the work so that the efforts of all workers will be coordinated through the area chairman and with the Union Building Fund headquarters at the campus.

## Organization

Under the leadership of Raymond H. Fogler '15, general chairman of the campaign, sixty-two alumni have accepted the responsibilities of area chairmanships. Included are many alumni who have not been prominent in the General Alumni Association program heretofore but who have attained a position of leadership in their community, business, or profession. With few exceptions area chairmen have appointed an area executive committee of leaders in different districts within the area. These men and women in turn are enlisting 2,000 alumni as campaign workers needed to do the job in each area quickly. One worker is being appointed for each five alumni who can be called upon personally.

## Commencement Time Goal

In each area there will be an opening meeting of workers which will be followed by two weeks of intense activity during which the campaign will be sub-

stantially completed. The first area meeting is to be held March 28, in North Aroostook, and the last one on May 2, in Virginia. The campaign in each area is to be completed in 30 days. The entire campaign will be completed at the 1947 Commencement.

Each area has been assigned a quota as its responsibility in the campaign. This quota includes the special gifts which have or will have been made before the general campaign opens.

On another page is given an organization chart showing area chairmen, and the opening date.

Fourteen alumni including four alumnae each working independent of the other and residing all the way from Maine to Florida figured on and recommended area quotas for the Union Building Fund. By this unusual method of establishing quotas the Union Building Fund Committee believes it has used a most impartial and advantageous procedure to establish how much each area should raise for their Fund.

The recommendations were tabulated by areas and the average used as the base. To this figure was added the special gifts goal.

The alumni who recommended area quotas were as follows: Mrs. Marjorie Bengis '19, Statistician, Social Security Administration, Washington, D. C.; Arthur B. Conner '29, Statistician, Bell Telephone Laboratories, New York; Lennie P. Copeland '04, Former Mathematics Dept. Head, Wellesley College, St. Petersburg, Florida; Raymond D. Douglass '15, Professor of Mathematics, M.I.T., Cambridge; Herbert C. Hodgkins '15, Statistician, N. Y. Power & Light Corp., N. Y.

Maynard F. Jordan '16, Professor of Astronomy, University of Maine; Gladys E. Kavanah '10, Assistant Principal, Bassick Junior High School, Bridgeport, Conn.; Mrs. Donald H. Kelly '42, Statistician, Association of Life Insurance Presidents, N. Y.; Robert D. Larsson '41, Mathematics Instructor, Clarkson College of Tech., Potsdam, N. Y.; Ardron B. Lewis '28, Principal Agricultural Economist, Board of Economic Welfare, Washington, D. C.

Walter P. Morse '26, Mathematics Teacher, Ricker Classical Institute, Houlton; Merton S. Parsons '29, Agriculture Economist, U. S. Dept. of Agriculture, Washington, D. C.; Alfred W. Perkins '31, Insurance Commissioner, State of Maine, State House, Augusta; Albert J. Smith '32, Mathematics Teacher, Hempstead High School, Hempstead, L. I.

# The Winter Carnival

A heavy snowfall and a wave of spilt enthusiasm combined to make this year's winter carnival a most successful event. The entire carnival was under the direction of Professor Stanley Wallace.

The opening event of the week end was the Intramural Ball at which the Carnival Queen, selected from among five candidates, was crowned by President Arthur A. Hauck. The first public announcement of the appointment of Miss Paulie Marcous of Lewiston to a royal status was made by Perly Como, popular singing star of a coast-to-coast radio show, who dedicated a song to the Queen. Miss Marcous, attractive brunette of the class of 1948, a major in Home Economics, and a member of Chi Omega sorority, received her crown in the presence of the other candidates for queen who attended her: Barbara McNeil of Orono, and Arlene Clevin, Janice Scales, and Margaret Libby, all of Portland. An additional dance, sponsored by the Newman Club to take care of couples who could not obtain tickets for the coronation ball, was held in the Women's Gym, and the Queen put in an appearance.

On Saturday morning Delta Tau Delta was judged as having the best snow sculpture on the campus. The sculpture represented a ram, for Rhode Island, perched on a mountain peak, while the Maine Bear is climbing after him. Oak Hall took second place with a sculpture of a bear and a ram fighting, and Lambda Chi Alpha tied with them with their bear sitting on a large beer keg and holding a beer stein in one paw. On the base of the statue were the words "fill the steins". Given honorable mention for their originality were the members of Phi Kappa Sigma fraternity. Their sculpture was

in the form of an archway over the walk from the highway to the front of the fraternity house. Supposed to represent the wall of a building, the archway had a door, partly open. Standing in front of the door was a large bear, while a tiny bear held the door open. Above the door were the words, "Open The Door, Richard," from a current popular song. The Carnival Queen awarded a gold cup to Delta Tau Delta between the halves of the Maine-Rhode Island basketball game.

Fraternity houses, dormitories, and off-campus teams had entries in the 100-yard dash, 100-yard-four-man relay, novelty race, downhill, slalom and jumping contest. Winner of the ski events Saturday morning was Phi Eta Kappa with Delta Tau Delta, S.A.E., and Beta Theta Pi placing in that order. In the women's division of the events Colvin Hall carried off top honors, South Estabrooke in second place and East Hall third. Members of the varsity winter sports team also added to the enjoyment of the day by giving exhibitions of jumping.

## Philadelphia Alumni

Despite a snow and sleet storm thirty-three alumni of the Philadelphia Association met in Wilmington, Delaware, on March 1. Among those from Philadelphia was Maurice Jacobs '17, president; George A. Ramsdell '30, secretary; James A. Hayes '00 and Warren Belcher '99. Presiding at the meeting was Ernest J. Turner '18, vice president of the Association.

**CANDIDATES: The Winter Carnival Queen candidates this year, left to right: Barbara McNeil, Pauline Marcous who was elected Queen, Margaret Libby, Janice Scales, and Arlene Clevin.**

THE MAINE ALUMNUS

## Boston Alumni

The Maine Alumni Association of Boston is holding its annual informal dinner and dance at the Hotel Beaconsfield, 1731 Beacon Street, Brookline, at 6:00 p.m. on Saturday, April 12. As last year, the dinner and dance will cost only \$5.50 a couple and for those who find themselves unable to make the dinner but can come to the dance, the charge will be only \$2.00 a couple. Everyone seemed to enjoy himself to the utmost last year and this will be another fine opportunity to get together with many of the old acquaintances perhaps not seen since then.

If you believe that you are not on the Boston Alumni mailing list, please make your reservations with Duncan Cotting, 25 South Market Street, Boston 9, Mass.

## Bangor Alumnae

The February meeting of the Eastern Association of U. of M. Women was held at the Bangor House on February 25 with over thirty members present. An interesting program feature was a talk by Louis Thibodeau, English instructor from the University, on some of the traditions of Japan and Hawaii. He showed some excellent pictures of Japan. Following the formal program a social hour was enjoyed.

## Knox County Alumni

A dinner meeting of the Knox County Alumni was held on February 20 at Rockland. Thirty-two alumni and guests attended. During the business meeting Robert Allen '37 was elected president, Charles Lowe '38 vice president, and Honey Dougherty '41, secretary-treasurer. Guest speakers included John Sealey, alumni secretary, and Dr. Glenn Kendall, Dean of Education. Plans were made for two meetings during the year instead of one.

In his 23rd year as legislative document clerk is James E. Harvey of Winthrop, who has been elected twelve times to this position. The seventy-seven-year-old clerk was born of an old Maine family and has lived in Readfield most of his life. He graduated from the University in the class of 1894, with his Bachelor's degree in mechanical engineering, and since that time has been in his father's edged tool business, run a boys' summer camp for eight years, has served as engineer for the Ordnance Department in Washington and in Watertown, Mass. During the summers now he works as a sardine inspector for the State Department of Agriculture. Elected by vote of the legislators, Harvey has been unopposed in most of his campaigns. He estimates that hundreds of thousands of copies of an estimated 12,000 proposals have been handled by him during his term of office.

# Union Building Campaign Area Committees

Under the leadership of General Chairman Raymond H. Fogler '15 of New York, sixty-two areas throughout this country and Canada have been organized with an area chairman appointed. These chairmen in turn are perfecting their organizations of some 2,000 other alumni as executive committee members and workers. The campaign has been set up on the ideal of having a worker for every five alumni available for personal contact.

The following table is the list of areas, the dates on which the campaign will open in each area, and the alumnus or alumna serving as area chairman:

## Areas, Opening Dates, and Chairmen

		Southwest	April 23
		William Demant '41, Colorado Springs, Colorado	

Mrs. Rena C. Bowles '21 of Bangor, widely known leader in alumni activities, is vice chairman of the General Committee and chairman for Penobscot County Alumnae.

## Chicago Alumni

Chicago Alumni met on the 31 January for a dinner and talk by John Sealey, Jr. Seventeen attended the meeting. The association voted to continue the annual scholarship. The group stood in silent tribute in memory of Carlos Dorticos '03. Kenneth E. Vaughan '21, presided.

## Northeastern New York

A meeting of the Northeastern New York Alumni was held January 24 in Scotia, N. Y., with 23 members and guests in attendance. Guest speaker was Alumni Secretary John Sealey '36 who reported latest campus news and discussed plans for the Union Building Campaign. Colored moving pictures of the campus were enjoyed.

## Pulp and Paper Alumni

More than seventy-five alumni attended the Pulp and Paper luncheon in New York City on 26 February. The luncheon, an annual event during the Pulp and Paper Convention, heard informal remarks from Dr. Roy Whitney, professor of Chemical Engineering.

Malcolm B. Pineo '33 was elected chairman succeeding E. A. Ellis '32 of the Downington Manufacturing Co. of Downington, Pa. Pineo was formerly technical director, Coos Bay Pulp Corporation and more recently with Scott Paper Co., Chester, Pa. He is now with Brunswick Pulp & Paper Co., Brunswick, Ga., as Director of Research.

He is a member of Phi Kappa Sigma. Active in undergraduate days, he was a Sophomore Owl and a member of the Sophomore Pipe Committee. Pineo is a native of Milo, Maine.

# MAINE'S GOLD STARS

The Names of the 179 Men Who Died in Service will be Perpetuated in the Memorial Union Building

THE total number of University Gold Stars has now reached the figure of 179 with the addition since previously published lists of four names. Because the Union Building will stand as a memorial to these men we are presenting in this issue the complete latest list of all Gold Star men, arranged according to geographical areas.

Since 1945, alumni have been asking about a suitable memorial for the service and sacrifices of these men. Now with the launching of the Memorial Union Building Campaign the opportunity is given to share in this fine effort and to pay tribute to the memories of those who died in service.

## DEDICATION

In this book are the records of those sons of Maine who gave their lives in World War II. The stories of their lives are brief, for all of them were young. And yet, behind the dates and the names of places there shines the record of courage and sacrifice, of love, and of a devotion to duty that transcends all thought of safety or of gain or of selfish ambition. These are the names of those we love: these are the stories of those who once walked with us and sang our songs and shared our common hope. These are the faces of our loved ones and good comrades, of sons and husbands. There is no tribute equal to their sacrifice; there is no word of praise worthy of their deeds. In gratitude and love these pages are assembled, that here, in one place, their names may be forever enshrined by the University of Maine.

The statement of dedication above is quoted from the University's Book of Memory which will be enshrined in the special Memorial Room of the Union Building. The Book will contain the names and records of the 179 Gold Star men of the University.

# T.A.P.P.I. Elects Brawn

Highest elective office in the Technical Association of the Pulp and Paper Industry—that remarkable organization of paper men which is one of the outstanding industrial fraternities in the country—has been given to a Maine man, Worthen E Brawn of the Class of 1917. Mr. Brawn, who is general superintendent of the Pejepsco Paper Company at Brunswick, was elected president of T.A.P.P.I. at the recent annual meeting of the group in New York. He is the first Maine alumnus to hold the top position in the organization.

The election of Mr. Brawn followed several years of service in various capacities in the Association. He had served as chairman of the Maine-New Hampshire section of the group and last year held the position of national vice president. His elevation to the national presidency is an indication both of his services to the Association and his recognized leadership in the pulp and paper world. The presidency

Worthen E. Brawn '17

## Councillor

Leroy F Hussey '19 was elected to the Governor's Executive Council recently by the Maine legislature. Mr. Hussey, a prominent Augusta hardware merchant, has long been active in political circles, having served both as a member of the House and later the Senate, where he was a member of the powerful Financial Affairs Committee.

In 1945 Mr. Hussey was appointed a member of the Maine Turnpike Authority. He has long been identified with work of the Y.M.C.A. in Maine, as well as several other civic and charitable organizations.

As an Executive Councilor from the Fourth District he will represent Kennebec and Somerset Counties

THE MAINE ALUMNUS

is an annual election for a one-year term carried out by the Association at its annual meeting in February each year.

Mr. Brawn has been associated with the pulp and paper industry ever since he received his degree in chemical engineering in the June of 1917. His career began in Ontario, Canada, where he became resident chemist of the Spanish River Pulp and Paper Co., Ltd., at Sturgeon Falls, for three years. In 1920 he returned to the United States as chief chemist of Newton Falls Paper Co., Newton Falls, N. Y. His association with the Pejepsco Paper Co., at Brunswick, started in 1921 when he was named superintendent of research; he has remained at that plant ever since with increasingly important responsibilities in its production and operation. In 1926 he was named assistant general superintendent and since 1938 has held the title of general superintendent.

While at the University Mr. Brawn, a native of Bath, was an active member of the Maine Masque and of class committees. He was initiated into Lambda Chi Alpha fraternity, served as president of Alpha Chi Sigma, honorary chemical society, and became a member of Tau Beta Pi, honorary engineering fraternity. Besides his active membership in T.A.P.P.I., he was formerly a member of American Chemical Society.

Following his graduation from Maine, Mr. Brawn, as an alumnus, has continued active associations with the University and its alumni. He has served two years as chairman of the Merrymeeting Bay Alumni Association. During the Library Fund Campaign he was a member of the Fund Committee and also served as Area Chairman in his district. He now is serving as area chairman of the Union Building Fund campaign. His close relations

with Maine have been strengthened by graduation of his daughter Beverly Anne (now Mrs. C. W. Waller) with the Class of 1943.

Besides his many other activities and his business responsibilities Mr. Brawn has found time to take an active and useful leadership in his community. He is a past master of the local Masonic Lodge and member of the Mt. Vernon Council of Masons. His membership in the Brunswick Rotary extends from 1928, including the presidency in 1936-7, and he is a member of the local Congregational Church.

To those who know Worthen Brawn his election to the presidency of T.A.P.P.I. will come as no surprise but as a merited recognition of leadership in his profession and of faithful cooperation with the Association.

**Educational:** Psychologist Doris Twitchell-Allen '23 has announced a plan for Children's United Nations Centers as a program toward world peace. Taking the stand that proper education of the child generation in international thinking would accomplish much more than the same effort with adults, Dr. Twitchell-Allen presented her plan for Children's Centers throughout the world at the September meeting of the American Psychological Association. Enlisting the support of other leading psychologists in this country, she has set machinery going to have the plan presented for consideration at the general conference of the United Nations Educational, Scientific, and Cultural Organization. In essence the plan suggests educational centers for children from United Nations member countries with international faculties to provide direct experience in cooperative living and education of the emotions for world peace. Dr. Twitchell-Allen writes that while it is not so important that the exact details of the plan she has evolved should be adopted, it is important whether our State Department and the UNESCO should be made aware of the desire by a large and diversified group of citizens that consideration should be given to a long-time, global plan for the education of children for peace. For this purpose she invites the interest of alumni in her proposal. Dr. Twitchell-Allen is a consulting psychologist at 30 West Fountain Avenue, Glendale, Ohio.

**In the first class** of students at the newly established American Institute for Foreign Trade is Bernard Cohen, a graduate of the University in 1940 with a B.S. degree, and a member of A.S.M.E. He is taking the Institute's detailed course in the commerce, culture, customs, and languages of the Latin American nations. Close to 300 young men and women are taking an intensive nine-month-course in the buildings of the Army Air Forces wartime training installation, Thunderbird Field, Phoenix, Arizona.

## Anniversary—

Phi Mu sorority celebrated its 95th Founders' Day Anniversary Tuesday evening, March 4th, with about 65 active and alumnae members attending. As an important feature of the banquet, Romaine Littlefield, president of the active chapter, and Ruth Duran, president of the Alumni chapter, presided over the traditional Founders' Day ceremony. At the regular monthly meeting of the Alumnae held after the banquet, the following officers were elected for the coming year: Ruth Duran, president; Barbara Allen, vice president; Mrs. Gertrude Cleveland, secretary; and Mrs. Josephine Dwyer, treasurer.

## Electronic—

V.E.W.P. I-I, the first Volunteer Electronic Warfare Platoon in the First Naval District, has been established at The Brunswick Campus under the leadership of Prof. Frederick B. Oleson of the Physics Dept., a former Naval Electronics officer. Meetings will be held on an informal basis, providing a wonderful opportunity for men to retain their technical skills with the latest electronic equipment.

## Music—

Miss Katherine Bacon, eminent pianist and member of the faculty of Julliard School of Music in New York, was heard in a formal recital at the Memorial Gymnasium, March 4. During her visit she also gave informal recitals at women's dormitories and played for members of the music classes and interested students in the Little Theatre. An authority on the works of Beethoven, Miss Bacon was able to be of valuable assistance to individual students in improving their understanding of his music.

## ROTC—

Officers of the Scabbard and Blade, honorary military society at the University, have announced that bids for membership were extended to 45 students of advanced military last month. These students, selected from the total enrollment in advanced reserve officer training courses, were picked on the basis of leadership, high standing, and scholarship.

## Drama—

The Maine Masque presented "Joan of Lorraine" during March 11 to 14 to a capacity audience which was well pleased with the work of Director Herschel Bricker and his many student helpers. Actors, stage crew, and other essential personnel of the production worked hard to bring Maxwell Anderson's recent Broadway hit to Maine. The technique of the "play within a play" gave a fine scope to the abilities of the student actors; even Technical Director Gerry Hermanson '48 of Brookline, Mass., and Electrician Paul

*Campus*

# NEWS of the MONTH

Hart '49 of Togus enjoyed speaking parts as the sets were removed and the electrician's box revealed to the audience. "Joan of Lorraine" is built around the rehearsals of a play about Joan of Arc and is of double interest to the spectators because of the many unusual situations developed during "rehearsals."

## Scholarships—

The award of several scholarships to students has been announced during the past month by the University. In the College of Agriculture, Earle P. Moore, Jr., of Warren, has been awarded the Eugene Hale Scholarship. This is given annually to a boy or girl entering agriculture who is or has been a 4-H Club member. The award is based on his club record, scholarship, character, and qualities of leadership. Three women students were recipients of awards. Mrs. Grace Luscombe Dodge of Boothbay, School of Education, and Miss Barbara M. Andrews of Orrington, Arts and Sciences, each received one of the Anne E. Stodder Scholarships made available through the bequest of the late Mrs. Anne Stodder of Bangor. Miss Ruth J. Berglund of Bar Harbor, in the School of Education, was awarded one of the Maine Normal School Scholarships.

Five scholarships from the Charles H. Hood Dairy Foundation were awarded to students in Agriculture. These scholarships are available to agricultural students who intend to promote farming as a life opportunity. Recipients were Jean M. Ritchie of Trenton, N. J., Raymond L. Olmstead of Charleston, Holyoke P. Adams of Melrose, Mass., Jasper C. Haggerty, Jr., of West Hartford, Conn., and Robert E. Smith of Dixmont.

## Faculty . . .

Dr. E. Reeve Hitchner, Professor of Bacteriology and Head of the Department of Bacteriology and Biochemistry, completes this year his twenty-fifth year of service with the University. Coming to Maine in 1922, he has served the College of Agriculture in its bacteriological and biochemical courses ever since. He has also been a leader in the work of testing poultry flocks for Pullorum disease.

A graduate of Pennsylvania State College in 1915, he holds the M.S. degree from the same institution a year later. In 1931 he obtained his Ph.D. degree from Wisconsin.

Dr. Hitchner recently attended a meeting at Ann Arbor, Mich., of the Society of American Bacteriologists to assist in making plans for the annual meeting of that Society in May. He is vice chairman of the general program committee for the annual meeting of the society and worked with the chairman in arranging final details. This included the editing of

some 250 papers to be presented at the May sessions.

# With the ATHLETIC TEAMS

## VARSITY TRACK

The undefeated Maine track team continued in the victory column through the months of February and March to wind up an undefeated season in regular intercollegiate meets. Following victories over Bowdoin and Colby in the early winter, the team went on to defeat Bates, New Hampshire, and Northeastern in dual meets and the teams of Bowdoin and Bates in a three-cornered state meet.

A summary of the early meets of the season reveals that Maine defeated Bowdoin on January 18 by a score of 67 to 50 at Brunswick, won over Colby at Orono on February 1, 91½ to 25½, and defeated Bates on February 15, 82 to 35. Against Colby the Maine trackmen took all firsts except one and against Bates, all but two.

On February 22, at Orono, the Maine team entertained a strong New Hampshire squad but emerged the victor by a score of 79½ to 46½. With their star, Moicom, out of the competition in this meet New Hampshire failed to provide the expected opposition.

The three-way State Meet on March 1 saw both Bowdoin and Bates overwhelmed by the team strength of the Maine squad. Colby did not participate. In this meet Joseph LeClair, a junior, from Augusta tied a record in winning the high hurdles. Elmer Folsom, junior from Cambridge, won a fine mile run after a strong challenge by a Bates man.

The final meet of the season saw Maine pull ahead of a strong Northeastern squad in spite of advanced predictions of a close battle. The score was Maine 68 North-

eastern 49. Maine took all places in the pole vault while Northeastern swept the shot put and high jump. However, team strength in other events proved too much for the visitors from Boston. George Marsanskis '48 of Mexico, Maine's best weight man, won the hammer throw; Folsom took his specialty, the mile, in a final burst of speed after trailing most of the way. Two places in the two-mile went to Maine with Arnie Davis of East Corinth defeating his teammate Doug Morton of Presque Isle in first and second. First and second also went to Maine in the broad jump and 600-yard dash.

## VARSITY BASKETBALL

### Maine 70—New Hampshire 69

A thrilling game with a one-point victory for Maine at the finish was played with New Hampshire on February 13 at Orono. The fast and thrilling game marked slim Al Burgess as top scorer. In the final minute of play with New Hampshire leading by one point it was Burgess who shot the final basket to swing the hard-fought battle to the Pale Blue team.

### Maine 80—Northeastern 60

The Bears played a game of professional calibre in defeating Northeastern University at Orono on February 15, 80 to 60. Maine's fast and sharp-shooting duo, Al Burgess and Ted Boynton, divided 43 points between them in a brilliant example of offensive power. The defense was no less effective, holding the capable visiting team down time and again when they threatened the lead.

### Maine 56—Bates 54

At Orono on February 18 Maine defeated Bates in a spirited and hard-fought finale to the state series. The narrow margin of victory was clear evidence of the contest. At half time the teams were tied at 23 points each. Maine's small lead in the second half was again tied at 31-all. In the last four minutes of play Maine held a four-point margin but was barely able to keep two tallies ahead by strong defensive work.

### Rhode Island 88—Maine 62

Highlighting the Winter Carnival week-end, Maine played host to a powerful Rhode Island squad February 22 which after a hard battle walked off with a well-earned victory, 88 to 62. The home team forced the Rams to fight for their victory and time and again in early play threatened to cut down the Rhode lead.

### Ski Team Has Excellent Season

One of the finest ski teams to represent Maine in many years, according to veteran coach Ted Curtis, helped to set an all-time high in winter sports for keen interest and spirited competition.

Outstanding names among many fine competitors were Charles Broomhall of Rumford and Norwegian student Jan Willoch. Broomhall was highest scorer in the intercollegiate meets this year and turned in some fine individual scores in meets in which the Maine team did not place high. He recently tried out for the Olympic jumping team at Lake Placid and also skied in the cross country tryouts.

Among the meets held this year, in spite of some adverse weather conditions in January, Maine emerged the clear-cut champion of Maine, defeating Colby and Bates in dual and triangular competition. Although placing only sixth in the Middlebury Carnival with New Hampshire, Dartmouth, Middlebury, St. Lawrence, and Vermont ahead, the Maine team took a second place against the same teams at the Intercollegiate Ski Union meet near Montreal. Middlebury was the only team to outpoint the Curtis men, 566 to Maine's 560.

In the Middlebury Carnival, Jan. 24, 25, Willoch placed second in the cross country and second in the combined, while Broomhall did well in the jump. Broomhall competed successfully in the Rumford Carnival, winning the jumping at that meet. Willoch climaxed his year by winning the I.S.U. cross country championship in Canada, defeating the best skiers in the eastern U.S. and Canada.

**FAMILY MEN:** Varsity basketball men this year, like many returned G.I.'s, count their wives among the loyal fans. Left to right with their husbands: Mrs. George O'Donnell, Mrs. Ted Boynton, Mrs. Leon White, Mrs. Frank Danforth, Mrs. Ken Cosseboom, and Mrs. Al Burgess.

# UNION BUILDING PLANS

FOR eighteen months committees have been studying University needs and working on plans for the proposed Union Building. The results of their many hours of service to the University are shown in both the floor plans and building sketches some of which are shown in this issue of the *Alumnus*.

Among our Maine Alumni probably Dr. Gertrude Peabody '20 of Philadelphia is the foremost authority on Union Buildings because as dean of women at Temple University her office has been in the Temple Union Building, and also because she has been jointly responsible for the policies and operation of the Union. In addition she recently traveled throughout the east and middle west visiting colleges to study among other matters the management program and management policies of the leading Union Buildings. Concerning the plans for the proposed Union Building at Maine Dean Peabody writes:

"I have just finished poring over the plans for the Union Building and am delighted with them. . . . It seems to me that there is a remarkably effective blending of economy and excellent provision for student service."

The first committee to work on Union Building plans was a Student-Faculty group appointed by President Hauck in the Fall of 1945. Professor John Stewart '27 was chairman of the committee the other members of which were Dean Edith G. Wilson, Dean E. E. Wieman, Dean C. E. O'Connor '31, Prof. F. M. Taylor, Prof. W. C. Libby '32, Mr. C. E. Crossland '17, Warren Randall '43, Russell Bodwell '43, Donald Pratt '47, Betty Durgin '47, Charlene Lowe '46, Phyllis Eldridge '47.

With the opening of college in 1946 a new student committee was appointed to bring new points of view and study how

**CHAIRMAN: George D. Bearce '11 is chairman of the Building Requirements Committee.**

the proposed plans would meet University needs. The 1946-47 student members on this committee were William Skolfield '48, Don Platt '47, Willard Moulton '48, Barbara McNeil '47, Phyllis Eldridge '47, Betty J. Durgin '47, William S. Brown '47, Willis Anderson '48.

More than a year ago the General Alumni Association and Raymond H. Fogler, general Union Building campaign chairman, appointed an alumni committee on Union Building Requirements. On this committee devolved the responsibility of (1) keeping building plans in line with campaign goals, (2) determining the best possible floor plans which would meet the most important University needs and (3) selecting an architect. This has worked closely with the Faculty-Student Committee on Union Building Facilities. George D. Bearce '11 of Bucksport is chairman of this committee

It is believed that the floor plans as now drawn have the approval of all committees. It is believed these plans will provide a Union Building of such flexibility as to be adaptable to many uses. The committees are to be continued to consider such minor changes as further study may suggest to improve the value and usefulness of the building.

Under Chairman James M. Sims '32 of Boston the Special Gifts Committee has been actively at work since last December. The purpose of this committee is to secure subscriptions substantially above

the average. Their goal is \$300,000 to be largely accomplished before the general campaign opens.

The amount of the special gifts is to be added to the basic area quota and credited to the area, thus giving every state, county or other geographical unit full credit for its achievement and part in making the Memorial possible.

Organized into 14 areas the special gifts work has been proceeding under the chairmen who with assistants have been working earnestly to reach their goal.

Following are the members of the Special Gifts Committee who are also serving as Special Gifts area committee chairmen:

Thomas Mangan '16, Livermore Falls, Me.; Clifford G. McIntire '30, Perham, Me.; Harold M. Pierce '19, Bangor, Me.; William P. Viles '28, Augusta, Me.; Charles E. Stickney '10, Portland, Me.; Harry E. Sutton '09, Boston, Mass.

Robert F. Thurrell '15, East Wolfboro, N. H.; Fred D. Knight '09, Hartford, Conn.; Ralph R. Day '11, New York, N. Y.; Conan A. Priest '22, Syracuse, N. Y.

James E. Totman '16, Baltimore, Md.; Oswald B. Higgins '14, Chicago, Ill.; Paul F. Corbin '21, Toledo, Ohio; Edward Loftus '14, Los Angeles, California.

The Publicity Committee was one of the first alumni committees appointed after the General Alumni Association voted to raise funds for a Union Building. This committee formulated and has carried out a well rounded program which has aimed to inform alumni and friends about plans for the Union Building as a memorial and tribute to University of Maine men and women who served in World War II.

Without resorting to methods which it was believed would not meet with the unanimous approval of alumni, the committee has included press releases, radio, printed materials, *The Alumnus*, speakers, and Key Bulletins in its program. Through these channels and with the able help of alumni experienced in these branches of information service the committee has presented important facts and plans which have reached every alumnus for whom the General Alumni Association has an address.

Members of this committee are as follows:

Hazen H. Ayer '24, Boston, Mass.; Linwood Pitman '17, Portland, Me.; Wayland D. Towner '14, New York; Conrad E. Kennison '24, Augusta, Me.; Mrs. Virginia S. Lamb '28, Falmouth.

Harry Paul '32, Brighton, Mass.; James E. DeCourcy '34, Milford, Conn.; Charles F. Treat '37, Augusta; Marcia M. McCarthy '43, Portland.

EB USON · ABC T.

G, east elevation.

# The STUDENT CAMPAIGN

A five-day Union Building Fund campaign which opened on February 24 and formally closed with a celebration party on February 28 resulted in 2,710 student subscriptions amounting to \$94,707 including organization gifts of over \$13,000. This entire amount came from the Orono campus. Nearly 85% of the students subscribed to the Fund. Consideration is now being given to a campaign at the Brunswick campus by the students at that branch of the University.

The Student Campaign Committee voluntarily adopted a goal of \$100,000. Specifically they aimed to raise enough funds to purchase the Main Lounge. The Alumni Union Building Fund Committee did not request nor suggest to the students how much they should raise. It was a student decision and a student campaign. The campaign slogan was \$30 from every student. Pledges are payable over a period of six term bills or quarterly after graduation.

Although the Student Committee was confident that the campaign total could have been pushed up beyond the \$100,000 goal, a last minute decision was made not to apply pressure to secure the necessary resubscriptions in a general way.

An editorial in *The Maine Campus* entitled "Our Thanks" reflected the student feeling as follows:

Now that the Student Union Drive is about over, we feel it is time to express thanks to the Union committees on behalf of the student body.

Some pressure was necessary, but the amounts that were used were negligible. This was not a high-pressure campaign, and we are thankful for it.

Contributions, in this campaign, were made on a very personal basis. Most of the money was given without prodding. It is fitting that the fund-raising for the Memorial was carried out in this way.

## Organization

Under the guidance of a sophomore, Ralph Barnett of Augusta, an organization of 39 teams and 350 workers was created to do the job of reaching the 3200 students, about 950 of whom reside off campus.

A Kick-off Supper meeting was held for all workers and committee members. The 325 who attended were given necessary information, reports of progress, and plans. Jim Donovan, student committee chairman, presided. The speakers were President Arthur A. Hauck, Raymond H. Fogler '15 of New York, general campaign chairman, Ralph Barnett, student organization chairman; Roger Thurrell and Ruth Fogler, preliminary gifts co-chairmen; and Frank Haines and Saralyn Phillips, student organization gifts co-chairmen.

## Preliminary Gifts

As a means of pushing the campaign off to a good start, a preliminary gifts committee headed by Roger Thurrell (son of Robert F. Thurrell '15, president of the General Alumni Association) and Ruth Fogler (daughter of Raymond H. Fogler '15, general campaign chairman) was created with sixteen students working on this phase of the campaign. This activity resulted in 177 student subscriptions totalling \$10,064, or an average of about \$58 each. Announcement at the Workers' Kick-off Supper of this substantial figure was received with enthusiasm.

Realizing how valuable the Union Building will be to organizations, the members of many student clubs and associations gave generously to the Union Building Fund. Following are the names of the organizations which have contributed.

Women's Student Govt Assoc	\$50
Home Economics Club	150
Women's Athletic Assoc	50
All-Maine Women	50
Off-Campus Women	65
General Senate	90
Intramural Athletic Assoc.	300
Senior Skulls	50
Sigma Mu Sigma	50
Maine Masque Theatre	100
Maine Christian Association	250
Off-Campus Men	63
Agricultural Club	100
Debate Society	25
American Society of Civil Engineers	5
Newman Club	5
Hillel	100
The Campus	500
The Maine Outing Club	120
Panhellenic and Sororities	430
Alpha Omicron Pi	
Pi Beta Phi	
Phi Mu	
Chi Omega	
Delta Delta Delta	

Other organizations are expected to contribute shortly.

Frank Haines (son of Frank A. Haines '13 of Augusta) and Saralyn Phillips (daughter of Stanley Phillips '17 of Portland), as vice chairmen of the Campaign Committee, secured the organization gifts.

## University Store Gift

The substantial subscription of \$9,000 made by the University Store Company was a big factor in so nearly achieving the goal of the campaign. In making the announcement of this gift at Assembly "Windy" Work, student Store Company director, stated that the directors recognized the all around value of this Union Building to the University, but felt specifically that it would be an asset to the athletic life of the institution in which the store has a primary interest.

"Be a plus man" was the ideal set before the students by Raymond H. Fogler '15, who was the chief speaker at the special Assembly to open the campaign. "Give a little more and do a little more than is convenient—you will profit most by what you do and give, for to that extent you really become part of this Union Building; to that extent you help make the proposed building the kind of a Memorial and Tribute which we want it to be in memory of those whose great sacrifices will make even our most sacrificial gift seem but small." With this admonition the students began their work.

## Rochester, N. Y.

George D. Hill '38, president of the Rochester, New York, Alumni Association, presided at a dinner meeting in Rochester on 25 February. Alumni Secretary Sealey told the twenty alumni of latest developments on campus and showed moving pictures.

## Central New York

Central New York Alumni Association meeting in Syracuse on March 24 elected Richard G. Chase '36, president; Ursula Little '19, secretary; and Prof. C. Earl Libby '16, treasurer.

John Sealey, Jr., alumni secretary, spoke to the twenty alumni, among whom was Prof. William E. Barrows '99.

## Maine Club

Attorney Leonard Williams, Auburn representative to the Maine legislature, was the speaker at a meeting of the Maine Club held Thursday, February 20, in Auburn. He discussed legislative methods and pending bills. The next meeting will be held Thursday, March 20, at 6:30 p.m. in the Auburn American Legion Home, the speaker to be Hendric J. Burns, news editor of the Bangor Daily Commercial.

## Washington, D. C.

Twenty-three alumni and guests gathered in Washington on 28 February for dinner and a social evening. Henry Brown '37 presided at the meeting. An honored guest was Lore A. Rogers '96.

## Baltimore Alumni

Meeting at the Lord Baltimore Hotel on 27 February, Maryland alumni heard from James E. Totman '16, area Special Gifts Chairman of the Union Building Fund, and John Sealey, Jr. '36, Alumni Secretary. William H. Doane '33, president of the Maryland Alumni Association, presided at the meeting.

## Fortieth Program for Farm and Home Week

This year the College of Agriculture conducts its fortieth annual Farm and Home Week from March 24 to 27. From small beginnings, Farm and Home Week has in itself become an institution. Nearly two hundred people will take part in the program and more than two thousand are expected to attend.

Of the first week back in 1907, William D. Hurd, then Dean of the College of Agriculture, wrote. "Farmers' Week, held in March, proved a greater success than anyone anticipated. It should be continued and the program made broader in its scope, touching all phases of rural life" Attendance during the first week was 116.

Today normal attendance at Farm and Home Week is around the two thousand mark and taxes to the utmost the capacity of the University as to classroom and housing space. The reason for the popularity of Farm and Home Week is not difficult to determine. Dean Hurd's suggestion as to the scope of its program has been adopted and followed through the forty years.

Maurice D. Jones '12 has been chairman of the Farm and Home Week Committee since 1930, with the exception of a single year. On his shoulders more than on any others has been the responsibility for the success of Farm and Home Week, and to him goes his due share of the credit. Since he has been chairman, attendance has increased from 889 in 1929, to 2220 in 1946.

Associated with him on this committee during all that time has been Miss Pearl Greene, head of the Department of Home Economics, College of Agriculture, who has arranged the section of the program designed especially for women. Llewellyn M. Dorsey '16 also served on this committee for many years. Other graduates now members of the committee are Fred P. Loring '16, Winthrop C. Libby '32, George E. Lord '24, and Miss Estelle Nason '22. Arthur L. Deering '12, Dean of the College, has had an important part also in the program's development.

An important feature of the Farm and Home Week program has been the conferring of the honor of outstanding farmer and outstanding homemaker upon rural people who have made signal contributions to the life of community, county, and state. Among the graduates so honored have been William J. Ricker '05, Harold J. Shaw '14, Robert D. Hastings '23, and Frank W. Hussey '25.

During the past few years several thousand people have profited by their attendance at Farm and Home Week. They have also become acquainted to some degree with the purposes and problems of the University, and have gone home with the feeling that this University is their University.

Personals

## FROM the CLASSES

### NECROLOGY

1885

**FREMONT LINCOLN RUSSELL.** The death of Dr. Fremont L. Russell, 84, professor emeritus of bacteriology and veterinary science at the University, occurred February 25 at the home of his daughter, Miss Doris Russell, Port Chester, N. Y., after a long period of failing health. Following his graduation from Maine, he received the degree of Veterinary Science from New York College of Veterinary Surgeons. He became an instructor in veterinary science and a veterinarian in the Agricultural Experiment Station in 1889. He was appointed biology instructor in 1895 and was elected to a professorship in 1898. He was professor of bacteriology and veterinary science and assistant biologist in the experiment station in 1908, beginning the long professorship he was to hold until July 1932, when he was appointed professor emeritus, later conducting pullorum tests for the Maine Poultry Breeders' Association. Surviving are his wife, a son, Luther, of Kents Hill; three daughters, Mary, Sybil, and Doris.

1897

**HARVEY AARON WHITE.** On March 3 Harvey A. White, 71, of Northampton, died in a hospital following a short illness. He had been employed first by the Mount Tom Lumber Company and later was purchasing agent of Propper-McCallum Hosiery Company. He received a Congressional Medal in 1892 for heroism in saving the lives of two boys in the Penobscot river at Bangor. He is survived by a sister, Miss Carrie White of Alhambra, California, and a niece. Services were held March 6, interment in Spring Grove Cemetery, Middletown, Connecticut.

1899

**BURT WHITTAKER FLINT.** Word has been received of the death of Burt W. Flint, graduate of the University in chemical engineering, and former secretary of the C. S. Oakes Co., Inc.

1903

**WALDO HORACE BENNETT.** Once a Newport town official, a former Bangor councilman, and many years on the *News* editorial staff, Waldo H. Bennett, 66, died February 4. He graduated from Maine in 1901, and from the University College of Law in 1903. He was a member of Phi Gamma Delta fraternity. He was a member of the Penobscot Bar Association. Surviving are one son, Willard E. of Concord, N. H., and one sister, Mrs. Charles A. Croxford of Newport. Services were held February 6, with interment in Newport Cemetery.

1909

**LEROY FRANCIS WHIPPLE.** Word has been received of the death of Leroy F. Whipple, a student at the University during 1905-6, and a member of Kappa Sigma fraternity.

**IRVING HARTWELL MOORE.** After an illness of several weeks, Irving H. Moore, manager of the Western Electric Company's New York distributing house, died February 8 at his home, 28 East 10th

Street, New York City. A veteran of World War I, Mr. Moore had many years of active service with Western Electric. He received his University degree in electrical engineering, and was a member of Beta Theta Pi fraternity. He is survived by his wife, the former Virginia Barton Mott, and his father, Appleton Moore of Lewiston, Maine.

1910

**CHARLES MELVILLE FULTON.** The death of Charles M. Fulton of Effingham Falls, N. H., occurred on January 24. He was a graduate of the University and a member of Sigma Nu fraternity. He is survived by his wife, Mildred L. Fulton.

1913

**ELMER FREDERICK SAWYER.** Word has been received of the death of Elmer F. Sawyer of Royal Acres Farm, Rocky Hill Road, Saco, Maine.

1917

**LLOYD SUMNER LEIGHTON.** The Alumni office has been informed of the death of Lloyd S. Leighton, whose last address was 103 Cumberland Street, Cumberland Mills.

**CLINTON AUGUSTUS NICKERSON.** The death of Clinton A. Nickerson, 1913-14, Sigma Chi, occurred recently, according to word received at the Alumni office. His last known address was 21 Summit Road, Cape Elizabeth.

1924

**JAMES CLARK THOMPSON.** The death of James C. Thompson, vice president and secretary of Tri-State Electric Motors, Inc., occurred suddenly February 8. He attended the University from 1920-22. He is survived by his wife, two sons, and a sister.

1931

**VIVIAN MARIE DRINKWATER.** Miss Vivian M. Drinkwater, 36, head of the English Department at Calais Academy, died February 5, 1947, in a St. Stevens, N. B., hospital. Born in Bangor June 17, 1910, the daughter of Mr. and Mrs. J. E. Drinkwater of Brewer, Maine, she was graduated from Brewer High School, and from the University of Maine where she was a member of Kappa Psi sorority, and was awarded the honorary Sigma Mu Sigma prize. In 1944 she received her M.A. degree in education. She has done graduate work at Columbia University. She taught school at Brewer High School, Bar Harbor High School, and at the time of her death was English instructor at Calais Academy. A member of the National Education Association, the Maine Teachers' Association, and the Calais teachers' association, she was active in Girl Scout work and in civic organizations. She was a member of the Saint Sauveur Episcopal Church, Bar Harbor.

### BY CLASSES

**1906** A recent letter from James G. Wallace gives his present address as City Hall, Fargo, North Dakota.

**1907** F. P. Holbrook, formerly with the T.V.A. and later with the New York Central Railroad, Chicago, Illinois, is now located with the Tennessee State Highway Department as a designing engineer. His temporary address is 426 Sixth Avenue, North, Nashville 3, Tennessee.

Karl MacDonald and his wife are spending two weeks this month in Savannah, Georgia, with Mrs. MacDonald's mother and sister.

**1911** Serving as a forestry consultant on domestic and foreign timbers and timberlands in West Point, Virginia, is Winslow L. Gooch, who has been associated with forest operations for thirty-five years, and is a senior member of the Society of American Foresters.

A scout master for thirty-five years, Rev Hayward S. Thomas of Gorham was presented a badge at the father and son banquet given in Gorham on Thursday, February 13. He was given the Order of the Silver Beaver by the Katahdin Council in 1936.

**1912** The Extension Poultry Specialist at the University of Connecticut is Ray E. Jones, who was awarded the certificate of recognition for outstanding work in extension by Epsilon Sigma Phi, National Extension Fraternity, in 1946.

**1915** In charge of land and timber of the North West Paper Company is Francis A. Kelley, the company's vice president. His address is 609 Chestnut Street, Cloquet, Minnesota.

**1916 Class Reunion, June, 1947**  
Governor Horace A. Hildreth recently named Granville C. Gray of Presque Isle chairman of Maine's Industrial Accident Commission, of which he is currently a member. The chairman ship is for five years. Gray was formerly Presque Isle's municipal court judge.

Recently elected to the Board of Governors of the Canadian Club of New York is Arno W. Nickerson, chemical engineer and consultant in paper making and converting, 441 Lexington Avenue, New York 17, N. Y.

**1917 Class Reunion, June, 1947**  
John L. Barnes is owner of a general store located in Lancaster, New Hampshire.

**1920** Dr. Clifford A. Butterfield of Medford, who has been senior surgeon at the Lawrence Memorial Hospital on the staff has just been appointed

Visiting Surgeon to the hospital, and has been re-appointed to the Medford Board of Health.

Walter W. Chadbourne of 3 Corinne Court, Wilmington 278, Delaware, is analyzing economic facts and fiction for the Hercules Powder Company, and is hoping for a summer vacation in Maine.

Serving in many capacities is W. Linwood Chase, who is Director of Undergraduate Studies in Boston University School of Education and a professor in that department, and President of the National Council for the Social Studies which is the Social Studies department of the National Education Association. He will teach this summer on the faculty of the State College of Washington in Pullman, Washington. He is co-author of a fifth-grade history textbook which will be published in May, and will be followed by two other textbooks in 1949.

Currier and Co. department store in Lebanon, N. H., keeps Stanley Currier and his wife busily engaged, but he finds time to indulge in his hobbies, the town band and the baseball team. He expects to spend most of this month in Florida.

Leon M. Orcutt, a graduate of the School of Education, is principal of the high school in Boy River, Minnesota.

**1921** Mrs. Emilie K. Josselyn, 15 Caryl Ave., Yonkers 5, N. Y. Paul Corbin of 1833 West Bancroft Street, Toledo, Ohio, was awarded a certificate of commendation from the War Production Board for three and one-half years' service as head of coated fabric section, chemical bureau.

Percy L. Blackwell is now employed with the Public Roads Administration, Washington, D. C., after having spent five years in the army. His residence address is Route 1, Box 12, Vienna, Va.

Leland Page is with Johns Manville Insulations. He has two children: Roberta Lee, age 13, Hilton, age 11. Leland's home address is 75 Adelbert St., South Portland.

Vance Oakes of Rangeley is in the retail grocery business. He has two sons and a daughter, all of whom are in the U.S.N.R. One of Vance's sons is still on Guam.

Clarence Sanborn of 214 Maple Street, East Lynn, Mass., has just rounded out twenty-five years with the General Electric Company. He is at present engineer in the Turbine Division, associated with the Lynn and Fitchburg plants. Clarence has three sons, one of whom is in the Air Corps.

William H. Jenkins has been Superin-

tendent of the Ft. Fairfield and Easton Schools since 1935. His daughter, Betty, graduated from the University in 1946. William was awarded a B.S. in Education at Maine in 1935 and a Master's in 1940.

Wayne B. Hussey owns and operates Tim Pond Camps near Stratton, Maine. From November 1 to April 1 his residence is 45 Central Street, Hallowell.

Esther Tramer Toole of 27 Sixth St. is a member of the Board of Civil Service Examiners at the Bangor Post Office. Esther says she keeps in touch with the younger generation at the University through her son John, who is doing graduate work, also through her nephew, Thomas Trainer, a freshman.

**1923** Mrs. Harry E. Knight, R.F.D. #1, Kennebunk

Clarence B. Beckett has been elected second vice president of the board of directors of the Calais Federal Savings and Loan Association.

Clifford H. Buck is instructor in Industrial Arts at Boothbay Harbor High School.

Stephen S. Kaler is supervisor of the recently established Apprentice Training Service, U. S. Department of Labor, with offices in the Federal Building, Portland. This office will handle coordination and supervision of apprentice training councils in Maine, Vermont, and New Hampshire.

Willis H. Osgood is highway construction engineer for the W. H. Hinman Company of North Anson.

We are on the road again making a tour of southern Florida before our return to Maine in the middle of March. Frost damage looks rather bad all the way along and it certainly was cold here during the freezing process.

**1924** Mrs. Clarence C. Little, P. O. Box 558, Bar Harbor

Here are a few items from the Alumni Office. Edwin H. Roemer is a building engineer for the New England Tel. and Tel. and is receiving mail at 50 Oliver St., Boston, Mass.

Lewis H. White is an engineer with the Bridge Division of the State Highway Commission in Augusta. His residence is Wayne, Maine.

Kenneth Woodbury is Supt. of Hudson County Schools in New Jersey. He and his wife (Ethel Cummings '29) live at 100 Hauzburst Ave., Weehawken, N. J.

Chester Sweatt has accepted an appointment as superintendent of the Ashland-Hopkinton Union Schools. Along with

his executive work he is studying part time at Harvard University. He lives at Ashland, Mass.

Philip H. Taylor is a professor of International Relations at Syracuse University. His residence is 11 Circle Road, Syracuse 10, N. Y.

Theodore F. Hatch has been named a member of the six-man Committee on Dust Control. This committee was appointed by Governor Edward Martin of Pennsylvania to study silicosis and anthracosis in the anthracite industry.

Clifford Reynolds is teaching math. and science at the Bar Harbor High Schools. His wife teaches the fifth grade and they have a son in kindergarten.

Friends of Arthur Cloudman sympathize with him on the loss of his son who died a few hours after birth in December. He and Dorothy have a daughter aged nine. They live in Bar Harbor where Arthur has been on the staff of the Jackson Laboratory for seventeen years.

Remember friends, news from you is always welcome.

**1925** Mrs. George Lord,  
38 Forest Ave., Orono

Very little to write about this month. Only one personal from the Alumni office. There must be news of your doings we would all like to hear about. Please send in some items for the next copy.

Wendell Gilley has worked up a very profitable side line to his plumbing trade in Southwest Harbor. He first started a taxidermy shop mounting sea birds and later animals. His first step in pin money came when he mounted the hide of an unborn fawn only slightly beyond the embryo state. This was sold to a summer resident and went directly to the Wellesley College museum where it is on exhibition. He then started carving birds from wood which were much in demand from summer residents. It was suggested he send samples to Abercrombie and Fitch in New York which he did. They were quickly sold and an order received for more.

**TWENTY-FIVE YEARS AGO:**  
Alumni and alumnae of the Class of 1922 who this year celebrate their Silver Anniversary Reunion are among the enthusiastic men and women pictured in these groups. The women, young amazons, are obviously engaged in some athletic activity; the men, like gay cavaliers, are off to the wars. Identification of any of the participants will be appreciated at the Alumni Office.

He now fills regularly orders to them which takes his entire output. His spare time is being turned into a regular business.

Reginald Reed is District Airport Engineer with the Civil Aeronautics Administration. His residence is 35 Clifton Street, Portland.

Doris Dow Ladd is doing special work with the Extension Service here at the University. She has been devoting a great deal of her time to the G. I. wives and their problems.

**1926** Mrs. Albert D. Nutting,  
17 College Heights, Orono

After an inexcusable vacation 1926 class personals are again appearing. I don't know what you will do to me for my negligence—get a new corresponding secretary perhaps? ? ?

Clyde N. Stover is receiving mail at 4 Burn Brae Road, Towson 4, Maryland.

Mary M. Roche is a secretary for a legal firm at 57 Exchange Street, Portland, and is living at 94 Park Avenue.

J. Murray Hamilton is general manager of the Simon Stahl and Son, coal, wood, and oil dealers, Berlin, N. H. His residence is at 244 Denmark Street, Berlin.

George R. Acheson, a member of our class, is now a Brigadier General and has an imposing army record. You may remember that he enlisted as a private in 1924 and was commissioned as a pilot in July, 1927. In 1928 he won the Mason Patrick Trophy at the National Air Races and the following year became a flight instructor at Brooks Field, Texas. In 1943 he flew to England to study operations of the 18th Air Force and from January, 1944, to June, 1945, commanded the 55th Bomb Wing of the 15th Air Forces. Before his assignment to the 13th Air Force he was commanding general of the War Department Personnel Center, Ft Leavenworth, Kansas. He was promoted to Brig. General in September, 1944, and holds the Distinguished Service Medal, the Distinguished Flying Cross, and the Air Medal with Cluster

Charlotte Osgood Fifield is director of food service at the Corner Cupboard Tea Room, Wolvorton Hall, Hartford, Conn.

Clarence Passmore last fall resigned his position with the Woolworth Company to establish his own business known as the Passmore Lumber Company, Camden, Maine.

Karl F. Switzer is City Forester in Portland and has an ambitious program of tree planting for the city which was

started nearly a year ago.

Lawrence L. Buck is now at Brookdale Farm, Lincroft-Homdel Road, Lincroft, N. J. Lawrence was a major during the war and received the Legion of Merit award for exceptionally meritorious achievement in the performance of outstanding service as officer in charge of Development Branch, Signal Section, Headquarters, Army Ground Forces, Washington, D. C.

Hugh B. Huntley is resident safety engineer for the Liberty Mutual Insurance Company and receives mail at 220 Bagley Street, Detroit, Michigan.

Walter P. Morse holds the office of Grand Commander of the Grand Commandery, Knights of Templar of the Masonic Grand Lodge.

Karl B. Whitcomb is employed by the Sander's Company in Berlin, N. H., and lives at 819 Second Street, Berlin.

Myles Standish is a Forester for the Brown Company and lives at 311 Church Street, Berlin, N. H.

Arvilla ("Billy") Peabody Ross lives on Staten Island and has a son at Hebron Academy, Hebron, Maine, and, I believe, has a son at M.I.T.

The last news I had of Frances Brewer she was a supervisor at St. Lukes Hospital.

While in New York in December I talked over the telephone three dollars' worth with ("Tompy") Esther Thompson, but even at that, didn't have time enough to get news of other '26ers. At the time, "Tommy" was getting ready to indulge in his favorite hobby—radio—and had a date to talk with some friends in Weisbaden, Germany, that evening. They have a son, LeMarr, 17 years old, who is a senior in high school. Their daughter, Anne Jane, is 13. They are a busy family, Tommy teaching and "radioing" all over the world, Tompy teaching and managing the home, and the youngsters, like their parents, active in extracurricular activities.

Listen to "Adventures of Archie Andrews" CBS Saturday A.M. Commercial directed by Kenneth McGregor.

**1927** Mrs. Edith Thaxter,  
106 Fountain St., Bangor

Many thanks to some of you who were thoughtful enough to send in some items to the Alumni office. Just keep it up.

Mr. and Mrs. Alexander Waldron (Grace Bridges) are now living at Ringwood Manor State Park, Ringwood, N. J., where he is Park Superintendent.

Alton Best is District Conservationist with the U. S. Department of Agricul-

ture; address—Rawson Block, 41 Main St., Poultney, Vermont.

A note from "Chick" Trask tells that he is still in Placerville, California. The Trasks have two little daughters, Rosalind 4 and Sylvia 1 year old.

Dr. Clyde Swett of Island Falls was honored with the Silver Beaver Award at the annual banquet of Katahdin Area Council, Boy Scouts of America in January. This was in recognition of his interest and participation in scouting and his community standing. Dr. Swett has served as president of the Katahdin Area Council since 1943.

In February "Al" Nutting was one of those participating in a conference in Madison, Wisconsin, which organized the Forest Products Research Society for solving problems in research, development, and production of forest products.

John Snell of Hampden has become assistant State Supervisor of Agricultural Education under Prof. Herbert S. Hill. John has taught at Hampden Academy for nineteen years, the last ten of which he has been principal as well. His new duties will be state wide. He received his Master of Education degree from the University in 1945. He is a member of the Maine Teachers Association, the Maine Association of Secondary School Principals, Maine Association of Vocational Agricultural Teachers, the American Vocational Association and the Eastern Star Grange No. 1, and Mystic Lodge, F. and A.M.

Arthur Sylvester was discharged from the Army with the rank of Lt Colonel and is now with the chief planning board, Division of Civil Aeronautics Administration, Washington, D. C. His mail goes to Box 153, Wellington Villa, Alexandria, Va.

Clarence Skillings is employed by the St. Regis Paper Company as paymaster at Bucksport and resides at 7 Silver St. in that town.

**1929** Barbara Johnson, 32 Orland St., Portland  
Harold T. Payson is teaching in the high school in Wakefield, R. I., and is studying for his Master's degree at Rhode Island State College.

Loranus P. Hatch is assistant director Army Industrial Hygiene Laboratory in the office of the Surgeon General, Edgewood Arsenal, Maryland. His residence is 2801 West Strathmore Ave., Baltimore 9, Maryland.

**1930** Mrs. Pauline H. Leech, Homer Folks Hospital, Oneonta, N. Y.  
Radio Station WRDO (Augusta), Jack S. Atwood, manager, recently was awarded second prize of \$500 in the nation-wide Eddie Cantor program promotion contest.

*The Portland Press Herald* of January 11, 1947, carried a very interesting write-up of the *Fort Fairfield Review*, Kingdon Harvey, editor. To quote: "Ft. Fairfield weekly *Review*, the paper which refused to spell Hitler with a capital H, prides itself on its Independence,—spelled with a capital I—Father of its editorial freedom is Kingdon Harvey, who says his *Review* is the only paper in Aroostook County that is 'really independent,' politically or otherwise. The policy is possible, he says, because the paper is the only one in the county owned by an individual rather than a corporation—His energetic editorial policy has won for him a place among the leaders of the community." Unquote Kingdon assumed the editorial reins upon the death of his father, Chandler Harvey, in 1940. He and Mrs. Harvey have four children, two boys and two girls, and Kingdon anticipates that the *Review* editorship will remain in the Harvey family for at least another generation.

Everett C. Lary is senior industrial engineer for Consolidated-Vultee Aircraft Corp., San Diego, Calif. His mail goes to 5737 Waverly Ave., LaJolla, Calif.

Llewellyn F. ("Harold") Lloyd is an engineer at the U. S. Naval Amphibious Training Center, Patuxent River, Maryland. He is living at 20 Circle Ave., Indian Head, Maryland.

**1931** Doris L. Gross, 15 Keene St., Stoneham 80, Mass.  
Dr. John Kazuto is district health officer with the Department of Health and Welfare, Machias.

Willard Ferris is an engineer with the U. S. Army Air Corps, Wright Field, Dayton, Ohio. His mail goes to 101 Farragut Road, Greenhills, Cincinnati 18, Ohio.

Robert Prescott is now employed as a chemical engineer in Anchorage, Alaska. Bob was married in 1943 in Anchorage to Miss Louis Graiff. They have two sons, William Herbert and Robert Graiff.

**1932** Mrs. Albert F. Gerry, 17½ Spring St., Brewer  
Dr. J. Robert Feeley of 3 Third Street, Bangor, is engaged to Miss Marian F. Card of Summit, New Jersey. Miss Card was graduated from Kent Place School and Wellesley College. For two years during the war she was with the Red Cross Convalescent Center at Pawling, New York, and is now employed as purchasing agent at Overlook Hospital, Summit, N. J. Dr. Feeley was graduated from U. of M. and Boston University School of Medicine, interned in surgery for two years at Boston City Hospital and was resident physician at the Eastern Maine General Hospital for a year. He served three and one-half years in the Army Medical Corps, three of which were in the European Area with the 57th General Hospital.

John T. Barry, Jr., has joined the real estate and insurance firm of Patrick J. Byrnes, Inc., in Bangor. John's position is that of vice president.

Mrs. Richard Churchill (Rosella Randall) ("String") resides at 1902 Spring Valley Drive, Marietta, Georgia.

Carlton L. Goodwin is laboratory technician for the Portland Pipe Line Corp. which transports crude oil by pipe line from Portland to Montreal. His address is 136 Elm Street, Portland.

Merle Pike is a design draftsman for the Tennessee Eastman Corporation and his address is 1520 Carolina Ave., Kingsport, Tenn.

I received a newsy card from Jerry Shean Chase at Christmas. She and her family are still located at 272 La Cruz St., Millbrae, California, and have a third child, a daughter, Marto, who is one year old.

Bob. Shean has a second son, Richard Stanley, born November 30 in Presque Isle. Congratulations, Bob! Robert is in business with his father—Shean Accounting Company, Presque Isle.

Dot Ballard Graffam '33 sent along a picture of her two husky sons. I'm guessing their ages—four and six.

Mrs. Jay Moody (Dot Baker) mailed me her family Christmas card which is a peach. Tells all the Moody news of the year plus a picture of her four charming children. Dot has a new home at 59 Kay St., Newport, R. I., and moved into it on January 28, 1946. A new son was born on January 29. Congratulations! The daughter, Jayne, is five years old. Thanks, Dot, for the welcome news from the Moodys.

**1933** Mrs. John Carnochan, 37 Falmouth St., Portland  
To Mr. and Mrs. Richard Elliott (Emily Thompson) a girl, Nancy Jean—born on November 22, 1946, their third

Member Federal Reserve Bank

Young men and women will always find this banking institution interested and helpful in their business progress. Responsibility is reflected by a checking account, which is also a factor in establishing credit and standing.

child. The Elliott family may be reached at Bridgewater, Virginia, c/o U. S. Forest Service.

Dorothy Murphy, according to the Alumni files, is now Mrs. A. W. O'Connell and lives at 3 Linwood Ave., Mitchell Gardens, Hempstead, N. Y.

Kenneth Dickerson is employed by the Civilian Production Administration. His residence is 10 "B" St., Tonawanda, N. Y.

Eddie Haggett is Patent Adviser, U. S. Army Signal Corps, Signal Patent Agency, Evans Signal Laboratories, Belmar, N. J. He lives at 559 Monmouth Ave., Spring Lake Heights, N. J.

Frank Shea was recently "written up" in Elizabeth May Craig's "Inside in Washington" Column. Frank served with the O.W.I. during the war and spent most of his time in Africa, Middle East and Europe. He is now with the State Department's International Information and Cultural Affairs and has only just returned from the Balkans. Frank says he is here for "consultation with the Department." Part of his job is making off the record talks to new personnel of his bureau, orienting them for their jobs. Frank, as you probably already know, is married to Peg Hammell '32 and they have two daughters, Denise and Deborah.

Was delighted to receive a nice newsy letter from Johnny Wight the other day—(wish some more of you would follow suit!). He writes that Tyler Whitmore has his own employment agency in Albany, New York. His address is Selected Personal, Inc., Chamber of Commerce Bldg., 74 Chapel Street, Albany, N. Y.

John and Burleigh Lapworth '30 are employed by the Draper Corporation at their main office in Hopedale, Mass. The Wights spent an enjoyable two days visit with Mel Means and his wife last June at Mel's cottage at Gooseneck Beach.

Johnny ended his letter with the enviable news that in "another few weeks my wife and I hope to have our new home underway in Hopedale. We are going to build a five-room brick house on Northrop Street." Sounds wonderful, John, and thanks a lot for your swell letter. I can assure you it was appreciated. By the way—the Wights, at present, live at 252 Union St., Millis, Mass.

So many times—someone will say—why didn't you put "such and such" in your column, "how come you left that one out"—well, after all, someone has to send me the news. I can't pull it in from the air, though sometimes I wish I could! So drop me a card once in a while and help this column for 1933

**1934** Mrs. Robert Russ,  
Box 174, York Beach

Our house hunting recently took us to Yarmouth and our real estate agent was Muriel Covell Wilson's husband Ralph. We combined business and pleasure and had a very nice visit and lunch with Muriel and Ralph. They have two little boys aged four and a half and one and a half.

Dick Rice is a salesman for C. H. Rice Company, Broad Street, Bangor. His mail goes to 2 Madison Street, Bangor.

Elmer Cobb is a salesman for the Portland Gas Light Company and lives at 30 Dow Street, Portland.

Joseph Vinal is a salesman for the Rockland Auto Supply Company. His mail goes to P.O. Box 471, Warren.

Donald Perkins is teaching at Brownville Jct. High School.

Philip Merrill is employed by the Great Northern Paper Company, Madison.

Gordon Richardson is city engineer for Beverly, Mass. His residence is 9 Giddings Avenue.

At the annual meeting of the stockholders of the Merrill Trust Company in Bangor, Harold Perkins was elected as assistant treasurer.

One of the latest Father-Sons Business Firms in the Portland paper was that of the Snowcraft Concern in Norway. Kenneth Aldrich president and Homer, his brother, managing superintendent. Their father is treasurer and general manager.

**1935 Class Reunion, June, 1947**  
Mrs. Thomas McGuire,  
209 W. 107th St.,  
New York 25, N. Y.

This month Paul McDonnell came to the rescue and has relayed to us all the doings and the whereabouts of several '35ers. Many thanks, Paul.

After the Bowdoin-Maine game, the Phi Gamma Deltas had a dinner party at the Purpoosuck County Club in Cape Elizabeth and all these '35ers attended with their wives:

Parker Frost, Webber Motors, Bangor; John Porter (bachelor member of the party) has been promoted to assistant cigar

buyer for S. S. Pierce Company; Harry Saunders (did you say MODEL), Portland; Oscar Taylor (Studebaker), Times Square Garage, Rumford; George Carlisle, Prentiss and Carlisle, Bangor; William Wood, Saco-Lowell Company, Old Orchard Beach; Robert Lane, S. D. Warren Paper Company, Westbrook; Jack Goode, Graybar Electric, Springfield, Mass.; Clayton Robertson, Atlantic Refining Company, Boston, Mass.; Harry Files, Wayne Engineering Corp., Hollis Center. Several others attended the party including: Harold and Alice Lord, Squibbs Company, Portland; Ken and Marge Black, Cushman Company, Falmouth Foreside; Silas Bates, Government Engineer, Shipyards, Philadelphia, Pa.; Adney Boothby, Principal, Calais High School, Calais; Edward L. Butler, Insurance, So. Portland; Rusty Higgins, Ellis Snodgrass Company, Falmouth Foreside; John Black, Construction Supt., Cape Elizabeth; Ellston Ingalls, City Editor, Biddeford Daily Journal, Bar Mills; Edward O'Connell, Insurance, Augusta; Eugene Jordan, General Foods, Portland;

ON THE CAMPUS

Arthur Nichols, Medical Director, Wiscasset; Warren Pratt, S. D. Warren Paper Company, Westbrook; Philip Ryan, So. Portland; James Sanborn, L. C. Andrew Lumber Company, Windham Hill (and a Daddy lats month—congratulations, Jim!); Horace Fields, Shell Oil Co., Falmouth Foreside; Norman Rawling, Grocery Business, Newport; Joe Stevens, U. S. Navy Base, Portland; Paul and Marie are living at 79 Oak-hurse Ave., Cape Elizabeth. Paul has a paint business in Portland.

And a few other bits of news for you—William Milliken is assistant manager of flight research at Cornell Aeronautical Laboratory. His address is 62 Eatle St., Williamsville, N. Y.

Robert Bucknam is employed as a forester by the Forestry Division of the Bureau of Land Management, Dept. of the Interior, Washington, D. C. He has charge of fire control and timber management on the vacant public lands of the United States. His residence is 4842 Dav-enport Street, N.W., Washington 16, D. C.

Walter A. Downs is teaching school in Silver Spring, Maryland, and lives at 1619 South 28th St., Arlington, Va.

Richard A. Gallop has returned to his former position as engineer with the Oxford Paper Company. His mail goes to Box 133, Ridlonsville.

Dr. Norman M. Jackson has moved from Middlebury, Vermont, to 6 Elm Street, Milford, N. H.

Edward Spaulding is teacher of biology

and chemistry at Kimball Union Acad-emy, Meriden, N. H.

### 1936 Class Reunion, June, 1947

Mrs. Edwin Webster,  
Box 215, Hampden Highlands

A letter from Louise Steeves informs me that she is now teaching physical education in the Webster Grammar School in Auburn, Maine. Her address is 133 Court St., Auburn.

Frances Callaghan is now Mrs. Leonard Dunkinson. Her mail goes to P.O. Box 491, Hayward, Calif.

Richard Adams is station manager of radio station WKOX, Framingham, Mass. His address is Long Ave., Framingham Center, Mass.

Roger Hutchins is president and general manager of Fips Food Company, 1402 Plymouth Ave. N., Minneapolis 11, Minn. His residence is 253 Fairview Ave., N., Robbinsdale 12, Minnesota.

Roswell Averill is special agent for the Aetna Fire Insurance Company. His address is 32 High St., Old Town.

### 1937 Class Reunion, June, 1947

Mrs. Robert DeWick,  
Box 36, Woolwich

David N. Bedrick is president and manager of the Alan Distributors, Inc., 20 Day St., Fitchburg, Mass. His residence is Richardson Rd., Fitchburg, Mass.

George R. Trimble is a forester with the Flood Control Surveys, Northeastern Forest Experiment Station, 514 Bantiers Securities Bldg., Philadelphia 7, Pa.

Maurice Day is proprietor of "Four Acres," Topsfield.

Alton D. Wilcox is employed on the farm of Charles E. Hussey & Sons, Presque Isle. Mail goes to Route #, Caribou.

Theodore J. Crabtree is director at the Veterans Servicenter in Bath. His mail goes to 33 Elm St., Bath.

James H. Cunningham is practicing dentistry in Bar Harbor at 2 Cottage St.

Edward Brarmann is Director of Veterans Service Bureau, 73 E. Palisade Ave., Englewood, N. J. Mr. and Mrs. Brarmann (Helen Titcomb) live at 1 Cleveland Ave., Englewood, N. J.

Leonard E. Crockett is supervisor of the Coca Cola Bottling Plant, 170 Bangor St., Augusta. Residence, 14 Longwood Ave., Augusta.

### 1938 Class Reunion, June, 1947

Mrs. Wallace Gleason,  
9 Oak Terrace,  
Neptune City, N. J.

Why is it most people are so lazy about letter writing? Even a penny post card will carry news! Doesn't anybody know anything at all about our classmates? Here are the few items I have received from the Alumni office. Next time please let's have a longer column

Lawrence Denning, formerly of Orono, has been recently appointed manager of a W. T. Grant Company store in Greenwich, Conn. He was promoted from a similar post in the company's Bridgeport store.

Mr. and Mrs. Richard W. Raymond (Regina Littlefield '37) live at 106 Bank Street, St. Albans, Vermont.

J. Philip Harriman is in the Industrial Electronics Division Sales office of the Raytheon Mfg. Co., Waltham, Mass. His residence is 121 Follen Road, Lexington, Mass.

Harold H. McKeen is an accountant for Meech, Harmon, Lytle and Blackmore, 2314 Chanin Bldg., New York 17, N. Y.

Richard Britt has accepted a commis-

sion with the U. S. Coast Guard for civil engineering duty. At present he is attached to the 9th Naval District (Cleveland, Ohio) and is at Mackinac Island on a concrete substructure for a major light.

1939 Mrs. Donald Huff,  
111 Pine Grove Ave.,  
Lynn, Mass.

I received a note from Betty Reid Freeman telling of her wedding in August to Benjamin Freeman of Wellfleet, Mass. Ben is a graduate of Fitchburg State Teachers College and since his discharge from the Army has taught shop work at Lawrence High School in Fairfield, Me. They are making their home at 3 Gerald Terrace and would enjoy a visit from any "Maine" friends.

A card from Mary Archibald Campbell tells us that she is now living at 63 Court Street, Houlton. Her daughter Nancy is three years old.

Marjorie Taylor is head of the statistical department of Life Insurance Agency Management Association, 115 Broad St., Hartford 5, Conn. Her residence is at 17 Denison St., Hartford.

Ralph Guppy is store manager of Munsoy Co., 223 Congress St., Portland. He is living at 107-D Mussey St., So. Portland.

Richard Monroe is employed by the Monroe Co., 180 Green St., Jamaica Plain, Mass. Mail goes to 46 Gould St., Wakefield, Mass.

Dr. Herrick Thomas is surgical resident physician at the Lawson Veterans Hospital, Atlanta, Georgia. His residence is 308 George Mason Dr., Arlington, Va.

Fred Patterson is working at the Library of Congress and studying law. His mail goes to 2715 Courtland Place, N.W., Washington 8, D. C.

Lawrence Nodding is employed as re- pairman for the New England Telephone and Telegraph Company, Waterville. His residence is 7½ Roosevelt Ave., Water-ville.

Leonard Pratt is sanitary engineer for the DuPate County Health Department, 52 E. St. Charles Rd., Villa Park, Ill.

Robert Cook is Soils Engineer with Airways Engineering Consultants Inc., 1621 Conn. Ave. N.W., Washington, D. C.

Merton Smith has accepted an appoint-ment as training officer with the Veterans Administration and will be assigned to duty in the Bangor V.A. Sub-Regional Office.

Dora Stacy Brown was married Jan. 4 to Max Polley of Mobile, Alabama.

1940 Mrs. Edward R. Ladd,  
108 Talbot Ave., Rockland

Bill West sent a card from Guilford announcing the arrival of his and Mrs. West's second son, David Lee, on January 13. He also had news of Bernard La Barge, who is a junior salesman for Swift and Company in Bangor. The LaBarges and their three children are living in G. I. Village, Bangor.

Charles and Alice Pierce Weaver have their second daughter, Nancy Alice, who arrived on Dec. 16, 1946. Charlie is a trainer for the Reed Rolled Thread Die Company at 237 Chandler St., Worcester, Mass. His home address is 18 Curve St., Millbury, Mass.

Dick and Dorrice Dow Fuller are the proud parents of John Andrew, born Feb. 5, 1947. They reside at Windy Hill, Spur-wick Ave., Cape Elizabeth, Maine.

Mr. and Mrs. Walter E. Hanley (Gertrude Tondreau) announce the arrival of Martha Jean on February 1, 1947. Bud is working for the Graham Cheese Corp. in Elmore, Indiana.

The Maine Alumnus

GOOD

and

GOOD

for you.

it's HOOD'S

ICE CREAM

John Chase Alley and Miss Katherine Graff of Portland were married recently. Mrs. Alley is a graduate of Westbrook Junior College and Boston University and did graduate work at the Boston College School of Social Work. She was connected with the American Red Cross at the Naval Hospital, Newport, R. I., as a medical social worker and is now associated with the Child Welfare Bureau at Bangor. John is employed by the Maine Seaboard Paper Company, Bucksport.

Maj. Robert E. Murphy, stationed in Germany, is now a member of the regular army. He has been recently joined overseas by Mrs. Murphy.

Betty Kruse Parkman of 54 Lassell St., Greenwood, Mass., has been appointed Eastern Massachusetts alumnae chairman for the Union Building Campaign.

Robert D. Atwood is employed as a claims adjuster for Fire Companies Adjustment Bureau, Inc., 315 Walker Bank Bldg., Salt Lake City, Utah. His home address is 2606 East 21st St., Salt Lake City, Utah.

Leonard McPheters is ordnance engineer at the Springfield Armory, Springfield, Mass. His mail goes to 30 Seymour St., Springfield 9, Mass.

Donald M. Marshall is an engineer with Pratt & Whitney Aircraft Corp., E. Hartford, Conn. His residence is 35 Phelps Rd., Manchester, Conn.

Francis P. Golden is a forester for the Dead River Co., Bangor. His home address is 27 Bower St., Bangor.

Fred G. Johnson is practicing dentistry and oral surgery at 26 Washington St., Eastport.

Frederick W. Rawlinson is assistant personnel administrative manager of the sales department of American Airlines, Inc., 122 E. 42nd St., New York, N. Y. His residence is Mill Pond House, Roslyn, N. Y.

**1941** Mrs. Vale G. Marvin,  
57 Penobscot St., Bangor

The Alumni office is my sole source of information this month.

Edwin L. Mutty has joined the real estate and insurance firm of Patrick I. Byrnes, Inc., and will act as field and office man. Edwin, recently discharged from the armed forces, spent four of his five years in service overseas.

June Bridges' marriage to John R. Spinner has been announced by her parents. Mr. Spinner attended Springfield Junior College and was graduated from St. Ambrose College, Iowa. He was discharged from the Navy last July after three and a half years' service. He is associated now with the Continental Casualty Company as a special agent. June is on terminal leave from the WAVES. The Spinners plan to reside in St. Louis, Missouri.

Miss Catherine Ann Hagaman was married on Feb. 1st to Blendon L. Burton at the First Congregational Church in Providence, R. I. The bride was graduated from Northfield School for Girls and is a senior at Pembroke College. Blendon is studying for his Master's degree at Brown University. During the war he was attached to the Naval Ordnance Laboratory in Washington, D. C., as a physicist. Mr. and Mrs. Burton will live in Providence while completing their studies.

John F. Hoyt and Miss Charlotte L. Reynolds were married recently. Mrs. Hoyt is a graduate of Ft. Fairfield High School and Gorham State Teachers College. She has been teaching in Ft. Fairfield for six years and will continue to

the end of the school year. John served for three years with the 384th Engineers Combat Battalion, two years of which were spent in the E.T.O. He is now engaged in farming in Easton with his father.

Richard Duffey is at Jefferson Medical School and lives at the Gladstone Hotel, Philadelphia.

Bill Demant is sales supervisor for the Rocky Mountain Maytag Company. His address is 3 West Cheyenne Rd., Colorado Springs, Colorado.

Floyd Jackson is employed as time-keeper by the Oxford Paper Company, Rumford. He lives at 4 Lockness Rd., Rumford.

Maurice Sherman is attending Wentworth Institute studying contracting and building. His mail goes to 93 St. Botolph Street, Boston, Mass.

Vernon Kent is Security officer with the U. S. Immigration and Naturalization Service, Ellis Island, New York. His address is 474 W. 22nd Street, New York, N. Y.

Walter Thomas is in the specializing department of the New Jersey Telephone Company, Plainfield, N. J. His mail goes to 121 Johnson Street, Westfield, N. J.

Maj. Bert Sanborn was married on Nov. 30th to Miss Hane Wheaton of Sweet Briar, Virginia. Maj. Sanborn is stationed at the Headquarters of the 20th Fighter Group, Shaw Field, Sumter, So. Carolina.

George Treat is an instructor in the drafting department at the University of Maine. His residence is 154 State St., Brewer.

**1942** Mrs. Jose Cuetara,  
1127 Commonwealth Ave.,  
Boston 34, Mass.

Since writing the last column, Jose and I have joined the ranks of proud parents, as Paul Savage Cuetara was born on January 27 at the Cardinal O'Connell House in Boston. Before I start digressing on the particular charms of our little son, I'd better skip into the next item or else this will be no column of class news

And so we have here only in second place because of chronology (please note) the news that Betty and George Cunningham announce that they are proud parents of Joel Thomas Cunningham who was born on February 10 in Winchester, Mass. Little Joel weighed 8 lbs. 11 ounces and topped over our young husky who went one ounce over 8 lbs. Here I am digressing already. Please forgive and may we add our congratulations to the Cunninghams. Their present address is 319 Highland Ave., Winchester, Mass.

A note from Jo Blake Bail recently gave Jo and Don's address in Millinocket as 184 Highland Ave.

The latest news from Elene and Woody Woodward is that they are living at 91 Holyoke Street, Brewer, while Woody commutes to the University. Woody was retired as of the 1st of January from the Marine Corps Reserve. Elene wrote that Carlie and Maddy Brackett are the proud parents of a baby girl, Loy Carlene who was born on January 16. Our congratulations to the Bracketts! We know it's repetitious to use the phrase "proud parents" each time—but do so purposely, now knowing its full meaning.

Ed and Dot Weed are living at 63 Union Street in Bangor while Eddie goes to the University. Archie and Helen Hatch are living at 43 Fern Street in Bangor and Archie is also attending Maine

Art and Dot Boyd are living at 33 Westland Avenue, Bangor, and Art is

employed by W. T. Grant Company.

Ted and Lois Stone live in Lincoln where Ted is working for the U. S. Department of Agriculture in Soil Conservation. They have a daughter, less than a year old.

All these items were from Elene's letter and we thank you for them, Elene.

A post card from Dr. Wilfred Butterfield brought the information that Wil graduated from Tufts Medical School in June 1945 and served his internship at the Cambridge City Hospital. He was then on active duty in the U.S.N.R. as a Lt. (j.g.) and released last July. In August Miss Elizabeth M. Schaeffer, R.N. and Will were married. Best wishes to the Butterfields!

We thank Virginia Hastings Droessler for her nice letter and its news that Virginia and Earl have also become the "proud parents" of little Carol Joan on October 30, 1946. Carol Joan has red hair and blue eyes—sounds like a beautiful baby. Earl is with the office of Naval Research in Washington, D. C. The Droessler's mailing address is 4016-3rd St. N.W., Washington 11, D. C.

And a wonderful long letter from Gloria Minuitti brought more news about the marriage of Lorraine Dimitre and David Hopkinson on September 7, 1946. The wedding took place in New York City at the Church of the Transfiguration (Little Church Around the Corner) and Gloria had the honor of being the maid of honor while Eino Fagerlund '43 was the best man. The Hopkinsons are now living in Vermont where David is instructing in the Mechanical Engineering Department, University of Vermont. Their address is Bldg. 247, Apt. 3, Fort Ethan Allen, Winooski, Vt.

Last July, Cherrie Thorne and John Kaifer of Baltimore, Maryland, were married and they now live at 2 Waelchi Ave., Baltimore, Maryland.

Gloria mentioned that Vic has just received his Master's Degree in Forestry at Yale. Dick Cranch was at Yale with Vic and received his Master's in Forestry at the same time.

Gloria herself is still in Group Insurance and at present Claims Supervisor for a private group insurance office in New York City. Lois Stone McMurray is at the same office as office secretary and Gloria has the same address—88 Van Reyper St., Apt. 2-A, Jersey City 6, N. J. Thanks for the good letter and very best wishes to the Hopkinsons and the Kaifers!

As I report from the letters I receive in the order in which they arrive often the chronology is neglected. And so, Cortna Billings' letter shifts us back to the topic of parenthood! Cortna and Paul now have a child born on January 12 weighing 7 lbs. and named Jed Scott. Cortna says, "golly, aren't we getting old and family-conscious," and how right she is. The Billings, as you know, live at 24 Achen Drive, Route #1, Rahway, N. J.

And now from the Alumni office we have several items. Mr. and Mrs. Thomas Dunn of Turner announce the engagement of their daughter Anna to Chandler Briggs. Miss Dunn was graduated from Leavitt Institute in Turner and from the Auburn Maine School of Commerce. She now teaches commercial subjects at Paris High School. Chandler is now in the restaurant business in South Paris.

Miles Mank is attending the University of Florida College of Law. His mail goes to 513 West Orange Street, Gainesville, Florida.

Forest Truland is a teacher and as-

sistant coach at Thornton Academy, Saco. His residence is 300 Main St., Saco.

Robert McLeary is employed as a salesman with Socony-Vacuum Oil Company, Portland. Gladys and Bob and seven months old Janet live at 100 Lincoln St., Sanford.

Robert Brandt is employed by the John Hancock Life Insurance Company, 151 Harvard St., Allston, Mass. His mail goes to 18 Evans Road, Brookline, Mass.

Joseph Wenchus is a teacher and coach at Stephens High School, Rumford. His residence is 68 River Street.

William Case is a sales engineer for H. W. Case Sales Company, 52 Willow Street, Springfield, Mass. His residence is 111 Bristol St., Springfield 9, Mass.

Charles Cox is a salesman for Johns-Manville at 2909 North Flores, San Antonio, Texas. His residence is 204 E. Huisache Ave., San Antonio 2, Texas.

Webster Burr is a stockholder and part-owner of Tri-Cities Heating Corp., 750 Riverside Drive, Johnson City, N. Y.

Robert Bowser is assistant distribution engineer for N.E.P.S. Co., Mystic Division, Malden, Mass. His residence is 76 Chestnut St., Lynnfield Center, Mass.

James Church is a student at Mass. State College of Pharmacy, Amherst, Mass.

**1943** Mrs. James P. Logan,  
3712 N. Rural St.,  
Indianapolis 18, Ind.

Once more, and yet once more, the deadline is upon us and '43 remains unreported. Seat ye, repentant one, and tell of the news. Dottie MacLeod is officially Mrs. Henry R. Bedard, as of Wednesday, January 29. Proof thereof rests in the announcement, a letter, and two snapshots of the rejoicing couple. The Louisiana countryside and weather have already taken their toll and New England seems beautiful from faraway lands. Dottie is now living in "a spacious four room apartment near Shreveport, 1552 Irving Place, only 15 minutes from the base."

Donald W. Libby was married March 1st to Miss Orel M. Lanning of Syracuse, New York, at St Paul's Methodist Church. Mrs. Libby was graduated from the School of Nursing, Syracuse University, and served in the Army Nurse Corps. Since being discharged, she has been employed by Oswego Falls Corp in Fulton, N. Y. They will be at home after March 15th at 211 East Broadway, Fulton, N. Y., Donald being paper chemist at Sealright Products Co. Inc.

Celia Goos married Leo Viner in Bangor recently—for full details see the *Bangor Daily News*—destination unknown, also future address Via the official grapevine, word has come that Marguerite Martin is now Mrs. John R. Chaisson, c/o Quarters #116, Marine Bks, Quantico, Va. Thought everyone had been discharged by now, but no.

Class of '68 prospects—David Albert Guyger (Elizabeth Foster Guyger) was born last May. He, also proud parents, may be found at 5504 Rising Sun Ave., Philadelphia 20, Pa. James Worthes Waller (Beverly Brown Waller) was born in July. The Wallers are living in Pearl River, N. Y., 67 N. Middletown Rd., Apt. 1-F.

News of our far-flung classmates—Murray Bowden is teaching at Fremont High School. His address is 110 Elm St., Fremont, Michigan. Kingsley Hawthorne is minister of the West Parish Congregational Church, Bethel. Harold Whiteley is working for the Central Maine Power Company (Box 23, Limerick). Roger Stearns is working in Bar Harbor for the

R. L. White Company, general contractors. Bernard Albair is a sales engineer for the Pfaundler Company, Chemical Process Equipment Manufacturers, Rochester, N. Y. Mail goes to 46 Vassar St., Rochester. Harry Tourtilotte works for Monsanto Chemical. He is a maintenance engineer in the plastic division and lives at 69 Meridan Street, Springfield, Mass.

**1944** Esther Randall,  
98 State St., Portland

Now some extra special good news. About a week ago the mailman brought a letter from Hokie Adams telling us about a banquet held by the "wayward" members of the class of '44. On February 5 thirty-five fellows who originally were in our class got together for the purpose of making public their unanimous wish to affiliate with the class of 1944 for our future alumni activities. It is with a great deal of pleasure that we welcome back "to the fold" the following men: Ray Roley, George Obear, Ed Atkinson, Bill Cullen, Gene Hufnagel, Joe Dondis, Hokie Adams. Al McNeilly, Bill Brown, Chuck Wertheim, Russ Bodwell, Mel Libby, Harry Davis, Charlie Stickney, Al Hutchinson, Bob Webber, Boxcar Jones, Joe Colcord, George Thompson, Ed Sims, Dick Burrill, Ben Curtis, Paul Eastman, Joe Coombs, Will Johns, Deke DeCoursey, Les Gross, Ben Hodges, Cliff Kierstead, Bob Leavitt, John Johnstone, Carroll Richardson, Dinny Presnell, and Dave Thomas

This month brought forth the announcement of the birth of John Andrew Fuller on Feb. 5. The proud parents are the Dick Fullers of Portland in case you hadn't already guessed.

It seems that we've missed a couple of other additions during the winter—Mary and John Marriott have a son, John Duncan, who was born in December. The Albert Crocketts boast a daughter, Barbara Ann, born Jan 24. On Jan. 19 Ginny and Paul McIntire sent out word of the birth of their daughter, Paula.

In January Charlotte Willett became the bride of Joseph Grochmal of Cantonville, Maryland. Since graduation Charlotte has been a supervisor at Calvert's in Baltimore. Mr Grochmal was graduated from Baltimore Polytechnic Institute and attended Johns Hopkins University. At present he is serving as consulting engineer with the Conlon Electrical Company in Baltimore. Congratulations go to 221 Westowne Ave., Cantonville.

Dick Palmer is a junior mechanical engineer for Shell Oil Company in Wood River, Illinois. Mail goes to 842 Alton-Edwardsville Rd., Wood River

Henry Sawyer is employed as a carpenter for D. N. Ward & Sons in Greenville.

On January 3rd Jay and Joe Ingalls arrived back in the States. Jay writes of many interesting experiences during her six months' stay in the E.T.O., visits to the French Riviera and the like. Joe is on terminal leave at present, and the Ingalls are hanging their hats in Westbrook

In January Mac McIntire received his D.M.D. from Tufts Dental and attached to the degree was a cum laude. Nice going, Doc! Since that time Ginny and Mac have moved from Boston to 242 Douglas St., Portland, and Dr. McIntire will open his office on Brighton Ave. in March (Good spot for a commercial!)

A few weeks ago Ted Phillips was here in Portland on vacation prior to his departure for Texas—a new assignment with Ingersol Rand.

Via the grapevine comes the word that

Esther Holden Hopkins is doing personnel work for a department store in Oakland, California, while Mr. H. completes his college work.

**1945** *Class Reunion, June, 1947*

Constance Carter,  
48 Chester Ave.,  
Waltham, Mass.

Announcement has been made of the marriage at Miami Beach, Florida, of Miss Nancy Lee Threlkeld of Miami Beach to Lt. Daryl S. Crane, USNR. The ceremony was performed in the Campanile of St. Patrick's Church.

Edmund A. Rogers is employed by the John Hancock Life Insurance Company, Boston, Mass. His residence is 12 Browne St., Brookline, Mass.

Gregory Petreas is employed by the Veterans Administration in Pittsburgh, Pa. His mail goes to 1106 Sylie Ave., Pittsburgh 19, Pa.

Miss Dorothy Stump, daughter of Mr. and Mrs. L. C. Stump of Kansas City, Missouri, became the recent bride of Richard Waterman, son of Mr. and Mrs. Oscar Waterman of North Haven, at the home of the bride's parents. Mr. Waterman is studying medicine at the University of Kansas where his bride is also a student. The couple will make their home in Kansas City, Kansas.

I received a grand letter from Ray Jones (apologies for the late answer, Ray). Ray is at the Fitzsimmons General Hospital in Denver, Colorado. Ray spent a great deal of time in the China Theatre in the Headquarters United Forces in the Commanding General's office as a translating officer. Ray met Prof. Wilmarth Starr on the street in Shanghai before he left for the States! Ray sends word that Charlie Jellison is at Stamford University. Ray's address is: Lt. Raymond D. Jones, Ward E-2, Fitzsimmons General Hospital, Denver 8, Colorado

Babs Haines Pancoast is living at 77 Elm Street, Waterville, because of the housing shortage in Baltimore where Bob is until April. They will return to Cincinnati in the spring where Bob is attending the University of Cincinnati.

**1946** Mildred A. Byronas,  
218 Washington St.,  
Hartford, Conn.

The first letter I picked up was from Harriet Steinmetz. She has resumed her work as district director of the Bridgeport Area Girl Scout Council after completing a month's course in program orientation at Northampton, Mass. Getting together with Jan Campbell, who is working at cancer research at the New Haven Hospital, the two girls are now sharing an apartment, the address is 36 High Street, Apt. 15, New Haven. Harriet also writes of seeing Martha O'Brien fairly frequently, and needless to add that "Obie" is enjoying her work at the Histology Lab. at Columbia University.

Thanks to Eloise Law, who is at Washburn, we learn that Jean Donahue Keef is the mother of two girls, not one as formerly reported. Karen Jean, born on November 20, is the latest addition.

A belated but not forgotten congratulations goes to Mr. and Mrs. Merrill Cobb, who were married at Lee on Christmas Day. Merrill is back at Maine and the couple make their home at 229 Center Street, Bangor.

A former classmate of ours at Boston University is Rudolph Weeks, who is taking a business and personnel course there. His mail goes to 48 Mancher Rd., Brookline, Mass.

**ALL THINGS HUMAN CHANGE...**

1929

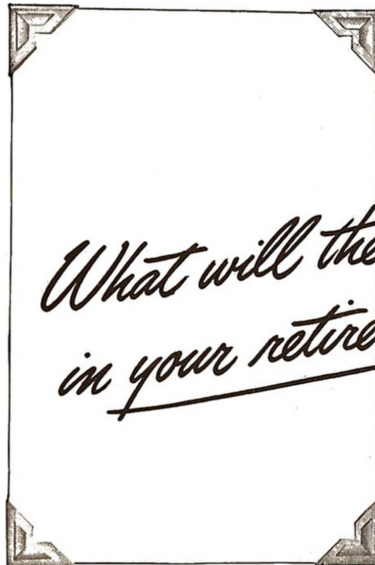

1933

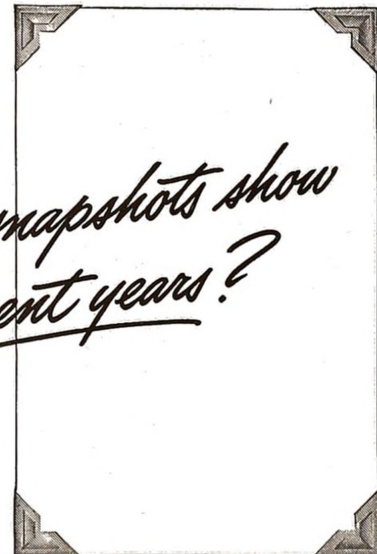

1940

1947

1960

1965

Flash-backs to the eventful past: that solemn, joyous wedding. Your first home. Success. Then . . . the tranquil years.

Will you, when you retire, be free to follow the sun, to do the things you've most wanted to do?

You've taken steps, naturally, to finance this period and to make it the most deeply rewarding of your life.

But remember, *all things human change*. Your financial plans, your insurance program of a few years ago, may not fit your needs today, or those of the years immediately ahead. For this reason it is wise, especially in times like the present, to

review and adjust your insurance program every year or so.

Your New England Mutual Career Underwriter will be glad to help. Why not call him today — just to be sure?

## New England Mutual Life Insurance Company of Boston

George Willard Smith, President Agencies in Principal Cities Coast to Coast  
The First Mutual Life Insurance Company Chartered in America—1835

These University of Maine—and hundreds of other college men, represent New England Mutual:

\*Jos. Jacobs, '08, Columbus, Ga.

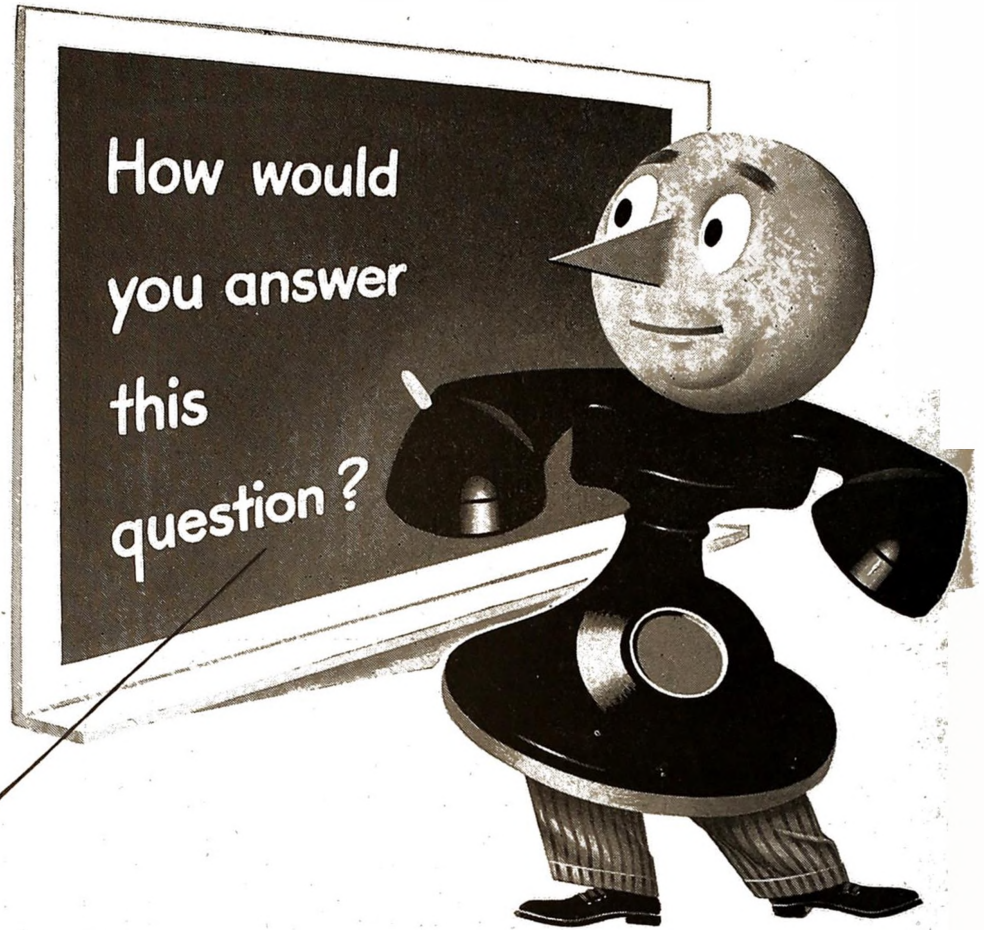

Howard L. Norwood, '23, Monmouth, Me.

\*Ernest L. Dinsmore, '37, Boston

\* With U. S. Armed Forces

We have opportunities for more University of Maine men. Why not write Dept. V-3 in Boston?

# How much does the telephone company earn?

We asked a number of people this question . . .  
*"How much would you say the telephone company makes (after all expenses and taxes) on the money invested in the business?"*

Twelve per cent said "6% or less."

Eleven per cent said "7% to 10%."

Twelve per cent said "15%, 20% or 25%."

Eight per cent said "30% or more."

Fifty-seven per cent had no opinion.

The actual figure is less than many people think. Even with telephone calls at a record peak, Bell System earnings on the money invested in the business have averaged only a shade over 5½% for the last five years — including the war years. And that's not enough to insure good telephone service.

We thought you might like to know in case you have been wondering about telephone earnings.

BELL TELEPHONE SYSTEM
