WHEN A HORSE IS A STARTER

A horse is a "Starter" for a race when it has left the paddock and ENTERED THE TRACK on its way to the post. If, while wagering is in progress, a horse should be excused by the Stewards because of accident or casualty BEFORE ENTERING THE TRACK FOR THE POST the pooling is not affected thereby. The tickets purchased on the horse so declared are redeemable at their cost value, such amount being subtracted from the pool. If, however, a horse has left the paddock and ENTERED THE TRACK, enroute to the post, it becomes a "Starter" and ALL WAGERS ON IT STAND WHETHER IT STARTS OR NOT.

ATTENTION—SPECIAL NOTICE—CAUTION

Before starting to buy your ticket, see that you have the right change; also be sure of the name of horse you wish to purchase ticket for. This will save time and mistakes.
