## Maine Public, Press Herald cite Ferrini-Mundy in story about increased COVID-19 testing

January 19, 2021

Maine Public and the Portland Press Herald cited University of Maine President Joan Ferrini-Mundy in a story about enhanced coronavirus testing plans for the spring semester. UMaine will test on-campus students and staff weekly beginning Jan. 25 via a mobile lab located on campus that will provide results in 12 hours. The County reported on the mobile testing lab and the reduced turnaround time for results. News Center Maine and Q106.5 FM (Bangor) also reported on the plan to increase testing.
